Explanation Ever of the Key Accounting Basics The world of accounting can be intimidating. Whether you're a manager, business owner or aspiring entrepreneur, you've likely found yourself needing to know basic accounting but baffled by complicated accounting books. What if learning accounting could be as simple and fun as running a child's lemonade stand? It can. The Accounting Game presents financial information in a format so simple and so unlike a common accounting textbook, you may forget you're learning key skills that will help you get ahead! Using the world of a child's lemonade stand to teach the basics of managing your finances, this book makes a dry subject fun and understandable. As you run your stand, you'll begin to understand and apply financial terms and concepts like assets, liabilities, earnings, inventory and notes payable, plus: --Interactive format gives you hands-on experience --Color-coded charts and worksheets help you remember key terms --Step-by-step process takes you from novice to expert with ease --Fun story format speeds retention of essential concepts --Designed to apply what you learn to the real world The revolutionary approach of The Accounting Game takes the difficult subjects of accounting and business finance and makes them something you can easily learn, understand, remember and use! "The game approach makes the subject matter most understandable. I highly recommend it to anyone frightened by either numbers or accountants." -John Hernandis, Director of Corporate Communications, American Greetings

Principles of Accounting Volume 1 - Financial Accounting Are you finding that your invoices and bank statements pile up every month, untouched and shied away from? Does your accountant spend more time on basic bookkeeping than on minimising your tax bill? If you're a small business owner who wants to take financial matters into your own hands, look no further. Bookkeeping for Dummies will guide you through all the basic skills needed to keep your business efficient and cost-effective – from tracking your transactions and keeping ledgers, to producing balance sheets and satisfying the taxman at year-end. Learn to manage your finances painlessly and clearly, and master the art of bookkeeping! The book will be adapted from the current US edition of Bookkeeping for Dummies. Existing content will be revised to reflect essential UK information.

Real Estate Accounting Made Easy Master the art of fully living, one life goal at a time. Do you want to experience your one life--your whole life--to its fullest measure? In this stirring book, author, blogger and lifestyle entrepreneur, Tal Gur offers his own transformational journey as an inspiring example and practical guide to implementing the art of fully living. You'll learn how to actualize your potential by forging all aspects of your life through the process built into your life goals. The very structure of this book models Tal's immersive approach to goal-driven living: each chapter of The Art of Fully Living is dedicated to a year of focus--socializing, fitness, freedom, contribution, love, adventure, wealth, relationship, spirituality, and creativity--and follows Tal's endeavors as he works toward fulfilling 100 life goals in only 10 years. This daunting ambition, springing from one late-night conversation among friends and a gnawing discontentment within the typical "success" story, becomes extremely relatable through Tal's bold

Download Ebook Accounting Accounting Made Simple Basic Accounting Principles And How To Do Your Own Bookkeeping

storytelling; what's more, the deep lessons learned become immediately applicable for your own purposes as Tal thoughtfully extracts the actionable wisdom from his own experiences to articulate the principles and techniques of "the art of fully living." The Art of Fully Living takes you along the exhilarating ride of Tal's journey while illuminating your own possible life-goal trajectory: as Tal relates how he socialized nonstop in vibrant Melbourne to master English and trained intensively to complete Ironman New Zealand and practice ancient Thai martial arts, you'll learn how to apply immersion to achieve your own life goals; as Tal describes how he eliminated his crushing student debt in one year and attained financial and location independence, you'll learn how to simplify your life, recognize your own present wealth, and turn your passions into a living; and as Tal animates his experiences learning to surf and salsa, to drum in a troupe and compose electronic music, and to write this very book, you'll learn how to let your intuition be your guide, reveal your authentic core, and achieve flow--among the myriad other adventures and take-aways that fill this book. Tal not only introduces the idea that the art of fully living is another skill to master but also guides you through honing this skill with chapter lessons and actionable key takeaways. Once you discover "the art of fully living," there is no going back; it will feel unacceptable to settle for less than your dreams--and what's more, you'll dream even more wildly, aspiring to action with greater clarity of purpose, broader horizons of possibility, and holistic vision across all areas of your life. This book is especially for you if you find yourself frustrated often, feeling low, or if you're struggling while asking yourself "What do I REALLY want?" You will discover how to leverage your strengths to achieve your dreams. You will know what it means to be truly free. You will be fulfilled by the path you have chosen to take from this point on. Can you imagine what the world would be like if everyone discovered and did what made them feel FULLY alive? Your dreams are your dreams for a reason; they are rooted in your deepest understanding of who you want and can become. It's up to you to follow though, to trust in your vision enough to persist until it becomes a reality, part of the world and part of who you are becoming. Your inspiration is meant to be, and you can make it so through the "art of fully living." Follow this inspirational journey and master the art of fully living by scrolling up and clicking the BUY NOW button at the top of this page
