For over 15 years, Weygandt, Accounting Principles has been praised by both instructors and students across the country for its outstanding visual design, its carefully integrated pedagogy, and its excellent writing style and clarity of presentation. Our main focus continues to be "Student Success in Accounting" and the new seventh edition package further enables both instructors and students to achieve successful learning outcomes. With this edition, we have added two new authors, Valerie Warren and Lori Novak. They bring fresh new ideas, updates, and continue to implement challenging accounting concepts through examples that are familiar to the student with a stepped-out pedagogy that breaks down complex topics making the material more manageable. This connection to their everyday lives helps build student motivation, a key driver of student time spent on assignments and ultimately their mastery of the concepts. Accounting Principles, Seventh Canadian Edition enables students to become independent and successful learners by including a variety of additional resources, more opportunities to use new technology, and new features that empower students to apply what they have learned in the classroom to the world outside the classroom. The seamlessly integrated digital and print resources to accompany Accounting Principles, Seventh Canadian Edition offer additional tools for both instructors and students in order to help students succeed.

A bank for the "language of money" you need to know. Our author, expert and professor targeted the most important vocabulary for this critical subject in 6 laminated pages covering over 300 terms. Easy to access at a moment's notice for reviewing core concepts before exams, as a professional resource, or for general knowledge of an area that affects business as well as personal lives every day. Suggested uses: *

- * Students/Teachers - reference for any business and accounting student *
- * Personal - great crib sheet for personal investments, money managing, financial markets and government *
- * Professionals - whether an entrepreneur or a CPA, keep a reference to the language of money by your side *
- * Businesses - purchase as a give-away that will help you educate your clients, making for more productive discussions and relationships

Larson Fundamental Accounting Principles is the market leader in Canada due to its focus on innovation, including market driven development, student-centered content and pedagogy, and innovative technology. Written in a clear and technically accurate manner, the 15th Canadian Edition continues to emphasize student success at its core. A wealth and variety of problem material allows students to build confidence, and provides them with an opportunity to practice and master accounting concepts. New Canadian author, Heidi Dieckmann, conveys dynamic energy and a consistent voice across both Volumes 1&2, by incorporating fresh and exciting real world examples and companies that make accounting even more relevant to today's students. Larson provides a comprehensive set of resources for both instructors and students to support a wide range of teaching and learning.

ALERT: The Legacy WileyPLUS platform retires on July 31, 2021 which means the materials for this course will be invalid and unusable. If you were directed to purchase this product for a course that runs after July 31, 2021, please contact your instructor immediately for clarification. There are two WileyPLUS platforms for this title, so please note that you should purchase this version if your course code is a 6 digit numerical code. This package includes a loose-leaf edition of Accounting Principles, 8th Canadian Edition, Volume 1, a WileyPLUS registration code, and 6 months access to the eTextbook (accessible online and offline). For customer technical support, please visit <http://www.wileyplus.com/support>. WileyPLUS registration cards are only included with new products. Used and rental products may not include valid WileyPLUS registration cards. Accounting Principles, 8th Canadian Edition, Volume 1 helps students succeed with its proven pedagogical framework, technical currency and an unparalleled robust suite of study and practice resources. It has been praised for its outstanding visual design, excellent writing style and clarity of presentation. The new edition provides more opportunities to use technology and new features that empower students to apply what they have learned in the classroom to the real world.
