#### Antoine Watteau

#### Watteau (1684-1721)

One of the most brilliant and original artists of the eighteenth century, Antoine Watteau had an impact on the development of Rococo art in France and throughout Europe lasting well beyond his lifetime. Living only thirty-six years, Watteau nonetheless rose from an obscure provincial background to achieve fame in the French capital. He clearly had a genuine love of music. His drawings of those playing and listening offer uncanny portraits of the way it can heighten emotions. Equally, the play of light he orchestrates on fine fabrics, on children's skin or on various elements of his landscapes, provides a startling anticipation of the Impressionists. He is the inventor of la fête galante, a genre that shows the bourgeoisie at play outdoors. Many of the models were Watteau's own friends: Parisian actors and musicians he often drew. His drawing ability remains spectacular. But even more startling is his modernity.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work.As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

#### Watteau

#### Antoine Watteau, 1684-1721

One of the most brilliant and original artists of the eighteenth century, Antoine Watteau had an impact on the development of Rococo art in France and throughout Europe lasting well beyond his lifetime. Living only thirty-six years, and plagued by frequent illness, Watteau nonetheless rose from an obscure provincial background to achieve fame in the French capital during the Regency of the duc d'Orléans. Watteau clearly had a genuine love of music. His drawings of those playing and listening offer uncanny portraits of the way it can heighten emotions. Equally, the play of light he orchestrates on fine fabrics, on children's skin or on various elements of his landscapes, provides a startling anticipation of the Impressionists. He is the inventor of la fête galante, a genre that shows the bourgeoisie at play outdoors. It was an update of the classic format which portrayed mythical beings in pastoral settings.

## Read Book Antoine Watteau 1684 1721 Basic Art

For, rather than selling to royals or aristocrats, Watteau's art was purchased by rich bankers and tradesmen. His solution was to forge a style they could accept. He replaced traditional nymphs and shepherds with posh Parisians – shown at play not in some mythic Arcadia, but in their own contemporary parks and gardens. He personalized the scenes with figures from two 'outside' worlds, those of the theater and of music. Many of the models for such protagonists were Watteau's own friends: Parisian actors and musicians he often drew. His drawing ability remains spectacular. But even more startling is his modernity.

### Antoine Watteau: 83 Drawings

"Accompanying an exhibition in honor of Philippe de Montebello, Director Emeritus of The Metropolitan Museum of Art, this engaging book examines the influence of music and theater on the art of Jean-Antoine Watteau (1684-1721). Fifteen major paintings and a number of drawings by Watteau that illustrate the connections between painting and the performing arts in Paris are explored. In addition, drawings and prints by other 18th-century artists featuring musical or theatrical subjects and objects and musical instruments are included."--Publisher description.

This biography on French Rococo artist Antoine Watteau features over 30 illustrations.

### The Masterpieces of Watteau

AntoineWatteau (16841721) produced some of the most seductive drawings inWestern art.He is revered formastering the trois crayons technique, the subtle manipulation and expert balancing of red, black and white chalks. This book reproduces his finest examples, revealing the delicacy and freedomof execution that so impressed early commentators and had such a profound effect on subsequent generations of artists, notably François Boucher and Jean-Honoré

#### Antoine Watteau (1684-1721);

#### ANTOINE WATTEAU (1684-1721)

No other artist made such a mark on 18th-century painting north of the Alps as Antoine Watteau (1684-1721). In a creative phase lasting little more than a decade, he created not the large forceful works artists are often remembered for, but rather small-scale and playful pictures full of quiet charm and gentle wit. He was able to exert artistic influence because, living in a period of upheaval and decline at the end of the era of Louis XIV, he had a presentiment of what was to come: a refinement of the mind and sensory perception, the Enlightenment, and with it new ideas of social justice. The developments that led to the French Revolution at the end of the century are already present in embryo beneath the surface merriment of Watteau's painting. Book jacket.

#### The Masterpieces of Watteau (1684-1721).

Surveys the life, works and times of Antoine Watteau, the greatest painter of 18th century France.

#### The World of Watteau, 1684-1721

#### Antoine Watteau

Le roi de Rococo Best known for his fêtes galantes such as the famous Pèlerinage à l'île de Cythère, Antoine Watteau (1684-1721) was a major proponent in the revival of the Baroque style and the formation of the Rococo movement. Watteau was inspired by the theater and in particular the commedia dell'arte, hence elaborately costumed actors, dancers, and musicians were recurrent subjects; he was also fond of bucolic scenes and portraiture. Infused with romance, drama, and joie de vivre, Watteau's paintings depict a idyllic world of pleasure and entertainment. About the Series: Each book in TASCHEN's Basic Art series features: a detailed chronological summary of the life and oeuvre of the artist, covering his or her cultural and historical importance a concise biography approximately 100 illustrations with explanatory captions

The essays in *Antoine Watteau: Perspectives on the Artist and the Culture of His Time* offer a richly textured portrait of the artist's life, work, and reputation for students, specialists, and the general public. The volume brings together art historians whose research is currently defining the field of Watteau studies with scholars from history and literature who have published widely on the political and cultural trends of Watteau's era. Essays include studies of the artist's drawing practice, his relation to the emerging public sphere, and the changing fortunes of his reputation, as well as considerations of art dealing and fashion in Watteau's time. Other essays take up conversation, dance, seduction, and theatricality as essential themes of Watteau's art. This volume will be an indispensable resource for all those interested in the visual culture of Regency France.

Antoine Watteau

Painting Performance

Antoine Watteau. 1684-1721. (Translated from the French Text by Madame Simon Bussy.).

Offers a new interpretation of Watteau's thoroughly modern vision of war in which the soldier's inner life comes foremost."

Watteau

Here is the definitive study of the great painter Antoine Watteau (1684-1721), best known for his exquisite fetes galantes--scenes of the pastoral pleasures of elegant society. Until now, critical interpretations of this remarkable artist have been shaped by essentially Romantic views. Donald Posner provides a reassessment of the life and work of Watteau; his account is enriched with reproductions of all of Watteau's paintings and major studies.

### WORK OF ANTOINE WATTEAU REPROD

Antoine Watteau, one of the most mysterious painters who ever lived, is the inspiration for this delightful investigation of the tangled relationship between art and life. Weaving together historical fact and personal reflections, the influential art critic Jed Perl reconstructs the amazing story of this pioneering bohemian artist who, although he died in 1721, when he was only thirty-six, has influenced innumerable painters and writers in the centuries since—and whose work continues to deepen our understanding of the place that love, friendship, and pleasure have in our daily lives. Perl creates an astonishing experience by gathering his reflections on this “master of silken surfaces and elusive emotions” in the form of an alphabet—a fairy tale for adults—giving us a new way to think about art. This brilliant collage of a book is a hunt for the treasure of Watteau’s life and vision that encompasses the glamour and intrigue of eighteenth-century Paris, the riotous history of Harlequin and Pierrot, and the work of such modern giants as Cézanne, Picasso, and Samuel Beckett. By turns somber and beguiling, analytical and impressionistic, Antoine’s Alphabet reaffirms the contemporary relevance of the greatest of all painters of young love and imperishable dreams. It is a book to savor, to share, to return to again and again.
