For fans of Clifford and Spot, welcome everybody's favorite little yellow puppy, Biscuit, in an I Can Read adventure! Biscuit is walking to Grandpa's house, and he's having such a good time that he doesn't want the walk to end. But the little puppy knows that the only thing better than a walk to Grandpa's house is a visit with Grandpa himself! Biscuit Takes a Walk is a My First I Can Read book, which means it's perfect for shared reading with a child. Books at this level feature basic language, word repetition, and whimsical illustrations, ideal for sharing with emergent readers. The active, engaging stories have appealing plots and lovable characters, encouraging children to continue their reading journey.

Calling the toughest canine questions! Owning a dog is one of life's great joys, but sometimes the challenges it brings can make even the most devoted dog lovers panic, throw up their hands, or feel completely overwhelmed. Before you get to the end of your leash, turn to this friendly and relatable reference that's the next best thing to talking to a dog-owning friend who's seen it all. In Oh My Dog, animal rights activist Beth Ostrosky Stern has compiled tips and invaluable advice from experts—and from her own experience as dogowner—to sooth concerns, answer questions big and small, and help you and your dog get the most out of your relationship. From the moment you even consider getting a dog, to caring for your old friend when his puppy years are far behind him, Oh My Dog covers every angle of dog ownership, including:

- Which breeds would be good match for me?
- What do I look for in a vet?
- How do I make sure our first night together is as stress-free as possible?
- What activities will help me bond with my dog?
- Is my dog showing sign of illness?
- What should I know before I head to a doggie day care or park?
- How do I read pet food labels?
- What should I do in an emergency?

Choc full of informative side bars, questionnaires, to-do lists, and much, much more, Oh My Dog is the answer-filled field guide for anybody who owns a dog or is considering getting one. Beth Ostrosky Stern

Pet the fuzzy yellow chick and hunt for shiny Easter eggs as you join Biscuit in this Easter touch-and-feel adventure!

Feeding a natural, unprocessed diet is needed now more than ever. A complete and authoritative reference on the benefits of a raw food diet for your dog. Written by Australian veterinarian Tom Lonsdale, leader in raw feeding, this exhaustively researched book provides a suggested diet, feeding tips, and do's and don'ts. If your vet is skeptical, give him or her a copy of the book! What reviewers are saying NORTHSHORE NEWS It cleans their teeth, improves their breath but there are much more important reasons to give them to your dogs. A growing movement towards providing a natural diet for your canine friends has a champion for the cause in Tom Lonsdale. A veterinarian for more than 30 years, he was slow to convert to the philosophy of a natural diet for dogs. But some 15 years ago he paid attention to the red flags he saw in his veterinary practice concerning the incident rate of cancer, skin irritations, gum disease and more. His research led him to the conclusion that the commonly used highly processed dog food was the main culprit. A diet of raw food with selected vegetable was the answer and the results spoke for themselves when he witnessed the improvement in his canine patient's health after making the switch. His book is a clear endorsement of a raw diet and is aimed at pet wonders who are interested in wanting to learn more than the basic information on this dietary plan. He tell the history of how the raw diet evolved and in the process discusses the current canned and dried foods available. Lonsdale goes into detail on what is actually included in processed dog food. This is a technical book, which covers a great deal of material and refers to a variety of studies and their findings. Pet owners who are interested in learning the details behind this break form what has become the normal diet will find a great deal of information here. Lonsdale passionately believes that all dogs will benefit from a raw food diet and presents an impressive case for that belief. Terry Peters

Beginning readers' favorite little yellow puppy is ready to help his neighbor feed

Online Library Biscuit Feeds The Pets My First I Can Read

her pets! From guinea pigs and fish to kittens and puppies, each animal gets their own special food. Everyone wants to play, too! But what happens when playtime gets in the way of mealtime? Biscuit might just find a new way to make sure everyone gets what they need. . . . Biscuit Feeds the Pets is a My First I Can Read book, which means it's perfect for shared reading with a child.

A little yellow dog wants ever one more thing before he'll go to sleep.

Veterinary technician Carrie Kennersly has become known for offering healthy dog treats at the clinic where she works. So when the owner of the local bakery moves away, Carrie jumps at the chance to buy the business and convert half of it into the Barkery, a shop where she can make and sell her canine delights. But Myra Ethman, co-owner of another pet product store, hates the new competition. At the Barkery's opening party, she badmouths Carrie's homemade dog biscuits, insisting she'll find a way to shut the place down. When Myra is found dead with a Barkery biscuit beside her, Carrie must prove she didn't do it before she's collared for murder. Includes delicious recipes for pets and people! Praise: "Recipes for both dogs and people add enjoyment in this clever cozy that will taste just right to fans of both foodie and pet mysteries."—Booklist "Kicking off a cozy new series, prolific Johnston blends mystery and romantic intrigue."—Kirkus Reviews

For fans of Clifford and Spot, welcome everybody's favorite little yellow puppy, Biscuit, in an I Can Read adventure! Woof, woof! Thisway, Biscuit! It's time to go camping. Join Biscuit in the great outdoors. Biscuit can't wait to go camping! From tents and flashlights to frogs and fireflies, there are so many new things to discover when you're sleeping outdoors. But are those rain clouds in the sky? How will Biscuit go camping now? Biscuit Goes Camping, a My First I Can Read book, is carefully crafted using basic language, word repetition, sight words, and sweet illustrations—which means it's perfect for shared reading with emergent readers.

Parakeets are very intelligent pets and can even learn to talk to their owners! This process can take a while because you must gradually make your parakeet comfortable in its new surroundings. Learn how to talk gently to it and feed it, and soon you will become its favorite companion.

Discover tricks and treats on every page as you join Biscuit in this Halloween touch-and-feel adventure!

Updating recommendations last made by the National Research Council in the mid-1980s, this report provides nutrient recommendations based on physical activity and stage in life, major factors that influence nutrient needs. It looks at how nutrients are metabolized in the bodies of dogs and cats, indications of nutrient deficiency, and diseases related to poor nutrition. The report provides a valuable resource for industry professionals formulating diets, scientists setting research agendas, government officials developing regulations for pet food labeling, and as a university textbook for dog and cat nutrition. It can also guide pet owners feeding decisions for their pets with information on specific nutrient needs, characteristics of different types of pet foods, and factors to consider when feeding cats and dogs.

When it comes to dog biscuits, there's a lot out there, but not one is as concerned with your pet's health and happiness as ours! While most of the competition goes for novelty, the Organic Dog Biscuit Cookbook stands alone in featuring tail-waggingly tasty 100% organic ingredients. Written by an expert who runs the Bubba Rose Biscuit Company, it contains more than 100 all-natural recipes -double what most other dog cookbooks have. That's sure to appeal to owners eager to feed their dog homemade treats, after the recent commercial pet food scare. The wholesome doggie dishes (all tried, true and taste tested) include a Luck of the Irish Wolfhound dog treat with such ingredients as oat flour and spinach leaves, and a beef-based Grillin and Chillin hot dog!

This guide by the author of *Merle's Door* is “beneficial for anyone who wants to ensure that their dogs will be healthy and well” (Seattle Post-Intelligencer). From the bestselling author who offers “the most utterly compelling translation of dog to human I have ever seen” (Jeffrey Masson), this is a joyful chronicle of a dog and a groundbreaking answer to the question: How can we give our dogs the happiest, healthiest lives? When Ted Kerasote was ready for a new dog after losing his beloved Merle—who died too soon, as all our dogs do—he knew he wanted to give his puppy Pukka the longest life possible. But how to do that? So much has changed in the way we feed, vaccinate, train, and live with our dogs from even a decade ago. In an adventure that echoes *The Omnivore's Dilemma* with a canine spin, Kerasote tackles these subjects, questioning our conventional wisdom and emerging with vital new information that will surprise even the most knowledgeable dog lovers. Can a purebred be as healthy as a mixed breed? How many vaccines are too many? Should we rethink spaying and neutering? Is raw food really healthier than kibble, and should your dog be chewing more bones? Traveling the world and interviewing breeders, veterinarians, and leaders of the animal-welfare movement, Kerasote pulls together the latest research to help us rethink the everyday choices we make for our companions. And as he did in *Merle's Door*, Kerasote interweaves fascinating science with the charming stories of raising Pukka among his dog friends in their small Wyoming village. Funny, revelatory, and full of the delights of falling in love with a dog, *Pukka's Promise* will help redefine the potential of our animal partners.
