Believers need to learn to defend the Christian worldview. In today's world of varying religions, it's becoming more important for a Christian to know what they believe and why they believe it. In Transformed Thinking, Tom Wheeler clearly lays out the most fundamental beliefs of Christianity and compares them to other worldviews, providing arguments to support his beliefs. Even though this book is purposed for the classroom setting, it would be a beneficial read for any believer who wants to have a firm foundation on which to share their beliefs with unbelievers. From the beginning of the world to the inerrancy of Scripture, Transformed Thinking will provide you with solid answers for your faith. Advance Praise for Transformed Thinking: "Transformed Thinking is a veritable encyclopedia of knowledge that provides foundational aspects in developing a Christian worldview." Dr. Brian Fairchild D.Min./ Pastor, Colonial Bible Church, Midland, Texas "This book is a must read for every Christian layperson and leader in the Church." Dr. Sidney Dyer, Ph.D. Professor of Greek and New Testament/ Greenville Presbyterian Theological Seminary "In the years I've taught high school seniors, Tom Wheeler's Transformed Thinking has proved to be truly effective in establishing and strengthening Biblical thinking in a world full of opposing views." Dr. Drew Conley, Ph.D. Pastor for Preaching and Teaching/ Hampton Park Baptist Church, Greenville, SC

This book surveys the history of African-American Christian churches through the study of fourteen notable black clergymen. In addition to the challenges that normally confront heralds of the gospel, African American Christians also faced slavery and racial discrimination. Their deep love for Christ and their fellow believers and their passion for lost souls made them dauntless soldiers for the Lord, proclaiming the way of salvation and the equality of all men and women in God's sight. - Publisher.

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

What does the white evangelical want? In our moment of crisis and rage, this question is everywhere. Scholars ask from where its desires emerged, pundits divine its political future, and the public asks how we lapsed into social chaos. For their part, white evangelicals feel misunderstood while failing to see the direction of their ambitions. We must interrogate its aims not only through its past or current trends but also through the various fantasies by which it rejects and enlivens reality. Against traces five zones of opposition: future, knowledge, sexuality, reality, and society. If climate change is the greatest threat civilization has ever faced, then a faith aiding collapse must face analysis. If it swims in assured forgiveness, it feels no shame for its sins against humanity. If it wants a king, it threatens democracy. If it veils xenophobia, it shall be ever more cruel. In a critical and accessible history of odd ideas, DeLay chronicles the past and sketches its troubling future. It might die, but what's certain is that a faith built on nostalgia and supremacy won't moderate. We live in dangerous times, so let us consider its justifications, turmoil, appetite, and catastrophe.
