### [Jazz en Dominicana: The Interviews 2019](#)

Le "cose", nel senso di storie ricorrenti, sono quelle dei luoghi, dei fatti, della gente che suona, ama, vive il jazz portandolo sulla sommità dell'intero universo suono, perché improvvisare o swingare risulta ormai una parte fondamentale della nostra vita tra musica, cronaca, realtà, perché insomma il jazz è anche il perno della cultura, dell'arte, dello spettacolo, del trascendente, dell'industria, della politica, del quotidiano, della società dei secoli XX e XXI. Le cose fondanti del jazz medesimo - come pure le arti o le idee sul jazz - appaiono in questo libro via via importanti, decisive, utopistiche, tenere, rabbiose, furenti, sensuali, fino a spostare il discorso su tutto ciò che effettivamente il jazz richiama quando tutti noi il jazz lo ascoltiamo, lo suoniamo, lo viviamo. Il jazz dunque come "cose" di annate (2020, 1970, 1920), supporti (Album, Cd), identità (Giovani, Natività), criticità (Anoressia, Guerra, Prigione), geografia (Luna, Umbria, Zulu), istituzioni (Scuola, unesco), curiosità (Domande, Proust), dualismi (Eco/Marx, Storia/Geografia), ciclicità (Nascita, Stagioni), concetti (Improvvisazione, Teoria, Tragico), musiche "affini" (disco-music, rock), autorappresentazioni (Civiltà, Collezionismo, I Love Jazz) e molto altro ancora da scoprire riga per riga.

Über 200 Werke der berühmten Edition Eulenburg Partiturreihe für Orchester- und Chorliteratur, Kammermusik und Musiktheater sind nun auch in einer digitalen Aufbereitung erhältlich. In optisch hervorragender Darstellung kann man die gelben Studienpartituren mit einem Klick jetzt auch digital genießen.

### [La Folia](#)

The new standard in jazz fake books since 1988. Endorsed by McCoy Tyner, Ron Carter, Dave Liebman, and many more. Evenly divided between standards, jazz classics and pop-fusion hits, this is the all-purpose book for jazz gigs, weddings, jam sessions, etc. Like all Sher Music fake books, it features composer-approved transcriptions, easy-to-read calligraphy, and many extras (sample bass lines, chord voicings, drum appendix, etc.) not found in conventional fake books.

### [Speak Jazzmen](#)

Federico Maria Sardelli writes from the perspective of a professional baroque flautist and recorder-player, as well as from that of an experienced and committed scholar, in order to shed light on the bewildering array of sizes and tunings of the recorder and transverse flute families as they relate to Antonio Vivaldi's compositions. Sardelli draws copiously on primary documents to analyse and place in context the capable and surprisingly progressive instrumental technique displayed in Vivaldi's music. The book includes a discussion of the much-disputed chronology of Vivaldi's works, drawing on both internal and external evidence. Each known piece by him in which the flute or the recorder appears is evaluated fully from historical, biographical, technical and aesthetic standpoints. This book is designed to appeal not only to Vivaldi scholars and lovers of the composer's music, but also to players of the two instruments, students of organology and those with an interest in late baroque music in general. Vivaldi is a composer who constantly springs surprises as, even today, new pieces are discovered or old ones reinterpreted. Much has happened since Sardelli's book was first published in Italian, and this new English version takes full account of all these new discoveries and developments. The reader will be left with a much fuller picture of the composer and his times, and the knowledge and insights gained from minutely examining his music for these two wind instruments will be found to have a wider relevance for his work as a whole. Generous music examples and illustrations bring the book's arguments to life.

About the Book The speciality of this book is that it is integrated with Augmented Reality so that the readers may enjoy the wonderful music while reading the interviews made by Jazz en Dominicana in the year 2019. They include 7 jazz musicians, and 4 jazz radio program producers and hosts. They provide a look into these very talented actors that are an essential part of the current day jazz scene in the Dominican Republic. There is a particular QR Code placed after every interview, which the readers may scan using a QR Scanner and listen to the music. The Cover similarly has an AR App to be downloaded as mentioned in the book for the music video to play on scanning the Cover of the book The author of this book is also the Winner of Ukiyoto Global blog Awards Season II 2019

Bianchi e neri, americani ed europei, giovani e adulti, illustri e semiconosciuti, classici e moderni, tutti comunque di grande rilievo artistico: sono i 60 jazzisti, swingers, bluesmen, boppers, freemen, crooners, eccetera, descritti nel nuovo entusiasmante libro di Guido Michelone: il noto critico musicale, per festeggiare un triplice compleanno, sceglie di raccogliere appunto sessanta rapide biografie, scritte nel corso del tempo, raccontando gli artisti che, ieri come oggi, rappresentano un'immensa cultura popolare: quel sound afroamericano ribelle, intrepido, romantico, audace, sognatore, trasgressivo, che semplicemente risponde al nome "jazz".

Un immaginario poeta-giornalista intervista un cantautore denominato Faber, soprannome dietro il quale non è difficile scorgere il riferimento a un notissimo folksinger genovese. Ecco il pretesto per raccontare l'Italia tra gli anni Quaranta e Novanta, mediante una colonna sonora ritmata dalle parole delle canzonette d'allora, tra allegre melodie e slogan impegnati. In questa nuova opera narrativa - la quarta dopo Cinquanta. Secondo Novecento, A Charlie Chàn piace il jazz?, Parigi a Vercelli - Guido Michelone si spinge verso la prosa poetica, mescolando citazioni popolari e raffinati equilibri, con uno sguardo affettuoso al Gruppo 63 e alla Beat Generation.

Material from Classical Music (Eyewitness Companion) with updates. This book is a guide to every aspect of the long and ongoing story of Western classical music. It reveals in a stimulating and lively way the exceptionally gifted individuals who have shaped the musical landscape over a millennia, from the chanting monks of the middle ages to the bold exponents of minimalism of the last 100 years. Personal and creative profiles of composers, both major and minor, form the heart of the book and offer rich insights into the qualities of their music and an ideal introduction to the range and diversity of the Classical repertoire.
