Creative Haven Ornamental Fashions Coloring Book An exploration of what it means to be fabulous--and why eccentric style, fashion, and creativity are more political than ever Prince once told us not to hate him 'cause he's fabulous. But what does it mean to be fabulous? Is fabulous style only about labels, narcissism, and selfies--looking good and feeling gorgeous? Or can acts of fabulousness be political gestures, too? What are the risks of fabulousness? And in what ways is fabulous style a defiant response to the struggles of living while marginalized? madison moore answers these questions in a timely and fascinating book that explores how queer, brown, and other marginalized outsiders use ideas, style, and creativity in everyday life. Moving from catwalks and nightclubs to the street, moore dialogues with a range of fabulous and creative powerhouses, including DJ Vjuan Allure, voguing superstar Lasseindra Ninja, fashion designer Patricia Field, performance artist Alok Vaid-Menon, and a wide range of other aesthetic rebels from the worlds of art, fashion, and nightlife. In a riveting synthesis of autobiography, cultural analysis, and ethnography, moore positions fabulousness as a form of cultural criticism that allows those who perform it to thrive in a world where they are not supposed to exist.

Fabulous Inspired by fashions of the 1920s, '30s, and early '40s, this gallery of smart-looking styles to color features 31 full-page illustrations of models in vintage day and evening outfits.

Japanese Textile Designs "Guides readers toward the road less consumptive, offering practical advice and moral support while making a convincing case that individual actions . . . do matter." -Elizabeth Royte, author, Garbage Land and Bottlemania Like many people, Beth Terry didn't think an individual could have much impact on the environment. But while laid up after surgery, she read an article about the staggering amount of plastic polluting the oceans, and decided then and there to kick her plastic habit. In Plastic-Free, she shows you how you can too, providing personal anecdotes, stats about the environmental and health problems related to plastic, and individual solutions and tips on how to limit your plastic footprint. Presenting both beginner and advanced steps, Terry includes handy checklists and tables for easy reference, ways to get involved in larger community actions, and profiles of individuals-Plastic-Free Heroes-who have gone beyond personal solutions to create change on a larger scale. Fully updated for the paperback edition, Plastic-Free also includes sections on letting go of eco-guilt, strategies for coping with overwhelming problems, and ways to relate to other people who aren't as far along on the plastic-free path. Both a practical guide and the story of a personal journey from helplessness to empowerment, Plastic-Free is a must-read for those concerned about the ongoing health and happiness of themselves, their children, and the planet.

Creative Haven Art Deco Fashions Coloring Book Buzzing with steampunk energy, these mashups of the mechanical and organic worlds present curious machines to color.
