The Blood of Dragons Flows through Your Veins
In ages past, dragons ruled supreme. Now their distant scions, the races and individuals who carry their blood, live among the great empires of the world, where they forge their own glorious legacies. You can be among them. Embrace your draconic heritage, and the spoils of the world can be yours! This supplement for the D&D® game provides detailed information on the psychology, society, culture, behavior, religion, and folklore of the dragonblooded races, including kobolds and half-dragons. This book introduces two new player character races: the dragonborn (existing characters reborn in a new draconic form to combat and destroy the spawn of Tiamat) and the spellscales (artistic, philosophical beings with a penchant for sorcery and a thirst for new experiences). It also provides new prestige classes, feats, spells, magic items, equipment, and guidelines for crafting adventures and campaigns involving dragonblooded races. The Layman's Guide to Revelation is a compilation of renowned expositors with different interpretive views of eschatology. The book guides its readers into an in depth study of the Revelation using the critical analysis of commentators of the past to help the reader better understand the present times and God's plan for the future. The guide defines key words in the Greek translation, and explains the symbolic use of numbers, colors and the foreshadowing of crucial aspects of Israel's history which will aid in deciphering the visions given to the apostle. The guide further explains the types and use of the Old Testament prophets. By understanding the Old Testament Scriptures the student will better appreciate the background of the language and the Hebraic symbolism used in Revelation. The guide also sheds light on the use of foreshadowing of past empires used in the Old Testament that will further aid in the interpretation of the future and the end-times that we are assuredly apart. The guide takes the reader verse by verse; chapter by chapter through the commentators interpretive views so they can study at their own pace and arrive at their own conclusions. The book also includes a commentary by the author that offers his own insights into Revelation that will surely

future in space. But when he rescued Draycos, a dragon-like symbiont, from certain death, his life became a series of breathtaking adventures. With the help of Draycos, who can leap onto Jack's back and become what looks like a tattoo, Jack has been doing everything he can to find out who ambushed the scout-fleet of Draycos's people, the K'da and Shontine, leaving Draycos the sole survivor.
