**A practical financial guide covers such topics as eliminating debt, investing simply, making sound financial decisions, and revolutionizing relationships with the flow of money.**

**Debt is the most aggressively marketed product in history. And it isn't just sold by banks and credit card companies anymore. Many national retail chains make more money on the sale of credit applications than they do on the actual merchandise they sell. In *Dumping Debt*, Dave blows the lid off the credit game, debunking the leading myths about debt that have become ingrained in our natural way of thinking. Then he walks you right out of debt with his simple, clear and effective debt snowball technique.**

**Take charge of your finances and achieve financial independence - the Clever Girl way. **What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is "enough"? There's a lot of bad information in our culture today about wealth—and the wealthy. Worse, there's a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God's put in their care. They were able to build wealth using God's ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?**

**Every life requires a spiritual foundation. "Grandfather, you left this" Julio lifted the leather-bound journal and stepped toward the old man. "It is yours now," said Antonio, with a gleam in his eye. "I've lived my life according to the twelve principles recorded in it. And if you will apply its principles as I did, your success will be greater than you could ever imagine." Be a minister in the marketplace. Terry Felber has written a parable that will transform your life and your business. Many years ago, this ago book helped Dave Ramsey rediscover the marketplace as a mission field--and merchants as ministers. Now let it open your eyes to the opportunities for service and leadership all around you. Are you ready for a change?The Legend of the Monk and the Merchant will change the way you see yourself, your job, and your purpose. Now includes personal and small group study guide.**

**In Smart Money Smart Kids, Financial expert and best-selling author Dave Ramsey and his daughter Rachel Cruze equip parents to teach their children how to win with money. Starting with the basics like working, spending, saving, and giving, and moving into more challenging issues like avoiding debt for life, paying cash for college, and battling discontentment, Dave and Rachel present a no-nonsense, common-sense approach for changing your family tree.**

**A church in deep debt with attendance down by the thousands. A college that had lapsed into a coma, its buildings in shambles, its faculty demoralized, its enrollment at rock bottom. A university facing lawsuits, scandal, and near-bankruptcy. Each situation involved different financial needs, different lost dreams, different personal wounds. But they each had one thing in common: each needed a leader who could restore hope, vision, and viability. Dr. Mark Rutland has led three institutional turnarounds over the past twenty-five years. He has seen organizations that were dying come to new life. And he knows the steps you need to take right now. How do you know what to do to help your church or organization make it, even when circumstances and personnel challenges seem too much to handle? Here are the answers. As Dr. Rutland writes in this New York Times bestseller, the true leader can say, "This book is for the rugged visionaries who see in the wreckage a hope for the future and are willing to pay the price for a relaunch."**

**A simple, straight-forward game plan for completely making over your money habits! **From New York Times bestselling author and nationally syndicated talk radio host Dave Ramsey comes the secret to how he grew a multimillion dollar company from a card table in his living room. If you're at all responsible for your company's success, you can't just be a hard-charging entrepreneur or a motivating, encouraging leader. You have to be both! Dave Ramsey, America's trusted voice on money and business, reveals the keys that grew his company from a one-man show to a multimillion-dollar business—with no debt, low turnover, and a company culture that earns it the "Best Place to Work" award year after year. This book presents Dave's playbook for creating work that matters; building an incredible group of passionate, empowered team members; and winning the race with steady momentum that will roll over any obstacle. Regardless of your business goals, you'll discover that anyone can lead any venture to unbelievable growth and prosperity through Dave's common sense, counterculture, EntreLeadership principles!**

**This workbook is designed to be used with Dave Ramsey's Financial Peace University DVD course, and covers 13 different lessons in personal finance, such as how to get out of debt, retirement planning, real estate purchases, relating to money, and saving for college.**

**Hogan shows that God's way of managing money really works. Millionaire status doesn't require inheriting a bunch of money or having a high-paying job. The path to becoming a millionaire is paved with tools that you either already have or that you can learn. Take personal responsibility; practice intentionality; be goal-oriented, a hard worker; and be consistent. If you adopt this mindset, you, too, can become a millionaire. -- adapted from foreword and introduction**

**"What's the best thing you can do with your money? How can your weath make the biggest impact? In this eye-opening lesson, Dave Ramsey reveals the mystery of The Great Misunderstanding, the mistaken belief that the way to have more money is to hold**

on more tightly. You'll discover how to be a good manager of your money as you learn to hold your wealth with an open hand. This new perspective will revolutionize every area of your life, as you learn what it means to be a radical giver."--Container.

dfree™. No debt, no deficits, and no delinquencies. Drawing on his years of experience as a pastor, public policy maker, and community leader, DeForest "Buster" Soaries, Jr. shares the four vital keys to debt-free living in this groundbreaking, life-changing new approach. "The idea that we would be voluntary slaves is offensive to all of our sensibilities," says Soaries, "But when we continue to spend what we don't have, charge what we don't need, and borrow more than we can repay, then we must call the problem what it is: slavery." This is not another financial literacy program assuming that all people need is information. Soaries believes living in debt is an emotional, spiritual, and psychological problem as much as it is an educational and informational one. Here, Soaries shares the four vital keys to debt-free living that have helped hundreds of families in his church get out of debt. By replacing the "get more money" mentality with a "get out of debt" approach to financial freedom, not only were hundreds of people able to go debt free, his church's offerings increased by \$1 million dollars--during the recession. Find out how you can leave a financial legacy of your own by saying yes to no debt. Says Soaries: "There may be no greater need than to understand the value and joy of debt-free living. There may be no greater legacy we can leave our children."

Provides practical steps to assess the extent of one's financial problems, understand how they developed, create a realistic budget, eliminate debt, repair credit damage, and begin saving and investing

**Develop Your Personal Plan for Weight Loss Surgery Success** How do you imagine life after weight loss surgery? Maybe you see yourself living a more exciting life than ever before, participating in activities you haven't enjoyed in years. Every parent wants the best for their child. That's why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That's why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them.<sup>1</sup> Student loan debt doesn't open doors for young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In *Debt-Free Degree*, Anthony O'Neal teaches parents how to get their child through school without debt, even if they haven't

saved for it. He also shows parents: \*How to prepare their child for college \*Which classes to take in high school \*How and when to take the ACT and SAT \*The right way to do college visits \*How to choose a major A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. Debt-Free Degree shows parents how to pay cash for college and set their child up to succeed for life.

With the economy reeling in the wake of the recent recession, many people are experiencing such financial challenges as credit card debt, downsizing, dead-end jobs, and inadequate or depleted savings. With these challenges come others as well. Recent studies confirm that more than half of all divorces are the result of financial pressures at home. And spiritually, many people are struggling to maintain a biblical perspective amidst the constant tug of materialism. But there is hope. The Bible has a lot to say about money. In fact, the Bible is a veritable blueprint for managing your finances. In *Your Money Counts*, trusted financial expert Howard Dayton shows you how to manage your personal finances in a highly practical, biblically-based way.

In *The Go-Getter*, Bill Peck, a war veteran, persuades Cappy Ricks, the influential founder of the Rick's Logging & Lumbering Company, to let him prove himself by selling skunk wood in odd lengths—a job that everyone knows can only lead to failure. When Peck goes on to beat his quota, Rick hands Peck the ultimate opportunity and the ultimate test: the quest for an elusive blue vase. Drawing on such classic values as honesty, determination, passion, and responsibility, Peck overcomes nearly insurmountable obstacles to find the vase and launch his career as a successful manager. In a time when jobs are tight and managers are too busy for mentoring, how can you maintain positive energy, take control of your career, and prepare yourself to ace the tests that come your way? By applying the timeless lessons in this compulsively readable parable, employees at all levels can learn to rekindle the go-getter in themselves.

The farm animals learn that their possessive love for their dog friend Rhubarb is exhausting her and that friendships must be shared.

Students who've experienced the Bible's great truths, not just read about them, can walk through their lives with a firm foundation under their feet. They know what they believe and why, and they feel a lot more comfortable in situations that are challenging to their faith. This collection of lessons covering the most important truths in the Bible gives you an easy-to-use resource that will plunge your teenagers into the beautiful basics: the reality of God in the world, the truth about who Jesus really is, and why all of us need a "Good Shepherd" to find us and reclaim us. 13 powerhouse lessons in all. And because they're created by the editors of Group/Simply Youth Ministry, every lesson uses the R.E.A.L. learning approach--Relational, Experiential, Applicable, and Learner-based. This approach is not only easy to lead, but also guarantees that your students will engage with these great truths. They'll learn how to live out their relationship with Jesus in their everyday lives as they wrestle with issues that really matter \* Why bad things happen to good people, and how Jesus brings beauty out of ugly; \* What it means to "grow into" Jesus--living and loving others the way he does; and \* Learning how to depend upon the Holy Spirit in life. No matter what the life issue, the Bible offers foundational truths that can help your students live more confidently with a deeper ongoing connection to Jesus. And our concise instructions and easy-to-use reproducible handouts make your job easy. Use these lessons as "spice" in between a teaching series, or build a series around them. Also, they're easily adapted for a confirmation setting, a "new believers" class, a "grow-deep" discipleship group, or even Sunday school.

In *Love Your Life, Not Theirs*, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending,

saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of *The View* "*Love Your Life, Not Theirs* is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for *Woman's Day* "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and approachability, she helps her readers set themselves up for success and happiness, no matter what current financial state they may be in." Kimberly Williams-Paisley New York Times best-selling author of *Where the Light Gets In* "In today's world of social media, the temptation to play the comparison game is stronger than ever. *Love Your Life, Not Theirs* is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read." Jean Chatzky Financial Editor, NBC TODAY and Host of *HerMoney* with Jean Chatzky Podcast

The *Periodic Table Book* is the perfect visual guide to the chemical elements that make up our world. This eye-catching encyclopedia takes children on a visual tour of the 118 chemical elements of the periodic table, from argon to zinc. It explores the naturally occurring elements, as well as the man-made ones, and explains their properties and atomic structures. Using more than 1,000 full-colour photographs, *The Periodic Table Book* shows the many natural forms of each element, as well as a wide range of both everyday and unexpected objects in which it is found, making each element relevant for the child's world.

Right now, 70% of Americans aren't passionate about their work and are desperately longing for meaning and purpose. They're sick of "average" and know there's something better out there, but they just don't know how to reach it. One basic principle—The Proximity Principle—can change everything you thought you knew about pursuing a career you love. In his latest book, *The Proximity Principle*, national radio host and career expert Ken Coleman provides a simple plan of how positioning yourself near the right people and places can help you land the job you love. Forget the traditional career advice you've heard! Networking, handing out business cards, and updating your online profile do nothing to set you apart from other candidates. Ken will show you how to be intentional and genuine about the connections you make with a fresh, unexpected take on resumes and the job interview process. You'll discover the five people you should look for and the four best places to grow, learn, practice, and perform so you can step into the role you were created to fill. After reading *The Proximity Principle*, you'll know how to connect with the right people and put yourself in the right places, so opportunities will come—and you'll be prepared to take them.

Jesus spent more time talking about money and possessions than about heaven and hell combined. But too often we've overlooked or misunderstood his most profound teaching on this topic, from his words in Matthew 6. Far from discouraging his followers from pursuing treasure, Jesus offers us life-changing investment advice. He actually wants us to store up treasures for ourselves just not here on earth. Instead, he urges us to store our treasure in heaven, where they will await us, and last forever. We can't take it with us but we can send it on ahead! The revolutionary concept of The Treasure Principle has transformed how millions view giving. This Revised and Updated edition features a new chapter plus a bonus section addressing frequently asked questions about how to live generously in everyday life. Experience for yourself how the joy of giving can make your life richer, starting today.
