John 17 contains the greatest intercessory prayer every prayed from this earth. The Apostle John reveals Jesus of Nazareth, in full disclosure of his self identity, going to His Father not only for His disciples then but also for his disciples now. Drawing from this remarkable chapter of the Bible, Dr. Michael A. Milton has sought to capture the timeless spiritual truths that Jesus prayed and to apply them to the lives of his congregation. In this book, all of us can now benefit from these insights. Retaining the live feel of an actual worship service at First Presbyterian Church of Chattanooga, Tennessee, where these messages were first delivered, the reader can expect an appealing mixture of faithful Bible exposition, alert concern for the times in which we live, and heartfelt pastoral application to the lives of real people. Each chapter concludes with questions for devotional study or for small groups.

Stories have the power to bypass our minds and speak to our hearts. Jesus often used allegories - stories that can be interpreted to reveal a hidden meaning - to teach deep spiritual truths to His disciples. Did you know the love story of the Song of Solomon is an allegory meant to reveal the breadth, length, height, and depth of God's extravagant love for you? The Love Song of the Ages will help you grasp the Song of Solomon as an illustration of a believer's intimate love-relationship with Jesus. The author will show you how to make it your own personal prayer dialogue with Jesus - enabling you to see yourself, individually, as Jesus's beloved, precious bride. As you do, your emotions will be transformed by His deep love for you.

What Is Love? In this thoughtful, provocative work, Osho—one of the most revolutionary thinkers of our time—challenges us to question what we think we know about love and opens us to the possibility of a love that is natural, fulfilling, and free of possessiveness and jealousy. With his characteristic wit, humor, and understanding, Osho dares us to resist the unhealthy relationship patterns we've learned from those around us, and to rediscover the meaning of love for ourselves. “By the time you are ready to explore the world of love, you are filled with so much rubbish about love that there is not much hope for you to be able to find the authentic and discard the false.” By answering the questions that so many lovers face, Osho shares new ways to love that will forever change how you relate to others, including how to:

- Love without clinging
- Let go of expectations, rules, and demands
- Free yourself from the fear of being alone
- Be fully present in your relationships
- Keep your love fresh and alive
- Become a life partner with whom someone could continue to grow and change
- Surrender your ego so you can surrender to love

Being in Love will inspire you to welcome love into your life anew and experience the joy of being truly alive by sharing it.
