Distinction in Economics

International Economics Study Guide and Workbook

Economics

This product accompanies: Mishkin, Economics of Money, Banking and Financial Markets, The: The Business School Edition: International Edition, 3/E The Economics of Money, Banking, and Financial Markets set the standard for money and banking courses when it published in its first edition, and it continues to be the worldwide market leader. For professors who teach with less emphasis on monetary theory and prefer to focus more time on financial institutions, the Business School Edition is an ideal alternative. By applying a unified analytical framework to the models, Mishkin makes theory intuitive for students, and the rich array of current, real-world events keeps students motivated. Authoritative, comprehensive, and flexible, the text is easy to integrate into a wide variety of syllabi, and its ancillaries provide complete support when teaching the course. This edition continues to expand on the discussion of the current financial crisis.

Study Guide for Mankiw's Principles of Microeconomics, 6th

Principles of Economics in Context lays out the principles of micro- and macroeconomics in a manner that is thorough, up to date, and relevant to students, attuned to the economic realities of the world around them. It offers engaging treatment of important current topics such as new thinking in behavioral economics, financial instability and market bubbles, debt and deficits, and policy responses to the problems of unemployment, inequality, and environmental sustainability. This new, affordable edition combines the just-released new editions of Microeconomics in Context and Macroeconomics in Context to provide an integrated full-year text covering all aspects of both micro and macro analysis and application, with many up-to-date examples and extensive supporting web resources for instructors and students. Key features include: An eye-opening statistical portrait of the United States; Clear explanation of basic concepts and analytical tools, with advanced models presented in optional chapter appendices; Presentation of policy issues in historical, institutional, social, political, and ethical context--an approach that fosters critical evaluation of the standard microeconomic models, such as welfare analysis, labor markets, and market competition; Issues of human well-being, both domestic and global, are given central importance, enriching the topics and analytical tools to which students are introduced; The theme of sustainability--financial, social, and ecological--is thoroughly integrated in the book, with chapters on alternatives to standard GDP measurement, the environment, common property, public goods, and growth and sustainability in the twenty-first century; Full complement of instructor and student support materials online, including test banks and grading through Canvas.

Aepa Economics (35) Secrets Study Guide

This Study Guide accompanies Statistics for Business and Financial Economics, 3rd Ed. (Springer, 2013), which is the most definitive Business Statistics book to use Finance, Economics, and Accounting data throughout the entire book. The Study Guide contains unique chapter reviews for each chapter in the textbook, formulas, examples and additional exercises to enhance topics and their application. Solutions are included so students can evaluate their own understanding of the material. With more real-life data sets than the other books on the market, this study guide and the textbook that it accompanies, give readers all the tools they need to learn material in class and on their own. It is immediately applicable to facing uncertainty and the science of good decision making in financial analysis, econometrics, auditing, production and operations, and marketing research. Data that is analyzed may be collected by companies in the course of their business or by governmental agencies. Students in business degree programs will find this material particularly useful to their other courses and future work.

Modern Economics: Study Guide and Workbook
