In Freedom's Cause

Maggie Whitaker decides to forego college to work in her family-run jewelry shop. She becomes entangled with a mysterious John Doe.

Young Frederick Douglass

The Younger's Fight for Freedom

In 1861, a young slave named Sam escapes to search for his father, who has been conscripted into the Confederate Army, and makes his way to a northern city, while back at the Virginia plantation where Sam was raised, Annabelle, the owner's daughter, struggles to run things after her father's death. Simultaneous.

Ann Fights for Freedom

Archy Lee's Struggle for Freedom

At the turn of the fourteenth century in Scotland, young Archie Forbes becomes involved with both William Wallace and Robert the Bruce in the struggle for Scottish independence from English rule.

Fight for Freedom

The awakened cannot be enslaved; the asleep cannot be freed.

Aquarian

An illustrated, chronological account of the American Revolutionary War.

Youth Stands Ready!

Psychic twins with special talents meet two thieves, two Taniwha, and one pretty reporter as they experience the adventure of a lifetime On a prospecting holiday, brothers Jason and Levi discover an ancient supernatural creature, a Taniwha named Otanewainuku, who gives them 'humming stones' in exchange for their silence about its treasure. They also cross paths with two thieves. Their supernatural abilities to find hidden gems and precious metals help them find the stolen goods and turn them in to the police twice. But when they meet reporter Abby Hennessy, her story on their good deed attracts the wrong kind of attention. When the thieves capture Jason to use his talents, Levi has to rely on their psychic link to guide the police while not revealing their powers. Abby wants to help, and she and Levi search for the thieves, not knowing that Jason is going to use the 'humming stones' to call on another Taniwha for help

Korea's Fight for Freedom

In San Francisco, CA, in 1858, a young African American man was freed from the claims of a white man who sought to return him to slavery in Mississippi. This was one year after the Supreme Court's notorious Dred Scott decision and during the California Gold Rush, which saw the population of the state rise from 7,000 to more than 60,000 in a few short years. Archy Lee was the name of the man who, with the aid of anti-slavery lawyers and determined opponents of human bondage, had just won his freedom from the claims of Charles Stovall. With the aid of pro-slavery lawyers and equally determined supporters, Stovall had sought to capture him and carry him back to a far-away slave plantation. Yet the book is not solely about Archy Lee. It is also about the travel routes that the gold-seekers followed to California in the 1850s, some by land over the Great Plains, some by sea around Cape Horn, yet others by sailing from the east coast of North America to the isthmus of Panama, where they crossed over the land there by train and continued on by sea to San Francisco. It is about the efforts of the racially motivated lawmakers to suppress the rights of all of California's residents except whites, and to subject people of African, Asian, Hispanic, and Native American descent to second-, third-, or even fourth-class citizenship. It is about the residents of the state—including many whites—who fought back against those efforts, seeking to ameliorate or repeal the discriminatory laws and introduce a measure of fairness and justice into California's civil life. It is about the lawyers and judges who participated in Archy Lee's legal struggles in 1858, some supporting his claims for freedom while others ferociously opposed them and, in the process, elevated their own political and professional profiles.

Just Mercy (Adapted for Young Adults)

The early life of the slave who became an abolitionist, journalist and statesman is presented.

Fight for Freedom

In the late 1850s, at a time when many men and women spoke out against slavery, few had the same impact as John Brown, the infamous white abolitionist who backed his beliefs with unstoppable action.

Fight for Freedom

Describes the collapse of a repressive Communist regime, the subsequent unprecedented explosion of popular freedom, the surprise Soviet occupation, and the spirited passive resistance of the population until the gradual strangulation of the "Prague Spring."

Young Americans for Freedom

"A masterwork [by] the preeminent historian of the Civil War era."—Boston Globe Selected as a Notable Book of the Year by the New York Times Book Review, this landmark work gives us a definitive account of Lincoln's lifelong engagement with the nation's critical issue: American slavery. A master historian, Eric Foner draws Lincoln and the broader history of the period into perfect balance. We see Lincoln, a pragmatic politician grounded in principle, deftly navigating the dynamic politics of antislavery, secession, and civil war. Lincoln's greatness emerges from his capacity for moral and political growth.

Fight for Freedom

In the summer of 1965, an eighteen-year old boy, filled with frustration and anger at the injustices of the segregated society in his hometown of Troy, Alabama, volunteers to help Civil Rights workers sent to Alabama by the Southern Christian Leadership Conference as part of a campaign to register black people to vote. A few short months later he finds himself in Atlanta, standing in the sanctuary of Ebenezer Baptist Church, being interviewed by Dr. Martin Luther King, Jr. for a position on SCLC's field staff. As a young foot soldier in the Civil Rights Movement, John Reynolds was an eyewitness to history. In *The Fight for Freedom*, he shares his experiences in some of the hot spots of that day, such as Selma, Birmingham, and Mississippi. A passionate and dedicated soldier, Reynolds was jailed more than twenty times and beaten on a number of occasions as he went through some of the toughest battles of the Movement and played a role in awakening the national conscience and redeeming the soul of America.

A Raisin in the Sun

In the summer of 1965, an eighteen-year-old boy, filled with frustration and anger at the injustices of the segregated society in his hometown of Troy, Alabama, volunteers to help Civil Rights workers sent to Alabama by the Southern Christian Leadership Conference as part of a campaign to register black people to vote. A few short months later, he finds himself in Atlanta, standing in the sanctuary of Ebenezer Baptist Church being interviewed by Dr. Martin Luther King Jr. for a position on SCLC's field staff. As a young foot soldier in the Civil Rights Movement, author John Reynolds was an eyewitness to history. In *The Fight for Freedom*, he shares his experiences in some of the hot spots of that day, such as Selma, Birmingham, and Mississippi. A passionate and dedicated soldier, Reynolds was jailed more than twenty times and beaten on numerous occasions as he went through some of the toughest battles of the movement and played a role in awakening the national conscience and redeeming the soul of America. "The revealing, relevant, coming-of-age tale of a man and a nation. Tracing his years in the civil rights movement, Reynolds offers an insider's view of the people, events and tactics that brought the United States closer to the fulfillment of the founders' promise that 'all men are created equal.' Although this account concerns a time now past, it's nonetheless a timely reminder that citizens should always be ready to fight the good fight." —Excerpt from Kirkus Reviews

The Fight for Freedom 1750-1783

Fight for Freedom

Lawyer and social justice advocate Bryan Stevenson offers a glimpse into the lives of the wrongfully imprisoned and his efforts to fight for their freedom.

The Fight for Freedom

The Fight for Freedom and Democracy in Burma

Reviews the progress of the Negro fight for equality during the past fifty years and the battles still to be fought.

The Fight for Freedom

Nearing the end of a distinguished literary career that spanned nearly fifty years, Langston Hughes took on the daunting task of writing the official history of the national Association for the Advancement of Colored People (NAACP). Beginning with the social, political, and economic contexts that led to the founding of the NAACP in 1909 and ending with a summary of its targeted goals for 1963, Hughes attempted to write a history that would be comprehensive in scope and singular in its purpose of highlighting the ways in which the Association had a direct and positive influence on racial justice in the United States. Focusing on the individuals who had the greatest impact on the NAACP and the issues with which the organization was most concerned in its first fifty years of existence, Hughes produced the widely acclaimed *Fight for Freedom*, striking an exceptional balance between biography and cultural history. Long before the publication of *Fight for Freedom*, Hughes had begun writing nonfictional prose about these same issues as a regular columnist and essayist for the nation's most influential African American publications, including the *Chicago Defender* and *Crisis*. A selection of these popular columns and other essays—which reveal the extent to which Hughes's unique, varied, and sometimes Blues-tinged narrative voice shifted in tone over the course of his extensive career—is included in this volume. Hughes intersperses historical facts with compelling anecdotes that often frame subtly ironic commentaries on various themes. The result is history that provides a lens through which to view Hughes's attitudes in the early 1960s toward the ways the NAACP addressed the vital social, cultural, political, and economic issues central to its agenda. *Fight for Freedom and Other Writings on Civil Rights* makes a

Access Free Fight For Freedom A Young Womans Quest To Raise Awareness About Anorexia Nervosa

unique contribution to the oeuvre of an African American writer whose full significance to American literature, history, and culture will continue to be defined well into the twenty-first century.

The Fiery Trial: Abraham Lincoln and American Slavery

Killian knows all about vampires and aliens. They're not real. But when a handsome swimmer climbs into her storm-tossed boat an hour from her summer destination, the worlds of fantasy and reality suddenly collide... Cuttylea Island has no mall, no social scene, and no action. But it does have a mysterious stone tower, ageless islanders, and a secret as astonishing as a mermaid's tale... Before the summer is through, Killian will find the truth of her family's past...and the role she is destined to play in a centuries-old curse.

Czechoslovakia's Lost Fight for Freedom, 1967-1969

As Wesley C. Hogan sees it, the future of democracy belongs to young people. While today's generation of leaders confronts a daunting array of existential challenges, increasingly it is young people in the United States and around the world who are finding new ways of belonging, collaboration, and survival. That reality forms the backbone of this book, as Hogan documents and assesses young people's interventions in the American fight for democracy and its ideals. Beginning with reflections on the inspiring example of Ella Baker and the Student Nonviolent Coordinating Committee in the 1960s, Hogan profiles youth-led organizations and their recent work. Examples include Southerners on New Ground (SONG) in the NAFTA era; Oakland's Ella Baker Center and its fight against the school-to-prison pipeline; the Dreamers who are fighting for immigration reform; the Movement for Black Lives that is demanding a reinvestment in youth of color and an end to police violence against people of color; and the International Indigenous Youth Council, water protectors at Standing Rock who fought to stop the Dakota Access Pipeline and protect sovereign control of Indigenous lands. As Hogan reveals, the legacy of Ella Baker and the civil rights movement has often been carried forward by young people at the margins of power and wealth in U.S. society. This book foregrounds their voices and gathers their inventions--not in a comprehensive survey, but as an activist mix tape--with lively, fresh perspectives on the promise of twenty-first-century U.S. democracy.

A Taste of Gold

Recounts how Frederick Douglass learned to read, despite the fact that it was illegal to educate a slave

NAACP Youth and the Fight for Black Freedom, 1936-1965

Darkness to Destiny

The Fight for Freedom

Bridget Thorsdottir is a seventeen-year-old girl living during the waning days of the Norse colony in Greenland in the year 1501. At the brink of an age of discovery, her colony has been taken over by a new bishop who turned the people's farms into a more lucrative fishing village. The lone voice of opposition in this sea of change is Bridget's own father, Thor, whose stubborn adherence to his farm makes it harder and harder for him to pay the rising taxes owed to the bishop. When Thor refuses to give up his ways and leave the family home, Bridget realizes that it is up to her to make the dangerous journey to the New World in order to establish a new life for herself and her family.

Fight for Freedom

Twelve-year-old Ann understands there is only one thing to be grateful for as a slave: having her family together. But when the master falls into debt, he plans to sell both Ann and her younger brother to two different owners. Ann is convinced her family must run away on the Underground Railroad. Will Ann's family survive the dangerous trip to their freedom in the North? This Girls Survive story is supported by a glossary, discussion questions, and nonfiction material on the Underground Railroad, making it a valuable resource for young readers.

John Brown

On the Freedom Side

Although there have been a number of studies on Black resistance, very few of these have focused exclusively on such a wide range of resistance campaigns and strategies within a single volume. One of the central arguments of this study is that from as early as the sixteenth century, when Europeans attempted to systematically exploit Africans, Black people have engaged in a variety of organized and sustained resistance campaigns to assert their independence and identity. This book examines some of the different strategies employed by Black people in Africa and the Diaspora in response to European domination and exploitation. Drawing upon research from scholars based at the University of Cape Coast in Ghana and the University of the West Indies, Jamaica, this collection of original essays, covers the academic disciplines of African and Caribbean history, literature, politics and psychology. Despite these different approaches, the consistent theme throughout, centres on the strategies employed by Black people to resist European domination and oppression, by fighting for their freedom at every possible opportunity, whether they were in Africa, Britain or the Caribbean.

Child and Country

A black family is united in love and pride as they struggle to overcome poverty and harsh living conditions, in the 1959 play about an embattled Chicago family.

Themes: Hi-Lo, graphic novel, us history. Fast-paced and easy-to-read, these graphic U.S. history titles teach student about key historical events in American history from 1500 to the present. Dramatic and colorful graphics highlights the text with easy transitions, which avoids a choppy narrative. These history titles offer a variety of rich material to support teaching to the standards. Book features include: Four-color throughout; speech bubbles and illustrations allow struggling readers multiple access points to the text; speech bubbles (in yellow) are clearly separated from nonfiction (in blue).

Young Frederick Douglass

"This book is very important in the wider context of related scholarship in the modern-day civil rights movement because it will be the first on the youth perspective in the NAACP. . . . I believe that it will be widely used by scholars and the general public."—Linda Reed, author of *Simple Decency and Common Sense: The Southern Conference Movement, 1938-1963* "A recent trend in the historiography of the civil rights movement is the increased understanding of the role that young people played in the right for equality. . . . Bynum has filled a gap in the civil rights literature in this short book." —*Choice* Historical studies of black youth activism have until now focused almost exclusively on the activities of the Congress Racial Equality (CORE) and the Student Nonviolent Coordinating Committee (SNCC). However, the NAACP youth councils and college chapters predate both of those organizations. Thomas Bynum carefully examines the activism of the NAACP youth and effectively refutes the perception of the NAACP as working strictly through the courts. His research illuminates the many direct-action activities undertaken by the young people of the NAACP—activities that helped precipitate the breakdown of racial discrimination and segregation in America. He also explores the evolution of the youth councils and college chapters, including their sometime rocky relationship with the national office, and captures the successes, failures, and challenges the NAACP youth groups experiences at the national, state, and local levels. Thomas Bynum is an assistant professor of history at Middle Tennessee State University.

Freedom

The early life of the slave who became an abolitionist, journalist and statesman is presented.

Young Ben

Eleven-year-old Marcus is forced to train and fight as a gladiator in this fast-paced action-adventure set in Ancient Rome.

The Last Generation

PRINTED VERSION IN BLACK AND WHITE What do you fear the most? For some people, it might be spiders and for others, the dark. But for 17-year-old Rose Anne Evans, her biggest fear was the one thing that she needed to keep her alive: food. Through diary entries, interviews, and much more, this book caters for everyone (sufferers, their loved ones, health professionals and members of the public) and aims to provide a better understanding of Anorexia Nervosa.

Fight for Freedom and Other Writings on Civil Rights

The war between the states, as all wars, left scars everywhere. These scars were deepest on the border where the conflict was sharpest and demoralization following the battle strife most complete. From this borderland in western Missouri, went into outlawry a group of men whose exploits have become part of the criminal history of the west. Chief among this group were Coleman, James, and Robert Younger. This volume relates the story of these outlaws, not to gloss their crimes or to excuse their sins but to show that the way of the transgressor is ever a hard way. It tells how a gallant Missourian, true to sacred ties of friendship, gave time and thought and means, long and cheerfully, to securing the release of the Youngers from prison.--taken from preface

Gray

In simple, entertaining story form, your student will be introduced to the leaders, the causes, and the challenges of the Revolutionary War. The adventures of statesmen, soldiers, sailors, spies, and Native American fighters illustrate how God worked both naturally and supernaturally to build a free nation out of 13 scattered English colonies. Students will:
• Meet over 25 heroes of the War for Independence in this 34-week, Monday through Friday biographical study
• Be able to better remember what they learn through stories and pertinent Bible verses
• Learn from callouts with comments on the character traits of those spotlighted!

Korea's Fight for Freedom

The Freedom to Read

"Korea's Fight for Freedom" by Fred A. McKenzie. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre.
