Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle. Includes entries for maps and atlases. Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting. The most popular hobby in the world, stamp collecting has millions of fans in the United States alone. Many are adults who have turned a childhood interest in philately into a pleasurable (and often profitable) lifetime avocation. This volume has everything needed to start a personal stamp collection: Entries for nearly 200 countries; Spaces for more than 2,600 stamps; Over 1,100 black-and-white illustrations of stamps; Easy-to-use Stamp Identifier Table and Index. Clear instructions for using the album and the Stamp Identifier Table are included, along with many useful hints and tips on building a collection. An entertaining, inexpensive way to learn about faraway people and places, stamp collecting brings a sense of excitement and adventure with each new acquisition. This book offers would-be collectors that ticket to discovery.
