This book constitutes the refereed proceedings of the 8th Conference on Artificial Intelligence and Natural Language, AINL 2019, held in Tartu, Estonia, in November 2019. The 10 revised full papers and 2 short papers were carefully reviewed and selected from 34 submissions. The papers are organized according to the following topics: ?data acquisition and annotation; human-computer interaction; statistical natural language processing; neural language models. BABADADA dictionaries are visual language education: Simple learning takes center stage. In a BABADADA dictionary images and language merge into a unit that is easy to learn and remember. Each book contains over 1000 black-and-white illustrations. The goal is to learn the basics of a language much faster and with more fun than possible with a complicated text dictionary. This book is based on the very successful online picture dictionary BABADADA.COM, which offers easy language entry for countless language combinations - Used by thousands of people and approved by well-known institutions. The languages used in this book are also called as follows: bulgarisch, bulgare, búlgaro, bulgaro, búlgaro and norwegisch, norvégien, noruego, norvegese, norueguês, norweski BABADADA dictionaries are visual language education: Simple learning takes center stage. In a BABADADA dictionary images and language merge into a unit that is easy to learn and remember. Each book contains over 1000 black-and-white illustrations. The goal is to learn the basics of a language much faster and with more fun than possible with a complicated text dictionary. This book is based on the very successful online picture dictionary BABADADA.COM, which offers easy language entry for countless language combinations - Used by thousands of people and approved by well-known institutions. The languages used in this book are also called as follows: Russisch, russe, ruso, russo, Rosyjski and norwegisch, norvégien, noruego, norvegese, norueguês, norweski The Norwegian language is illustrated step-by-step through lively and informative dialogues, useful questions, and thorough grammar explanations. As with all the editions in this series, the emphasis is on learning through meaningful conversation. The lessons devote equal time to the spoken and written word and build upon each other, progressing from easy to difficult. Tips on how to study Norwegian and the rudiments of pronunciation provide learners with the basic tools for self-instruction. Each of the 13 lessons is designed with the novice language learner in mind, and moves from day-to-day dialogue to a comprehensive breakdown of the grammatical elements contained in the previous dialogue. Important cultural notes give a context to the user, while exercises reinforce newly acquired concepts and terminology at the end of each chapter. The appendix contains a full glossary, commonly heard Norwegian expressions, and a key to the exercises. Includes 2 companion CDs. BABADADA dictionaries are visual language education: Simple learning takes center stage. In a BABADADA dictionary images and language merge into a unit that is easy to learn and remember. This book is based on the very successful online picture dictionary BABADADA.COM, which offers easy language entry for countless language combinations - Used by thousands of people and approved by well-known institutions. The languages used in this book are also called as follows: Russisch, russe, ruso, russo, Rosyjski and norwegisch, norvégien, noruego, norvegese, norueguês, norweski Russian vocabulary book + Russian dictionary This Russian vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Russian-English as well as English-Russian dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Russian learning resource is a combination of Russian vocabulary book and a two-way basic Russian dictionary: Part 1 - Topic based Russian vocabulary book: This is the main part of the book and represents a list of chapters each containing Russian vocabularies for a certain topic. The Russian vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Russian dictionary: The index in the second half of the book can be used as a basic Russian dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic Russian-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Russian words and directly find the English translation How to use this Russian vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Russian dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Russian translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Russian dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Russian and comes in particularly handy at times when there is no internet to look up words and phrases. Policing in the United States is at a crossroads; decisions made at this juncture are crucial. With the emergence of evidence-based policing, police leaders can draw on research when making choices about how to police their communities. Who will design the path forward and what will be the new standards for policing? This book brings together two qualified groups to lead the discussion: academics and experienced police professionals. The School of Criminology and Criminal Justice at Arizona State University recruited faculty with expertise in policing and police research. This volume draws on that expertise to examine 13 specific areas in policing. Each chapter presents an issue and provides background before reviewing the available research on potential solutions and recommending specific reform measures. Response essays written by a current or former police leader follow each chapter and reflect on the recommendations in the chapter. The 13 chapters and response essays present new thinking about the police, their challenges, and the reforms police agencies should consider adopting. Policy makers, practitioners, educators, researchers, students and anyone interested in the future of policing will find valuable information about: the benefits of adopting evidence-based policing; leading strategic crime-control efforts; instituting procedural justice to enhance police legitimacy; reducing use of force; combatting racially biased policing; establishing civilian oversight; implementing a body-worn camera program; creating sentinel event reviews; developing police-university collaborations; facilitating organizational justice in police departments; improving officer health and wellness; handling protests; and increasing the effectiveness of police responses to sexual assault. Multi Linguis offers you a frequency-thematic learner's dictionary of the Bokmål Norwegian language. It includes up to 3000 essential words and phrases belonging to the levels from Beginner to Elementary (A1 - A2 CEFR). The entries are divided into 150 vocabulary themes as well as 2 learning steps. They are arranged by themes, not by the alphabet. The book is intended to help you try out and learn this language but can also be applied for translating or entertaining. You may use it separately or as an additional tool for any suited educational course. The Multi Linguis Project is based on the Wiktionary corpus and created by one person. The database of the Learner's Dictionaries includes 9 000 lemmas (words and phrases), their translations in many languages as well as transcriptions, transliterations and grammar information. All these lemmas are divided into 6 learning steps of 1500 entries each and also 150 vocabulary themes grouped in 30 super themes. They can be arranged by themes, steps, parts of speech or keywords, but never by the alphabet. Different types of dictionaries are offered for the same language. They are designed in an original way to be convenient and efficient. All of them are available in epub format. Multi Linguis is presently able to publish such books for more than 70 languages. It's planned to improve them and increase their number. You can find more dictionaries in this store. Colloquial Norwegian provides a step-by-step course in Norwegian as it is written and spoken today. book is the most comprehensive account of the phonology of Danish ever published in any language. It gives a clear analysis of the sound patterns of modern Danish and examines the relations between its speech sounds and grammar. The author develops new models for the analysis of phonology and morphology-phonology interactions, and shows how these may be applied to Danish and to other languages. Danish has an unusually rich vowel system and exhibits radical reduction processes that make it difficult for foreigners to understand. The sound pattern is equally challenging for the analyst. Professor Basbøll develops a non-circular model for the sonority syllable and applies it to Danish phonotactics. He presents a radically new and insightful analysis of stød, a syllable accent which has a complex grammatical distribution and is unique among the world's languages. He also describes syllabic and word structures, and stress and intonation. The book is fully referenced and indexed. It will be widely welcomed by phonologists and scholars of Danish, and is likely to become the standard account of Danish phonology. BABADADA dictionaries are visual language education: Simple learning takes center stage. In a BABADADA dictionary images and language merge into a unit that is easy to learn and remember. Research shows that if you're enjoying reading in a foreign language, you won't experience the usual feelings of frustration - "It's too hard!" "I don't understand!" Carefully curated to make learning a new language easy, these stories include key features that will support and consolidate your progress, including: - A glossary for bolded words in each chapter - Full plot summary - A bilingual word list - Comprehension questions after each chapter. As a result, you will be able to focus on enjoying reading, delighting in your improved range of vocabulary and grasp of the language, without ever feeling overwhelmed. From science fiction to fantasy, to crime and thrillers, Short Stories in Norwegian for Beginners will make learning Norwegian easy and enjoyable. Explains how to learn foreign languages, offering practical advice for overcoming the obstacles. Norwegian: An Essential Grammar is a reference guide to the most important aspects of contemporary Norwegian as used by native speakers. The Grammar presents a fresh and accessible description of the language. Explanations are clear, free from jargon and often accompanied by exercises. The book gives a simple, step-by-step presentation of the grammatical systems of Norwegian and demonstrates and explains usages which have proved difficult for those learning the language in the past. It is clearly laid-out for easy reference making it accessible for those at a beginner/intermediate level. This is the ideal reference source for all learners, whether studying independently or in a class. Using authentic conversations between native speakers as a basis, this course will help you to improve and build upon the language you already have so that you develop your skills to a level where you can enjoy talking and understand what is said. You will be introduced to more colloquial Norwegian so you will sound more natural when speaking and gain confidence. If you already know some French and want to take it further, this is the course for you. It is a great refresher course, as well as being an easy way to build upon and improve your existing Norwegian. Taking you from a good intermediate level (B2 of the Common European Framework), this book and audio course helps you to progress up to C1 by offering: Workbook plus MP3 CD-ROM of audio files Carefully leveled and sequenced material - a solid path to build up your knowledge. Quality listening and reading input - day-to-day conversations but also speeches, interviews and newspaper articles. Fluency building - reach a level where you can discuss sophisticated ideas in Norwegian Full of authentic texts and dialogues about complex subjects, this course covers a wide range of topics of the sort you will want to talk about when in France and teaches you the kind of everyday language and features of speech that will enable you to communicate with confidence and feel comfortable taking part in conversation with native speakers of Norwegian. The choice of material aims to give you something of the flavour of Norway today and each unit is based around a single theme with lively interviews and conversations on the accompanying recording. There are activities based on the interviews and texts to help you remember what you've learnt and put your knowledge into practice. The units are divided into sessions - to help you organize your learning time and break up the material into manageable chunks - and there are reminders throughout to refresh your memory of points you have learnt. NORWEGIAN FOLK TALES were collected and published in the mid 19th century by Peter Christian Asbjørnsen (1812-1885) and Jørgen Moe (1813-1882). The folk tales were early on illustrated by our leading artists, and contributed to the development of a national identity. The book contains 20 of the most wellknown folk tales, such as: White-Bear-King-Valemon, Little Freddie and his Fiddle, The Seventh Father of the House, The Princess who Always had to have the Last Word. NORWEGIAN HERITAGE is a series of books about our most important and best-known national icons. The respective titles introduce major personalities from the worlds of art and literature, science and sports, but also the many natural wonders of the country, as well as significant historical periods and cultural expressions. Each book offers an updated introduction to readers who wish to familiarize themselves with a given subject. Troubled by an inability to find any meaning in his life, the 25-year-old narrator of this deceptively simple novel quits university and eventually arrives at his brother's New York apartment. In a bid to discover what life is all about, he writes lists. He becomes obsessed by time and whether it actually matters. He faxes his meteorologist friend. He endlessly bounces a ball against the wall. He befriends a small boy who lives next door. He yearns to get to the bottom of life and how best to live it. Funny, friendly, enigmatic and frequently poignant - superbly naive. For more than forty years, the Haugen Norwegian-English Dictionary has been regarded as the foremost resource for both learners and professionals using English and Norwegian. With more than 60,000 entries, it is esteemed for its breadth, its copious grammatical detail, and its rich idiomatic examples. In his introduction, Einar Haugen, a revered scholar and teacher of Norwegian to English speakers, provides a concise overview of the history of the language, presents the pronunciation of contemporary Norwegian, and introduces basic grammatical structures, including the inflection of nouns and adjectives and the declension of verbs. Colloquial Norwegian provides a step-by-step course in Norwegian as it is written and spoken today. Combining a user-friendly approach with a thorough treatment of the language, it equips learners with the essential skills needed to communicate confidently and effectively in Norwegian in a broad range of situations. No prior knowledge of the language is required. Key features include: • progressive coverage of speaking, listening, reading and writing skills • structured, jargon-free explanations of grammar • an extensive range of focused and stimulating exercises • realistic and entertaining dialogues covering a broad variety of scenarios • useful vocabulary lists throughout the text • additional resources available at the back of the book, including a full answer key, a grammar summary and bilingual glossaries Balanced, comprehensive and rewarding, Colloquial Norwegian will be an indispensable resource both for independent learners and students taking courses in Norwegian. Course components: The complete course comprises the book and audio materials. These are available to purchase separately in paperback, ebook, CD and MP3 format. The paperback and CDs can also be purchased together in the great-value Colloquial pack. Paperback: 978-0-415-11009-9 (please note this does not include the audio) CDs: 978-0-415-28685-5 eBook: 978-0-203-97630-2 (available to purchase from [http://ebookstore.tandf.co.uk/audio\\_viewbooks.aspx](http://ebookstore.tandf.co.uk/audio_viewbooks.aspx)). examples 3. Exercises 4. Repetition 5. Fun activities This book is mainly made to replace the ordinary theoretical book with standard A-B learning strategies. This book is for people who are excited about learning the language in an effective and interesting manner. I truly hope this book came of value! TorleifA the end of the fourteenth century, Norway, having previously been an independent kingdom, became by conquest a province of Denmark and remained so for three centuries. In 1814, as part of the fall-out from the Napoleonic wars, the country became a largely independent nation within the monarchy of Sweden. By this time, however, Danish had become the language of government, commerce, and education, as well as of the middle and upper classes. Nationalistic Norwegians sought to reestablish native identity by creating and promulgating a new language based partly on rural dialects and partly on Old Norse. The upper and middle classes sought to retain a form of Norwegian close to Danish that would be intelligible to themselves and to their neighbours in Sweden and Denmark. The controversy has gone on ever since. One result is that the standard dictionaries of Norwegian ignore pronunciation, for no version can be counted as 'received'. Another is that there has been considerable variety and change in Norwegian. BABADADA dictionaries are visual language education: Simple learning takes center stage. In a BABADADA dictionary images and language merge into a unit that is easy to learn and remember. Each book contains over 1000 colored illustrations. The goal is to learn the basics of a language much faster and with more fun than possible with a complicated text dictionary. BABADADA dictionaries are visual language education: Simple learning takes center stage. In a BABADADA dictionary images and language merge into a unit that is easy to learn and remember. Each book contains over 1000 black-and-white illustrations. The goal is to learn the basics of a language much faster and with more fun than possible with a complicated text dictionary. This book is based on the very successful online picture dictionary BABADADA.COM, which offers easy language entry for countless language combinations - Used by thousands of people and approved by well-known institutions. The languages used in this book are also called as follows: norwegisch, norvégien, noruego, norvegese, norueguês, norweski and Belarussisch, biélorusse, Bielorruso Sett i gang is designed for the North American learner who is just starting to study Norwegian language and culture. Sett i gang is a complete and versatile beginning Norwegian curriculum that will help a learner develop language skills and cultural understanding through activities that explore the relationship between one's own culture and that of Norway. Whether you are learning Norwegian at a university, in a community education course, or as a self-study project, this text will give you the skills to explore Norway in a unique and exciting manner. Sett i gang will introduce you to a contemporary Norway with progressive social-democratic values, an increasingly diverse population, and cities pulsing with cosmopolitan energy. In addition, Norway is a country where international diplomacy is valued, cell phones abound and contemporary style is intertwined with the traditional. Sett i gang will also connect you with historic Norway, a country with breathtaking natural beauty and strong traditions in mythology, folk music, bunads, and cuisine. We hope that you enjoy your journey that will connect you to Norway and Norwegians-both linguistically and culturally.
