Take the guesswork out of forex trading! Whether you're a newbie hungry for a slice of that daily trillion-dollar pie or a struggling trader who has not quite settled into the groove yet, this is the perfect book for you. Within these pages is a proven, profitable strategy for trading the US Dollar against the Japanese Yen. Determine the exact entry price as well as profit targets on a daily basis. Know precisely how much to risk and how big your position should be based on available capital. Learn when to fold your cards to live to trade another day. Like a Ninja, glide in and out of the forex markets with stealth and speed, with sustainable profit as your daily mission. No frills. No bells and whistles. Let this straightforward book guide you every step of the way.

Originally developed for the treatment of borderline personality disorder, dialectical behavior therapy, or DBT, has rapidly become one of the most popular and most effective treatments for all mental health conditions rooted in out-of-control emotions. However, there are limited resources for psychologists seeking to use DBT skills with individual clients. In the tradition of ACT Made Simple, DBT Made Simple provides clinicians with everything they need to know to start using DBT in the therapy room. The first part of this book briefly covers the theory and research behind DBT and explains how DBT differs from traditional cognitive behavioral therapy approaches. The second part focuses on strategies professionals can use in individual client sessions, while the third section teaches the four skills modules that form the backbone of DBT: core mindfulness, distress tolerance, emotion regulation, and interpersonal effectiveness. The book includes handouts, case examples, and example therapist-client dialogue—everything clinicians need to equip their clients with these effective and life-changing skills.

EXPERT, DEPENDABLE FOREX COACHING—UPDATED TO KEEP YOU AHEAD IN AN EVOLVING MARKET The Forex Trading Course is the systematic guide aspiring traders need to enter the market with the confidence and skills necessary to generate wealth. Masterfully written so both basic and complex concepts are readily accessible, this all-inclusive training tool outlines a practical course of action to develop strategies integrating fundamental and technical analysis. It also demonstrates how to identify high-probability patterns and trades, adjust your trading plan for different account sizes, use emotional intelligence to improve trading performance, and much more. This second edition is fully revised to address:

- Changes brought about by quantitative easing and central bank intervention—including greater spikes and disruptions in the forex and the influence of global growth and inflation on the market
- Using binary options with forex trades to make accurate predictions on direction, targets, and stops
- Social media trading and how to navigate herding behavior and swarming patterns
- The latest insights and

trends in cryptocurrencies such as Bitcoin Complete with practice assignments to reinforce the material and a supplemental website to enhance your knowledge, The Forex Trading Course, Second Edition unlocks your optimal potential for profitable currency trading.

Made famous by the Italian mathematician Leonardo De Pisa, the Fibonacci number series holds a Golden Ratio that is universally found in nature and used by architects, plastic surgeons, and many others to achieve "perfect" aesthetic proportions. Now, in this groundbreaking guide, noted technical trading advisor Carolyn Boroden shows you how Fibonacci pattern studies can be used as an extremely effective method for achieving greater profitability in stocks, futures, and Forex markets. Fibonacci Trading provides a one-stop resource of reliable tools and clear explanations for both identifying and taking advantage of the trade setups naturally occurring in the markets that will enable you to reach the highest rate of profitable trades. Inside, you'll find a unique trading methodology based on Fibonacci ratios, and the author's personal experience analyzing and setting up the markets in real time, which makes this practical volume invaluable to the self-directed investor. Complete with detailed charts and insightful graphics in each chapter, Fibonacci Trading features: Dependable guidance for determining important support and resistance levels, along with expert advice for using them to maximize profits and limit losses Step-by-step processes for using Fibonacci analysis to predict turning points in the market far enough in advance to generate substantial profit Valuable tips for using Fibonacci analysis to establish optimal stop-loss placement Revealing coverage on how Fibonacci relationships can create a roadmap for the trader based on high percentage patterns Fibonacci Trading also provides a four-step formula for applying the covered techniques in a highly effective approach. Flexible enough for all markets and trading styles, the formula helps you focus your newly developed knowledge and skill sets into a solid trading methodology, defined trading plan, successful trading mindset, and disciplined trading approach that stacks the odds for profit in your favor. This hands-on guide is packed with a wealth of actual trading situations, setups, and scenarios that bring the four-step formula to life so you can immediately use it in the real world.

The essential guide to trading futures, without all the fuss This uncomplicated guide for beginners proves that you don't have to be a financial wizard to successfully trade futures . . . and you don't have to hire a financial advisor to tell you what to do either. Instead, Futures Made Simple outlines the basic strategies that even novice investors can use to make money with futures. The book lays just what you need to know—what futures are, how the exchanges work, how to analyse the markets, and how to trade futures either on- or offline. An excellent entry-level guide to futures trading Written by a successful trader with almost two decades of experience in equities, futures, options, and other vehicles Features easy-to-understand examples and bulleted summaries of key points to make learning simple For investors at any level of experience who want to move into futures trading, Futures Made Simple offers expert advice and fundamental guidance for profitable investing.

A streamlined and highly effective approach to trading without indicators Most forex traders rely on technical analysis books written for stock, futures, and option traders. However, long before computers and calculators, traders were trading naked. Naked trading is the simplest (and oldest) trading method. It's simply trading without technical indicators, and that is exactly what this book is about. Traders who use standard technical indicators focus on the indicators. Traders using naked trading techniques focus on the price chart. Naked trading is a simple and superior way to trade and is suited to those traders looking to quickly achieve expertise with a trading method. Offers a simpler way for traders to make effective decisions using the price chart Based on coauthor Walter Peters method of trading and managing money almost exclusively without indicators Coauthor Alexander Nekritin is the CEO and President of TradersChoiceFX, one of the largest Forex introducing brokers in the world Naked Forex teaches traders how to profit the simple naked way!

You will not find this education at you brokers how to section. Most likely you will not find this information anywhere on this book section on any other book store. I have paid thousands of dollars on exclusive groups and paid forums to collect the information presented in this book. As you can imagine these are the highly guarded secrets of the elite of the FOREX traders, no one gives their living away, unless you pay them a price worth their living. However I have decided to make this information for ridiculously low price, because I am fed up with the brokers and the big banks taking advantage of the regular retail trader. Let me ask you a question? When was the last time you make money with FOREX? Even further more how much money you are willing to lose, until you give up? How long you will continue to give your hard

Download Ebook Forex Made Simple A Step By Step Day Trading Strategy For Making 100 To 200 Per Day

earned money to the broker? Just like you I started 5 years ago with high hopes of quitting my job and leaving the live I deserve with FOREX. My hopes and aspirations were quickly crashed and my dreams went to the dump. First I lost 1000, then 5000, 10k , how much longer I could continue like that, how much longer I could endure the ridicule the jokes of my family and the frown on the face of my wife. It was painful, sitting all day in front of the computer, until you can't see any longer and everything including the platform and your mind become blurry. I know the pain I have been there. This continued for year, until one morning I was ready to quit, I was going to give it a last try and throw that FOREX staff in the garbage, out the window. I stumbled on a rear tread, which since then has been banned, by the broker that was holding the forum. Luckily the tread continued under the broker's radar for while, and gathered a bunch of comments an support. Finally the tread from the trader X was discontinued. I was in dis pare, that was the only hope and light, I have seen for a long time. I was applying the advice from the trade and things were starting to work for me. Fortunately I was able to PM the trader and begged him to agree on a 20 min conversation on the phone. Trader X was not a guru, not your regular internet promoter mojo. He was quietly raking in thousands of dollars a month for years, he was not excited about the next trade, his heart beat was not raising before he pooled the trigger. See, he has been doing this trading staff for so long it has become a boring procedure, rather a morning an afternoon chore, something like putting the garbage out on garbage day. He explained that he learned from the MASTER, I did not proceed to ask him who was the MASTER, since I mainly was concerned with him teaching him every little bit of what he knew about trading. He didn't not agree to spend time teaching me on our first conversation, regardless of how much I offered to pay him. See, for him money was not a issue. Finally on my third approach he agreed to show me what the MASTER had thought him many years ago. What is comprised in the pages of this book will be worth pure gold to you. This book is down to the ground no no sense, real trading knowledge. It gives step by step instructions with real trade examples. This book is not your regular hog wash advice that you will find from your broker and the other magic bullets and seven step series that you see on this site. This book teaches you how to trade like the pros. Shows you how the big banks and foreign nationals and institution trade. The book opens your eyes to how to piggy back on the big institutional traders and win. Ninety Five percent of the people that trade the Forex market lose money and give up. The market is continually replaced by fresh blood like yourself. Don't become part of the statistics, read this book and get a map to success in FOREX. You can make a success in FOREX if you know what you are doing. Yes you can make a living with FOREX and quit your job. You can achieve your dreams. Buy this book and find out How?

You will not find this education at you brokers how to section. Most likely you will not find this information anywhere on this book section, or on any other book store. I have paid thousands of dollars on exclusive groups and, on paid private forums to collect the information presented in this book. As you can imagine these are the highly guarded secrets of the elite FOREX traders. No one gives their living away, unless you pay them a price worth their living. However I have decided to make this information available for ridiculously low price, because I am fed up with the brokers and the big banks taking advantage of the regular retail trader like yourself. Let me ask you a question? When was the last time you made money with FOREX? Even further more, how much money you are willing to lose, until you give up? How long you will continue to give your hard earned money to the broker? Just like you I started 5 years ago with high hopes of quitting my job and leaving the live I deserve with FOREX. My hopes and aspirations were quickly crashed and my dreams went to the dump. First I lost 1000, then 5000, 10k , how much longer I could continue like that, how much longer, I could endure the ridicule the jokes of my family and the frown on the face of my wife. Douglas uncovers the underlying reasons for lack of consistency and helps traders overcome the ingrained mental habits that cost them money. He takes on the myths of the market and exposes them one by one teaching traders to look beyond random outcomes, to understand the true realities of risk, and to be comfortable with the "probabilities" of market movement that governs all market speculation.

This is the book the author wished he had been able to find when he started trading the foreign exchange market. A clear, easy to follow, and complete blueprint on how to start trading the Forex profitably and while minimizing risks. Bypassing the hype present in today's multi-thousand dollar courses that over promise, under deliver, and have led many to frustration and loss of funds, this book takes you by the hand to guide you safely past the minefields. Forex Trading doesn't have to be complicated. All it takes is an understanding of how the Forex Market works and its history, how to perform technical and fundamental analysis, and most important, equity and risk management. Where others give bits and pieces, this book holds nothing back. Every bit of information needed to get started and profit is provided. - History of the Forex Market - The Necessary Psychology a Trader HAS to have - How to set up charts - How to set up an account - Understanding Candlestick Patterns - Technical Analysis - Fundamental Analysis - Trading Strategies - Equity Management - Risk Control - Managing Open Trades - Budgeting for Profits - Avoiding Black Swans - What NOT to do - What to do after success - Recommended Reading There are companies charging thousands of dollars for half the information in this book. Read this book before spending your hard earned cash on such products. Start trading with that money instead. Access the companion website and the author for further tips and assistance. Use this book to successfully trade in the world's largest market, which trades in excess of \$5 trillion dollars every day, 24 hours day, except weekends. Understand what works and what doesn't work, in easy to understand language, without the need for a financial dictionary or any math skills more advanced than middle school math. Stop depending solely on a job or on temperamental clients. Trading the Forex Market requires no interaction with any other people in order to profit. Perfect for those looking for a second income in their spare time, since the market is open 24 hours a day, 5 and a half days a week. Stay at home moms can actually stay at home. Work your way up to fully replacing your salary and even retiring early. Make money for yourself and your family instead of for a company that sees you as just one more replaceable cog. Join a community of intelligent people who let their money work for them, instead of them working for money. Learn one of the best skills to have in times of uncertainty, the ability to make money at will. See you on the inside!

Now you can master the art of foreign exchange trading While most currency trading and foreign exchange books focus on international finance theory or simplistic chart-based strategies, The Art of Currency Trading is a comprehensive guide that will teach you how to profitably trade currencies in the real world. Author Brent Donnelly has been a successful interbank FX trader for more than 20 years and in this book, he shares the specific strategies and tactics he has used to profit in the forex marketplace. The book helps investors understand and master foreign exchange trading in order to achieve sustainable long-term financial success. The book builds in intensity and depth one topic at a time, starting with the basics and moving on to intermediate then advanced setups and strategies. Whether you are new to currency trading or have years of experience, The Art of Currency Trading provides the information you need to learn to trade like an expert. This much-needed guide provides: an insider's view of what drives currency price movements; a clear explanation of how to combine macro fundamentals, technical analysis, behavioral finance and diligent risk management to trade successfully; specific techniques and setups you can use to make money trading foreign exchange; and steps you can take to better understand yourself and improve your trading psychology and discipline. Written for currency traders of all skill levels, international stock and bond investors, corporate treasurers, commodity traders, and asset managers, The Art of Currency Trading offers a comprehensive guide to foreign exchange trading written by a noted expert in the field.

Download Ebook Forex Made Simple A Step By Step Day Trading Strategy For Making 100 To 200 Per Day

to all the above questions then Forex is the ideal business and Proven Forex Money Making Strategy will show you how to model the most successful retail traders, so that you can preserve your capital, generate exciting returns, become a confident and profitable trader and finally trade for a living.

"How to Start Your Own Forex Signals Service" is like a treasure map to buried gold not only for every currency trader, but for all those trading in other markets as well. It is the true story of how a struggling currency trader was able to make thousands of dollars a month with just a demo trading account. Included in this book is: * A road map for building a fully-automated trading signals business. Why struggle to learn this business yourself when you can have an experienced signal provider show you all the ropes. * The exact same steps used to build and run a successful Forex signal service business. These steps are very important to the success of your new business. * Details of the many ways to find profitable sources for trading signals that you can sell to your customers. Using just one of these methods can help increase your monthly cash-flow. * Time and money saving strategies that cover everything from A - Z of a signals business. These will help you get up and going in less time than going at it on your own. * All you need to know about starting an online Forex signal service. This will save you potentially years of struggle in trying to figure out things yourself. * How to start your own website and what software you will use to deliver trading signals. These are great gems that can help you turn a profit much faster and easier. * What different methods you can use to run this business. It is important to use this information to get the right start from the beginning and avoid all of the most common newbie mistakes. * How to create financial freedom and help others around the world with your business, just like I did. This is a reward of its own and one well worth the read. Even if you are struggling right now and have no money to invest in your own live trading account, you can still build a successful trading business. You will be able to start earning income with just your demo account by using the information and road-maps provided in this book.

FOREX - The Basics Explained in Simple Terms (includes a FREE Bonus Trading System and also links through to video content instructions on how to upload the indicators provided for the system) This is not an upsell to any other product or service My knowledge of currency trading extends over a 14 year period and has evolved from the old fashioned manual charting when I first started in 2002, to trading on multiple screens and entering the arena of automated trading. During this time, I have developed and shared many trading systems for free, and I have also assisted many new Traders through my various blogs and forum participation. This book is for those of you who are just starting to consider trading Forex but don't know where to start, given the abundance of information on the internet. It is THE first book to read to have an understanding of the very basics. I have deliberately kept the explanations simple and straightforward so everyone can understand it. Here is a preview of what is included: What is Forex? Advantages to Trading Forex When is the Forex Market Open? Forex Pairs - What do the numbers mean? Where Do We Trade Forex? What About Choosing a Broker? Important Information for US based Traders Lot Size and Equivalent Pip Value Information on Risk News and Fundamental Analysis Technical Analysis Risk-Reward Ratio Types of Orders How Many Pips is Enough? Trading Psychology Day Trading or Longer Term Trading? Keeping a Journal or Diary Get started now, and gain a basic understanding of how it all works with this book, BEFORE you jump into the world of Forex Trading and you are welcome to join me on my newly created Facebook page: <https://www.facebook.com/groups/1575762126072998/>

Solid Forex strategies for capturing profits in today's volatile markets How to Make a Living Trading Foreign Exchange puts the world of Forex at your fingertips. Author Courtney Smith begins with an introduction to the Forex market-what it is and how it works. He then delves into six moneymaking techniques for trading Forex, including his unique Rejection Rule that doubles the profit of basic channel breakout systems. In addition to two specific methods for exiting positions at critical levels, Smith also discusses powerful risk management techniques and successful trading psychology strategies that will keep you one step ahead of the game. Reveals the secrets of the Forex market and how to create a lifetime of income trading it Offers advice on maximizing profits during the volatile swings that have increasingly become the norm Other titles by Smith: Option Strategies, Third Edition, Seasonal Charts For Futures Traders, Commodity Spreads, and Profits Through Seasonal Trading Make more from today's Forex market with How to Make a Living Trading Foreign Exchange.

You will not find this education at your brokers how to section. Most likely you will not find this information anywhere on this book

Download Ebook Forex Made Simple A Step By Step Day Trading Strategy For Making 100 To 200 Per Day

section, or on any other book store. I have paid thousands of dollars on exclusive groups and, on paid private forums to collect the information presented in this book. As you can imagine these are the highly guarded secrets of the elite FOREX traders. No one gives their living away, unless you pay them a price worth their living. However I have decided to make this information available for ridiculously low price, because I am fed up with the brokers and the big banks taking advantage of the regular retail trader like yourself. Let me ask you a question? When was the last time you made money with FOREX? Even further more, how much money you are willing to lose, until you give up? How long you will continue to give your hard earned money to the broker? Just like you I started 5 years ago with high hopes of quitting my job and leaving the live I deserve with FOREX. My hopes and aspirations were quickly crashed and my dreams went to the dump. First I lost 1000, then 5000, 10k , how much longer I could continue like that, how much longer, I could endure the ridicule the jokes of my family and the frown on the face of my wife. It was painful, sitting all day in front of the computer, until you can't see any longer and everything including the platform and your mind become blurry. I know the pain I have been there. This continued for year, until one morning I was ready to quit, I was going to give it a last try and throw that FOREX staff in the garbage, out the window. I stumbled on a rear tread, which since then has been banned, by the broker that was holding the forum. Luckily the tread continued under the brokers radar for while, and gathered a bunch of comments a support. Finally the tread from the trader X was discontinued. I was in despair, that was the only hope and light, I have seen for a long time. I was applying the advice from the trader and things were starting to work for me. Fortunately I was able to PM the trader and begged him to agree on a 20 min conversation on the phone. Trader X was not a guru, not your regular internet promoter mojo. He was quietly raking in thousands of dollars a month for years, he was not excited about the next trade, his heart beat was not raising before he pooled the trigger. See, he has been doing this trading staff for so long it has become a boring procedure, rather a morning an afternoon chore, something like putting the garbage out on garbage day. He explained that he learned from the MASTER. I did not proceed to ask him who was the MASTER, since I mainly was concerned with him teaching me every little bit of what he knew about trading. He didn't not agree to spend time teaching me, on our first conversation, regardless of how much I offered to pay him. See, for him money was not a issue. Finally on my third approach he agreed to show me what the MASTER had thought him many years ago. What is comprised in the pages of this book, will be worth pure gold to you. This book is down to the ground no non sense, real trading knowledge. It gives a step by step instructions with real trade examples. This book is not your regular hog wash advice that you will find from your broker and the other magic bullets and seven step series that you see on this site. This book teaches you how to trade like the pros. Shows you how the big banks and foreign nationals and institution trade. The book opens your eyes to how to piggy back on the big institutional traders and win. Ninety Five percent of the people that trade the Forex market lose money and give up. The market is continually replaced by fresh blood like yourself. Don't become part of the statistics, read this book and get a map to success in FOREX. You can make a success , if you know what you are doing. Yes you can make a living with FOREX. You can achieve your dreams. Buy this book and find out How

Dropping out of the 9th grade to pursue his dream of Forex trading, Refiloe uncovers the fundamental insights that every beginner trader needs to know. Containing a detailed breakdown of the Forex market, what to expect, and how to start generating income, this guidebook is an essential tool for anybody who wants to succeed with Forex. Here's just a little of what you'll discover inside: Why Developing 'Financial Intelligence' Is a Vital Life Skill How To Discover Your Purpose (and Why Financial Success Is About Much More Than Just Money) Breaking Down The Market - The Fundamentals of Forex That You Need To Know Practical Steps For Beginning Your Forex Trading Journey How To Learn To Accept Risks and Embrace Market Volatility The Pros and Cons of Different Trading Methods (and How To Pick The Right One For You) And Much More... Imbued with his personal story to success and the lessons he learned along the way, this book provides a profound look into the world of trading, along with the practical strategies that you can use to familiarize yourself with Forex trading. Even if you're a complete beginner, inside you'll find simple explanations and easy-to-follow advice, all designed to help you break into the market and start making money.

50 Pips A Day Forex Strategy Start making consistent profits in the forex market. This is a very clear and simple to follow forex trading strategy to get you started achieving consistent profits day after day trading the forex market. It will make you 50 pips per day or more every day. It is ideal for beginner traders but it will give a great deal of help to more experienced traders that have not found a clear strategy to make profits consistently. Components Support and Resistance Candlesticks Moving Average Time frame - 4 hours chart It is easy to understand and to put in practice. It has very well defined entry, stop loss and exit levels. Apart from the strategy, this book also contains a very useful guide that teaches you how to construct a profitable forex trading system for yourself and how to avoid trading and money management mistakes. How to Build a Solid Trading System Are you new to forex trading or just started to trade on a live account but with not much success? You need a solid forex trading system based on sound principles of the forex market, that has clear trading and money management rules. Do you have a forex trading system and you have been trading with it for a period of time but still you don't have the success you hoped for? This can only mean that your trading system does not take into account the basic trading rules and principles that any powerful forex trading system incorporates. This book teaches you how to construct your own powerful forex trading system, what are the most important forex trading tools that you must include in it, what not to include in your forex trading system, how to apply solid money management rules and equally important, how to avoid making trading mistakes that will cost you when you start to trade with your newly developed forex system.

The ST Patterns Trading Manual will provide a detailed hourly technical analysis using EUR/USD pairs for May 2017. Calculations of the results are performed based on the actual results without rounding off. The strategy shows a good technical result for the EUR/USD pair in May--equal to about 300% of the initial deposit. The study of the GBP/USD pair will help readers understand the importance of determining

Download Ebook Forex Made Simple A Step By Step Day Trading Strategy For Making 100 To 200 Per Day

periods of market uncertainty in a timely fashion. To demonstrate the flexibility of the strategy settings and the formation of short-term uncertainty periods, the EUR/USD pair is shown on five-minute charts in one working day on May 31. For nine hours of work, the result was approximately + 82% of the initial deposit. The month following the first book's «Trading Code is Open: ST Patterns of the Forex and Futures Exchanges» publication perfectly demonstrated the possibilities of using the trading system and showed how almost half of the ST Patterns published in this book operate in practice. The analysis, based on accurate calculations, will help traders consolidate the acquired knowledge, and to increase their own skills with Structural Target Patterns. Over the 18 years I have spent researching dozens of well-known, as well as not so famous, trading systems, I have not found any that could demonstrate anything near the results obtained by the ST Patterns trading method during this arbitrarily chosen time interval. The trading of the EUR/USD currency pair is given as the main example in this book. But the algorithm for this trading, detailed in this book, is also applicable to other currency pairs. The ST Trading Strategy is also profitable in the Futures, Indices, Commodities and other liquid markets. Millions of traders are trying to find an effective technical method for analyzing the movement of exchange charts. Now it has arrived! Note: This book (ISBN: 1719837996), is with a color interior. You can also buy a book (ISBN: 171986005X) with black & white interior.

Professional traders have always lied to you! Trading is not just a game for millionaires. Even without a lot of capital, and with just a small risk, you can start trading and make huge amounts of money. No, this is not a dream: it's a promise. Don't you believe me? Then keep reading. Chances are you've heard about Forex and you see endless advertisement online promising wealth and riches. Is it really true? The fact is that you can build significant wealth using Forex. It's also something you can use to quit your "day-job" and lead a life of financial independence, answer to no one but yourself. But Forex trading also carries significant risk as well. Traders who go in blind often end up losing everything. Those online ads won't show you those folks - but you need to know it's possible. How can you avoid that fate? The answer is simple. You need to know exactly what Forex trading is, how it works and the proven strategies winning traders rely on to make money consistently. Your lucky day has arrived: this book does every one of those things! Inside these pages, we are going to explain to the beginner everything they need to understand to profit from the Forex markets. By the end of this book, you will be informed and savvy when it comes to trading. We're going to reveal all the secret techniques that winning traders use to keep money flowing into their accounts! Some of the things we'll cover: What Forex trading is and where it came from. The role of the broker-dealer and intrabank trading. How to open an account and what you need. Funding levels for different Forex trading accounts. Step-by-step explanations of how to understand currency pairs. Clear explanations that help you determine how much a trade will cost, how much you can make and potential losses. The safeguards you need to put in place in order to win at trading without heavy losses when you have bad trades. The top indicators used by Forex traders. How to use candlestick plots. And much more! Forex trading is fun and exciting. Simply put, it's a great way to make money and build wealth. What are you waiting for? Find out how to get started today: scroll the top of the page and select the *BUY NOW* button!

Download Ebook Forex Made Simple A Step By Step Day Trading Strategy For Making 100 To 200 Per Day

Forex For Beginners is the prequel to my first two books, A Three Dimensional Approach to Forex Trading, and A Complete Guide to Volume Price Analysis. It is your primer to the world of forex. It has been written to lay the foundations and provide the framework for getting started in the world of forex, in what I believe is the correct way. My other books then build on what you will learn here, to further develop your trading skills and knowledge. What I try to do in all my books, is to show you how to apply that knowledge to help you become a more confident trader. After all, learning is all well and good, but if we are not taught how to apply that knowledge in a practical way, then it is of little use. It is the application of knowledge that empowers, and this is what I have tried to do here, and in my online training rooms, and all my books. There are of course many books about forex trading. What is different about this book, is the focus on those aspects of trading which I believe are fundamental. After all, there are only two questions we need to answer when considering a position in the market:- What is the risk on this trade - high, medium or low? What is the financial risk on this trade? The first is the hardest question to answer, and the book will explain in detail the analysis and approach to use, in order to answer this question with confidence. The second question is more straightforward and is answered provided you have an understanding of risk, money management and position sizing in relation to your trading capital. Again, this is covered in detail in the book. As the tag line on the front cover says 'What you need to know to get started, and everything in between' which really sums up what you will learn. The book explains everything, from the pure mechanics to the trading methodology that I advocate, and which I have used in all my own trading and investing for over 17 years. Forex For Beginners is also dedicated to all those traders who have asked me to write such an introduction, based on my knowledge and my methodology. This book is for you.

Are you tired of going to your regular day job everyday just knowing that you are doing nothing more than just working to get by ? I know how the 9 to 5 feels and we all know it sucks! We all know we can't depend on a corporate jobs these days because you never know when its time for lay-offs or job cuts, it can happen all of a sudden. If you were to get laid-off tomorrow do you have a plan to support you and your family? Forex trading can be highly lucrative and profitable in today's markets especially if you are equipped with the necessary trading knowledge and skills. This book will show you 20 Forex Trading Strategies in 1 hour time frame that will help you in your trading journey to financial freedom.

The financial industry has recently adopted Python at a tremendous rate, with some of the largest investment banks and hedge funds using it to build core trading and risk management systems. Updated for Python 3, the second edition of this hands-on book helps you get started with the language, guiding developers and quantitative analysts through Python libraries and tools for building financial applications and interactive financial analytics. Using practical examples throughout the book, author Yves Hilpisch also shows you how to develop a full-fledged framework for Monte Carlo simulation-based derivatives and risk analytics, based on a large, realistic case study. Much of the book uses interactive IPython Notebooks.

Grooming Beginning and Struggling Traders for Success. There are two kinds of traders: The Gambling Trader Who Loses Money The Business Trader Who Makes Money Which one would you like to be? Gambling Traders Lose Money and Business Traders Make Money. In the Proven Forex Day Trading Profitable Strategy, you will discover simple actionable steps to help you become a business trader . go through. You will learn how to maximize your profitable trades and minimize your loses. You will learn how to capture 400 PIPS a month or more by executing this simple strategy flawlessly, from a business traders perspective and avoid the mindset of gambling traders.

The first plain-English introduction to foreign currency exchange trading--one of today's hottest profit opportunities The foreign currency market is the largest financial market in the world, and foreign exchange trading is quickly becoming one of today's most high-profile, potentially lucrative markets. One problem is that books on the topic are complex, technically dense, and difficult for Forex novices to grasp. FOREX Made Easy is the first book to approach the topic in a detailed yet accessible style, gradually and deliberately moving from simple to complex in easy and natural language. Author James Dicks--founder of the popular trading software 4X Made Easy--draws upon his trading knowledge to give readers only the information they need, from setting up a workstation to trading electronically. This Forex guidebook provides traders with: An easy-to-follow, six-step process for FOREX trading Methods for gaining an advantage using technical analysis Dozens of examples to illustrate key points
