Foundations of the Christian Faith Provides a systematic and practical study of the fundamental principles of discipleship which, if followed through and applied, stimulates growth towards maturity.

Foundations of Faith Spiritual seekers are looking for more than life experiences that continually fail to satisfy. This 12-session study presents the basic beliefs of Christianity in a way that is engaging, personal, thoroughly biblical, and ultimately satisfying. Through His Word, God makes Himself known to those who seek Him. With Scripture as its foundation, God's Truth Revealed addresses common questions of spiritual seekers and new Christians—like Who is God? and Why am I here? God's Truth Revealed is the ideal textbook for small groups or one-to-one discipleship as part of a church's Christian education programming.

Unshakable Foundations

Foundations of God's City NOTE: This is the ESV Edition. The original version of the book (the NASB 1995 version) is also still available. The gospel of Jesus Christ - the "good news" that He has made a way for the salvation of sinners - is of utmost importance for the believer. In this book, the second of his Biblical Foundations for the Christian Faith series, Paul Washer helps the student to navigate through the Scriptures in search of the gloriously rich truths of the gospel of our salvation that lie therein!

Foundations of the Christian Faith This course textbook stresses the importance of proper spiritual foundations for life and ministry by focusing on the Foundations of the Christian Faith as identified in the Book of Hebrews. Readers will gain a new understanding and appreciation of foundational doctrines and while lining up their lives and ministry with the Word of God.

Foundational Truths for Christian Living Here, a team of award-winning teaching scholars has come together to create an introductory text that offers a truly unique and innovative contribution to the discipline of theological studies. This "first book" provides students of any religious tradition with the foundational skills, vocabulary, conceptual understanding, and research abilities that they need to succeed in theology and religious studies. Theological Foundations provides the following: Ten chapters that introduce the major sub-disciplines of theology creating a well-rounded source for understanding the discipline as a whole Contributions that are clear, accessible, and steeped in content A strong basis for vigorous intellectual and personal exploration of life and our relation to God Flexibility that allows the instructor to assign readings in any order that fits his or her syllabus A one-of-a-kind, integrated library research component, "From the Reference Librarian," which teaches students the foundational skills needed for successful study in theology and in any academic discipline

The Foundations of the Christian Faith How is it that Christian faith can be said to be in accordance with reason and at the same time to transcend reason? On the one hand, the concordance of faith with reason appears to reduce faith to rational thinking and to natural human experience; on the other hand, the difference between faith and reason seems to make belief unreasonable and arbitrary. In The God of Faith and Reason, Robert Sokolowski treats this theological difficulty not by speaking directly about faith and reason, but through an examination of the Christian understanding of God that focuses on God the creator and the world as created. In so doing, he demonstrates how the Christian concept of God preserves both the integrity of reason and the distinctiveness of faith. Sokolowski begins with a statement of the Christian understanding of God developed in

terms provided by St. Anselm, in whose writings the issue of faith and reason surfaces in an historically significant way. He next brings to light the special character of the Christian understanding of God by contrasting it with the pagan understanding of the divine. While pagan and other natural religions see god as the most powerful part of the world, Christianity understands God to be separate from the world, not added to in any way by the act of creating it. This understanding of God and the world lies behind the belief in Creation, and is shown to provide the context for the other Christian mysteries, such as the Incarnation, Redemption, the Church, grace, and the sacraments, especially the Eucharist. The author also shows how the Christian understanding of God and the world helps clarify the difference between natural human virtues and the theological virtues of faith, hope, and charity. In an appendix, he deals with the relationship between political philosophy and Christian revelation, and, through a discussion of the ideas of Leo Strauss, speaks of the place of politics and political reason in Christian belief. Throughout the book Sokolowski employs a method of theology based on phenomenology in order to show how the things of Christian faith differentiate themselves from the phenomena given to natural experience. With its insightful, straightforward arguments, *The God of Faith and Reason* is ideal for use in both introductory and advanced courses in natural theology, fundamental theology, Christian philosophy, philosophy of God, philosophy of religion, and metaphysics. Robert Sokolowski, a priest of the Archdiocese of Hartford, has taught philosophy at The Catholic University of America since 1963. He has written six books and numerous articles dealing with phenomenology, philosophy and Christian faith, moral philosophy, and issues in contemporary science. He has been an auxiliary chaplain at Bolling Air Force Base in Washington, D.C., since 1976 and was named monsignor in 1993. ----- "Robert Sokolowski, already an accomplished author in the field of philosophy, has now written a sophisticated and profound little book about the frontiers where philosophy and theology, natural reason and Christian faith, overlap and blend into a single harmonious act, whose components can be differentiated by reflective thinking. . . . This book will provide useful clarifications to theologians, philosophers and believers, convinced in principle that religious faith should be reasonable . . . but unclear as to how faith and reason can be blended without collapsing one into the other."--International Journal for Philosophy of Religion The simple purpose of this profound and disquieting work is to identify what is most radically distinctive about Christian belief. Addressed to a nontechnical audience . . . the book possesses the kind of lucidity and intellectual simplicity achieved only by teachers of the highest order. Its conclusi

God's Truth Revealed Winner of a 2004 ECPA Gold Medallion Award! Winner of an Award of Excellence in the 2003 Chicago Book Clinic! What is real? What is truth? What can we know? What should we believe? What should we do and why? Is there a God? Can we know him? Do Christian doctrines make sense? Can we believe in God in the face of evil? These are fundamental questions that any thinking person wants answers to. These are questions that philosophy addresses. And the answers we give to these kinds of questions serve as the the foundation stones for constructing any kind of worldview. In *Philosophical Foundations for a Christian Worldview* J.P. Moreland and William Lane Craig offer a comprehensive introduction to philosophy from a Christian perspective. In their broad sweep they seek to introduce readers to the principal subdisciplines of philosophy, including epistemology, metaphysics, philosophy of science, ethics and philosophy of religion. They do so with characteristic clarity and incisiveness. Arguments are clearly outlined, and rival theories are presented with fairness and accuracy. Philosophy, they contend, aids Christians in the tasks of apologetics, polemics and systematic theology. It reflects our having been made in the image of God, helps us to extend biblical teaching into areas not expressly addressed in Scripture, facilitates the spiritual discipline of study, enhances the boldness and self-image of the Christian community, and is requisite to the essential task of integrating faith and learning. Here is a lively and thorough introduction to philosophy for all who want to know reality.

Foundations of the Christian Faith A comprehensive and readable survey of the central issues of Christianity that will help Christians to stand firm in a changing world.

Biblical Foundations of Spirituality Storm clouds are on the horizon and are hovering over the Judeo-Christian community. Returning to God's Word is our only hope for these troubled times. On the cusp of these changing times, a remnant is being identified and "called out" by the Holy Spirit to return to the foundational roots of Christianity. The First Century Church of Jesus' Apostles was vastly different from the church of today. Their foundational strength was built upon the Rock of Jesus Christ and was founded upon the Biblical (Hebrew/Jewish) customs of Jesus Christ and His disciples. This book is a basic handbook--a "101 Primer"--for reconciliation and restoration. Its exposure to the rich Hebraic customs and traditions of Jesus' day will bring a refreshing breath to traditional Christianity. It's a call to return to "the faith once delivered to the saints," to prepare for eternity in God's city, the New Jerusalem.

Christian Ethics and the Church Guarino argues in this book that the doctrinal form of the Christian faith, in its essential characteristics, calls for certain theoretical exigencies. This is to say that the proportion and beauty of

Download Ebook Foundations Of The Christian Faith James Montgomery Boice

the form is not served or illuminated by simply any presuppositions. Rather, a determinate understanding of first philosophy, of the nature of truth, of hermeneutical theory, of the predication of language and mutual correlation is required if Christian faith and doctrine are to maintain a recognizable and suitably mediative form. Failing to adduce specific principles will lead either to a simple assertion of Christian truth, in which case the form of Christianity becomes less intelligible and attractive-or one will substitute a radically changed form, which is itself inappropriate for displaying the fundamental revelatory narrative of faith. The house of Christian faith possesses a certain proportion of structure; the form will sag badly if one removes an undergirding item, or if one beam is replaced with another of variable shape or size. The form's beauty will either be obscured, no longer clearly visible, or the form will become something quite different, no longer architectonically related to what was originally the case. The intention of this book is to discuss those doctrinal characteristics considered fundamental to the Christian faith, as protective of its revelatory form and, concomitantly, to examine the theoretical principles required if such form is to remain both intelligible and beautiful.

Hebrew Foundations of the Christian Faith Biblical Foundations of Spirituality offers seekers guidance on what to read, how to read, and why to read the Bible as a source of spiritual nourishment. Informed by the latest scholarship, this book makes the Bible more intelligible and "user friendly" for contemporary audiences by stressing the spiritual dimension of the search for God evident in our biblical ancestors and showing how the Bible can be a friend and companion in our search for God today.

The Trinity You can't argue the pedigree of a 17th-century philosopher whose contributions in science and mathematics still influence the way we live and think today. Blaise Pascal was a genius by any definition. Moreover, he was a genius who experienced an intense, near-mystical conversion to Christianity and began applying his intellect to theology. A selection from *Pensees*, Pascal's masterwork, *Foundations of the Christian Religion* is more than a defense of the faith. It's some of the finest literature in the Western canon. Book jacket.

Foundation of Christian Faith In one systematic volume, James Montgomery Boice provides a readable overview of Christian theology. With scholarly rigor and a pastor's heart, Boice carefully opens the topics of the nature of God, the person and work of Christ, the work of the Holy Spirit in justification and sanctification, and ecclesiology and eschatology. This updated edition includes a foreword by Philip Ryken and a section-by-section study guide.

Foundations of Our Faith & Calling

Discovering the Glorious Gospel [ESV Edition] This book builds a solid basis for understanding the heart of the Christian faith through 30 weekly sessions about establishing a foundation in Christ.

The Foundation of Christian Religion Gathered into Six Principles This book introduces Christian ethics from a theological perspective. Philip Turner, widely recognized as a leading expert in the field, explores the intersection of moral theology and ecclesiology, arguing that the focus of Christian ethics should not be personal holiness or social reform but the common life of the church. A theology of moral thought and practice must take its cues from the notion that human beings, upon salvation, are redeemed and called into a life oriented around the community of the church. This book distills a senior scholar's life work and will be valued by students of Christian ethics, theology, and ecclesiology.

Philosophical Foundations for a Christian Worldview Establishing the identity and meaning of Jesus as the perfect revelation of God, *Why Believe?* examines the nature of theology, God, faith, scripture, the Church, spirituality, and morality.

Foundations Here is a practical Systematic Theology written in a non-technical and easy-to-read style so that the major doctrines of the Christian Faith are made plain to the ordinary reader. It is written from a Reformed and Baptist perspective.

Foundations of Christian Worship Drawing from six decades of Scripture-based teaching and study in the original Greek and Hebrew, the late Derek Prince clearly explains the foundations for Christian faith, salvation, baptism, the Holy Spirit, laying on of hands, the believer's resurrection, and eternal judgment. The revised book, which has been translated and distributed worldwide in more than sixty languages, offers Christian everything they need to develop a strong, balanced, Spirit-filled life, including a comprehensive index of topics and a complete index of Scripture verses.

Christian Beliefs about Life after Death As your understanding of biblical truth grows, you can begin connecting things from God's point of view. *Knowing His Truth* will invite you into a deeper experience of God Himself. In this

study, you will explore ? Who Is God? ? The Authority of God's Word ? The Holy Spirit ? Spiritual Warfare ? The Return of Christ ? 5 lessons

Foundations of Christian Thought "A Crossroad book." Translation of Grundkurs des Glaubens.

Restoring Our Christian Foundations

Foundations of Systematic Theology 'I found myself praying from Christian Foundations in new ways. Of course, like most academics, I had heard it all before. But I haven't- not this way, at least. It was truly an experience of talking to God while thinking about God- not a bad way to do theology. Needless to say, I will use it with my undergraduates.' -Dr. Thomas Groome, Boston College

Foundations of the Christian Faith This book is intended as an introductory text for interested readers and tertiary students new to the formal study of theology. Each of the fifteen chapters - including the Epilogue - focuses on an area of major importance for the Christian faith. Suggestions for further reading and accessible web sites are provided at the end of each chapter. A glossary of theological terms and an extended bibliography are also provided as appendices.

Rock Versus Sand; Or The Foundations of the Christian Faith There is not much published by William Perkins. Puritan Publications is working to publish more of Perkins, and this wonderful treatise covers the main points of the Christian religion so that the foundational truths of the Bible are understood clearly. Perkins says he wrote this in order to, "bring you to true knowledge, unfeigned faith and sound repentance, [in] the principal points of Christian Religion in six plain and easy Rules, even such as the simplest may easily learn; and hereunto is adjoined an Exposition of them word by word." Perkins covers aspects of the Catechism, the Ten Commandments, the Creed, the Lord's Prayer, and the institution of the two Sacraments so that they may be more easily understood. This is not a scan or facsimile, has been updated in modern English type for easy reading and has an active table of contents for electronic versions.

Theological Foundations What are the essentials to the Christian faith? How can you know and find God's will? What doctrines comprise the foundation to a Christian life? What should church leadership look like? What experiences mark a healthy Christian? These questions and more are answered in this book. If you are looking for one book that can cover the whole Christian life then this book is for you as you seek to Love a faithful faith that honors God while learning to experience his goodness daily.

Foundations of Education Ideas about education have consequences. This book, edited by Matthew Etherington, provides readers with ideas and insights drawn from fifteen international scholars in Christian thought within the fields of philosophy, theology, and education. Each author responds to the philosophical, historical, and sociological challenges that confront their particular line of educational inquiry. The authors offer a view of Christian education that promotes truth, human dignity, peace, love, diversity, and justice. The book critically analyzes public discourse on education, including the wisdom, actions, recommendations, and controversies of Christian education in the twenty-first century. This timely book will appeal to those concerned with Christian perspectives on education, Aboriginality, gender, history, evangelism, secularism, constructivism, purpose, hope, school choice, and community.

The Foundations of Christian Living

The Foundations of Christian Doctrine Providing structure for thinking seriously about worship as a part of Christian faith and experience, Foundations of Christian Worship addresses the question, what is Christian worship and why do Christians worship as they do? Beginning with an overview of the theological, biblical, historical, and anthropological foundations of Christian worship, Susan J. White then turns to discussing its components--prayer, creeds, music, time, ritual, and art. Later, she delves into the nourishment of the Christian life and the major worship events throughout the human life cycle. Finally, she discusses contemporary challenges to Christian worship and concludes with case studies for further exploration. With helpful appendixes and a glossary of liturgical terms, Susan White's Foundations of Christian Worship is an excellent primer for seminary students and ministers early in their careers.

Christian Foundations

Foundations of Christian Faith

Knowing the Living God Are you a new Christian who desires to dig deeper into the Word of God? Do you wonder what the basic foundations of Christianity are? Then let Bible teacher Charles L. Weber lead the way in this self-paced, easy-to-use Bible study. An in-depth study of the doctrines of Christianity, Foundations of the Christian Faith will provide a firm foundation for newly saved individuals and mature saints alike. The author breaks down the most important tenants of the Christian faith in ten lessons and discusses them through the lens of Scripture. You'll gain a deeper understanding of God and His word by delving into the Bible and studying how Jesus Christ can completely transform your life. Using only the Bible as his guide, Charles Weber explores many concepts: The Trinity Grace Salvation Baptism The Lord's Supper And more Ideal for group Bible study, seminar presentations, or individual use, Foundations of the Christian Faith contains the fundamental truths necessary for understanding the nature of God, Christianity, and the church. Grow in the spirit with this indispensable study.

The God of Faith and Reason "The Trinity" discusses the importance of the doctrine of the Trinity for contemporary faith. It explores the development of the doctrine of the Trinity in church history, shows the modern issues and developments, and speaks practically about the significance of this doctrine for the Christian life.

Foundations of the Christian Religion Foundations of Christian Doctrine presents a simply-written explication of the great doctrines of the Christian faith for use in classroom instruction and personal study.

Why Believe? Precisely titled Two Cities, Two Loves.

Foundations for Faith

Essential Christianity Written by a veteran Christian educator, this readable book describes the relationship between the Christian faith and the world of learning by looking at the five modern worldviews competing with Christian theism.

The Foundations of the Christian Faith Families are shaped one day at a time through the Word of God You want your children to become Christ followers, obedient to His commands, and fruitful in their faith, but where do you begin? Though there isn't a formula or prescription for raising godly kids, what you desire for your family begins with heeding God's instructions to remember and declare His faithful works to the next generation. Bestselling author and artist Ruth Chou Simons, along with her husband, Troy, are gratefully raising six boys on a firm foundation of God's Word by preaching that truth to themselves and their family daily. In this book, they invite you to join them in the holy work of training children to know and love God for a lifetime. Foundations will help you direct your family one day at a time, as you explore 12 key truths that will help connect your children's hearts—and yours—to the heart of God. With a simple, chapter-a-day format that includes Scripture, devotional thoughts, meditations, and discussion questions, this book will guide you in leading your family.
