An impressive achievement."—The New York Times Book Review In Marion Zimmer Bradley's masterpiece, we see the tumult and adventures of Camelot's court through the eyes of the women who bolstered the king's rise and schemed for his fall. From their childhoods through the ultimate fulfillment of their destinies, we follow these women and the diverse cast of characters that surrounds them as the great Arthurian epic unfolds stunningly before us. As Morgaine and Gwenhwyfar struggle for control over the fate of Arthur's kingdom, as the Knights of the Round Table take on their infamous quest, as Merlin and Viviane wield their magics for the future of Old Britain, the Isle of Avalon slips further into the impenetrable mists of memory, until the fissure between old and new worlds' and old and new religions' claims its most famous victim.

"Come war and peace Downton still stands and the Crawleys are still in it." Downton Abbey is loved the world over for its fabulous costumes, beautiful scenery, wonderful characters and intricate plot lines, but what keeps millions of us coming back time after time is the stellar quality of the writing. With each stroke of his pen Julian Fellowes seems to gift us with a cuttingly dry quip from the Dowager Countess, a perfectly timed word of wisdom from Mrs Patmore or a touchingly nostalgic pronouncement from Carson. Here in The Wit and Wisdom of Downton Abbey, Jessica Fellowes has gathered together her favorite quotes from the complete Downton Abbey oeuvre to take each of us back to the most memorable moments from the show and ensure we are armed with the very best ripostes should we ever need to chastise an impertinent lady's maid.

Game of Thrones is strategizing what bold moves you'd make in this bloody, volatile world—from the comfort of your living room. And one of the great terrors of being a leader is knowing your real world can be just as brutal—and offices bring no comfort. Every day you're presented with opportunities and challenges, and must decide which roads to follow, which risks to confront, when to deny an opportunity and when to pursue the call to adventure. And you won't know whether you'll profit or fail while you're in the thick of it. In *Win or Die: Leadership Secrets from Game of Thrones*, Bruce Craven brilliantly analyzes the journeys of the best and worst leaders in Westeros, so that leaders can create their own narratives of success. Craven considers beloved characters such as Ned Stark, Jon Snow, Daenerys Targaryen, and Tyrion Lannister as they make terrible decisions and fatal mistakes, but also achieve incredible victories and surprising successes, learning and growing along their (often bloody) ways. Readers will learn how to face conflict and build resilience, develop contextual and emotional intelligence, develop their vision, and more. This entertaining and accessible guide will show readers how to turn danger into opportunity, even when dragons threaten.

"Never forget what you are, for surely the world will not. "Bran thought about it. "Fear cuts deeper than swords." "Some old wounds never truly heal, and bleed again at the slightest word." "Winter is coming." "When you play a game of thrones you win or you die."

This book showcases the best and most humorous quotes from George R.R. Martin's favourite character Tyrion Lannister, the worldly, jaded, funny, highly intelligent, cynical, womanizing star of the books.
