A story of faith and fraud in post-Civil War America, told through the lens of a photographer who claimed he could capture images of the dead. In the early days of photography, in the death-strewn wake of the Civil War, one man seized America's imagination. A "spirit photographer," William Mumler took portrait photographs that featured the ghostly presence of a lost loved one alongside the living subject. Mumler was a sensation: The affluent and influential came calling, including Mary Todd Lincoln, who arrived at his studio in disguise amidst rumors of séances in the White House. Peter Manseau brilliantly captures a nation wracked with grief and hungry for proof of the existence of ghosts and for contact with their dead husbands and sons. It took a circus-like trial of Mumler on fraud charges, starring P. T. Barnum for the prosecution, to expose a fault line of doubt and manipulation. And even then, the judge sided with the defense, suggesting no one would ever solve the mystery of his spirit photography. This forgotten puzzle offers a vivid snapshot of America at a crossroads in its history, a nation in thrall to new technology while clinging desperately to belief. An NPR Best Book of 2017 "A rare work of historical nonfiction that is both studious and just plain entertaining."—Publishers Weekly, Top Ten Books of 2017 "An exceptional story."—Errol Morris, New York Times Book Review "Manseau has become the foremost chronicler of the deep American desire to believe in the weird, the strange, and the oddly wonderful."—Jeff Sharlet, New York Times—bestselling author of *The Family: The Secret Fundamentalism at the Heart of American Power*

"An enthralling story . . . A work of history that reads like a novel." — Christian Science Monitor "As Hochschild's brilliant book demonstrates, the great Congo scandal prefigured our own times . . . This book must be read and reread." — Los Angeles Times Book Review In the late nineteenth century, as the European powers were carving up Africa, King Leopold II of Belgium carried out a brutal plundering of the territory surrounding the Congo River. Ultimately slashing the area's population by ten million, he still managed to shrewdly cultivate his reputation as a great humanitarian. A tale far richer than any novelist could invent, *King Leopold's Ghost* is the horrifying account of a megalomaniac of monstrous proportions. It is also the deeply moving portrait of those who defied Leopold: African rebel leaders who fought against hopeless odds and a brave handful of missionaries, travelers, and young idealists who went to Africa for work or adventure but unexpectedly found themselves witnesses to a holocaust and participants in the twentieth century's first great human rights movement. A National Book Critics Circle Award Finalist A New York Times Notable Book

This winning debut picture book from Mexican artist Flavia Z. Drago about finding the courage to make friends is perfect for the spooky season — or anytime. Gustavo is good at doing all sorts of ghostly things: walking through walls, making objects fly, and glowing in the dark. And he loves almost nothing more than playing beautiful music on his violin. But Gustavo is shy, and some things are harder for him to do, like getting in a line to buy eye scream or making friends with other monsters. Whenever he tries getting close to them, he realizes they just can't see him. Now that the Day of the Dead is fast approaching, what can he do to make them notice him and to share with them something he loves? With fancifully detailed artwork and visual humor, debut picture-book creator Flavia Z. Drago's vivid illustrations tell a sweet and gently offbeat story of loneliness, bravery, and friendship that is sure to be a treat for little ghouls and goblins everywhere.

Do you want physical evidence of the existence of ghosts but aren't sure of the best way to get it? "Picture Yourself Capturing Ghosts on Film: Step-by-Step Instruction for Documenting the Paranormal with Photography and Video" is a beginner's guide to securing photo evidence of the paranormal. Many people use pictures and video as a foundation for their paranormal investigation, but they aren't sure how to use their camera to get the best pictures, or evaluate them once they are taken. This book guides aspiring ghost hunters like you through the entire process of capturing ghosts on film, including history and perspective on the practice, how to choose the right camera, how the camera works, and how to use the camera in the field. After the ghostly images are taken, "Picture Yourself Capturing Ghosts on Film" guides you on how to evaluate the images and share them with others. This book even includes a DVD that allows you to see trained investigators gathering evidence and the evaluation process, and interviews with experts in the field. Featuring simple instructions and a colorful layout full of pictures and illustrations, "Picture Yourself Capturing Ghosts on Film" is your guide to getting hard evidence of the existence of ghosts.

Breast cancer is the most frequent cause of cancer-related deaths in women in Europe, and demographic trends indicate a continuing increase in this substantial public health problem. Systematic early detection through screening, effective diagnostic pathways and optimal treatment have the ability to substantially lower current breast cancer mortality rates and reduce the burden of this disease in the population. This is the fourth edition of these guidelines which contains information on recommended standards and procedures for breast cancer screening and diagnostic services, including chapters on multi-disciplinary aspects of quality assurance, data collection and monitoring, effective communication of information, requirements of a specialist unit, and a certification protocol.

The possibility of life after death is a significant theme in cinema, in which ghosts return to the world of the living to wrap up unfinished business, console their survivors, visit lovers or just enjoy a well-wreaked

Where To Download Ghost Image

scaring. This work focuses on film depictions of survival after death, from meetings with the ghost of Elvis to AIDS-related ghosts: apparitions, hauntings, mediumship, representations of heaven, angels, near-death experiences, possession, poltergeists and all the other ways in which the living interact with the dead on screen. The work opens with a historical perspective, which outlines the development of pre-cinematic technology for "projecting" phantoms, and discusses the use of these skills in early ghost cinema. English-language sound films are then examined thematically with topics ranging from the expiation of sins to "hungry" ghosts. Six of the most significant films, *Dead of Night*, *A Matter of Life and Death*, *The Innocents*, *The Haunting*, *The Shining*, and *Jacob's Ladder*, are given a detailed analysis. A conclusion, filmography, and bibliography follow.

The last thing plastic surgery resident Jackson Maebry wants at the end of a long day in the operating room is a call to the ER. Once he gets there, what he finds is worse than his most hellish imaginings: a young woman, beaten and burned almost beyond recognition, a trauma case as terrible as any he has ever seen. What Jackson's colleagues don't know is that the victim, Allie, is actually his lover. With Allie in a coma, Jackson keeps their relationship quiet and takes part in her reconstruction, a complicated and grueling set of procedures that only the most skilled specialists can perform. But as he and the other doctors struggle to put her back together, the fractures in Jackson's own life begin to break apart dramatically. When the San Francisco Police Department's investigation of the attack leads to his door, Jackson knows the truth can no longer be suppressed. *Ghost Image* is an expertly plotted, chillingly vivid, and wholly absorbing mystery, signaling the debut of an unforgettable new voice in the genre. Taking readers inside the operating room and literally under the skin of its patients, it's a story that will appeal to those fascinated by medicine and forensics. It is also a story -- like all classic crime novels -- about guilt and innocence, good and evil. But, above all, it is a story of love -- the kind of love that might prove deadly, or that might just save your soul.

From the author of *Multiple Exposure*, the second "Intriguing...compelling" (Publishers Weekly) novel in the thrilling Sophie Medina mystery series that features a photojournalist as she races to find an international treasure before a murderer finds her. When freelance photojournalist Sophie Medina finds Brother Kevin Boyle, a Franciscan friar and controversial environmentalist, dead in the magnificent gardens of a Washington, DC monastery, she is sure her friend was murdered. Shortly before he died, Kevin told Sophie he was being stalked, possibly because he uncovered a botanic discovery potentially worth millions of dollars. Left with few clues to his secret, Sophie is determined to figure out who killed Kevin. Beginning with a key that leads to a priceless original seventeenth-century encyclopedia of plants, Sophie leaps into an international treasure hunt following a trail that begins in the US Capitol and eventually leads to London and the English countryside. Before long Sophie suspects Kevin's murderer may have been someone who knew him well. With time running out and a suspect list that includes the world's leading botanical experts and political royalty from both sides of the Atlantic, can Sophie solve the two-hundred-year-old mystery before Kevin's killer finds her? A tale of greed and betrayal involving politicians, diplomats, European royalty, and a century-old monastery, *Ghost Image* is filled with political intrigue, history, and an international high-stakes race against a killer that will keep you guessing until the very last page.

A concise introduction to lens design, including the fundamental theory, concepts, methods and tools used in the field. Covering all the essential concepts and providing suggestions for further reading at the end of each chapter, this book is an essential resource for graduate students working in optics and photonics.

The Turn of the Screw is an 1898 horror novella by Henry James that first appeared in serial format in *Collier's Weekly* magazine (January 27 - April 16, 1898). In October 1898 it appeared in *The Two Magics*, a book published by Macmillan in New York City and Heinemann in London. Classified as both gothic fiction and a ghost story, the novella focuses on a governess who, caring for two children at a remote estate, becomes convinced that the grounds are haunted.

Snow Ghost came whispering out of the air, "Oh, for a home to be happy - but where?" Flying through the swirling, snow-filled skies, *Snow Ghost* searches for a place to call home, swooping gracefully over the whirling traffic of town, winding her way through the dense, tangled wood and to the top of the blustery hill. Then on the quiet calm of the moors, she sees a girl and a boy playing. She breathes magic and sparkle into their play until it's time for them to stumble back home to bed. And while shimmers of moonlight cast their glittering light, *Snow Ghost* curls herself round the roof of the farmhouse. She has found her happy home at last. A timeless story of hope and belonging, perfect for sharing with loved ones this winter. This audio-enabled edition comes with a gorgeous reading by Sarah Ovens, along with music and sound effects.

There was a time when seeing a ghost was considered paranormal and horrifying, but now it's considered typical and expected. Ghosts were as abundant as living human beings. The question is: What type of ghost would it be? Different auras mean different challenges and experiences. However, seeing a ghost and communicating with a ghost are two very different things. Bekah is a Ghost Reader. She has a unique and rare

ability to enter a ghost's mind and relive how they died. Afterward, she guides the ghost to finding peace and entering their heaven, if they so desire. If only every case went as smoothly as it should. After her Uncle's unforeseen death, Bekah opens an agency to help ghosts and their loved ones find what they are looking for. Together Bekah and Gabe, her best friend and co-worker, unfortunately stumble across a fury-filled and vengeance-seeking ghost, who has it out for Bekah. Little to her knowledge, Bekah is starting a journey that begins with a blossoming sexual attraction between her and Gabe and ends with the most shocking resolution to the biggest mystery in her life: her parents' horrifying murder from thirteen years earlier. Will she be able to survive the mind-blowing, catastrophic events that lead up to the final battle? Find out in this tale of ghosts, mystery and love. It will make you yearn for more as you will be the one Seeking Truth.

Follow Amy as she dresses up in a ghost costume and scares her grandparents, their parrot and the postman. With rhyming text and interactive pictures, this funny and delightful picture book will want to be read over and over again. I'm a scary ghost picture book is ideal for preschool / young school-aged children and their parents. The 'Playing Dressing Up Picture Book' series encourages play, creativity, use of the imagination, independent play, the importance of family & friends and teamwork. Also check out more in this Playing Dressing Up picture book series, I'm a Pretty Ballerina, I'm a Cheeky Pirate and I'm a Bendy Gymnast. Many more coming too.

This globe-trotting mystery featuring intrepid photojournalist Sophie Medina is an "assured tale of love, loss, and secret agendas, the first in a new series, which offers a complex portrait of our nation's capital, with its historic beauty and roiling underbelly of deceit and danger" (Publishers Weekly). When photojournalist Sophie Medina returns to London from an overseas assignment, she discovers that her husband, Nick, a geologist and covert CIA operative, has been abducted and assumed dead. Three months later, a friend in the British government relays that Nick has been spotted in Moscow, but Sophie is allowed little joy before the news turns dark—Nick is accused as a suspect in his boss's murder and rumors circulate that he's involved in illicit Russian oil deals. With her every step closely watched, Sophie moves to Washington, DC, to be with her family and friends. There, Sophie is drawn deeper into Nick's shadowy world. While photographing an exhibit of two never-before-seen Fabergé imperial eggs at the National Gallery of Art, Sophie is confronted by a Russian oil tycoon, implicating her husband in an international energy scheme. On the run from Nick's enemies, Sophie plays a high-stakes game of Russian roulette as she tries to determine friend from foe and prove her husband's innocence. Weaving together political intrigue, art history, and international espionage, the fast-paced *Multiple Exposure* is the thrilling first novel of an exciting new series.

From bestselling author Gabor Maté, the essential resource for understanding the roots and behaviors of addiction—now with an added introduction by the author. Based on Gabor Maté's two decades of experience as a medical doctor and his groundbreaking work with the severely addicted on Vancouver's skid row, in *The Realm of Hungry Ghosts* radically reenvision this much misunderstood field by taking a holistic approach. Dr. Maté presents addiction not as a discrete phenomenon confined to an unfortunate or weak-willed few, but as a continuum that runs throughout (and perhaps underpins) our society: not a medical "condition" distinct from the lives it affects, rather the result of a complex interplay among personal history, emotional, and neurological development, brain chemistry, and the drugs (and behaviors) of addiction. Simplifying a wide array of brain and addiction research findings from around the globe, the book avoids glib self-help remedies, instead promoting a thorough and compassionate self-understanding as the first key to healing and wellness. In *The Realm of Hungry Ghosts* argues persuasively against contemporary health, social, and criminal justice policies toward addiction and those impacted by it. The mix of personal stories—including the author's candid discussion of his own "high-status" addictive tendencies—and science with positive solutions makes the book equally useful for lay readers and professionals.

Bestselling children's book, from award-winning author-illustrator Guido Van Genechten, is now a BOARD BOOK! Perfect for Halloween storytime or any other time! "A little ghost unapologetically makes the most of being different. Different never looked so appealing." - Kirkus Reviews "A sweet story about outsider friendship that is just slightly scary in places. It's hard not to be charmed by van Genechten's smiley, rosy-cheeked ghosts, who could give Casper a run for his money in the cuteness department" - Publisher's Weekly Ghost Gilbert is a very special ghost, ever since he was little. When he goes to Ghost school, he quickly makes a lot of new friends. Gilbert always cheerfully takes part in everything. But when the Principal wants him to call "Boooooooh" just like a real ghost, all Gilbert can do is whisper a soft "Bahoo". Will Gilbert ever become a real ghost? A warm picture book about a different and special ghost, about fitting in and being true to yourself.

A mix of mystery and history, *Gourmet Ghosts* is a unique guide to more than 40 haunted bars and restaurants in Los Angeles. Including new and previously-unpublished stories, photographs and eyewitness accounts, this book also digs into the newspaper archives to find out if there's any truth to the tales - and offers tips on the best food, drink and Happy Hours. From Downtown to Hollywood and from West Hollywood to the Westside, you can find out which booth to choose if you want to dine with a ghost, read about "The Night Watchman" at the Spring Arts Tower, walk in the steps of "Glover's Ghost" at Yamashiro or examine the strange pictures from the Queen Mary and the Mandrake Bar. Your table is ready!

Ben's efforts to win a local photography contest are sabotaged by someone or something that keeps getting into the pictures and seems to be reaching out toward him.

"A majestic book." --Bessel van der Kolk, MD, author of *The Body Keeps the Score* A unique joint memoir by a U.S. Marine and a conflict photographer whose unlikely friendship helped both heal their war-wounded bodies and souls "The dueling-piano spirit of *SHOOTING GHOSTS* works because its authors are so committed to transparency, admitting readers into the dark crevices of their isolation." Wall St Journal War tears people

Where To Download Ghost Image

apart, but it can also bring them together. Through the unpredictability of war and its aftermath, a decorated Marine sergeant and a world-trotting war photographer became friends, their bond forged as they patrolled together through the dusty alleyways of Helmand province and camped side by side in the desert. It deepened after Sergeant T. J. Brennan was injured during a Taliban ambush, and both returned home. Brennan began to suffer from the effects of his injury and from the fallout of his tours in Iraq and Afghanistan. But war correspondents experience similar rates of posttraumatic stress as combat veterans. The causes can be different, but guilt plays a prominent role in both. For Brennan, it's the things he's done, or didn't do, that haunt him. Finbarr O'Reilly's conscience is nagged by the task of photographing people at their most vulnerable while being able to do little to help, and his survival guilt as colleagues die on the job. Their friendship offered them both a shot at redemption. As we enter the fifteenth year of continuous war, it is increasingly urgent not just to document the experiences of the battlefield but also to probe the reverberations that last long after combatants and civilians have returned home, and to understand the many faces trauma takes. *Shooting Ghosts* looks at the horrors of war directly, but then turns to a journey that draws on our growing understanding of what recovery takes. Their story, told in alternating first-person narratives, is about the things they saw and did, the ways they have been affected, and how they have navigated the psychological aftershocks of war and wrestled with reforming their own identities and moral centers. While war never really ends for those who've lived through it, this book charts the ways two survivors have found to calm the ghosts and reclaim a measure of peace.

From the author of *Multiple Exposure*, the second "intriguing...compelling" (Publishers Weekly) novel in the thrilling Sophie Medina mystery series that features a photojournalist as she races to find an international treasure before a murderer finds her. When freelance photojournalist Sophie Medina finds Brother Kevin Boyle, a Franciscan friar and controversial environmentalist, dead in the magnificent gardens of a Washington, DC monastery, she is sure her friend was murdered. A tale of greed and betrayal involving politicians, diplomats, European royalty, and a century-old monastery, *Ghost Image* is filled with political intrigue, history, and an international high-stakes race against a killer that will keep you guessing until the very last page.

Lisa is sure she has seen a ghost in her mother's bedroom mirror, but who can she tell? Her grandparents are oddly secretive about ghosts and the past, her mother seems distant since her recent marriage, and Lisa definitely can't confide in her new stepsister and stepbrother - she loathes them! As Lisa explores further she unravels some truths about her family's history and begins to look at herself and those closest to her in a new light.

Following an unpleasant encounter with a gang of extortioners, the narrator of this novel leaves for a holiday with an acquaintance, Vincent, whose ambiguous and menacing presence becomes increasingly oppressive. A story of homosexuality by the author of *Mes Parents* and *Mauve le Vierge*.

Book Excerpt: The Larvæ were regular characters in the Atellane farces at Rome, where they performed various "dances macabres." Can these possibly be the prototypes of the Dances of Death so popular in the Middle Ages? We find something very similar on the well-known silver cups discovered at Bosco Reale, though Death itself does not seem to have been represented in this way. Some of the designs in the medieval series would certainly have appealed to the average bourgeois Roman of the Trimalchio type--e.g., "Les Trois Vifs et les Trois Morts," the three men riding gaily out hunting and meeting their own skeletons. Such crude contrasts are just what one would expect to find at Pompeii. Lemures and Larvæ are often confused, but Lemures is the regular word for the dead not at rest--the "Lemuri," or spirits of the churchyard, of some parts of modern Italy. They were evil spirits, propitiated in early days with blood. Hence the first gladiatorial games were given in connection with funerals. Both in Greece and in Rome there were special festivals for appeasing these restless spirits. Originally

Layla is a ghost and ghosts are supposed to be scary. They're supposed to haunt castles and shout BOOO! But Layla would much rather play with her friends. When Halloween approaches, she needs to decide whether she's going to be a proper ghost or if there's another way. One that doesn't involve being scary. A picture book about a little ghost trying to figure out what's right, a great read not just for Halloween. Also available as paperback, hardcover and audiobook. In the same series: *The Little Ghost Who Didn't Want to Be Mean* Keywords: children's books, books for children, picture book, children's book about Halloween, books about ghosts, illustrated children's book, bedtime story, children's story books, halloween books, books about self-confidence for children, ghost, cat, bat, owl, friendship, kids books.

The culmination of Brad Steiger's 50 years of paranormal research, this book is a bold telling of true ghost stories and firstperson encounters with the supernatural. Arranged topically, it covers every sort of ghost and haunting: poltergeists, shadow beings, and phantoms alongside haunted apartments, hotels, and trains. From ghosts that still haunt Ohio's State Reformatory, otherwise known as Shawshank, to Abe Lincoln's regular consultation with mediums, this compendium delves into the true scary stories from both historical documents and personal accounts. In its 30 chapters, spirits represented include the good ("Ghosts that Saved Lives"), the bad ("Invisible Home Wreckers"), and the ugly ("Demoniac Spirits That Whisper Commands to Kill"). The book goes on to unearth the ghostly goings-on and macabre manifestations at haunted places such as museums, churches, graveyards, restaurants, and sacred sites while also instructing how to perform a cleansing ritual to rid a home of unwanted spectral visitors. This second edition is updated to include new stories and compelling evidence of both the existence of ghosts and proof of hauntings that will entertain, induce chills, and make the doubtful believe.

Ghost Image is made up of sixty-three short essays—meditations, memories, fantasies, and stories bordering on prose poems—and not a single image. Hervé Guibert's brief, literary rumination on photography was written in response to Roland Barthes's *Camera Lucida*, but its deeply personal contents go far beyond that canonical text. Some essays talk of Guibert's parents and friends, some describe old family photographs and films, and spinning through them all are reflections on remembrance, narcissism, seduction, deception, death, and the phantom images that have been missed. Both a memoir and an exploration of the artistic process, *Ghost Image* not only reveals Guibert's particular experience as a gay artist captivated by the transience and physicality of his media and his life, but also his thoughts on the more technical aspects of his vocation. In one essay, Guibert searches through a cardboard box of family portraits for clues—answers, or even questions—about the lives of his parents and more distant relatives. Rifling through vacation snapshots and the autographed images of long-forgotten film stars, Guibert muses, "I don't even recognize the faces, except occasionally that of an aunt or great-aunt, or the thin, fair face of my mother as a young girl." In other essays, he explains how he composes his photographs, and how—in writing—he seeks to escape and correct the inherent limits of his technique, to preserve those images lost to his technical failings as a photographer. With strains of Jean Genet and recurring themes that speak to the work of contemporary artists across a range of media, Guibert's *Ghost Image* is a beautifully written, melancholic ode to existence and art forms both fleeting and powerful—a unique memoir at the nexus of family, memory, desire, and photography.

"A fascinating and frightening book" (*Los Angeles Times*)—the bestselling true story about a house possessed by evil spirits, haunted by psychic phenomena almost too terrible to describe. In December 1975, the Lutz family moved into their new home on suburban Long Island. George and Kathleen Lutz knew that, one year earlier, Ronald DeFeo had murdered his parents, brothers, and sisters in the house, but the property—complete with boathouse and swimming pool—and the price had been too good to pass up. Twenty-eight days later, the entire Lutz family fled in terror. This is the spellbinding, shocking true story that gripped the nation about an American dream that turned into a nightmare beyond imagining—"this book will scare the hell out of you" (*Kansas City Star*).
