*Minerva Clark Gives Up the Ghost* The incredible, inspiring, and heartbreaking story of a phenomenal long-distance runner's race against insurmountable odds and his own demons. John Tarrant was one of the best runners the world has ever seen. With a strange, loping gate and a nearly fanatical determination, he dominated the field and crushed ultra-long distance records for 40 and 100 miles. As a teenage boxer in the 1950s, Tarrant received £17 payment for a match, a pittance that would haunt him for the rest of his life by compromising his amateur athlete status. He would spend his career fighting the rule that banned him from competing, gatecrashing races, and running without a number. Dubbed "the Ghost Runner," he would again and again defy the odds, making history without officially being recognized for his achievements. This is the captivating story of his lifelong struggle for victory, acceptance, and justice, from his difficult start as a poor child in WWII England to his fight to legitimize interracial races in Apartheid South Africa. Based on accounts from

Thoroughly entertaining." –Kirkus Reviews "[A] fast-paced trilogy...The Ghost Runner perfectly captures its setting while adding in engaging characters and a dose of the supernatural." –Ashland Daily Tidings Introducing Book Two in the Lithia Trilogy... In The Ghost Runner, Kat is still in Lithia, trying not to see Roman's face everywhere she looks. It's not easy, but she tries to move on: She starts taking classes at the local college, keeps up with her job at the running store, and is beginning a relationship with Alex. Yet Kat's past is never far behind, and as old ghosts begin to catch up with her, she finds herself fighting to defend the things she believes in, from the hope of a new family to the deeply wooded forests that she has begun to call home. As her relationship with Alex begins to crumble, a new secret from her past emerges, and she is once again torn between those she loves as she struggles to reconcile her dark past with her hopes for a brighter future. The Ghost Runner, continuing Kat's adventures in Out of Breath, brings us further into the mysterious town of Lithia, where the old traditions of logging and gold mining—and the new traditions of development—collide with conservation. Meanwhile, the spirits of the town keep watch over everything—and occasionally find it necessary to intervene... The Lithia Trilogy, which blends adventure and the paranormal with environmental awareness and Shakespeare, offers an exciting new series in young adult fiction.*

*Ghost Stories and Legends of Eastern Connecticut An unflinching memoir from a writer reckoning with his relationship with his troubled father and the complicated legacy that each generation hands down to the next "Justin Taylor's relentless, peripatetic, and tender search for reconciliation with his late troubled father blooms into a full-throated song of joy about his own life lived through music, teaching, travel, and literature."--Lauren Groff, author of Florida NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS When Justin Taylor was thirty, his father, Larry, drove to the top of the Nashville airport parking garage to take his own life. Thanks to the intervention of family members, he was not successful, but the incident forever transformed how Taylor thinks of his father, and how he thinks of himself as a son. Moving back and forth in time from that day, Riding with the Ghost captures the past's power to shape, strengthen, and distort our visions of ourselves and one another. We see Larry as the middle child in a chilly Long Island family; as a beloved Little League coach who listens to kids with patience and curiosity; as an unemployed father struggling to keep his marriage together while battling long-term illness and depression. At the same time, Taylor explores how the work of confronting a family member's story forces a reckoning with your own. We see Taylor as a teacher, modeling himself after his dad's best qualities; as a caregiver, attempting to provide his father with emotional and financial support, but not always succeeding; as a new husband, with a dawning awareness of his own depressive tendencies. With raw intimacy, Riding with the Ghost lays bare the joys and burdens of loving a troubled family member. It's a memoir about fathers and sons, teachers and students, faith and illness, and the pieces of our loved ones that we carry with us always.*
