(Computerworld.com), twice-monthly publication, focused conference series and custom research form the hub of the world's largest global network. Hotel Management and Operations, Fifth Edition provides a practical, up-to-date, and comprehensive approach to how professionals in the industry manage different departments within their operation. From the front office to finance, from marketing to housekeeping, this resource shows advanced theory played out in practical problems. Multidimensional case studies are a notable feature, with complex management problems from multiple viewpoints; "As I See It" and "Day in the Life" commentaries from new managers provide further real-world perspective. Covering the latest trends affecting the industry, this text gives students and professionals an up-to-date, dynamic learning resource. Includes an annual buyers guide in 1980-With over 180,000 copies in print, this is the resume resource for job seekers by Yana Parker, widely known and loved author of the book DAMN GOOD RESUME GUIDE (over 500,000 copies in print). Sample resumes-ready to be adapted and/or used for inspiration-cover all levels of experience and an extraordinarily wide range of careers, from the specific (biofeedback specialist, gas chromatography) to the general (fast-food masseur). Thoroughly indexed and cross-referenced, this is an easily used, dependable resource for anyone who needs to get that resume together and get the job of their dreams. For more than 20 years, Network World has been the premier provider of information, intelligence and insight to the network and IT executives responsible for the digital nervous systems of large organizations. Readers are responsible for designing, implementing and managing the voice, data and video systems their companies use to support everything from business critical applications to employee collaboration and electronic commerce. Contains eleven essays on employment trends, lists of vocational counseling resources, and a master index of the set's volumes.
