Little Tuk had to learn his lesson for the next day but he was far too busy with other things and so he found himself with the sun already setting, while his family did not have enough money to keep the lanterns lit at night. Would he learn his lesson in time? Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. Celebrated for children's literature, his most cherished fairy tales include "The Emperor's New Clothes", "The Little Mermaid", "The Nightingale", "The Steadfast Tin Soldier", "The Snow Queen", "The Ugly Duckling" and "The Little Match Girl". His books have been translated into every living language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have been adapted to stage and screen countless times, most notably by Disney with the animated films "The Little Mermaid" in 1989 and "Frozen", which is loosely based on "The Snow Queen", in 2013. Thanks to Andersen's contribution to children's literature, his birth date, April 2, is celebrated as International Children's Book Day.

Enter the world of Septimus Heap, Wizard
Apprentice. Magyk is his destiny. When Silas Heap

unseals a forgotten room in the Palace, he releases the ghost of a Queen who lived five hundred years earlier. Queen Etheldredda is as awful in death as she was in life, and she's still up to no good. Her diabolical plan to give herself ever-lasting life requires Jenna's compliance, Septimus's disappearance, and the talents of her son, Marcellus Pye, a famous Alchemist and Physician. And if Queen Etheldredda's plot involves Jenna and Septimus, then Dark adventure awaits . . . With heart-stopping action and Magykal wit, Angie Sage continues the fantastical journey of Septimus Heap.

Only once in a lifetime does a war so brutal erupt. A war that becomes an official genocide, causes millions to run from their homes, compels the slaughtering of thousands in the most horrific of ways, and inspires terrorist attacks to transpire across the world. That is the chilling legacy of the ISIS onslaught, and Only Cry for the Living takes a profoundly personal, unprecedented dive into one of the most brutal terrorist organizations in the world. Journalist Hollie S. McKay offers a raw, on-the-ground journey chronicling the rise of ISIS in Iraq—exposing the group’s vast impact and how and why it sought to wage terror on civilians in a desperate attempt to create an antiquated “caliphate.”

From the bestselling author of I Didn't Do My Homework Because comes an irresistible meditation on the quest for connection. When an elephant falls in love, he does many foolish things. He hides when the elephant-object of his affection is around. He writes dozens of letters that he will never send. And he tries to be healthy, but ends up finishing the cheesecake. This soulful book is at once relatable and revealing, a reminder that love is worth striving for, and that the very best things in life will come to those who wait. Plus, this is the fixed format version, which looks almost identical to the print edition.

Den fattige Elisabeth, plejebarn på de vestfrisiske øer i et præstehjem, får den dannelse, der naturligt lader hende indgå giftermål med baron Hermann, barnebarn af den gamle standsbevidste baronesse

What if God were a teenaged boy? In the beginning, Bob created the heavens and the earth and the beasts of the field and the creatures of the sea, and twenty-five million other species (including lots of cute girls). But mostly he prefers eating junk food and leaving his dirty clothes in a heap at the side of his bed. Every time he falls in love, Earth erupts in natural disasters, and it's usually Bob's beleaguered assistant, Mr. B., who is left cleaning up the mess. So humankind is going to be very sorry indeed that Bob ever ran into a beautiful, completely irresistible girl called Lucy . . .

In a townhouse in Copenhagen works Hans Christian Andersen, a teller of exquisite and fantastic children's tales beloved by millions. But the true source of his stories dwells in his attic upstairs, her

existence a dark secret kept from the outside world. Dangerous, twisted and funny, Martin McDonagh's new play travels deep into the abysses of the imagination. A Very Very Dark Matter premiered at the Bridge Theatre, London, in October 2018.

The higher the climb, the further the fall . . . For Reed Brennan, being elected president of the exclusive Billings Hall has changed her life. But she didn't count on being dumped by her boyfriend, Josh, or being held responsible for a fire that destroyed Easton Academy's oldest building. Now the administration wants to shut Billings down. Forever. Reed needs to come up with a plan . . . and fast! But with the police asking questions about Cheyenne Martin's death, Reed is rapidly becoming public enemy number one. Someone wants to see Billings, and Reed, go down. And they'll do anything to make it happen...

Giorgio Bassani is an Italian-Jewish writer from Ferrara, famous largely for 'The Garden of the Finzi-Contini', 'The Golden-Rimmed Eye Glasses' and other novels, brought together in 'Il Romanzo di Ferrara' (1980). In this monumental work, Bassani describes the life of the Italian Jews under Fascism. Bassani may be seen as not just a fictional writer, but as a witness of persecution of Jews under Fascism; his 'Romance' is not so much a novel but a multifaceted document on Jewish life in the peninsular. This volume takes into account a close reading of Bassani, literary theories on witnessing the Shoa, and the historical debate on Italian discriminatory politics. The book is thus both literary criticism and an
