Jo Pratt is on a mission to free the world of Supermarket Zombies! What is a Supermarket Zombie, you ask? It is a person who walks the aisles of a supermarket and puts the same thing in her basket every week. To combat Supermarket Zombies, Jo Pratt (author of The Madhouse Cookbook) has designed an ingenious system comprised of healthful recipes that are easy to make and have every-day ingredients. Break out of your routine and start thinking like a human when you head to the grocery store.

In *Comfortable Entertaining*, Nathalie Dupree has written the book that gives us permission-at long last-to entertain in a less-than-perfect world. A much-loved cookbook and television personality, Dupree has thrown parties on rooftops and in tiny apartments, planned galas for hundreds, and put on last-minute get-togethers. *Comfortable Entertaining* is the book that shows us how to do what Dupree does best-create spontaneous hospitality and great food. This full-range cookbook and entertaining guide features twenty-six full menus, from holiday classics to an eye-popping formal dinner party for eight, from soup parties and brunches to more casual meals and salad lunches. Dupree displays colorful and attractive napkin and tablecloth arrangements, explains how to seat feuding guests, and tells us what to do when dinner burns to a crisp minutes before the guests arrive (order out!). Illustrated throughout with color photographs and packed with 250 life-is-not-perfect recipes, *Comfortable Entertaining* is as friendly, inspiring, and down-to-earth as a cookbook can get.

New York Times bestselling author Lemony Snicket sheds light on the way bad moods come and go. Once there was a bad mood and a stick. The stick appeared when a tree dropped it. Where did the bad mood come from? Who picked up the stick? And where is the bad mood off to now? You never know what is going to happen.

Forget the perfectly pressed linen. Forget the name cards at every guest's place. Forget the full bar, the four-course meal, and all the fussy little details that supposedly make parties divine. Who has the house, the money, or the time to throw that kind of party, anyway? In *Real Life Entertaining*, Jennifer Rubell offers break-the-rules entertaining ideas and quick, easy, stylish recipes for last-minute drop-in dinners, sit-down meals, brunches, buffets, and one-pot meals. Conventional wisdom says it's rude to invite someone to dinner on the same day. Jennifer's real life wisdom says it's never rude to invite guests to your home. The worst that will happen is that they'll be busy and say no. Conventional wisdom says never serve the same meal that you offered guests the last time. Jennifer says if you've got a signature dish, flaunt it! Jennifer incorporates her relaxed, lively style into a variety of festive themes, from an evening of red wine and bruschetta, to a New York-style brunch, to a one-pot meal of the easiest -- and tastiest! -- meatballs you'll ever make. The recipes are simple and the ingredients lists are short, so you can whip up party-friendly fare such as Thai Chicken Wings, Sesame-Mint Pita Chips, and Grilled Shrimp with Garlic and Citrus in mere minutes. With Jennifer's expert party tricks, plus full-color photographs throughout, *Real Life Entertaining* is the ultimate go-to party guide. Jennifer will show you how to get your guests to pitch in and how to make sure that you have as much fun as the people you've invited. Never again will you panic at the prospect of a party.

## Soiree

The queen of vegetarian hip is back! Convinced that entertaining doesn't have to be high-stress or high-maintenance, Didi Emmons presents an alternative view: the best parties aren't meticulously planned. Crammed with innovative ideas for delightfully informal gatherings and hundreds of globally inspired, big-flavored vegetarian recipes, Entertaining for a Veggie Planet proves that having friends over — whether for the season finale of a favorite TV show or for a book group discussion — is not only easy, it's fun. From dips and cold bites (Malaysian Spring Rolls) to main dishes (Shiitake Mac 'n' Cheese), from brunch (Cardamon Blueberry Cake) to “sweet eats” (Oreo Key Lime Pie), Emmons's dishes offer endless possibilities for vegetarians, vegans, and anyone else in search of a satisfying meal. Her creative menus (“Vegetarian Solutions to Turkey Day”) and her spirit of fun (“if you're serving only one food, make it homemade ice cream”) will put all cooks in the mood to share.

## Entertaining Disasters

Claudia Taittinger, of the famed Taittinger Champagne family, shares her secrets for hosting successful dinner parties with sophistication and style, including tried-and-true recipes sure to delight even the most discerning guest. Having played host to high society from Paris to New York and learned the art of cooking and presentation from some of France's most celebrated chefs at the Hôtel de Crillon in Paris, Claudia Taittinger is a consummate entertainer and bon vivant--who can really cook. Elegance, refinement, and graciousness color every detail of every delightful and delicious occasion. Drawing on traditional rules of French savoir faire, Taittinger guides readers to hosting unforgettable events. Starting with the type of occasion--from sophisticated formal parties to holiday gatherings and intimate dinners--and using exquisite photography, she illustrates how to tailor the table and create the appropriate mood and ambience. Each event is paired with mouthwatering recipes, from a classic Eggplant Terrine and always comforting Salmon Coulbiac to a delicious Duck Breast with Roasted Figs and Wild Mushrooms. Taittinger deftly combines colors, finishes, textures, and

## [The Bad Mood and the Stick](#)

The Happiness Project meets So Sad Today in this "hilariously witty, unflinchingly honest" book from Words of Women founder Lauren Martin, as she contemplates the nature of negative emotions -- and the insights that helped her to take control of her life (Bobbi Brown). Five years ago, Lauren Martin was sure something was wrong with her. She had a good job in New York, an apartment in Brooklyn, a boyfriend, yet every day she wrestled with feelings of inferiority, anxiety and irritability. It wasn't until a chance encounter with a (charming, successful) stranger who revealed that she also felt these things, that Lauren set out to better understand the hold that these moods had on her, how she could change them, and began to blog about the wisdom she uncovered. It quickly exploded into an international online community of women who felt like she did: lost, depressed, moody, and desirous of change. Inspired by her audience to press even deeper, The Book of Moodshares Lauren's journey to infuse her life with a sense of peace and stability. With observations that will resonate and inspire, she dives into the universal triggers every woman faces -- whether it's a comment from your mother, the relentless grind at your job, days when you wish the mirror had a Valencia filter, or all of the above. Blending cutting-edge science, timeless philosophy, witty anecdotes and effective forms of self-care, Martin has written a powerful, intimate, and incredibly relatable chronicle of transformation, proving

In this survey of eighteenth- and nineteenth-century American drama, Tice L. Miller examines American plays written before a canon was established in American dramatic literature and provides analyses central to the culture that produced them. Entertaining the Nation: American Drama in the Eighteenth and Nineteenth

# Read Free In The Mood For Entertaining Food For Every Occasion

Centuries evaluates plays in the early years of the republic, reveals shifts in taste from the classical to the contemporary in the 1840s and 1850s, and considers the increasing influence of realism at the end of the nineteenth century. Miller explores the relationship between American drama and societal issues during this period. While never completely shedding its English roots, says Miller, the American drama addressed issues important on this side of the Atlantic such as egalitarianism, republicanism, immigration, slavery, the West, Wall Street, and the Civil War. In considering the theme of egalitarianism, the volume notes Alexis de Tocqueville's observation in 1831 that equality was more important to Americans than liberty. Also addressed is the Yankee character, which became a staple in American comedy for much of the nineteenth century. Miller analyzes several English plays and notes how David Garrick's reforms in London were carried over to the colonies. Garrick faced an increasingly middle-class public, offers Miller, and had to make adjustments to plays and to his repertory to draw an audience. The volume also looks at the shift in drama that paralleled the one in political power from the aristocrats who founded the nation to Jacksonian democrats. Miller traces how the proliferation of newspapers developed a demand for plays that reflected contemporary society and details how playwrights scrambled to put those symbols of the outside world on stage to appeal to the public. Steamships and trains, slavery and adaptations of Uncle Tom's Cabin, and French influences are presented as popular subjects during that time. Entertaining the Nation effectively outlines the civilizing force of drama in the establishment and development of the nation, ameliorating differences among the various theatergoing classes, and provides a microcosm of the changes on and off the stage in America during these two centuries.

The themes, floral choices, festive table displays, recipes for cocktails and dishes, and much more show you how to wow guests with unexpected touches." --

### [Nathalie Dupree's Comfortable Entertaining](#)

Style icon India Hicks's charming take on entertaining, featuring dreamy tablescapes, found centerpieces, and enjoyable family anecdotes. Daughter of the late David Hicks and goddaughter to Prince Charles, India Hicks is known for her irreverent take on style. In her previous books, she invited readers into her homes on Harbour Island and in England. For her third book, India presents her own slightly madcap spin on entertaining. Organized by meal, the book begins marvelously with the most important meal of the day--cocktail hour--and ends with breakfast. In between, there are family suppers and big dinners, birthday cakes and Christmas crackers, great British breakfasts, quick teas and long lunches, mustard pots as vases, and bedcovers for tablecloths. Like India, these stories are full of personality, from the Panic Dinner (or what to do when you suddenly have a crowd descending) to the Naked Cake (cake decorating for the harried or untalented) to a White Christmas in the Bahamas. Each celebration includes clever advice and inspiration for place settings, homemade flower arrangements, table design, and more. These are parties that make use of what is on hand, whether it's beach towels thrown down a long table, children's candy piled in cups on a tray, or massing palm fronds collected from the lawn. Beautifully photographed and embellished here and there with a bit of Hicks family lore, the book is rounded out with a sprinkling of recipes from India's beloved cook, Claire Williams,

“This zany novel will make you appreciate your own fallen soufflés that much more.” —Redbook The writer known only as FW lives high on the food chain in the heady realm of L.A.s culinary journalism scene. She waxes poetic about her hip home gatherings, thinly veiling the identities of her Hollywood guest list. At least, it seems that way to her readers. In reality, FW’s been inventing the dinner parties she writes about because social paralysis sets in at the very thought of a real guest in her fabulous—or is it shabby?—hillside home. Enter the glossy food magazine editor, new in town, who wants an invitation to one of her bashes, and the panic-stricken journey from fantasy to reality is on . . . Entertaining Disasters—at turns whimsical and deeply affecting—chronicles the struggle FW faces in the week before she hosts her first real dinner party in ages. At the same time, her estranged sister threatens to drop by, her husband takes off, and even more disaster looms, in this “funny, satirical novel” (Booklist) that “offers sharp, startling observations in a unique and very human voice” (Elle).
