time for reflection and self-examination before and while you ' re writing your personal statement and/or addenda. • Avoid using language that you think sounds sophisticated. You should be clear and concise, not verbose (i.e. flowery or pompous). • Avoid clichés or overly common phrases. The cure for clichés is to DELETE them.

Feb 08, 2018 · The Model View Controller (MVC) design pattern specifies that an application consist of a data model, presentation information, and control information. The pattern requires that each of these be separated into different objects. MVC is more of an architectural pattern, but not for complete application.
