The last six months in the year of our Lord, 2345 have been good to Jericho. In that time he restored peace in Flagstaff and Anchorage, stopped almost all war efforts by three different factions in North America, saved over twenty-thousand people, unified the Rogues and Rebels and also landed a hot girlfriend with blue hair. Armed with his newly discovered abilities, Jericho Johnson has been diligently following his Crusade, the predetermined path set before all who bear the title of Paladin and also the very quest to save the entire planet. So, no big deal. But his seemingly linear Crusade hits a snag when a being more powerful than the Paladin makes an appearance, halting Jericho's progress with grave ramifications. When the wheels on his Crusade grind to a halt and the preordained continuity laid out for him is threatened, Jericho and his gang of fellow freedom fighters composed from a few different eras must band together to face the unknown enemy in the oncoming battle for the frozen world.

The Bible is the most widely read book in the world. It brings guidance and comfort to those who read it. A great many people believe in every word of the Bible. Yet, there are modern scholars who have dismissed parts of the Bible as a myth or simply a moral tale. They believe that the violent conquest of Canaan never happened, though it is described so vividly in the Book of Joshua and the following Books of the Bible. That the tribes of Israel settled peacefully in Canaan. They cannot reconcile a violent conquest with the date at which they believe that the Israelites entered the Promised Land. And so, they have dismissed parts of the Bible as being mere myth because it is inconvenient. I believe they have lost their way in interpreting the Bible. I have searched through the archaeological record and matched what I have found with the events described in the Bible. My book puts forward a plausible theory of how this pivotal battle unfolded. See if you agree with me. The Battle of Jericho, truth or myth.

When a rivalry between a white rancher and a Mexican cattle baron escalates to deadly levels, young Texas Ranger Andy Pickard teams up with former Confederate soldier Farley Brackett to prevent a violent showdown.

This novel is about a woman trapped behind her self-imposed "Walls of Jericho." With her fears to expose the truth, continuing to conceal a deception so as to protect her family's name and her loathing of the masquerade called her marriage, she falls prey to the devil's will and is destined to live a life of dread and anxiety. That is until a modern-day Joshua reappears and, through his strength, love, faith, and patience, brings her into the light. Jericho is a faith-inspired novel that is based on a true story of what should have been, and as my friend John Wilson puts it, "Jericho is a great read that inspires you, and forces you to turn the page and makes you want to stand up and cheer!"

"Peter Jericho has spent most of his adult life living for God and serving his country as one of the few and the proud Marines. When his once solid marriage suddenly takes a turn for the worse, his wife, Jan, takes their daughter and moves in with her mother in Shelton Heights, Georgia, a community some believe is cursed. Peter loves the Lord, but when his calamity increases, will his faith decrease? As his latest tour of duty in Iraq nears an end, he is eager to say goodbye to military life and focus on reclaiming the family he loves so dearly. But his plans are abruptly interrupted when Peter finds himself a captured prisoner of war. Survival doesn't seem likely for Master Sergeant Peter Kyle Jericho, and he finds himself in the battle of a lifetime. How his life spiraled to this point, Peter can't comprehend. All he knows is that all was well until that day in September when his wife decided to pay her mother a visit. Are all of the peculiar misfortunes that led to the breakup of his family and his capture in Iraq just happenstance, or has the legend of Shelton Heights caught up with yet another unsuspecting family?"--P. [4] of cover.

In the midst of the American Civil War, Rita Goldstein, a beautiful, young cornetist, is abandoned in Cairo, Illinois by her faithless fiancé Butch Lassiter, but she is a fierce and determined young woman who is not easily rejected and not easily discouraged. She sets out at once to bring him back and follows The Army of the Cumberland across Tennessee to find him. She is pursued by her heart-broken father, Ira, who wants to bring her home again. On their separate journeys, Ira and Rita are caught up in the hatred and destructiveness of two huge armies, one from the North and one from the South. However, both Ira and Rita find consolation in the power of music.

Courier to the Colonies Becomes Hot Lover and Cold Killer in Seaswept Abandon, by Jo Goodman 1781 London, England and the Colonies of Virginia and New York When the alluring green-eyed Rae McClellan agreed to be a courier for the Colonies, she never dreamed that on her very first mission she'd coldly kill one man—hotly love another—and land on the private schooner of a British sympathizer. Jericho Smith never lacks for a willing woman, but when his gaze locks with Rae's, he knows no other will satisfy him this night. He's also mistaken his contact for a wench, igniting a mutual passion that's about to prove costly for them both. PUBLISHER'S NOTE: For fans of Jo Goodman we bring you one of her earliest books freshly edited by Jo Goodman herself for today's readers. Enjoy! With To the North Anna River, the third book in his outstanding five-book series, Gordon C. Rhea continues his spectacular narrative of the initial campaign between Ulysses S. Grant and Robert E. Lee in the spring of 1864. May 13 through 25, a phase oddly ignored by historians, was critical in the clash between the Army of the Potomac and the Army of Northern Virginia. During those thirteen days -- an interlude bracketed by horrific battles that riveted the public's attention -- a game of guile and endurance between Grant and Lee escalated to a suspenseful draw on Virginia's North Anna River. From the bloodstained fields of the Mule Shoe to the North Anna River, with Meadow Bridge, Myers Hill, Harris Farm, Jericho Mills, Ox Ford, and Doswell Farm in between, grueling night marches, desperate attacks, and thundering cavalry charges became the norm for both Grant's and Lee's men. But the real story of May 13--25 lay in the two generals' efforts to outfox each other, and Rhea charts their every step and misstep. Realizing that his bludgeoning tactics at the Bloody Angle were ineffective, Grant resorted to a fast-paced assault on Lee's vulnerable points. Lee, outnumbered two to one, abandoned the offensive and concentrated on anticipating Grant's maneuvers and shifting quickly enough to repel them. It was an amazingly equal match of wits that produced a gripping, high-stakes bout of warfare -- a test, ultimately, of improvisation for Lee and of perseverance for Grant.

Jeanne is now in her eighth year of school, and never has the world seemed more strange. Her little town grows greyer and greyer, and every day the radio tells news of a war just far enough away, it doesn't matter to her. Yet. What does matter are immediate things: her friends, her family, and a magical guardian named Jericho who visits while she sleeps. Jericho's love for her seems so perfect as to be impossible. But when Jericho disappears for weeks at a time, Jeanne isn't sure she can continue to believe her guardian is real any longer. As Jeanne's relationship with Jericho deepens, can she continue to believe in her guardian? Can Jericho's love protect her in the midst of impending war? Or does Jericho even exist at all?

An unorthodox biography of a place--the legendary, mythical Jericho--combines lyricism with archaeological evidence to depict the site of ancient cultures fought over by Natufians and troglodytes, Canaanites and Judeans, Christians, Muslims, and Jews. 20,000 first printing. \$20,000 ad/promo.

This fierce fable of childbirth by German Surrealist Unica Zorn was written after she had already given birth to two children and undergone the self-induced abortion of another in Berlin in the 1950s. Beginning in the relatively straightforward, if disturbing, narrative of a young woman in a tower (with a bat in her hair and ravens for company) engaged in a psychic war with the parasitic son in her belly, The Trumpets of Jericho dissolves into a beautiful nightmare of hypnotic obsession and mythical language, stitched together with anagrams and private ruminations. Arguably Zorn's most extreme experiment in prose, and never before translated into English, this novella dramatizes the frontiers of the body--its defensive walls as well as its cavities and thresholds--animating a harrowing and painfully, twistedly honest depiction of motherhood as a breakdown in the distinction between self and other, transposed into the language of darkest fairy tales. Unica Zorn (1916-70) was born in Grönewald, Germany. Toward the end of World War II, she discovered the realities of the Nazi concentration camps--a revelation which was to haunt and unsettle her for the rest of her life. After meeting Hans Bellmer in 1953, she followed him to Paris, where she became acquainted with the Surrealists and developed the body of drawings and writings for which she is best remembered: a series of anagram poems, hallucinatory accounts and literary enactments of the mental breakdowns from which she would suffer until her suicide in 1970.

Jericho's War is a relentlessly powerful novel of our times from 'the best thriller writer in the world' (Daily Telegraph) In a moment of nerve-shredding suspense that will affect many thousands of lives, a handful of men and women converge on a barren stretch of Yemeni desert. The mission is to take down a high-value player in the war against Al-Qaeda. It is the brainchild of an old, fat fool called Jericho. In his striped cricket blazer, never without a G-and-T, he is a sweating figure of fun among the ex-pats across the border in Muscat. Yet perhaps he is not quite as old, or foolish, or even fat as he appears. Nor as harmless Welcome to Jericho's War: its weaponry is state-of-the-art, its brutality as timeless as the desert.

Read PDF Jerichos War

Lucius has confronted God, been thrown into darkness and with him has taken nearly half of heaven's inhabitants, and in his wake has left Jericho bitter and confused. Jericho must pull himself out of his self-pity and put his trust in his Creator whether he understand Him or not. Join Jericho as he learns of love, loss, and worst of all: the fear that lies within himself.

Arch forces, led by a battle-weary Michael, find that they are outmatched by the hybrid threat Imperial as they must adhere to an archaic rule. Slave to an unbreakable rule, a warrior is commissioned. Not since Samson has a mortal been given such power. To end the abomination and to set the prophecy back on track, Jericho Bane is given the strength of a deity to put right the corruption that Lucien Arcane has set loose. From America to the Middle East, to the heavens itself and back, Jericho will learn love, sacrifice, betrayal, and loss while keeping the one rule of no sexual intercourse, lest he'll lose his power. Under the instruction and tutelage of the only female archangel, Gabriel, he will persevere toward the inevitable meeting with the Imperial, culminating in a final battle for existence itself. Jericho's journey will settle the question for all time, Did God lie?

Honored as a "Best Book of 2014" by Library Journal NPR.org writes: "In his second collection, *The New Testament*, Brown treats disease and love and lust between men, with a gentle touch, returning again and again to the stories of the Bible, which confirm or dispute his vision of real life. 'Every last word is contagious,' he writes, awake to all the implications of that phrase. There is plenty of guilt—survivor's guilt, sinner's guilt—and ever-present death, but also the joy of survival and sin. And not everyone has the chutzpah to rewrite *The Good Book*."—NPR.org "Erotic and grief-stricken, ministerial and playful, Brown offers his reader a journey unlike any other in contemporary poetry."—Rain Taxi "To read Jericho Brown's poems is to encounter devastating genius."—Claudia Rankine In the world of Jericho Brown's second book, disease runs through the body, violence runs through the neighborhood, memories run through the mind, trauma runs through generations. Almost eerily quiet in even the bluntest of poems, Brown gives us the ache of a throat that has yet to say the hardest thing—and the truth is coming on fast. Fairy Tale Say the shame I see inching like steam Along the streets will never seep Beneath the doors of this bedroom, And if it does, if we dare to breathe, Tell me that though the world ends us, Lover, it cannot end our love Of narrative. Don't you have a story For me?—like the one you tell With fingers over my lips to keep me From sighing when—before the queen Is kidnapped—the prince bows To the enemy, handing over the horn Of his favorite unicorn like those men Brought, bought, and whipped until They accepted their masters' names. Jericho Brown worked as the speechwriter for the mayor of New Orleans before earning his PhD in creative writing and literature from the University of Houston. His first book, *PLEASE (New Issues)*, won the American Book Award. He currently teaches at Emory University and lives in Atlanta, Georgia.

Jericho Faith is a guide to help you tackle a crisis with prayer and develop a plan of action. Anna uses the opening chapters of Joshua as a guide to get your heart in a place of great faith. It's not about your ability, talents or spirituality. It's faith in a God who brings walls crashing down. It's faith in a God who rescues ordinary people like Rahab the prostitute, from an enemy stronghold. It's faith in a God who promises to cross over ahead of us through our troubles. It's Jericho faith.

As his family makes the long and difficult journey from Tennessee to their new home in Texas in 1852, twelve-year-old Jericho Wetherby, teased by his sister and brothers about his size, learns there are many ways to grow.

This is a general-interest introduction to the Old Testament from many disciplines. There are 23 essays with 23 individual reference lists.

You Did Okay is fiction set into real history. The story was written in honor of the author's grandfather, Clarence Groner, and the author's mother, Edith Marie Groner Platt. The geography used in the books is similar to that of the community in where Clarence Groner and Edith Marie Groner Platt and T. F. Platt, and others of the Groner and Platt families, resided through much of their lives. In real life Clarence and Edith for a time lived on a road called and Clarence worked briefly in a paper mill nearby. The timeframe for the story is 1948 through 1952, and features characters in their teens. One of the fictional characters depicts the trial and times of author T. F. Platt and much of what happens to him in the story is real. Romance is both exciting and troublesome for the teens as they dive head on into high school life. Part time jobs help to support dating and work as the nation begins importation of foreign oil. youngsters also join their parents in coping with a young girl who is mysteriously, and repeatedly, maimed; working desperately to resolve her dilemma. The Korean War grimly awaits each young man as he emerges from formal school ready to partake adulthood. You Did Okay is the eighth of the Jericho Books by T. F. Platt. stories are intended for adults and young adults. The tales do not include explicit sex and they omit profanity.

The definitive history of the epic struggle for economic justice that became Martin Luther King Jr.'s last crusade. Memphis in 1968 was ruled by a paternalistic "plantation mentality" embodied in its good-old-boy mayor, Henry Loeb. Wretched conditions, abusive white supervisors, poor education, and low wages locked most black workers into poverty. Then two sanitation workers were chewed up like garbage in the back of a faulty truck, igniting a public employee strike that brought to a boil long-simmering issues of racial injustice. With novelistic drama and rich scholarly detail, Michael Honey brings to life the magnetic characters who clashed on the Memphis battlefield: stalwart black workers; fiery black ministers; volatile, young, black-power advocates; idealistic organizers and tough-talking unionists; the first black members of the Memphis city council; the white upper crust who sought to prevent change or conflagration; and, finally, the magisterial Martin Luther King Jr., undertaking a Poor People's Campaign at the crossroads of his life, vilified as a subversive, hounded by the FBI, and seeing in the working poor of Memphis his hopes for a better America.

When the young priestess Rahab saves two foreigners from execution, could she bring death to everyone she knows and loves? The battle for divine power rages within the Eternal Realm. As the conflict escalates a prophecy is born that will set god against god amidst the mortal world below. The future of humanity hangs in the balance as two bloodlines converge to battle over the city of Jericho. Can the priestess Rahab save her city and those she loves? Will the Goddess Asherah protect the prophecy and ensure both ancestral lines survive? If either bloodline dies, the Host of Heaven will continue to battle for eternity. The Jericho Prophecy is the first book in a now complete new series by Fiona Tarr. If you like strong characters, intricate plots and action, then you will love Fiona Tarr's contemporary take on this old biblical classic. "Fiona Tarr is a highly entertaining writer with exceptional storytelling skills." Eva Lancaster for Readers' Favorite "A truly wonderful read with the plot very skillfully woven throughout the book." Claire Simpson Finalist - 2018 - Author Academy and Readers' Favorite Awards

The stunning conclusion to Edward Whittemore's Jerusalem Quartet: The remarkable story of an Israeli agent who infiltrates Syrian intelligence, keying victory in the Six Day War Yossi is an ideal agent for the Mossad—an Iraqi Jew, an idealist, and a charming loner, fluent in Arab dialects. Tajar, a brilliant agent, recruits and manages Yossi, code-named "the Runner." Thus begins the longest-running and most successful operation in the history of Israeli intelligence. Yossi's cover is Halim, a Syrian businessman who has returned home from Buenos Aires and whose charm inspires high-level friendships. His reputation leads to an opportunity that he can't refuse: Tajar becomes a double agent infiltrating Syrian intelligence. Meanwhile, in the desert oasis of Jericho, Abu Musa, an Arab patriarch, and Moses the Ethiopian, meet each day over games of shesh-besh and glasses of Arak to ponder history and humanity. We learn about the friendship of Yossi's son, Assaf, an Israeli soldier badly wounded during the Six Day War, and Yousef, a young Arab teacher who, in support of the Palestinian cause, decides to live as an exile in the Judean wilderness. Jericho Mosaic is the final volume of the Jerusalem Quartet, which begins with Sinai Tapestry, Jerusalem Poker, and Nile Shadows. Steeped in the history and landscape of the Middle East, it is a story of idealism and dreams, hope and despair, and life's moments of breathtaking beauty.

Jake Green and Robert Hawkins have found safety in Texas and after they are contacted by John Smith, the man responsible for the first strike, they must decide if they can side with him as the Cheyenne army threatens to begin a civil war.

Oliver North follows his best-selling novel *Mission Compromised* with a suspenseful, action-packed sequel set in Israel and Iraq. Lt. Col. Peter Newman (USMC) and his family are threatened when his cover is blown. While preparing for a clandestine U.S. mission to find Iraqi nuclear weapons, Newman's wife Rachel is kidnapped in Jerusalem—along with her friend, the wife of an Israeli Sayeret counter-terrorism operative responsible for Israeli terrorist assassinations. Newman has to choose whether to go ahead with the mission or abandon it to find and rescue his wife. But Israel has discovered that Iraq has nukes and plans a preemptive attack on Baghdad with Jericho missiles. If that happens, and Islamic terrorists like Saddam and bin Laden respond in kind, it might trigger a Middle East war that could go global. It seems as if nothing can prevent an Armageddon.

It's sixty-five million years ago. In the wild treacherous landscape of ancient North America, dinosaurs and many other species struggle daily to survive. Each of these creatures have their own stories, and this collection of tales takes place before and during the events of Bladefoot. Preston the baby troodon, who learns fast to reach adulthood and follows in Bladefoot's footsteps. Axel the young dakotaraptor, who strives to earn his place in the pack. Flo the elasmosaurus, who must navigate an ocean filled with deadly predators. Tyler the mosasaurus, the blood-thirsty killer of the Pierre Seaway. Sky Rider the Quetzalcoatlus, the winged giant that masters the air. Rumble the triceratops, and his great ambitions to rule his own herd. Cutter the wounded troodon, who tries to find peace at a waterhole, but will receive anything but All these stories have climatic endings, although some individuals will be more fortunate than others.

Books 6 & 7 in Elmer Kelton's acclaimed Texas Rangers series, offered together at one low price *Jericho's Road* "This is Jericho's Road. Take the Other." When young Texas Ranger Andy Pickard is assigned to the Texas-Mexico border, he learns the meaning of this ominous notice on the edge of a great tract of land above the Rio Grande. Rancher Jericho Jackson is at war with a similarly ruthless cattle baron on the Mexican side of the river. The two men are rustling each other's cattle, raiding and killing on both sides of the border, and heading for a bloody showdown—with only Pickard and his fellow Texas Rangers standing between them. *Hard Trail* to Follow Former Texas Ranger Andy Pickard is following the plow in West Texas when he learns that his friend, Sheriff Tom Blessing, has been killed during a jailbreak led by a man called Cordell. Reinstated as a Ranger so he can get justice for Tom Blessing, Andy pursues Cordell even as evidence mounts that the escaped man did not kill Blessing. Pickard will see justice done no matter what it takes. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

This book is the fourth in a five-novel series *About Chancy Flint*, a young man who is suddenly forced to face adult responsibilities and dangerous situations at a very young age. By age twenty Chancy had already faced more danger than many men face in a lifetime. He grew up straight and strong, tempered by adversity, not

Read PDF Jerichos War

defeated by it. In this book Chancy travels to Colorado to find the woman he intends to marry. When she's not in Denver where she's supposed to be, he goes searching for her. He finds she suffers from amnesia and has been taken in by Jacob McCandless, a ruthless, dangerous man who refuses to let her leave. Chancy unexpectedly finds himself embroiled in a dangerous range war culminating in an all-out gun battle involving about twenty men in the street of the fictional Kansas town of Jericho.

From the bestselling author of *The Day of the Jackal*, international master of intrigue Frederick Forsyth, comes a thriller that brilliantly blends fact with fiction for one of this summer's—or any season's—most explosive reads! From the behind-the-scenes decision-making of the Allies to the secret meetings of Saddam Hussein's war cabinet, from the brave American fliers running their dangerous missions over Iraq to the heroic young spy planted deep in the heart of Baghdad, Forsyth's incomparable storytelling skill keeps the suspense at a breakneck pace. Somewhere in Baghdad is the mysterious "Jericho," the traitor who is willing—for a price—to reveal what is going on in the high councils of the Iraqi dictator. But Saddam's ultimate weapon has been kept secret even from his most trusted advisers, and the nightmare scenario that haunts General Schwarzkopf and his colleagues is suddenly imminent, unless somehow, the spy can locate that weapon—The Fist of God—in time. Peopled with vivid characters, brilliantly displaying Forsyth's incomparable, knowledge of intelligence operations and tradecraft, moving back and forth between Washington and London, Baghdad and Kuwait, desert vastnesses and city bazaars, this breathtaking novel is an utterly convincing story of what may actually have happened behind the headlines.

In this novel of clandestine warfare, two Arab-American Marines must infiltrate a terrorist training camp . . . Operation Jericho takes the reader into the world of clandestine warfare, focusing on two Arab-American brothers who face a formidable enemy in Afghanistan. Much like the story of Jericho in the book of Joshua, two spies are sent into a terrorist training camp to determine if there are any righteous people among the population. The brothers must escape only to return and destroy the village codenamed Jericho—in an attempt to strike a major blow against all enemies in the War on Terror.

A handful of men and women will converge on a barren stretch of Yemeni desert. Each of them will need spirit, courage and immense luck to survive the next 48 hours. Corrie Rankin is already a legend at MI6 when he is called back with little regard for the horrors of his recent past. Corrie is sent to take advantage of a chance to take down a high value player in the war against Al Qaeda - and, a chance for the Brits to succeed without begging help from the Americans. The sniper and his spotter who will go with Corrie are less than top team, but the best that can be found if the mission is to stay 'deniable'. And once the three misfits are in-country, they must rely on intelligence brought to them by a young British Jihadist - and now turned. And, close to him, is an archaeologist digging in the ruins of the Queen of Sheba' civilisation who will be their cut-out contact point.

An award-winning African-American historian and novelist takes the reader on an exciting journey from a segregated Philadelphia childhood in the 1930's to mid-century Paris, Moscow, Cambridge, and Manhattan.

WARRIORS ROCK! Sixteen-year-old Jericho is psyched when he and his cousin and best friend, Josh, are invited to pledge for the Warriors of Distinction, the oldest and most exclusive club in school. Just being a pledge wins him the attention of Arielle, one of the hottest girls in his class, whom he's been too shy even to talk to before now. But as the secret initiation rites grow increasingly humiliating and force Jericho to make painful choices, he starts to question whether membership in the Warriors of Distinction is worth it. How far will he have to go to wear the cool black silk Warriors jacket? How high a price will he have to pay to belong? The answers are devastating beyond Jericho's imagination.

A huge festschrift comprising 41 essays exploring mainly textual perspectives on Ancient Near Eastern and Jewish history and religious practice.

When Texas Ranger private Andy Pickard is assigned to help patrol the Texas-Mexico border country he rides directly into a deadly feud. At odds are two land and cattle barons - Jericho Jackson, whose great spread lies just north of the Rio Grande, and Guadalupe Chavez, whose domain lies south of the river. The men are alike in only one respect: their hatred for each other, a hate born at the time of the Alamo and the U.S.-Mexican War, when Mexican lands were confiscated by ruthless Americans. The old rivals have turned to preying on each others' cattle with resulting bloodshed on both sides of the river. Between the two camps, Big Jim McCawley's ranch seems almost symbolic of the opportunity for the people of the two nations to live together. McCawley is married to Guadalupe Chavez's sister, Juana - a fact that does not ingratiate him to either the Chavez or Jackson faction. To Andy Pickard, who as a child was taken captive by Comanches, old prejudices are familiar territory, but the Jackson-Chavez war is flaring out of control by the time he reaches the Ranger camp on the border in the company of fellow Ranger Farley Brackett. The two Rangers find themselves caught up in the feud, risking arrest for crossing the river into Mexico, and risking death for not heeding the warning sign at the edge of Jericho Jackson's domain: This is Jericho's Road. Take the Other. Inevitably, the cauldron boils over and the forces of Jericho Jackson and "Lupe" Chavez meet in bloody combat. In the midst of this battle on Mexican soil are Andy Pickard -- longing to court and marry Bethel Brackett and live a peaceful life as an ex-Ranger -- and Brackett himself, falling in love with Teresa, Big Jim McCawley's half-Mexican daughter. *Jericho's Road*, sixth book in Kelton's acclaimed Texas Ranger series, typifies "The right blend of action, drama, romance, humor and suspense" that Publishers Weekly said has made Kelton "a master of both plot and character development." At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
