The Crypt, Or Receptacle for Things Past, and West of England Magazine There was a preacher who once said, "In today's world, we need to keep a Bible in one hand and a newspaper in the other." In this particular book, the author's main source of information was the Word of God, as it had been in all of his other books; however, it was uncanny how it kept connecting with current events of 2012 and early 2013: from the summer Olympics to the fall presidential election, or the drought in the Midwest to the results of the Super Bowl. He also thought of a Bible reference with a similar thought: Jesus said, in Matthew 13:52 (NIV), "every teacher of the law who has been instructed about the kingdom of heaven is like the owner of a house who brings out of his storeroom new treasures as well as old." The truths in the Scriptures have stood the test of time for thousands of years, and the "old" still shines brightly in our modern and sophisticated world. But they have "new" applications that we need now as much as Moses and Elijah needed them back then. (Perhaps this was why those godly men appeared on the Mount of Transfiguration, to talk with Jesus about the importance of His mission of mercy here among us, that would fulfill all of their hopes and dreams.) Then, in the author's own life, experiences that he had and lessons that he learned forty years ago have a connection with breaking news stories of today.

These forty years: and other sketches and narratives In this novel by the three-time Christy Award-winning author of The Maid of Fairbourne Hall, a woman's startling secrets lead her into unexpected danger and romance in Regency England... One final cry... "God almighty, help us!" and suddenly her world shifted violently, until a blinding collision scattered her mind and shook her bones. Then, the pain. The freezing water. And as all sensation drifted away, a hand reached for hers, before all faded into darkness... Now she has awakened as though from some strange, suffocating dream in a warm and welcoming room she has never seen before, and tended to by kind, unfamiliar faces. But not all has been swept away. She recalls fragments of the accident. She remembers a baby. And a ring on her finger reminds her of a lie. But most of all, there is a secret. And in this house of strangers she can trust no one but herself to keep it.
