“Lovers who surmount the odds have always been intense emotional fodder, but rarely have we seen a story like Birthday true and raw, haunting and undeniable.” —The New York Times Book Review Two best friends. A shared birthday. Six years ERIC: There was the day we were born. There was the minute Morgan and I decided we were best friends for life. The years where we stuck by each other’s side—as Morgan’s mom died, as he moved across town, as I joined the football team, as my parents started fighting. But sometimes I worry that Morgan and I won’t be best friends forever. That there’ll be a day, a minute, a second, where it all falls apart and there’s no turning back the clock. MORGAN: I know that every birthday should feel like a new beginning, but I’m trapped in this mixed-up body, in this wrong life, in Nowheresville, Tennessee, on repeat. With a dad who cares about his football team more than me, a mom I miss more than anything, and a best friend who can never know my biggest secret. Maybe one day I’ll be ready to become the person I am inside. To become her. To tell the world. To tell Eric. But when? Six years of birthdays reveal Eric and Morgan’s destiny as they come together, drift apart, fall in love, and discover who they’re meant to be—and if they’re meant to be together. From the award-winning author of If I Was Your Girl, Meredith Russo, comes a heart-wrenching and universal story of identity, first love, and fate. “Beautifully written, Birthday is an altogether singular contribution to the gradually growing body of transgender literature and, indeed, to mainstream literature, as well.” —ALA Booklist, starred review

Anna Politkovskaya, one of Russia's most fearless journalists, was gunned down in a contract killing in Moscow in the fall of 2006. Just before her death, Politkovskaya completed this searing, intimate record of life in Russia from the parliamentary elections of December 2003 to the grim summer of 2005, when the nation was still reeling from the horrors of the Beslan school siege. In *A Russian Diary*, Politkovskaya dares to tell the truth about the devastation of Russia under Vladimir Putin—a truth all the more urgent since her tragic death. Writing with unflinching clarity, Politkovskaya depicts a society strangled by cynicism and corruption. As the Russian elections draw near, Politkovskaya describes how Putin neutralizes or jails his opponents, muzzles the press, shamelessly lies to the public—and then secures a sham landslide that plunges the populace into mass depression. In Moscow, oligarchs blow thousands of rubles on nights of partying while Russian soldiers freeze to death. Terrorist attacks become almost commonplace events. Basic freedoms dwindle daily. And then, in September 2004, armed terrorists take more than twelve hundred hostages in the Beslan school, and a different kind of madness descends. In prose incandescent with outrage, Politkovskaya captures both the horror and the absurdity of life in Putin's Russia: She fearlessly interviews a deranged Chechen warlord in his fortified lair. She records the numb grief of a mother who lost a child in the Beslan siege and yet clings to the delusion that her son will return home someday. The staggering ostentation of the new rich, the glimmer of hope that comes with the organization of the Party of Soldiers' Mothers, the mounting police brutality, the fathomless public apathy—all are woven into Politkovskaya's devastating portrait of Russia today. "If anybody thinks they can take comfort from the 'optimistic' forecast, let them do so," Politkovskaya writes. "It is certainly the easier way, but it is also a death sentence for our grandchildren." *A Russian Diary* is testament to Politkovskaya's ferocious refusal to take the easier way—and the terrible price she paid for it. It is a brilliant, uncompromising exposé of a deteriorating society by one of the world's bravest writers. Praise for Anna Politkovskaya "Anna Politkovskaya defined the human conscience. Her relentless pursuit of the truth in the face of danger and darkness testifies to her distinguished place in journalism—and humanity. This book deserves to be widely read." —Christiane Amanpour, chief international correspondent, CNN "Like all great investigative reporters, Anna Politkovskaya brought forward human truths that rewrote the official story. We will continue to read her, and learn from her, for years." —Salman Rushdie "Suppression of freedom of speech, of expression, reaches its savage ultimate in the murder of a writer. Anna Politkovskaya refused to lie, in her work; her murder is a ghastly act, and an attack on world literature." —Nadine Gordimer "Beyond mourning her, it would be more seemly to remember her by taking note of what she wrote." —James Meek

"Red Rose." Those were the final words of a Russian diplomat murdered at the Eiffel Tower. With only those two words, Agatha and Dash set off to track down a killer hiding somewhere in the busy streets of Paris.

NEW YORK TIMES BESTSELLER • The inspiring true story of transgender actor and activist Nicole Maines, whose identical twin

brother, Jonas, and ordinary American family join her on an extraordinary journey to understand, nurture, and celebrate the uniqueness in us all. Nicole appears as TV's first transgender superhero on CW's Supergirl When Wayne and Kelly Maines adopted identical twin boys, they thought their lives were complete. But by the time Jonas and Wyatt were toddlers, confusion over Wyatt's insistence that he was female began to tear the family apart. In the years that followed, the Maineses came to question their long-held views on gender and identity, to accept Wyatt's transition to Nicole, and to undergo a wrenching transformation of their own, the effects of which would reverberate through their entire community. Pulitzer Prize-winning journalist Amy Ellis Nutt spent almost four years reporting this story and tells it with unflinching honesty, intimacy, and empathy. In her hands, *Becoming Nicole* is more than an account of a courageous girl and her extraordinary family. It's a powerful portrait of a slowly but surely changing nation, and one that will inspire all of us to see the world with a little more humanity and understanding. Named One of the Ten Best Books of the Year by *People* • One of the Best Books of the Year by *The New York Times Book Review* and *Men's Journal* • A Stonewall Honor Book in Nonfiction • Finalist for the Lambda Literary Award for Transgender Nonfiction "Fascinating and enlightening."—Cheryl Strayed "If you aren't moved by *Becoming Nicole*, I'd suggest there's a lump of dark matter where your heart should be."—*The New York Times* "Exceptional . . . 'Stories move the walls that need to be moved,' Nicole told her father last year. In telling Nicole's story and those of her brother and parents luminously, and with great compassion and intelligence, that is exactly what Amy Ellis Nutt has done here."—*The Washington Post* "A profoundly moving true story about one remarkable family's evolution."—*People* "*Becoming Nicole* is a miracle. It's the story of a family struggling with—and embracing—a transgender child. But more than that, it's about accepting one another, and ourselves, in all our messy, contradictory glory."—Jennifer Finney Boylan, former co-chair of GLAAD and author of *She's Not There: A Life in Two Genders*

Written with the verve of such works as *The Big Short*, *The History of the Future*, and *The Spider Network*, here is the fascinating, true story of the rise of Ethereum, the second-biggest digital asset in the world, the growth of cryptocurrency, and the future of the internet as we know it. Everyone has heard of Bitcoin, but few know about the second largest cryptocurrency, Ethereum, which has been heralded as the "next internet." The story of Ethereum begins with Vitalik Buterin, a supremely gifted nineteen-year-old autodidact who saw the promise of blockchain when the technology was in its earliest stages. He convinced a crack group of coders to join him in his quest to make a super-charged, global computer. The *Infinite Machine* introduces Vitalik's ingenious idea and unfolds Ethereum's chaotic beginnings. It then explores the brilliant innovation and reckless greed the platform—an infinitely adaptable foundation for experimentation and new applications—has unleashed and the consequences that resulted as the frenzy surrounding it grew: increased regulatory scrutiny, incipient Wall Street interest, and the founding team's effort to get the Ethereum platform to scale so it can eventually be accessible to the masses. Financial journalist and cryptocurrency expert Camila Russo details the wild and often hapless adventures of a team of hippy-anarchists, reluctantly led by an ambivalent visionary, and lays out how this new foundation for the internet will spur both transformation and fraud—turning some into millionaires and others into felons—and revolutionize our ideas about money.

One of the feature stories of the Cthulhu Mythos, H.P. Lovecraft's 'the Call of Cthulhu' is a harrowing tale of the weakness of the human mind when confronted by powers and intelligences from beyond our world.

Né la guerra né i 900 giorni dell'assedio di Leningrado sono riusciti a distruggere il grande amore tra Tatiana e Alexander. Ora lei si ritrova sola in America con Anthony, il loro bambino appena nato: le hanno detto che Alexander è morto, ma nel profondo sente che non può averla abbandonata per sempre. Infatti il giovane ufficiale è vivo, anche se nella disperata condizione del prigioniero: caduto nelle mani della famigerata polizia di Stalin, sopravvive tra orribili sofferenze e torture nell'attesa di essere giustiziato come traditore e spia. Eppure Alexander non ha perso la speranza, perché sa che da qualche parte, in America, Tatiana e il figlio che non ha mai conosciuto lo stanno aspettando. Così Tatiana e Alexander continuano a vivere l'una all'insaputa dell'altro, divisi da un oceano, aggrappati al ricordo del loro amore che è riuscito a sconfiggere l'inverno russo e la fame, a sfuggire alle bombe della guerra. E che non può finire.

Limonov non è un personaggio inventato. Esiste davvero: «è stato teppista in Ucraina, idolo dell'underground sovietico, barbone e poi domestico di un miliardario a Manhattan, scrittore alla moda a Parigi, soldato sperduto nei Balcani; e adesso, nell'immenso bordello del dopo comunismo, vecchio capo carismatico di un partito di giovani desperados. Lui si vede come un eroe, ma lo si può considerare anche una carogna: io sospendo il giudizio» si legge nelle prime pagine di questo libro. E se Carrère ha deciso di scriverlo è perché ha pensato «che la sua vita romanzesca e spericolata raccontasse qualcosa, non solamente di lui, Limonov, non solamente della Russia, ma della storia di noi tutti dopo la fine della seconda guerra mondiale». La vita di Eduard Limonov, però, è innanzitutto un romanzo di avventure: al tempo stesso avvincente, nero, scandaloso, scapigliato, amaro, sorprendente, e irresistibile. Perché Carrère riesce a fare di lui un personaggio a volte commovente, a volte ripugnante - a volte perfino accattivante. Ma mai, assolutamente mai, mediocre. Che si trascini gonfio di alcol sui marciapiedi di New York dopo essere stato piantato dall'amatissima moglie o si lasci invischiare nei più grotteschi salotti parigini, che vada ad arruolarsi nelle milizie filoserbe o approfitti della reclusione in un campo di lavoro per temprare il «duro metallo di cui è fatta la sua anima», Limonov vive ciascuna di queste esperienze fino in fondo, senza mai chiudere gli occhi, con una temerarietà e una pervicacia che suscitano rispetto. Ed è senza mai chiudere gli occhi che Emmanuel Carrère attraversa questa esistenza oltraggiosa, e vi si immerge e vi si rispecchia come solo può fare chi, come lui, ha vissuto una vita che ha qualcosa di un «romanzo russo».

Negli anni novanta "gratis" era uno strumento di marketing: con la tentazione o l'illusione della gratuità si inducevano i consumatori a metter mano al portafoglio. E così, a chi è stato reso scaltro da anni di acquisti, riesce difficile comprendere come internet possa muovere denaro anche attraverso il "completamente gratis". La rete ha però modificato le tradizionali leggi economiche. Esistono beni e servizi online per cui gli utenti sono disposti a pagare solo in modi non convenzionali: con la propria attenzione, con la collaborazione, attraverso micropagamenti o permettendo che i propri dati di navigazione siano utilizzati a fini pubblicitari. Il mercato digitale ha così creato un'economia nuova che, sostenuta dall'abbattimento dei costi garantito dal bit, si rivela vincente in periodi di crisi. Il massimo esperto di nuove tecnologie Chris Anderson ci insegna qui come comprendere - e sfruttare - questi innovativi meccanismi di guadagno, in un saggio divertente e ricco di sorprese.

This is a book about a great man, an unbeaten boxing coach who in his lifetime nurtured three heavyweight world champions—a feat no one is capable of repeating nowadays. Cus D'Amato - the book is about him. The legend whose triumph is absolute, and requires no unnecessary comment and third-party consent. Here is a complete guide to the skill and tools needed to get a fundamental insight of D'Amato's system, psychology and philosophy. This book will be useful for anybody who is striving for self-perfection and seeking an effective lifestyle methodology of a champion, not only in boxing. Cus D'Amato didn't become phenomenal at birth. He used to say that a human being is not born as the finest, but he becomes truly outstanding through persistent and heavy work! This book is the crowning jewel of Oleg Maltsev's 20 years of research, a shining piece of collaboration created in New York together with a disciple of the legendary Cus: Tom Patti.

Comprehensive books to support study of History for the IB Diploma Paper 3, revised for first assessment in 2017. This coursebook covers Paper 3, History of Europe, Topic 16: The Soviet Union and post-Soviet Russia (1924-2000) of the History for the IB Diploma syllabus for first assessment in 2017. Tailored to the Higher Level requirements of the IB syllabus and written by experienced IB History examiners and teachers, it offers authoritative and engaging guidance through the topic.

An injured goose rescued by Babushka, having broken the painted eggs intended for the Easter Festival in Mosca, lays thirteen marvelously colored eggs to replace them, then leaves behind one final miracle in egg form before returning to her own kind.
