handbook is designed to help students achieve high scores on a particular exam and includes thorough reviews of the subject matter, practice questions with detailed answer explanations and helpful test-taking skills. All fiction is character-driven, according to William Bernhardt, despite what you might have heard elsewhere. If your characters don't interest readers, even the most exciting plots will fail. "Action is character," Aristotle wrote, but what does that mean, and how can you use that fundamental principle to create dynamic fiction that will captivate readers? This book explains the relationship between character and plot, and how the perfect melding of the two produces a mesmerizing story. Using examples spanning from *The Odyssey* to *The Da Vinci Code*, Bernhardt discusses the art of character creation in a direct and easily comprehended manner. The book also includes exercises designed to help writers apply these ideas to their own work. William Bernhardt is the author of more than fifty novels, including the blockbuster Ben Kincaid series of legal thrillers. Bernhardt is also one of the most sought-after writing instructors in the nation. His programs have educated many authors now published by major houses. He is the only person to have received the Southern Writers Gold Medal Award, the Royden B. Davis Distinguished Author Award (U Penn) and the H. Louise Cobb Distinguished Author Award (OSU), which is given "in recognition of an outstanding body of work that has profoundly influenced the way in which we understand ourselves and American society at large." The Red Sneaker Writing Center is dedicated to helping writers achieve their literary goals. What is a red sneaker writer? A committed writer seeking useful instruction and guidance rather than obfuscation and attitude. Red sneakers get the job done and so do red sneaker writers, by paying close attention to their art and craft, committing to hard work, and never quitting. Are you a red sneaker writer? If so, this book is for you. The Ninth Edition offers more complete works and more teachable groupings than ever before, the apparatus you trust, and a new, free Supplemental Ebook with more than 1,000 additional texts. Read by more than 8 million students, *The Norton Anthology of English Literature* sets the standard and remains an unmatched value. Lively, original and highly readable, *An Introduction to Literature, Criticism and Theory* is the essential guide to literary studies. Starting at 'The Beginning' and concluding with 'The End', chapters range from the familiar, such as 'Character', 'Narrative' and 'The Author', to the more unusual, such as 'Secrets', 'Pleasure' and 'Ghosts'. Now in its fifth edition, Bennett and Royle's classic textbook successfully illuminates complex ideas by engaging directly with literary works, so that a reading of Jane Eyre opens up ways of thinking about racial difference, for example, while Chaucer, Raymond Chandler and Monty Python are all invoked in a discussion of literature and laughter. The fifth edition has been revised throughout and includes four new chapters - 'Feelings', 'Wounds', 'Body' and 'Love' - to incorporate exciting recent developments in literary studies. In addition to further reading sections at the end of each chapter, the book contains a comprehensive bibliography and a glossary of key literary terms. A breath of fresh air in a field that can often seem dry and dauntingly theoretical, this book will open the reader's eyes to the exhilarating possibilities of reading and studying literature.
