I don't have an expertise people will pay me for." "Am I too old?" "I have no idea how to start out in this." "The burden of expectations from family and society is simply unbearable." "No time! Too many priorities. Kids, family, work - it's endless." If this sounds familiar, don't worry - you're not alone. Our community's sole purpose is to help you get from where you are now, to doing work that actually excites you! Here's the real question When you're 80 years old, will you regret not taking the road less traveled and seeing what could have been possible? Your other options? You could hire a career coach to help you through the process, spending \$100+/hr and up to \$1,000+ per month You could read dozens of books and take a boatload of self-assessments, wasting precious time and \$500-\$1000+ You could even do a weekend career change workshop and spend \$500-\$2500+ for just a few days! While these may and probably would help, they're crazy expensive! OR You could purchase this Work Book and do the exercises for little to minimal investment. Whats the Worst that could have happen? If your life don't change after doing all the exercises? Throw this book away and move on with your pitiful life. But If you are desperate for CHANGE, Put in Some Effort and I guarantee You WILL CHANGE! So What specifically will I learn from doing this workbook? The work book presents a framework to help you accomplish two core goals: 1. To discover your career and personal passions, strengths and talents 2. To build those talents and passions into a career or business that makes you come alive Do I have to become an entrepreneur? Nope. Living Your Life Workbook isn't only for people who want to start their own business. It's about finding and doing work that leverages your strengths, passions and who you are as a person, so you can start doing work that matters to you and to the world. Whatever that is, that's for you to decide, and our workbook is built to help make those decisions much more obvious. I can't just quit my job and start over. Is that what you're going to tell me to do? Not at all. If you look around, pretty much everyone has financial, personal and family obligations. The key is to find what excites you

and begin to build a career around it long before you ever have to actually quit. That way there is a ton less risk and potential panic. Our goal is for you to make a transition that gives you the best chance at making your impact on the world. We've also seen a lot of those who did our exercises who find ways to apply their newly discovered strengths to their current job, which leads to a whole new level of fulfillment and excitement, so they never even need to quit. It's pretty fun to see what's possible once you start making these discoveries! Do yourself a favor and get a copy for yourself or for someone you knows who needs this Now!

Based on the New York Times bestseller *The Body Is Not an Apology*, this is an action guide to help readers practice the art of radical self-love both for themselves and to transform our society. Readers of *The Body Is Not an Apology* have been clamoring for guidance on how to do the work of radical self-love. After crowdsourcing her community, Sonya Renee Taylor found her readers wanted more concrete ideas on how to apply this work in their everyday lives. *Your Body Is Not an Apology Workbook* is the action guide that gives them tools and structured frameworks they can begin using immediately to deepen their radical self-love journey—such as Taylor's four pillars of practice, which help readers dismantle body shame and give them access to a lifestyle rooted in love. Taylor guides readers to move beyond theory and into doing and being radical self-love change agents in the world. “In this book, you will be asked to draw, color, doodle, talk to friends, take risks, and perhaps step outside of what feels like your natural gifts and talents,” Taylor writes. “I encourage you to release the need to be ‘good’ at what you are doing and instead strive to be authentic. Perfection is the enemy of radical self-love because it is an impossible illusion. When the voice of perfectionism chimes in, take a deep breath, remember that the work is about the process, not about the product, and give yourself permission to be

Let's be honest: most people are unhappy with at least some aspect of their physical appearance. Just think of all the money we spend each year trying to improve our looks! But if worrying about your appearance is getting in the way of living, maybe it's time to start thinking about body image in a completely new way. Based in proven-effective acceptance and commitment therapy (ACT), *Living with Your Body and Other Things You Hate* offers a unique approach to addressing your struggle with body image. In this book, you will not be told that your self-perceptions are wrong, that your thoughts are irrational, or that your feelings are misguided. Instead, you will learn to live with the reality that these often painful thoughts and beliefs about yourself will arise from time to time, and that what is really important is accepting these distressing thoughts without allowing them to dominate your life. You know what it's like to constantly be checking the mirror, to avoid certain social situations where your body may be exposed, or to gaze longingly at a fashion model in a magazine and think, "Why can't I be her?" But what you may not know is that people who struggle with negative body image are at an increased risk for depression, anxiety, eating disorders, and low self-esteem. Body image problems can even lead to major financial issues. By focusing on your appearance and little else, you are hurting yourself in more ways than one. If you

are ready to find a purpose in life that is more important than the pain you feel about your appearance, this book provides a truthful, powerful resource.

“Rejection steals the best of who I am by reinforcing the worst of what’s been said to me.” Rejection is a tough emotion to deal with. It’s harsh, hurtful, daunting. It has an ability to poison relationships from the inside out, including our relationship with God. In *Uninvited*, Lysa TerKeurst takes you to significant places in the Holy Land to help you explore the roots of rejection, the way other relationships get tainted because of a past rejection, and the truth about what it looks like to live loved. With biblical depth, gut-honest vulnerability, and refreshing wit, Lysa will help you: Stop feeling left out by believing that even when you are overlooked by others you are handpicked by God. Change your tendency to either fall apart or control the actions of others by embracing God honoring ways to process your hurt. Know exactly what to pray for the next ten days to steady your soul and restore your confidence. End the cycle of perceived rejection by refusing to turn a small incident into a full-blown issue. Overcome the two core fears that feed your insecurities by understanding the secret of belonging. In this six-session video study, Lysa reminds us we are destined for a love that can never be diminished, tarnished, shaken, or taken—a love that does not reject or uninvite. The Workbook of Living Prayer

GROUP PARTICIPANT WORKBOOK - Imagine waking up every single day convinced that the twenty-four hours ahead of you are a precious gift to be used wisely. Now imagine that you know exactly how to spend them to be a force for God's good. All too often we wander through life without appreciating the gift of every moment we've been given. The result? An unsatisfying life, missed opportunities to experience the joy of being in sync with God, and days marked with apathy instead of passion. Our time on earth is measured. We should want to make every moment count—not only because we aren't guaranteed the next one, but also because this is exactly how our Savior spent His time here. How, then, do we walk out unwavering joy-filled faith every day, determined to let go of the things that keep us from experiencing abundant life and fulfilling the plans God has for us? The answers are found in following the footsteps of the One who lived fully, because He was determined that we might do the same. In this six-week study of Luke, we will follow the life and ministry of Jesus as we consider the choices He made on His way to the cross. We'll intimately connect with a Savior who remained laser-focused on His mission

to love the world. In return, we'll receive a model for intentional living that we can replicate to ensure we are living each day to the fullest and making a difference for God's kingdom. And together we'll determine to embrace the abundant life we are promised in Jesus. It's time to stop wandering and start living!

Each of us has but one life to live on this earth. What we do with it is our choice. Are we drifting through it as spectators, reacting to our circumstances when necessary and wondering just how we got to this point anyway? Or are we directing it, maximizing the joy and potential of every day, living with a purpose or mission in mind? Too many of us are doing the former--and our lives are slipping away one day at a time. But what if we treated life like the gift that it is? What if we lived each day as though it were part of a bigger picture, a plan? That's what New York Times bestselling author Michael Hyatt and executive coach Daniel Harkavy show us how to do: to design a life with the end in mind, determining in advance the outcomes we desire and path to get there. In this step-by-step guide, they share proven principles that help readers create a simple but effective life plan so that they can get from where they are now to where they really want to be--in every area of life.

It was during many trials and tribulations of my life that caused me to seek God with my whole heart and surrender my life to Him. Before I truly established intimacy with God, I had drifted so far from Him and was living a life that was displeasing to Him. One day when I was at my lowest, I began to reflect on the things that my Grandmother had instilled in me at a very early age. I found myself on my knees crying out to God for His help. I found a church home and started attending Bible study, reading the Bible for myself, and meditating on the Word of God, and obeying His Word. Merriam-Webster's dictionary defines healing as "to make free from injury or disease, to make sound or whole, to cause an undesirable condition to be overcome, to patch up or correct such as breach between friends, to restore to original purity or integrity, healed from sin." Even from a worldly standpoint or definition, healing encompasses a "restored or whole" viewpoint. There are a plethora of verses in the Bible regarding God's healing. His Word addresses recovery of the body, bones, heart, flesh, mind, thoughts, and emotions. These verses are powerful for they are the Lord's Words and the Bible records, "...so is my Word that goes out from my mouth; It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it." (Isaiah 55:11) The Word of God is flawless bringing health to the body and strength to the bones (Proverbs 3:8, 2 Samuel 22:31, Psalm 12:6, Psalm 18:30, Proverbs 30:5). God's Word has brought healing and restoration to many situations in my life. I have prayed over

depression, thoughts, my marriage, my children, my emotions, a broken heart, trust issues, and more. God has been faithful in all circumstances to reveal and refresh my life. I have written several books on the women in the Bible. This volume is a collection of the women I have penned throughout my One a Day series. Many of these women you know. You have heard their stories and testimonies, but this volume focuses on their healing, which has brought such comfort for my heart. God used His daughters in amazing ways to achieve His purpose and plans. Many women mentioned in the Word were healed from oppressive situations and I have gained much insight from their story. These thirty women were healed in different ways, as we all come to God broken and in need of restoration. You will read stories and testimonies of remarkable women who surpassed and conquered hardships and were healed from infirmities. Many of their journeys were difficult, as many of ours are today. God's Word is still relevant and available for human nature has not changed. We still seek healing, we still seek our purpose and plan, and we still seek the Living God.

"At the heart of the Christian message is God Himself waiting for His redeemed children to push in to conscious awareness of His Presence." - A.W. Tozer David was a man after God's own heart. He slew Goliath, ruled Israel and wrote such inspiring scriptures as Psalm 139. Yet David had an affair with Bathsheba, breaking multiple commandments including having Bathsheba's husband murdered. How can we guard our walk and prevent catastrophic mistakes like those that David made? How can we lead a life that bears the fruit of an effective faith? God's Word realistically portrays authentic people of faith. Their true stories are preserved for us as teachable moments. Are we listening? Before God's Face takes a
