The Confidence Game: Why We Fall for It . . . Every Time

Disinformation is a subset of propaganda and is false information that is spread deliberately to deceive. It is also known as black propaganda. It is sometimes confused with misinformation, which is false information but is not deliberate.. The English word disinformation is from the application of the latin prefix dis- to information making the meaning "reversal or removal of information".

Brainwashing - Wikipedia

Overview. Evolutionary psychology (Wright, 1994; Dawkins, 1976) sees animals as maximizers of genes' reproduction possibilities.. In humans, around the middle of the male parental investment, maximizing the chances of reproduction comes in two forms:. Find (easy) women to impregnate and abandon; Get serious with a high-quality woman and grow children with her
