Perfect for starting class or for turning spare moments at the end of class into instructional time. Daily activities challenging enough for any classroom

[Using Primary Sources in the Social Studies and Language Arts Classroom, Grades 6 - 8](#)

This issue, which marks the beginning of our fifth year, combines a number of articles about the good times and growing pains of a South reaching national maturity. It seems appropriate for us to answer, at this time, some of our readers' questions about who we are and what Southern Exposure represents. Early observers thought we'd never make it this far with a regional journal so critical of the powers that be and so preoccupied with the lesser known people, with the struggles and heritage of a culture considered bankrupt by sophisticated America. But, like the South, we have attained a new stability, partly from the spin-off of the media search for Jimmy Carter's South (they have yet to find it) and partly from our appeal to the same hunger for connections to a past, a place, a people, that made Roots a meaningful event for so many.

[Writing Engagement, Grade 5](#)

These fun writing exercises will improve students' understanding of the writing process along with their language arts skills. This engaging reinforcement workbook includes reproducible practice and application work pages, evaluation rubrics for teacher and students, student writing prompts, writing skills tests, and an answer key. Unit topics include using commas, narrative writing, expository writing, writing a persuasive essay, writing a vignette, using adjectives and adverbs, and more! Aligned with Common Core State Standards. --Mark Twain Media Publishing Company specializes in providing captivating, supplemental books and decorative resources to complement middle- and upper-grade classrooms. The book includes reproducibles and an answer key.

[Common Core Language Arts Workouts, Grade 6](#)

In this poignant and personal history of one of America's oldest theaters, Leslie Stainton captures the story not just of an extraordinary building but of a nation's tumultuous struggle to invent itself. Built in 1852 and in use ever since, the Fulton Theatre in Lancaster, Pennsylvania, is uniquely ghosted. Its foundations were once the walls of a colonial jail that in 1763 witnessed the massacre of the last surviving Conestoga Indians. Those same walls later served to incarcerate fugitive slaves. *Staging Ground* explores these tragic events and their enduring resonance in a building that later became a town hall, theater, and movie house—the site of minstrel shows, productions of *Uncle Tom's Cabin*, oratory by the likes of Thaddeus Stevens and Mark Twain, performances by Buffalo Bill and his troupe of "Wild Indians," Hollywood Westerns, and twenty-first-century musicals. Interweaving past and present, private anecdote and public record, Stainton unfolds the story of this emblematic space, where for more than 250 years Americans scripted and rescripted their history. *Staging*

Ground sheds light on issues that continue to form us as a people: the evolution of American culture and faith, the immigrant experience, the growth of cities, the emergence of women in art and society, the spread of advertising, the flowering of transportation and technology, and the abiding paradox of a nation founded on the principle of equality for "all men," yet engaged in the slave trade and in the systematic oppression of the American Indian.

[English Skills, Grade 5](#)

[Slavery, Civil War, and Reconstruction, Grades 6 - 12](#)

After laughing their way through his classic and beloved depictions of nineteenth-century American life, few readers would suspect that Mark Twain's last years were anything but happy and joyful. They would be wrong. Contrary to the myth perpetrated by his literary executors Twain ended his life as a frustrated writer plagued by paranoia. He suffered personal tragedies, got involved in questionable business ventures, and was a demanding and controlling father and husband. As Mark Twain: God's Fool demonstrates, the difficult circumstances of Twain's personal life make his humorous output all the more surprising and admirable. "Ham[lin] Hill remains among the smartest, most honest, and most humane of Twain scholars—and . . . God's Fool parades those qualities on every page." Jeff Steinbrink, Franklin & Marshall College "Fills a great, long-standing need for a thoroughly researched book about Mark Twain's twilight years. . . . Splendidly, grippingly written and excellently documented. . . . Likely to be a standard work for as long as anyone can foresee." Choice

[Musical Instruments of the World, Grades 5 - 8](#)
