History of Scobey, Montana

The Lives of Edie Pritchard "Characters so real they could walk off the page, virtuoso writing and up-all-night drama."— People From acclaimed novelist Larry Watson, a multigenerational story of the West told through the history of one woman trying to navigate life on her own terms. Edie—smart, self-assured, beautiful—always worked hard. She worked as a teller at a bank, she worked to save her first marriage, and later, she worked to raise her daughter even as her second marriage came apart. Really, Edie just wanted a good life, but everywhere she turned, her looks defined her. Two brothers fought over her. Her second husband became possessive and jealous. Her daughter resented her. And now, as a grandmother, Edie finds herself harassed by a younger man. It's been a lifetime of proving that she is allowed to exist in her own sphere. The Lives of Edie Pritchard tells the story of one woman just trying to be herself, even as multiple men attempt to categorize and own her. Triumphant, engaging, and perceptive, Watson's novel examines a woman both aware of her power and constrained by it, and probes the way perceptions of someone in a small town can shape a life through the decades.

Laura A haunting novel spanning several generations, *The Seed Keeper* follows a Dakhóta family's struggle to preserve their way of life, and their sacrifices to protect what matters most. Rosalie Iron Wing has grown up in the woods with her father, Ray, a former science teacher who tells her stories of plants, of the stars, of the origins of the Dakhóta people. Until, one morning, Ray doesn't return from checking his traps. Told she has no family, Rosalie is sent to live with a foster family in nearby Mankato—where the reserved, bookish teenager meets rebellious Gaby Makespeace, in a friendship that transcends the damaged legacies they've inherited. On a winter's day many years later, Rosalie returns to her childhood home. A widow and mother, she has spent the previous two decades on her white husband's farm, finding solace in her garden even as the farm is threatened first by drought and then by a predatory chemical company. Now, grieving, Rosalie begins to confront the past, on a search for family, identity, and a community where she can finally belong. In the process, she learns what it means to be descended from women with souls of iron—women who have protected their families, their traditions, and a precious cache of seeds through generations of hardship and loss, through war and the insidious trauma of boarding schools. Weaving together the voices of four indelible women, *The Seed Keeper* is a beautifully told story of reawakening, of remembering our original relationship to the seeds and, through them, to our ancestors.

Pheasant and Range Conditions - Western Montana 1948 The author of Montana 1948 explores the early years of a powerful Western family in these “ beautifully written ” linked stories (USA Today). Larry Watson ’ s bestselling novel Montana 1948 was acclaimed as a “ work of art, ” a prize-winning evocation of a time, a place, and a family (San Francisco Chronicle). Justice is the stunning prequel that illuminates the Hayden clan ’ s early years, and the circumstances that led to the events of Montana 1948. With the precision of a master storyteller, Watson moves seamlessly through the decades and among the strong and hard-bitten characters that make up the Hayden family, and in the process opens an evocative window on the very heart of the American West. “ An engrossing story of love, familial relationships, and secrets . . . re-creates the vivid beauty of Big Sky country. ” —Booklist “ Filled with rugged prose sometimes as biting as a northern plains wind. ” —The Washington Post “ Surprises and scenes of dramatic power punctuate the narrative . . . Throughout, Watson writes with ruthless honesty about his characters ’ stunted dreams, unpredictable emotions and outbursts of senseless violence, showing once again that he understands not only the West but the untamed hearts that have roamed it. ” —Publishers Weekly (starred review)

The NEAP Guide to Montana 1948 (Larry Watson) I sommeren 1948 ændres den 12- å rige Davids liv for altid, da det afsl ø res, at hans beundrede onkel under dække af sin lægegerning bl.a har udnyttet familiens indianske husholderske seksuelt

Montana 1948 "Il faudra d é sormais ajouter ce Montana 1948 à la liste de ces petits livres qu'on se refile entre amis s û rs. David se souviendra toujours de cet é t é -là . Il avait douze ans. Son p è re é tait sh é rif. Une Indienne travaillait à la maison. Un jour, Mary Little Soldier tombe gravement malade. Pourquoi refuse-t-elle d'ê tre soigné e par l'oncle Frank ? David d é couvrira que le monde des adultes fonctionne de fa ç on bizarre, que les familles ont leurs secrets. Larry Watson d é barque en litt é rature avec la sereine pl é nitude du talent. C'est comme ç a qu'il faudrait toujours é crire: des phrases simples, é videntes, lumineuses. En bon fran ç ais, on appelle ç a un livre-culte."

Inside Stories Perhaps once in a generation it is possible for a historian to reinterpret the long sweep of an area and a period in our history. K. Ross Toole has chosen Montana for this purpose, and the brilliant success of his achievement must be apparent to all who read these pages. He has consciously avoided a systematic presentation of the history of this "uncommon land," Instead, he has chosen to put the great and many of the smaller but significant episodes of a century and a half into new perspective. The record, in its colorful and romantic aspects, stretches from the days of Lewis and Clark; and in its more recent aspects, from the subjugation of the Indian to the predominance of big mining and timber enterprises. The resulting portrait is sharply drawn by a man who knows not only how to interpret the remote and recent past but how to write with great effect. Montana is best remembered by most Americans as the state in which the Indian played his last dramatic role with the annihilation of General George Armstrong Custer. But it was also the area in which the fur trade had its roots; where the shepherders and the cattlemen vied with each other for the right to graze the land; where the "honyockers" tried-and often failed to master the land and the seasons; where copper interests have played a powerful role in politics and in the lives of the people; and where, only recently, the oil industry has followed the boom-and-bust cycle so well known in the state. This story of Montana points up particularly the position which is and has been occupied by the state in relation to the nation as a whole.

Adventures in Vacationing in Montana, 1948-1949

Farm Price Index Trends, Montana, 1948-1962

Pheasant and Range Conditions - Western Montana 1948 Ten essays by British, US, and Canadian academics explore popular books, films, and television shows for clues to the meanings of youth representation in American culture. Drawing on a framework of ideas from cultural and social theory, they consider themes such as race, class, gender, power, and sexuality as well as the ideological nature of youth and its centrality to American popular culture. Originally published in 2000 as *The Radiant Hour: Versions of Youth in American Culture* (U. of Exeter Press). Annotation : 2004 Book News, Inc., Portland, OR (booknews.com).

The Montana 1948 glossary "De l'été de mes douze ans, je garde les images les plus saisissantes et les plus tenaces de toute mon enfance, que le temps passant n'a pu chasser ni même estomper". Ainsi s'ouvre le récit du jeune David Hayden. Cet été 1948, une jeune femme sioux porte de lourdes accusations à l'encontre de l'oncle du garçon, charismatique héros de guerre et médecin respecté. Le père de David, shérif d'une petite ville du Montana, doit alors affronter son frère aîné. Impuissant, David assistera au déchirement des deux frères et découvrira la difficulté d'avoir à choisir entre la loyauté à sa famille et la justice.

Montana

Stratigraphic Sections of the Phosphoria Formation in Montana, 1948 Following the inner life of one man over the course of nearly forty years, a tender tale of faith, obsession, and enduring love follows the remarkable relationship between Paul, a precocious observer of human life, and Laura Petit, a gifted and independent poet nine years older than Paul. By the award-winning author of *Montana 1948*. Reader's Guide included. Reprint.

Justice

Larry Watson's *Montana 1948* A retired sheriff and his wife go after their young grandson in "a fast-paced story of marital love, family violence and small-town justice" (Pioneer Press). It's been years since George and Margaret Blackledge lost their son James, and months since his widow, Lorna, took off with their only grandson and married Donnie Weboy. Margaret is resolved to find and retrieve the boy—while George is none too eager to stir up trouble. Soon, the Blackledges find themselves entangled with the entire Weboy clan, who are determined not to give up the boy without a fight. The author of *Montana 1948* returns to big sky country in midcentury America with a riveting novel pervaded with a sense of menace that "traces the desperate lengths families will go to in order to protect their own" (Publishers Weekly, starred review). "Watson evokes the deepest kind of suspense: that based upon the fact that humans are unpredictable and perhaps ultimately unknowable—even to their most intimate associates. This fierce, tense book is beautifully written, with spare and economical prose . . . A brilliant achievement." —Alice LaPlante, *New York Times* – bestselling

author of Turn of Mind “ An outstanding work that is sure to expand Watson ’ s audience of devoted readers. Not to be missed. ” —Library Journal (starred review)

American Youth Cultures

The Seed Keeper Cross between an autobiography and a history of an area in southern Montana. It includes information about the start of the Dry Creek Oil Field, but the main focus is on the camp and the people who lived there from 1948 (when the author was born) to 1966. Th main emphasis is on what it was like to live in that environment during the prime of the Dry Creek Oil Camp, first under Ohio Oil Company, and later under Marathon Oil Company.--From author's summary.

Montana 1948

A Study Guide for Larry Watson's "Montana 1948"

Suspended Sediment in the Missouri River The tragic tale of a Montana family ripped apart by scandal and murder: “ a significant and elegant addition to the fiction of the American West ” (Washington Post). In the summer of 1948, twelve-year-old David Hayden witnessed and experienced a series of cataclysmic events that would forever change the way he saw his family. The Haydens had been pillars of their small Montana town: David ’ s father was the town sheriff; his uncle Frank was a war hero and respected doctor. But the family ’ s solid foundation was suddenly shattered by a bombshell revelation. The Hayden ’ s Sioux housekeeper, Marie Little Soldier, tells them that Frank has been sexually assaulting his female Indian patients for years—and that she herself was his latest victim. As the tragic fallout unravels around David, he learns that truth is not what one believes it to be, that power is abused, and that sometimes one has to choose between loyalty and justice. Winner of the Milkweed National Fiction Prize
