commercial popularity of the remake. Some essays examine specific subgenres—from the teenage horror flick to the serial killer film and the spiritual horror film—as well as the continuing relevance of classic directors such as George A. Romero, David Cronenberg, John Landis, and Stuart Gordon. Essays deliberate on the marketing of nostalgia and its concomitant aesthetic and on the curiously schizophrenic perspective of fans who happen to be scholars as well. Taken together, the contributors to this collection make a compelling case that American horror cinema is as vital, creative, and thought-provoking as it ever was.

The Spiritual Guides of Sarwari Qadri Order

Hayat-i-Javed granted his Prophet, sallallaahu 'alayhi wa sallam, qualities of perfection and noble characteristics which distinguished him from all other human beings. Consequently, he, sallallaahu 'alayhi wa sallam, combined all the possible virtuous human traits and was the best leading example in treating others with benevolence. He, sallallaahu 'alayhi wa sallam, was a sublime example in his interactions with people, old and young, believers and disbelievers, the common people and close Companions. He, sallallaahu 'alayhi wa sallam, would support the oppressed, aid the needy, persevere patiently despite the harm he faced from foolish people, face evil with goodness, meet people with a smiling and cheerful face and was unfailingly generous and kind when dealing with people. As soon as his enemies discovered his extraordinary personality and his exceptional manners, they immediately responded to his call and believed in the message he was preaching. One such person who came to believe in him told him after accepting Islaam: "I swear by Allaah O Muhammad! There was no one on the face of the earth who was more detested to me than you. However, now your religion (the religion you are conveying) is the dearest religion to me. There was no land more hated by me than your land, but now it is the dearest part of earth to me". In this book, you will come to know the Prophet, sallallaahu 'alayhi wa sallam, and how he dealt with different types of people, each according to their qualities and particular circumstances. You will know him as a husband, a father, a neighbor, a friend, as a buyer and a seller, a judge, and someone who gave jurisprudential verdicts. Allaah The Almighty sent the Prophet, sallallaahu 'alayhi wa sallam, as a slave and a Messenger and bestowed upon him the best manners and the most beautiful qualities. We have outlined some of the interpersonal interactions of the Prophet, sallallaahu 'alayhi wa sallam, in order to highlight how a person whose manners are in consonance with the teachings of the Qur'aan should be. By learning about his qualities and the way he, sallallaahu 'alayhi wa sallam, interacted with people, one would know how he dealt with people in their homes, in the market and other places in all walks of life. How did this unlettered Prophet, sallallaahu 'alayhi wa sallam, treat people whether they were relatives or strangers, virtuous or sinners, noble or evil? What benefit can one derive by studying his qualities and manners, that reflect his nobility, generosity and perfect manners? This book answers all these questions and more, and paints a vivid picture of the Prophet, sallallaahu 'alayhi wa sallam, who was sent by his Lord to perfect good manners. ???????

Ignited Minds "We tried to live with 120 percent intensity, rather than waiting for death. We read and read, trying to understand why we had to die in our early twenties. We felt the clock ticking away towards our death, every sound of the clock shortening our lives." So wrote Irokawa Daikichi, one of the many kamikaze pilots, or tokkotai, who faced almost certain death in the futile military operations conducted by Japan at the end of World War II. This moving history presents diaries and correspondence left by members of the tokkotai and other Japanese student soldiers who perished during the war. Outside of Japan, these kamikaze pilots were considered unbridled fanatics and chauvinists who willingly sacrificed their lives for the emperor. But the writings explored here by Emiko Ohnuki-Tierney clearly and eloquently speak otherwise. A significant number of the kamikaze were university students who were drafted and forced to volunteer for this desperate military operation. Such young men were the intellectual elite of modern Japan: steeped in the classics and major works of philosophy, they took Descartes' "I think, therefore I am" as their motto. And in their diaries and correspondence, as Ohnuki-Tierney shows, these student soldiers wrote long and often heartbreaking soliloquies in which they poured out their anguish and fear, expressed profound ambivalence toward the war, and articulated thoughtful opposition to their nation's imperialism. A salutary correction to the many caricatures of the kamikaze, this poignant work will be essential to anyone interested in the history of Japan and World War II.

Diwan of Hali 'Sevasadan' is one of the most representative novels of Munshi Premchand. Soon after it was published, the novel kicked up national debates on such pertinent social issues as prostitution and the place of women in the Indian society. Social taboos dominated the scenario as much as reformers' zeal to tight the rot in the social value system. The story oscillates round a glamour-struck young girl's life. who was brought up with utmost love and care but whose father had to suffer ignominy at the hands of his adversaries for taking a once-in-lifetime bribe and being jailed for that. Her prospective engagement was broken because her mother, now made a destitute with her daughters, failed to meet the demand of dowry from the bridegroom's family. Hapless and stranded, she, along with her mother and sibling sister, was under care of her maternal-uncle. gets married to a middle-aged pauper and pushed to life-long poverty. She failed to get what she had been dreaming for since her childhood. She fought continual battles between aspiration for a respected prosperous lifestyle, and the existing value system which forced her to live with poverty. By the turns of events she ends up into a life of a tawaif, hatefully tries to come out of the nuisance but the irony of fate makes her the centre-point of all debates on how prostitutes could be rescued and rehabilitated. 'Sevasadan' exposes the time Premchand lived in. It also reflects how seriously the author had waged a battle, which is being fought in the Indian society even today.

Adventure Annie Goes to Kindergarten What does it mean to be modern? This study regards the concept of 'society' as foundational to modern self-understanding. Identifying Arabic conceptualizations of society in the journal al-Manar, the mouthpiece of Islamic reformism, the author shows how modernity was articulated from within an Islamic discursive tradition. The fact that the classical term umma was a principal term used to conceptualize modern society suggests the convergence of discursive traditions in modernity, rather than a mere diffusion of European concepts.
