Here's the second book in the beloved and hilarious Alvin Ho chapter book series, which has been compared to *Diary of a Wimpy Kid* and is perfect for both beginning and reluctant readers. Alvin, an Asian American second grader who's afraid of everything, is back, and his worst fear has come true: he has to go camping. What will he do exposed in the wilderness with bears and darkness and . . . pit toilets? Luckily, he's got his night-vision goggles and water purifying tablets and super-duper heavy-duty flashlight to keep him safe. And he's got his dad, too. From Lenore Look and New York Times bestselling illustrator LeUyen Pham comes a drop-dead-funny and touching series with a truly unforgettable character. "Shares with *Diary of a Wimpy Kid* the humor that stems from trying to manipulate the world." —Newsday "Alvin's a winner." —New York Post
