From Mythos to Logos

The Fantasy Realm is about to face extinction! Many of the world's most beloved fairytale characters are disappearing at an alarming rate! An investigation to find the problem will lead one young girl to the Earth Realm and back in order to discover What Is The Eternal Mythos?

Mythos

The complete Cthulhu Mythos by master horror writer H. P. Lovecraft in one volume. The Cthulhu Mythos is a collection of 23 loosely connected short stories by H. P. Lovecraft, one of the earliest masters of dark fantasy and horror. From "Dagon" to "The Call of Cthulhu" to "The Haunter of the Dark," each story connects to the ancient cosmic entities known as the Great Old Ones, buried in a deep sleep beneath the earth and incomprehensible to mankind. For the few mortals who dare to glimpse this unknowable world, the result is a complete disconnection from what was once considered reality. Lovecraft's stories are grim, fantastical, dark, horrifying--and yet endlessly fascinating.

The Mythos War Trilogy

Hair Mythos In Dark Mannerism is the first collection of works from Avant-Garde hairstylist Andrew-Thomas Corbett. Placed firmly in the conceptual out of a fashion context, Andrew's signature imagery and aesthetic is of dark fantasy/'Dark Mannerism' which portrays interests such as mysticism and mythology.

Return of the Deep Ones and Other Mythos Tales

"In the twenty-first century, magic has advanced with the times and gone digital. Ravirn--umpteenth great-grandson of one of the three Fates--is a talented sorcerer, a computer hacker extraordinaire, and in the process of becoming a minor demigod. His best friend and familiar is both a goblin and a laptop, changing from one shape to the other as needed. While repairing Necessity (the badly broken sentient computer that runs the multiverse), Ravirn is thrown into a very different place: a parallel world where the Greek gods are only myths. This strange realm is ruled by the Norse pantheon--Odin, Thor, and other fun-loving brutes--and their magic uses a completely different operating system. A system that Ravirn will have to hack if he ever wants to get out of Asgard alive"--p. [4] of cover.

Hair Mythos in Dark Mannerism II

Charles Underwood focuses on mythos and voice in the Odyssey to illuminate the characters' journeys from social displacement through discovery and recovery. He explores how the epic narrative illustrates an ancient tradition's understanding of how one learns to make one's way as an active agent in an uncertain world.

Tales of the Cthulhu Mythos

A must-have for any Halo fan, this official guide is the most comprehensive book ever written about the video game franchise, created by the game's developers. This official, comprehensive, authoritative guide to the Halo universe, written in collaboration with 343 Industries, the developers of the "Halo" franchise, marks the first time that a book incorporates the entirety of the "Halo" canon, including the games, books, comics, live-action and animated entertainment, and more. The book also includes over 50 specially commissioned full-color paintings showcasing vehicles, artificial intelligence, weapons, ships, and never-before-seen aspects of Halo environments. The amazing illustrations come from a variety of renowned illustrators, including Jean-Sébastien Rossbach, Leonid Kozienco, Benjamin Carré, Isaac Hannaford, and 343's internal art team, too. For the first time ever, the timeline of the Halo universe is available in one place, charting humanity's battles against alien forces of the Covenant, Forerunners, and the Flood--making this book an absolute must-have for Halo fans.

The Variant Mythos

Jane Harrison examines the festivals of ancient Greek religion to identify the primitive "substratum" of ritual and its persistence in the realm of classical religious observance and literature. In Harrison's preface to this remarkable book, she writes that J. G. Frazer's work had become part and parcel of her "mental furniture" and that of others studying primitive religion. Today, those who write on ancient myth or ritual are bound to say the same about Harrison. Her essential ideas, best developed and most clearly put in the Prolegomena, have never been eclipsed.

This is a valuable book, jam-packed with learning and insight, cosmopolitan in scope, timely yet classically anchored. An achievement of intellectual beauty. This is how I like to see philosophy conducted. Robert Ginsberg Director, The International Center for the Arts, Humanities, and Value Inquiry. This book contains fifteen essays all seeking to regain the original meaning of philosophy as the love of wisdom. Mythos and Logos are two essential aspects of a quest that began with the ancient Greeks. As concepts fundamental to human experience, Mythos and Logos continue to guide the search for truth in the twenty-first century.

Haben wir vergessen, dass Schler geistige Wesen sind und ber unendliches Potenzial verfgn? Als Insiderin dokumentiert Marta Marchisan, dass selbst in einem schwerbehinderten Schler oftmals viel mehr steckt als wir glauben. Sie entlarvt den von der Gesellschaft aufrecht erhaltenen Mythos um Lernschwchen und ADHS und deckt die wahren Ursachen auf, die manche Schler am Lernen hindern. Marchisan bietet praktikable Lsungen fr das Problem des Analphabetismus an und gibt uns mit ihren Anekdoten vom Kmpfen und berleben ihrer Schler in einem suppressiven Bildungssystem wieder Hoffnung. Dr. Marchisan ist fr mich mehr als Gold wert. Sie hat einem Menschen, der niemals im Leben etwas Wertvolles geleistet htte, den Weg gewiesen. Sie hat mir geholfen zu verstehen, wer ich bin, und mir gezeigt, dass ich alles erreichen kann. Simone, 12. Klasse, Hanau, Deutschland Sie hat mir das Lesen beigebracht, als es sonst niemand konnte. Things yet Undreamed: Mythos Tales

As we consider the unfolding conditions of our lives through a mythological filter, archetypal qualities of behavior recognizably manifest. This empowers us to infuse value and meaning into our lives that are relevant to our personal experience. Nietzsche understood this process to be essential in the development of his Overman. Carl Jung called this process of bringing unconscious qualities of behavior into consciousness, individuation. Building on the structure of elementary ideasthe universal symbolism that transcends cultural and spiritual landscapesLiving Mythos presents a compelling alternative to the dependency doctrines of modern tradition, and it inspires us to imagine a tomorrow in which we have reclaimed the spiritual nature of our thoughts. Through an exploration of Norse mythology and the influence of Indo-European shamanism, we may begin to understand the mythological worldview as a form of ancient psychology, designed to awaken us to our inherent potential to create and become our own unique living mythos.

Moses und der Mythos

Despite the best of intentions, a little boy's prayer brings horrifying consequences to a small village in Mexico. In the chaos following Hurricane Katrina a man is forced to confront his greatest phobia as a precondition for departure. A college student in search of a hallucinogenic experience gets more than he bargained for. A young woman obsessed with the occult discovers hidden messages in epitaphs, and acts on them. A troubled teen hopes to find relief from a tedious existence behind the door of a mysterious mausoleum. After having a premonition involving a premature burial a man takes action thinking he may yet cheat fate. A writer delves into the facts surrounding a witchcraft trial and its horrifying aftermath. Death and madness drip from the pages of "Cemetery Mythos," composed of sixteen short stories, five poems and one script. Each selection hinges on the one place where the majority of us will spend most of our earthly existence.

Fundamentalism, Mythos, and World Religions

Fundamentalism is widely feared and its influence is growing in many of the major world faiths. Arising in reaction against modernism, fundamentalism affirms a pre-Enlightenment paradigm in a post-Enlightenment era. The author supports a prediction that fundamentalists will continue to have power in a variety of religions. But their characteristic ahistorical, absolutistic, view will limit their outreach.

Mythos, the new island amusement park, has unlocked the secret to bringing mythical creatures to life. From Dragons, to unicorns, to the mighty Kraken, Mythos invites its guests to experience the impossible. Henry Lau and his classmates have just won a trip to the park of his dreams. Unfortunately, the timing couldn't be worse. Henry, who has just come out to his friends and family, is struggling to navigate the complex relationships in his life. And while boy troubles and broken friendships might seem bad, things are about to get even worse. When the park unexpectedly goes offline, he and his friends will have to work together to survive, despite their differences. In a land where nothing is as it seems and monsters lurk around every corner, they'll need to believe in themselves and each other if they hope to survive. Jaysen Headley, author of A Love Story for Witches and Longtails: The Storms of Spring proudly welcomes you to the wonderful and terrifying world of Mythos.

Tales of the Cthulhu Mythos

America was built on stories: tales of grateful immigrants arriving at Ellis Island, Horatio Alger-style transformations, self-made men, and the Protestant work ethic. In this new book, renowned sociologist Robert Wuthnow examines these most American of stories--narratives about individualism, immigration, success, religion, and ethnicity--through the eyes of recent immigrants. In doing so, he demonstrates how the "American mythos" has both legitimized American society and prevented it from fully realizing its ideals. This magisterial work is a reflection and meditation on the national consciousness. It details how Americans have traditionally relied on narratives to address what it means to be strong, morally responsible individuals and to explain why some people are more successful than others--in short, to help us make sense of our lives. But it argues that these narratives have done little to help us confront new challenges. We pass laws to end racial discrimination, yet lack the resolve to create a more equitable society. We welcome the idea of pluralism in religion and values, yet we are shaken by the difficulties immigration presents. We champion prosperity for all, but live in a country where families are still homeless. American Mythos aptly documents this disconnect between the stories we tell and the reality we face. Examining how cultural narratives may not, and often do not, reflect the reality of today's society, it challenges readers to become more reflective about what it means to live up to the American ideal.

Mythos

More than a thousand years have passed since the earth was devastated by atomic war. Four sprawling empires control vast portions of the now colonized Milky Way. A tenuous peace that has lasted almost a generation is threatened by a quickly militarizing Belarian Empire. Political intrigue, unexpected twists and morally complex issues make this sci-fi adventure anything but predictable!

Amor And Psyche

"The oldest and strongest emotion of mankind is fear, and the oldest and strongest kind of fear is fear of the unknown." --H. P. LOVECRAFT, "Supernatural Horror in Literature" Howard Phillips Lovecraft forever changed the face of horror, fantasy, and science fiction with a remarkable series of stories as influential as the works of Poe, Tolkien, and Edgar Rice Burroughs. His chilling mythology established a gateway between the known universe and an ancient dimension of otherworldly terror, whose unspeakable denizens and monstrous landscapes--dread Cthulhu, Yog-Sothoth, the Plateau of Leng, the Mountains of Madness--have earned him a permanent place in the history of the macabre. In Tales of the Cthulhu Mythos, a pantheon of horror and fantasy's finest authors pay tribute to the master of the macabre with a collection of original stories set in the fearsome Lovecraft tradition: , The Call of Cthulhu by H. P. Lovecraft: The slumbering monster-gods return to the world of mortals. , Notebook Found in a Deserted House by Robert Bloch: A lone farmboy chronicles his last stand against a hungering backwoods evil. , Cold Print by Ramsey Campbell: An avid reader of forbidden books finds a treasure trove of deadly volumes--available for a bloodcurdling price. , The Freshman by Philip José Farmer: A student of the black arts receives an education in horror at notorious Miskatonic University. Brian Lumley, author of the bestselling Necroscope and Vampire World series of novels, has for many years been a devotee' of H. P. Lovecraft's Cthulhu Mythos, by such nightmare fables as Dagon, The Call of Cthulhu The Shadow Over Innsmouth, Lovecraft's legendary Deep Ones have taken their place in terror fiction alongside the vampire and the werewolf. Now they are given the Lumley treatment in-RETURN OF THE DEEP ONES! But the Mythos was not restricted to tales of oceanic horror; nightmares out of space and time--and inner earth--abound in Lovecraft's fiction. Thus, with the addition of Beneath the Moors, Inception, and the novella, Lord of the Worms, Brian Lumley offers his latest homage to Lovecraft the Master. Now, from forbidden depths of dream and ocean, the RETURN OF THE DEEP ONES! In the field of no-holds-barred terror fiction, there's Brian Lumley--and then there's the rest ...

Jewish-Hellenistic authors rejected Greek myth, but they were also aware of its importance as a symbol of power and identity. This book offers a comprehensive reading of how Jews dealt with Greek mythology in the Hellenistic period. Jüdisch-hellenistische Autoren verwarfen die griechische Mythologie, aber sie waren sich auch der Wichtigkeit der Mythen als eines Symbols von Befugnis und Identität bewusst. Dieses Buch ist die erste weitgespannte Untersuchung über den Umgang jüdisch-hellenistischer Autoren mit der griechischen Mythologie.

The Mer Chronicles Book 1 The Caribbean, where fantasy and reality collide... True love was the last thing David Cooley expected to find in the Bahamas, but the moment he laid eyes on Faren Sands, he knew he had found the girl of his dreams. How could he know she was a mermaid from the lost island of Atlantis? Because of the strict laws regarding human contact, the couple flees the consequences of their forbidden passion, struggling to survive a conflict that has been brewing between the mermaids and sea demons for the last eleven thousand years. Once the epic battle begins, fate forces David to make a decision that will forever affect his young life. Should he stick by the woman he loves, risking his survival for a civilization that hates him?

Mythos and Logos in the Thought of Carl Jung

The author explores and defends the bold thesis that the idea of the collective unconscious can be reconciled with a scientific world outlook as he sketches a big picture from Jung's psychological viewpoint. In his examination of Jung's archetypes, Shelburne considers the chief critical views of the scientific import of Jung's thesis as he discusses the issue of rationality posed by the theory. There is also a discussion of how the ideas of James Hillman contrast with those of Jung on the issue of the scientific nature of archetypes. Shelburne presents scientific evidence for the existence of archetypes and shows how the theory fits in with modern evolutionary biology.

Cemetery Mythos

Celtic myths are far from gone. When black magic threatens to obliterate humanity and overtake the magic clans of the Celtic Isles, destiny forces 17-year-old American, Brendan O'Neal, and his younger sister, Lizzie, to intervene. Joining the desperate princess of the Leprechauns, Dorian, and her two loyal companions, Rory and Bidy, they embark on a dangerous and wondrous adventure across Ireland and Scotland to thwart evil and save mankind. The Obsidian Dagger In The Obsidian Dagger, Brendan, Lizzie, and their new companions must destroy the frightfully powerful stone dagger wielded by an evil witch. Battling the witch's mutated forces of magical beings, the heroic band will have to reach deeper into themselves than they ever thought possible to find the strength, courage, and will to see their quest through to the end. Brendan will soon learn that the lines between reality, mythology, and divinity are more blurred than he ever imagined. The Megalith Union Just as life was returning to normal for Brendan as a college freshman, the golden god of Celtic Lore, Elathan maneuvers the tendrils of destiny. Dogged by giants, alphyns, and ruas Brendan, Dorian, Lizzie, and a new cast of characters risk it all to unravel the mystery of the ultimate foe. With Corways under attack and Brendan's father captured by a forgotten enemy, can Brendan and his allies do enough to prevent the end of days? As the megalith union looms, Brendan and his friends must look to the past to prevent a future where Elathan reigns supreme. The Dominion Pulse Faced with the golden god's aggressive plans to free his powerful allies and seize control of Otherworld, Brendan and Lizzie must seek their own power and enlist the help of the wise goddess Bibe. As the worlds become further marred in darkness, the heroes must work against time if they want to save Otherworld--and themselves. The Bloodline Inheritance Magicks and humans, friends and enemies, ally themselves in a battle to save all realms In his quest to become an Immortal, Elathan seeks the Emerald Crown of the World, which holds a magic so ancient and powerful that its been hidden from all realms. As Earth's rightful Protector, only Brendan stands a chance to stop the golden god, to save the Earth and her inhabitants. But when Brendan falls under a curse that poisons his mind, Lizzie, Dorian, Frank, and their friends must band together to save him while Elathan grows in power. From Logos to Mythos

The Greek myths are amongst the greatest stories ever told, passed down through millennia and inspiring writers and artists as varied as Shakespeare, Michelangelo, James Joyce and Walt Disney. They are embedded deeply in the traditions, tales and cultural DNA of the West. You'll fall in love with Zeus, marvel at the birth of Athena, wince at Cronus and Gaia's revenge on Ouranos, weep with King Midas and hunt with the beautiful and ferocious Artemis. Spellbinding, informative and moving, Stephen Fry's Mythos perfectly captures these stories for the modern age - in all their rich and deeply human relevance.
