so you insert it properly. The plug was a little difficult the first time but I noticed it was much smoother the second. Noise is really not an issue. Far less than an old 24 inch electric trimmer I had. Performance was good; cut through 1/4" branches on the rose bush. Sep 18, 2020 · Mike, the drawing is OK, But very simplified - not a true drawing of how the wiring is installed ! Missing a circuit to supply power to slideroom motor. The drawing pictures one relay to power the in and out voltage to the motor- there are 2 power relays. One to power the slide in and one to power the slide out. input to the common point of the relay pictured is pictured; but that ... Amazon usually doesn't offer coupon codes.
