Oh, the Things They Invented! What happens when you go with your grown-up to vote? If you are a kid, you may chew over the ballot. If you are a bunny, you may hop to the polling place. If you are a piglet, you may squeal with delight when you get a sticker. And best of all, if you go with your grown-up to vote . . . you will grow up to vote yourself! Lighthearted and colorful, *If You Go with Your Goat to Vote* shows little ones just what to expect on Election Day—and will inspire grown-ups to be model voters. Includes 16 stickers!

Ice Is Nice! How are leaders elected into office? Who are the Democrats and the Republicans? What is the electoral college? This book will tell you everything you need to know about the US voting system. While you cannot yet vote, having the know-how will prepare you to make an educated decision in choosing your leaders in the future. Buy a copy now!

Voting With a Porpoise The author of *Mesmerized* delivers another fascinating glimpse into history, this time the story of two brave suffragists on a trek across America to spread the word: Votes for Women! In April 1916, Nell Richardson and Alice Burke set out from New York City in a little yellow car, embarking on a bumpy, muddy, unmapped journey ten thousand miles long. They took with them a teeny typewriter, a tiny sewing machine, a wee black kitten, and a message for Americans all across the country: Votes for Women! The women's suffrage movement was in full swing, and Nell and Alice would not let anything keep them from spreading the word about equal voting rights for women. Braving blizzards, deserts, and naysayers--not to mention a whole lot of tires stuck in the mud--the two courageous friends made their way through the cities and towns of America to further their cause. One hundred years after Nell and Alice set off on their trip, Mara Rockliff revives their spirit in a lively and whimsical picture book, with exuberant illustrations by Hadley Hooper bringing their inspiring historical trek to life.

Robert's Rules of Order Eleanor Roosevelt's book on citizenship for young people now revised and updated for a contemporary audience. In the voice of one of the most iconic and beloved political figures of the twentieth century comes a book on citizenship for the future voters of the twenty-first century. Eleanor Roosevelt published the original edition of *When You Grow Up to Vote* in 1932, the same year her husband was elected president. The new edition has updated information and back matter as well as fresh, bold art from award-winning artist Grace Lin. Beginning with government workers like firefighters and garbage collectors, and moving up through local government to the national stage, this book explains that the people in government work the voter. Fresh, contemporary, and even fun, *When You Grow Up to Vote* is the book parents and teachers need to talk to children about how our government is designed to work.

One Vote Just in time for Election Day, this hilarious new Beginner Book featuring Dr. Seuss's *Cat in the Hat*--and the changes he'd make if elected president of the United States--is perfect for introducing young readers to the White House! Think politics is boring for kids? Think again! If the *Cat in the Hat* is elected president, life in the White House is about to get a lot more interesting--and funny! The *Cat* plans to shake things up. On his agenda: To change the shape of the Oval Office (to make it far more OVAL-ER-ER); to replant the Rose Garden with Seussian shrubbery; to paint smiles on portraits of frowning world leaders; and (among other things) to shoot a SOCK-IT rocket into space to shower the United States with an explosion of socks! Written in rhyme and featuring a cast of characters from *The Cat in the Hat* and *The Cat in the Hat Comes Back*, this is the perfect, kid-friendly way to introduce beginning readers to life in the White House AND to the *Cat in the Hat*. Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning.

Let's Vote on It! With every presidential election, Americans puzzle over the peculiar mechanism of the Electoral College. The author of the Pulitzer finalist *The Right to Vote* explains the enduring problem of this controversial institution. Every four years, millions of Americans wonder why they choose their presidents through the Electoral College, an arcane institution that permits the loser of the popular vote to become president and narrows campaigns to swing states. Most Americans would prefer a national popular vote, and

Read Online One Vote Two Votes I Vote You Vote Cat In The Hats Learning Library

Congress has attempted on many occasions to alter or scuttle the Electoral College. Several of these efforts—one as recently as 1970—came very close to winning approval. Yet this controversial system remains. Alexander Keyssar explains its persistence. After tracing the Electoral College's tangled origins at the Constitutional Convention, he explores the efforts from 1800 to 2019 to abolish or significantly reform it, showing why each has thus far failed. Reasons include the tendency of political parties to elevate partisan advantage above democratic values, the difficulty of passing constitutional amendments, and, especially, the impulse to preserve white supremacy in the South, which led to the region's prolonged backing of the Electoral College. The most common explanation—that small states have blocked reform for fear of losing influence—has only occasionally been true. Keyssar examines why reform of the Electoral College has received so little attention from Congress for the last forty years, as well as alternatives to congressional action such as the National Popular Vote Interstate Compact and state efforts to eliminate winner-take-all. In analyzing the reasons for past failures while showing how close the nation has come to abolishing the institution, *Why Do We Still Have the Electoral College?* offers encouragement to those hoping to produce change in the twenty-first century.

Curious George Votes An exploration of the role of elections in the French Revolution based on extensive research in different regions of France.

Dr. Seuss's Every Voice Counts! Uses the example of voting to choose a class pet to introduce voting and the American election process.

Elections in the French Revolution The *Cat in the Hat* looks at how, why, and who we vote for in a rhyming, nonfiction book that's perfect for Election Day, President's Day, and year-round reading—now with 16 bonus-pages of kid-friendly voting activities! Written in simple rhyme, this *Cat in the Hat's Learning Library Book* introduces early readers to the concept and practice of voting—with a focus on the American Presidency! Revised to include 16 pages of activities showing kids how to hold their own elections, it's an ideal choice for reading and talking about voting—whether for classroom pet or leader of the free world! Readers will learn the basic principles of democracy; how political parties are made; why Election Day is held in early November; and much more. Fans of the hit PBS show *The Cat in the Hat Knows a Lot About That!* will be delighted to see the *Cat* knows as much about history and civic responsibility as he does about science!

One Vote, Two Votes, I Vote, You Vote THE *CAT IN the Hat* puts to rest any notion that money grows on trees in this super simple look at numismatics, the study of money and its history. Beginning with the ancient practice of bartering, the *Cat* explains various forms of money used in different cultures, from shells, feathers, leather, and jade to metal ingots to coins (including the smallest—the BB-like Indian fanam—and the largest—the 8-foot-wide, ship-sinking limestone ones from the Islands of Yap!), to the current king of currency, paper. Also included is a look at banking, from the use of temples as the first banks to the concept of gaining or paying interest, and a step-by-step guide to minting coins. A fascinating introduction is bound to change young reader's appreciation for change!

Happy Pi Day to You! An expert on US election law presents an encouraging assessment of current efforts to make our voting system more accessible, reliable, and effective. In contrast to the anxiety surrounding our voting system, with stories about voter suppression and manipulation, there are actually quite a few positive initiatives toward voting rights reform. Professor Joshua A. Douglas, an expert on our electoral system, examines these encouraging developments in this inspiring book about how regular Americans are working to take back their democracy, one community at a time. Told through the narratives of those working on positive voting rights reforms, Douglas includes chapters on expanding voter eligibility, easing voter registration rules, making voting more convenient, enhancing accessibility at the polls, providing voters with more choices, finding ways to comply with voter ID rules, giving redistricting back to the voters, pushing back on big money through local and state efforts, using journalism to make the system more accountable, and improving civics education. At the end, the book includes an appendix that lists organizations all over the country working on these efforts. Unusually accessible for a lay audience and thoroughly researched, this book gives anyone fed up with our current political environment the ideas and tools necessary to affect change in their own communities.

One Vote, Two Votes, I Vote, You Vote With Justice Ruth Bader Ginsburg's sudden passing, control of the Supreme Court—and with it the fate of the Constitution—has become the deciding issue for many voters in the 2020 presidential election. And the stakes could not be higher. With a simple majority on the Supreme Court, the left will have the power to curtail or even abolish the freedoms that have made our country a beacon to the world. We are one vote away from losing the Republic that the Founders handed down to us. Our most precious constitutional rights hang by a thread. Senator Ted Cruz has spent his entire career on the front line of the war to protect our constitutional rights. And as a Supreme Court clerk, solicitor general of Texas, and private litigator, he played a key role in some of the most important legal cases of the past two decades. In *One Vote Away*, you will discover how often the high court decisions that affect your life have been decided by just one vote. One vote preserves your right to speak freely, to bear arms, and to exercise your faith. One vote will determine whether your children enjoy their full inheritance as American citizens. God may endow us with "certain unalienable rights," but whether we enjoy them depends on nine

Read Online One Vote Two Votes I Vote You Vote Cat In The Hats Learning Library

judges—the “priests of the robe” who have the last say in our system of government. Drawing back the curtain of their temple, Senator Cruz reveals the struggles, arguments, and strife that have shaped the fate of those rights. No one who reads *One Vote Away* can ever again take a single seat on the Supreme Court for granted.

Dr. Seuss: The Great Doodler Presents a groundbreaking investigation into the origins of morality at the core of religion and politics, offering scholarly insight into the motivations behind cultural clashes that are polarizing America.

The Right to Vote The Cat in the Hat learns all about cats—wild and domestic—in this feline-focused *Cat in the Hat's Learning Library* book! Traveling aboard his Kitty-Cat-Copter, the Cat takes Sally and Nick to meet lions in Kenya, tigers in Bangkok, Siamese down the block—learning along the way those traits that all cats share: scratchy tongues, padded paws, sensitive whiskers, sharp claws, and those things unique to different species. With information about the anatomy and behavior of well-known species and breeds—including lions, tigers, leopards, cheetah, jaguar, ocelots, cougar, American shorthair, Persian, Siamese—and lesser-known ones, like clouded leopards, caracals, Turkish Vans, Scottish folds, American curls, Raga Muffins, and more—there's something here for cat/Cat lovers of all kinds! Fans of the hit PBS Kids show *The Cat in the Hat Knows a Lot About That!* (which is based on the *Cat in the Hat's Learning Library*) won't want to miss this purrfect new addition to the series.

Why Do We Still Have the Electoral College? Join the Cat in the Hat as he explains how to measure circles and calculate pi in this perfect choice for Pi Day celebrations and nurturing a love of math and numbers! The Cat in the Hat makes calculating pi—one of the most fascinating numbers in mathematics—as easy as pie! Using a piece of string and two sticks, the Cat first shows beginning readers how to draw a perfect circle. Then, using a can and a piece of ribbon, he shows how to measure a circle's circumference and diameter, and to use those measurements to calculate pi. Also included is information about the history of measurement and famous Pi Pioneers! Written in simple rhyme, *Happy Pi Day* is a natural choice for celebrating Pi Day (held annually on March 14), and for nurturing a child's interest in math. Fans of the hit PBS show *The Cat in the Hat Knows a Lot About That!* will be delighted at this new addition to the Learning Library series.

Around America to Win the Vote Dr. Seuss's irrepressible optimism is front and center in *Did I Ever Tell You How Lucky You Are?* “When you think things are bad, when you feel sour and blue, when you start to get mad . . . you should do what I do!” So begins the terrific advice of the wise old man in the Desert of Drize. This classic book provides the perfect antidote for readers of all ages who are feeling a bit down in the dumps. Thanks to Dr. Seuss's trademark rhymes and signature illustrations, readers will, without a doubt, realize just how lucky they truly are. This Read & Listen edition contains audio narration.

When You Grow Up to Vote A little girl imagines what her day would be like if she were President of the United States.

One Vote, Two Votes, I Vote, You Vote A Step 3 Biography Reader about Theodor Geisel and his transformation from a doodler into the beloved Dr. Seuss. Little Ted Geisel always had a sketchpad and pencil in hand. He was a Boy Scout with a penchant for creating zany creatures. He grew up with a love of books and words from his mother, and his inventor father spawned a wildly imaginative and perfectionist side. It's no wonder that these qualities led to the beloved work of Dr. Seuss, the Great Doodler. Follow his career as an ad man, political cartoonist, creator of forty-five indelible children's books, and Pulitzer Prize winner. Not bad for a lifelong doodler! Includes fun facts and several of Dr. Seuss's original sketches and artwork! Selected as one of the Best Children's Books of the Year-2017, by the Bank Street College of Education and Children's Book Committee! Step 3 Readers feature engaging characters in easy-to-follow plots about popular topics. For children who are ready to read on their own.

If I Ran the Horse Show *V Is for Voting* is an ABC book that introduces progressive families to concepts like social justice and civil rights and reminds readers that every vote counts! A is for active participation. B is for building a more equal nation. C is for citizens' rights and our duty. D is for difference, our strength and our beauty. An engaging introduction to the tenets of democracy, *V Is for Voting* is a playful, poetic, and powerful primer about the importance of voting and activism. Featuring Kate Farrell's rhyming text and Caitlin Kuhwald's bold art, plus thoughtful back matter, the book is a gorgeous, and crucial, addition to every young reader's library. It makes the perfect gift for fans of *A Is for Activist*, *Woke Baby*, and *Feminist Baby*.

One Person, No Vote Learn about sharks with everyone's favorite Cat in the Hat! The Cat in the Hat dives deep in this fascinating exploration of the world of sharks. Learn about the different types of sharks, how we study them, and why they aren't so scary after all. Perfect for kids who love sharks and Dr. Seuss alike, and for any kid who loves learning and science. The Cat in the Hat's Learning Library is a nonfiction, unjacketed hardcover series that introduces beginning readers ages 5-8 to important basic concepts. Featuring beloved characters from Dr. Seuss's *The Cat in the Hat*, the Learning Library titles explore a range of topics about the world we live in and include an index, glossary, and suggestions for further reading. “Pretty much all the stuff you need to know is in Dr. Seuss.” -President Barack Obama

The Righteous Mind In this latest installment of the Cat in the Hat's Learning Library, the Cat takes Sally and Nick to Africa—where they meet some really big cats—and all sorts of other animals, too, including elephants, zebra, giraffe, hippos, warthogs, buffalo, baboons, side-striped jackals, spotted hyena, galagos, pythons, vipers, and six kinds of antelope! Young readers will learn how animals are either predators or prey, that elephants tend to favor one tusk over the other, how to tell the difference between a white and black rhino (both of which are grey!), that lion cubs are born covered with spots that soon disappear, and much, much more! Fans of the new PBS preschool science show *The Cat in the Hat Knows a Lot About That!* (which is based on *The Cat in the Hat's Learning Library*) won't want to miss this wild new addition to the series!

Vote for Us “It's hard to imagine a more accessible introduction to voting” than Eileen Christelow's hilariously illustrated *Vote!*, now updated for the 2018 midterm elections. (Booklist, starred review) * “It's hard to imagine a more accessible introduction to voting.” —Booklist, starred review “Explains the whys and wherefores of the voting process . . . and why it all matters.” —Washington Post An ALA Notable Children's Book An IRA-CBC Children's Choice Eileen Christelow's *Vote!* has everything you need to know about voting and how our democracy works—parties, voter registration, campaigns, rallies, debates, Election Day, even recounts! Topics are presented in a clear, kid-friendly graphic format as the story of a local election unfolds, with hilarious commentary by the candidates' pets. Includes updated back matter for the 2018 midterm election.

Vote! It's election day at the elementary school, and Curious George gets to join in the vote on the new school mascot! It's election day, and Curious George is ready to cast his vote! On election day at the elementary school, Curious George and his friend the Man with the Yellow Hat are visiting just in time to see the kids voting for their new school mascot. George can't resist getting in on the fun. He learns about the candidates, collects campaign stickers, and casts a lot of ballots. But what will happen when his hijinks start to get in the way of the vote? And who will win the big election?

If You Go with Your Goat to Vote Chill out with the Cat in the Hat as he takes Sally and Dick to visit the North and South Poles in this very cool Cat in the Hat Learning Library book! As the Cat and Co. mingle with reindeer, musk oxen, polar bears, caribou, and all sorts of penguins, they discover how the animals stay warm in freezing temperatures, why it's colder at the South Pole than at the North Pole, that one pole is located on land and the other isn't, and how scientists are studying climate change to keep both poles icy cold. Perfect for fans of the hit PBS kids TV show *The Cat in the Hat Knows a Lot About That!*, this is a great choice for curling up with on a winter's day!

What Cat Is That? A fresh interpretation of the disputed presidential election of 1876 between Rutherford Hayes and Samuel Tilden, which was characterized by allegations of election fraud and a narrow victory by a single electoral vote. Many historians consider this election the precursor to the bitterly divisive 2000 Bush-Gore election.

Safari, So Good! The Cat in the Hat takes Sally and Dick for an “umbrella-vator” ride through the understory, canopy, and emergent layers of a tropical rain forest, encountering a host of plants, animals, and native peoples along the way.

V Is for Voting From the first printing press to the World Wide Web—the Cat looks at inventors and inventions that have changed our lives! The Cat in the Hat goes back in time to meet with the masterminds of more than a dozen inventions that made a major impact on our lives today—from famous figures like Thomas Edison, Alexander Graham Bell, and the Wright brothers to lesser-known ones like Garrett Morgan, Mary Anderson, and Tim Berners-Lee. Children will learn basic information about each invention, as well as fascinating facts like how Guttenberg's famous printing machine was made from an old wine press, how a steaming teakettle may have inspired the creation of the steam engine, and how table salt changed the history of photography. Ideal for supporting the Common Core State Standards, and a natural for fans of the hit PBS Kids show *The Cat in the Hat Knows a Lot About That!*, this is a great way to introduce beginning readers to science!

Hark! A Shark! The school gym is a polling place and Bailey, Ren, David, Meg, Aiden, and Isabella know all about Election Day and voting! Bailey helped her Aunt Julia run for a seat on the city council. Aiden goes with his grandpa to vote. David's brother Jake will be voting for the first time. Meg talks about how years ago, some citizens were not permitted to vote. A perfect picture book for future voters of America, *Today on Election Day* will simultaneously entertain and educate.

Today on Election Day Long-listed for the National Book Award in Nonfiction From the award-winning, New York Times bestselling author of *White Rage*, the startling--and timely--history of voter suppression in America, with a foreword by Senator Dick Durbin. In her New York Times bestseller *White Rage*, Carol Anderson laid bare an insidious history of policies that have systematically impeded black progress in America, from 1865 to our combustible present. With *One Person, No Vote*, she chronicles a related history: the rollbacks to African American participation in the vote since the 2013 Supreme Court decision that eviscerated the Voting Rights Act of 1965. Known as the Shelby ruling, this decision effectively allowed

Read Online One Vote Two Votes I Vote You Vote Cat In The Hats Learning Library

districts with a demonstrated history of racial discrimination to change voting requirements without approval from the Department of Justice. Focusing on the aftermath of Shelby, Anderson follows the astonishing story of government-dictated racial discrimination unfolding before our very eyes as more and more states adopt voter suppression laws. In gripping, enlightening detail she explains how voter suppression works, from photo ID requirements to gerrymandering to poll closures. And with vivid characters, she explores the resistance: the organizing, activism, and court battles to restore the basic right to vote to all Americans as the nation gears up for the 2018 midterm elections.

One Cent, Two Cents, Old Cent, New Cent A pod of dolphins (and their porpoise friend, Petey) is in trouble. Their reef no longer provides the food they need to survive. The pod can't figure out what to do until Petey suggests they hold an election to decide. **Voting With a Porpoise** is a fun, timeless, and beautifully illustrated story that teaches children how elections and voting have the power to solve hard problems. The authors created this book to help change the culture around elections and voting. To that end, 100 percent of the profits for **Voting With a Porpoise** will be donated to 501(c)(3) non-partisan voting-related causes focused on getting more people of all backgrounds to the polls, such as **Rock the Vote**, **Vote.org**, **TurboVote**, and others.

By One Vote "From the Whos of Who-ville, who spoke up and saved their world, comes the perfect gift to encourage anyone to use their voice."--Back cover.

Did I Ever Tell You How Lucky You Are? Read & Listen Edition Originally published in 2000, **The Right to Vote** was widely hailed as a magisterial account of the evolution of suffrage from the American Revolution to the end of the twentieth century. In this revised and updated edition, Keyssar carries the story forward, from the disputed presidential contest of 2000 through the 2008 campaign and the election of Barack Obama. **The Right to Vote** is a sweeping reinterpretation of American political history as well as a meditation on the meaning of democracy in contemporary American life.

One Vote Away Robert's Rules of Order Newly Revised, commonly referred to as **Robert's Rules of Order**, **RONR**, or simply **Robert's Rules**, is the most widely used manual of parliamentary procedure in the United States. It governs the meetings of a diverse range of organizations—including church groups, county commissions, homeowners associations, nonprofit associations, professional societies, school boards, and trade unions—that have adopted it as their parliamentary authority. The manual was first published in 1876 by US Army officer Henry Martyn Robert, who adapted the rules and practice of Congress to the needs of non-legislative societies. Ten subsequent editions have been published, including major revisions in 1915 and 1970. The copyright to **Robert's Rules of Order Newly Revised** is owned by the **Robert's Rules Association**, which selects by contract an authorship team to continue the task of revising and updating the book. The 11th and current edition was published in 2011. In 2005, the **Robert's Rules Association** published an official concise guide, titled **Robert's Rules of Order Newly Revised In Brief**. A second edition of the brief book was published in 2011.

Get Out the Vote In simple rhyme, the **Cat in the Hat** introduces early readers to the concept and practice of voting—with a focus on the American presidency! Learn the basic principles of democracy, how political parties are formed, why Election Day is held in early N

Would You Rather Be a Pollywog Cats normally don't like water, but the **Cat in the Hat** is no normal puss! He's fond of ponds, and in this latest **Cat in the Hat's Learning Library** book, he takes Sally and Dick on a trip to show them how ponds are fascinating places teeming with life. From algae to snails, leeches, insects, fish, frogs, newts, turtles, ducks, swans, and more, the **Cat** explains how all different kinds of plants and animals make their home in and around ponds, as well as examining the difference between complete and incomplete metamorphosis and the various stages of frog development. Ideal for spring and summer reading, this is a beginning reader that will inspire kids to get outside and explore!

Everything You Need to Know about The US Voting System - Government Books for Kids | Children's Government Books Calling all young equestrians and **Cat (in the Hat)** fanciers! In this latest installment of the **Cat in the Hat's Learning Library**, the **Cat** introduces Sally and Nick—and beginning readers—to all things horsey. At his **Super-Tremendous-Stupendous Horse Show**, the **Cat** explains how horses and people have worked together since ancient times; the difference between fillies, foals, yearlings, mares, colts, dams, sires, and stallions; horse anatomy from nose to tail; the work of a farrier, Western vs English riding; and much, much more—including fun facts about 13 of the most popular horse breeds! If I Ran the Rain Forest The **Cat in the Hat** looks at how we vote, why we vote, and who we vote for in a rhyming book that's perfect for Presidents' Day reading In simple rhyme, the **Cat in the Hat** introduces early readers to the concept and practice of voting—with a focus on the American presidency Learn the basic principles of democracy, how political parties are formed, why Election Day is held in early November, and much, much more An ideal choice for reading and talking about elections (whether for a classroom pet or the leader of the free world), this is also perfect for supporting the Common Core State Standards. Fans of the

hit PBS show *The Cat in the Hat Knows a Lot About That* will be delighted to see the Cat knows as much about history and civic responsibility as he does about science

If I Had Your Vote--By the Cat in the Hat The first edition of *Get Out the Vote!* broke ground by introducing a new scientific approach to the challenge of voter mobilization and profoundly influenced how campaigns operate. In this expanded and updated edition, the authors incorporate data from more than one hundred new studies, which shed new light on the cost-effectiveness and efficiency of various campaign tactics, including door-to-door canvassing, e-mail, direct mail, and telephone calls. Two new chapters focus on the effectiveness of mass media campaigns and events such as candidate forums and Election Day festivals. Available in time for the core of the 2008 presidential campaign, this practical guide on voter mobilization is sure to be an important resource for consultants, candidates, and grassroots organizations. Praise for the first edition: "Donald P. Green and Alan S. Gerber have studied turnout for years. Their findings, based on dozens of controlled experiments done as part of actual campaigns, are summarized in a slim and readable new book called *Get Out the Vote!*, which is bound to become a bible for politicians and activists of all stripes." —Alan B. Kreuger, in the *New York Times* "*Get Out the Vote!* shatters conventional wisdom about GOTV." —Hal Malchow in *Campaigns & Elections* "Green and Gerber's recent book represents important innovations in the study of turnout."—*Political Science Review* "Green and Gerber have provided a valuable resource for grassroots campaigns across the spectrum."—*National Journal*

Securing the Vote During the 2016 presidential election, America's election infrastructure was targeted by actors sponsored by the Russian government. *Securing the Vote: Protecting American Democracy* examines the challenges arising out of the 2016 federal election, assesses current technology and standards for voting, and recommends steps that the federal government, state and local governments, election administrators, and vendors of voting technology should take to improve the security of election infrastructure. In doing so, the report provides a vision of voting that is more secure, accessible, reliable, and verifiable.

Madam President Discover the True Power of the Ballot The vast majority of Americans feel that our nation is moving in the wrong direction, but we feel powerless to do anything about it. Maybe, that's why in the presidential election of 2012, more people did not vote than voted for either candidate. We, the people, must realize we hold the power through our one vote. If we do not exercise that power, we have no right to complain! In *One Vote*, Dr. Ben Carson makes an urgent, nonpartisan, and unbiased plea for every American citizen to exercise the power of their vote in every election. This convenient and easy-to-use book will give you everything you need to become an informed voter. After reading this book, you will know how to ask the right questions about candidates, parties, and voting records; find the candidates and political parties that coincide with your values; locate your own senator and congressman; request information from your representatives; discover what bills your representatives have sponsored; and uncover how your representatives have voted in the past. *One Vote* can help you make sure your voice is heard.
