Ecclesia Discens

Escape to Ecclesia

The Ekklesia Pro Ecclesia is a quarterly journal of theology published by the Center for Catholic and Evangelical Theology.

Christus in Ecclesia This book, titled Ecclesia Mystera, is intended to lay the foundation for a new spiritual community or congregation, which our tradition calls the Ecclesia. The Ecclesia can best be described as a contemporary spiritual congregation that remains faithful to the original Gnostic tradition of the Classical Sethian movement. The Ecclesia is a guide or path which leads its travelers on a journey of revelation. It is genuinely amoral in that we do not concern ourselves with moral codes or concepts, which change from decade to decade, but rather we focus on eternal things which cannot and do not change. These are the only things that really matter, and that should matter. This book is intended to fulfill three purposes: 1. It offers a Gnostic mythos that is both traditional and progressive. 2. It offers the reader a series of solo practices that can be put into practice immediately. 3. It will provide steps for those who wish to go beyond and join an actual community of Gnostics.

Netherlandish Books (NB) (2 Vols.) In a world between worlds, Molly Grace, a very special teenage girl, struggles with her destiny to lead both humans and an amphibious race of aliens on their shared, parallel journey of transformation. Both races are swept up in a tide of evolutionary revolution, and each will learn that they need the other in ways neither could predict. Escape to Ecclesia brings together the disparate fields of science and spirituality to tell the story of two different species who share a common challenge. This adventure unfolds as an unexpected journey through the experience of an ever-expanding universe, highlighting the spiritual power of personal energy and focus. As told from Molly 's point of view, the story brings new perspectives to certain significant moments of human history as their places in the big picture are revealed. Molly 's quest is not without challenge or conflicts, as both human and alien encounter obstacles along the way. Her journey is a metaphor for the greater journey both species face, and in her successes and failures she inspires and educates them both. This story offers a new look at some old ideas and proposes creative perspectives on the age-old belief of a utopian society of the future.

Ecclesia et Violentia

Ecclesia

Pro Ecclesia Vol 19-N2

Rosa's summer wanderings, by the authoress of 'Floreat Ecclesia' (R. Raine). Repr., with additions, from the Churchman's companion DIVToday there is a lot of emphasis on building within Christianity. We speak of building the kingdom and building the church, neither of which are our responsibility. The Father has given us the kingdom and Christ said He would build the church. In the New Testament, the word translated as church is Ekklesia. /div

Pro Ecclesia Vol 15-N4 Dynamic New Teaching from Bestselling Author Ed Silvoso The word church has many connotations; we think of it as a specific building, as a group of people, even as a long service to sit through. We hardly ever think of it as world-changing--and neither does society. Yet this is exactly what the first-century ekklesia was. In these vital, eye-opening pages, bestselling author Ed Silvoso takes you back to the first days of the church. Digging into Scripture, he shows how the New Testament church--devoid of buildings, professional clergy, and religious freedom--was able to transform the hostile, pagan places into which it was born and set in motion a process that changed the world forever. Even more, Silvoso offers a roadmap back to becoming the ekklesia Jesus called his church to be. In the midst of the social, economic, political, and moral chaos in our world today, we possess the hope that people and nations so desperately need--and we can become the revolutionary, transformational, life-giving voice Jesus called us to be. A new, in-depth curriculum kit--which features a DVD with 12 brand-new teaching sessions, a group guide for both leaders and participants, and a copy of the book--is also available. Expounding on the book's dynamic teachings, each kit contains everything you need to equip your group to transform the world around them.

A Text-book of Church History

The Book of Common Prayer in eight languages: namely, English, French, Italian by A. Montucci and L. Valetti , German by I. H. W. K ü per , Spanish by Blanco White , Greek, ancient by J. Duport and modern by A. Calbo , Latin revised by J. Carey ; to which are added the Services used at Sea, the Services for the 29th and the 30th of January, and the 5th of November, with the Form of consecrating Bishops, Priests, and Deacons, also the Thirty-Nine Articles of Religion, in Latin and English; and the Service used at the Convocation of the Clergy Lat. Pro Ecclesia is a quarterly journal of theology published by the Center for Catholic and Evangelical Theology.

A Literal Extension and Translation of the Portion of Domesday Book Relating to Cheshire and Lancashire, and to Parts of Flintshire and Denbighshire, Cumberland, Westmoreland, and Yorkshire Ecclesia et Violentia is an interdisciplinary anthology that explores the phenomenon of violence in relation to the medieval Church, as well as within the structures of that institution. The volume provides a clearer understanding of hostile and violent acts against both religious institutions and clergy, and explores the interpersonal aggression between clergymen or forms of violent behaviour of medieval clerics. It investigates, furthermore, the role of violence in maintaining discipline within religious communities, as well as religious, legal and cultural interpretations of the aforementioned issues. However, despite the many points of view expressed here, the central question the authors reconcile is how the phenomenon of violence interacted with the most important medieval institution, and official Church thinking regarding concepts such as power, rank, feudal loyalty and protection and ownership. Through the geographical diversity of the contributions and the variety of disciplinary perspectives, this book highlights how important violence was in the life of the clergy and how it formed an integral part of the legal culture and social bonds in many regions of medieval Europe.

## Pro Ecclesia Vol 27-N2

Ecclesia, the bride: a poem Pro Ecclesia is a quarterly journal of theology published by the Center for Catholic and Evangelical Theology.

A Text-book of the History of Doctrines Recent theology offers few attempts to come to grips with the meaning and implications of the ascension of Jesus. Professor Farrow begins with a discussion of the biblical treatment of the ascension and Eucharistic celebration, from which emerges the unique ecclesial worldview. There are chapters on the treatment of these ideas by Irenaeus, Origen and Augustine, and on developments up to the Reformation. He explores the link between ideas of the ascension, cosmology and ecclesiology. Farrow goes on to examine the difficulties faced by the doctrine of ascension in the modern scientific world. In a final chapter he calls for an ecclesiology, which does not marginalise the human Jesus>

Ecclesia Lutherana Although the word ecclesiology," meaning "the study of Church," is recent in the history of theology, ecclesiology as a recognized theology emerged slowly. Its reflections on the nature, function, and structures of the Church date back to New Testament times. Ecclesia sheds light on this study by presenting invaluable information on a wide range of toics about the Church. Since Vatican II, an integration of many theological disciplines and fields has enriched our understanding of the Church, and this reference work continues that education for al who seek a deeper understanding of the Church and its background. "
