"The weapons of our warfare are not carnal but mighty through God to the pulling down of strongholds." —2 Corinthians 10:4 Part One: In Mighty Through God, R shares about habits, roots, and strongholds. Weaving God's Word together with personal stories of her life, Reverend Ginny brings home the point that a bad habit not dealt with, it can become a stronghold that has more control over you than you have over that stronghold. Strongholds are a destructive grip controlling one's The Weapons of Warfare—the Blood, God's Word, the Name of Jesus, Prayer, Praise, and Love, given by God—Mighty Through God shows how we can be victorious we face in every area of our lives.

Critical edition of previously unpublished works by a key philosopher of the fifteenth-century Low Countries Peter de Rivo (c.1420–1499), a renowned philosopher of Leuven, is today mostly remembered for his controversial role in the quarrel over future contingents (1465–1475). Much less known are his contributions to hi particular his attempts to determine the dates of Christ's birth and death. In 1471, Peter made an original contribution to this long-standing discussion with his D Christi, which reconciles conflicting views by rewriting the history of the Jewish and Christian calendars. Later in his career, Peter tackled the issue of calendar re kalendarii Romani (1488) and engaged in a heated debate with Paul of Middelburg on the chronology of Christ. This book edits the Dyalogus and Reformacio and s

From the Publisher: Bart Ehrman, author of the bestsellers *Misquoting Jesus* and *Truth and Fiction in The Da Vinci Code*, here takes readers on another engaging tour of the Christian church, illuminating the lives of three of Jesus' most intriguing followers: Simon Peter, Paul of Tarsus, and Mary Magdalene.

### [Restoring Hope : Remain hopeful when hope is lost](#)

### [More Than These](#)

The book is in two volumes and describes the evolution of Judeo-Christianity and Islam and the 1,300 years of warfare between them. Islam and Christianity follow characteristics and differing doctrine-free will versus determinism. They were engaged in bloody conflict from AD 632 until 1856 (Crimean War) when the Ottoman Empire was a sick man of Europe. It reignited with Egyptian encouragement backed by Soviet money, the arming of fedayeen terrorists in 1956, and the Six-Day War following the Suez Canal, and it has become progressively more serious ever since.

The Abandoned Town By: Libby Fenton With many paranormal happenings taking place, Addilyn, J.J., Carlisle, and A.J. have their work cut out for them. As a paranormal investigator, the crew takes a job that is challenging not only their skills, but their relationships, to the max. With a story intertwined with romance and suspense, there are surprises and turns.

### [Peter, Paul, and Mary Magdalene](#)

'What is the meaning of a word?' In this thought-provoking book, Hagberg demonstrates how this question—which initiated Wittgenstein's later work in the philosophy of language—is significant for our understanding not only of linguistic meaning but of the meaning of works of art and literature as well.

### [Put Your Potatoes on the Desktop - Christian Version](#)

What happens when the storm does not pass? When the pain does not stop? When the prodigal does not return? When our sins continue to taunt us? When we break the same hearts again and again? When the chasm between what we do and what God intends widens until we can't even see the other side? In six very short parables in the Gospels, Jesus addressed the too much and the too late scenarios of our lives. Pastor, teacher, and author Shane Stanford brings these meetings vividly to life. Jesus' passion for restoring the unrestorable and redeeming the unredeemable. As a hemophiliac who lives with HIV and hepatitis-C, Stanford has deeply and personally experienced the too much and the too late of life, and recognizes his own story in these six appointments with Jesus. In *When God Disappears*, he helps us to do the same: to see all too-human Jesus encounters and to experience the grace and hope of a God who has not forgotten us.

### [1 & 2 Peter](#)

### [Meaning and Interpretation](#)

This special bundle unites two books, one of short stories and one novel, by one of Canada's premier short fiction writers. *The Sky Is Falling* deftly intertwines the confusion, and the dread of nuclear disaster with the comical infighting of a cast of well-meaning political activists, and the timelessness of the great Russian claustrophobia. In an age of paranoia and terror, Caroline Adderson's witty, accomplished novel returns the reader to another fearful era, when the world teetered on the brink of nuclear annihilation. *Pleased to Meet You* collects nine razor-sharp stories. Stylistically varied and linguistically confident, these are compulsively readable stories that explore the complexities of the human heart. A dying Finn, a philandering photographer recovering from an emergency splenectomy, a young woman heavy with an hysterical pregnancy, and a man who is just some of the surprising characters that people these pages.

### [The Sacrament of Evangelism](#)

From the winner of the 2006 Marian Engel Award comes a funny, absorbing and timely novel about fear in our time. On a spring day in 2004, Jane Z. a physician's daughter, and her teenage son, opens her morning newspaper and is shocked to see a familiar face on the front page. Sonia, a lost friend accused of terrorism, has just been released from prison. It all comes flooding back to Jane, how twenty years before her life took a very different course. At nineteen, Jane rents a room in a shared student house with a group of idealists: Sonia, who yearns to save the world's children from nuclear war; the Marxist-leaning Dieter; and the anarcho-feminist-pacifist Pete. A bookish misfit, her friends quickly draw Jane into NAG!, a non-violent, anti-nuclear direct action group. To Jane, who is studying Russian and Russian literature, her compatriots, with their utopian idealism and youthful pathos, soon seem Chekhovian to her. Meanwhile, NAG! plans its most ambitious action, crossing the border into the United States to chain themselves to the border fence. Tension increases as the group mounts each successive protest, until a bomb explodes and changes everything. *The Sky Is Falling* deftly intertwines themes

### [A Question of Answers](#)

If you are experiencing trials, you will find encouragement and comfort in the epistles of Peter. Writing to believers who were being persecuted for their faith, Pet an important part of spiritual development in the individual. This self-study guide will also help you explore Peter's practical guidelines for handling everyday respon the church, the home, and the world. In his second letter Peter reveals God's design for the future, including a graphic description of the destruction of the earth. Bible Self-Study Guide series are designed to provide you with a broader understanding of God's Word. Offering historical context and background, author informat helps, these books will equip you with a comprehensive reference tool you'll return to often. Each study includes an opportunity for analysis, response, and further oriented format. The thirty-nine books in this series are suitable for both personal and group use.

### [An Introduction to Jesus and the Gospels](#)

Unlike other New Testament persons described in the Paul's Social Network Series, Peter was a member of Jesus' inner circle during his life and ministry in Galilee. This book explores the depictions of Peter that appear throughout the New Testament for insights into who he was. Readers will learn what it means that Peter was a villager, a holy person, an authorized change agent, a moral entrepreneur, a healer, a speaker, and a writer. In the end, they will understand Peter's message, and the message of the New Testament more deeply.

### [Peter de Rivo on Chronology and the Calendar](#)

The Answers All of Them and No B.S. sounds like a pretty pompous statement, but when you consider it, this book proves that the Bible is the only perfect written work of sixty-six books, written by many different men inspired by God, over a period of thousands of years. That proves God is real, using mathematics and fulfilled prophecy. One Who created heaven and earth; and that there is no such thing as the big bang, which science keeps on trying to sell to everybody (it may be something of a lie). Many books offer true, life-changing information as does this one. Open your mind and heart and allow the Lord God Almighty to reveal Himself to you. Become a member of the power of the blood of Jesus. Go ahead. Open the book. Read it. You'll be glad you did.

### [First & Second Peter- Jensen Bible Self Study Guide](#)

Provides information about the world around us in question and answer format.

### [James / 1,2 Peter / Jude](#)

A leading biblical scholar's landmark work challenges the historical realism that has dominated the discipline for more than two centuries. How can a modern person, in a world of science and history, continue to recite the traditional creeds and confessions of the Christian church? What does the Bible mean and how do we verify biblical truth? In this groundbreaking book, a leading biblical scholar urges readers to be more creative interpreters of biblical texts, mapping out an alternative way of reading that is not about understanding what those texts would have meant for the original authors and readers. Limiting our study to the ancient meaning of the text, he argues, is not history, or bad theology, or both. One cannot derive robustly orthodox Christian doctrine or theology from a mere "historical" interpretation of the Bible. Martin offers theological readings of the New Testament that are faithful to Christian orthodoxy as generally understood, but without attempting a "foundationalist" understanding of the text. His provocative and ambitious book demonstrates how theology and scripture can remain vital in the twenty-first century.

### [The Dictionary Historical and Critical of Mr. Peter Bayle](#)

### [1 and 2 Peter](#)

This unique Bible study allows readers to experience the gospels as they were originally intended by providing vital insights into Jewish culture, customs, and persons. To gain a fresh and thoroughly relevant context to the life of Christ while they see and feel the places, the people, and the emotions as they experience the gospels. In this three-month format, this study combines all four gospels into one comprehensive and chronological narrative, allowing readers to focus on the overall themes and messages. This remarkable guide allows readers to truly experience the gospels as never before as observers, readers, and witnesses to those miraculous events and times.

### [A Topical Guide to the Koran & Sharia Law](#)

The basic content of this book is transformation, which has taken me a lifetime to learn. There is more to life than just joy or sorrow, health or sickness, consolation because, as I have found, there is also a higher level of thinking and living called transformation. What I've learned all my life about love may help you to learn about it later. Such early learning is always to your benefit, because, as an old German expression points out: "We grow old too soon and smart too late." Since love is given away, my love has compelled me to write this book. In reading it, as a bare minimum, you will be spiritually refreshed, but I truly believe that you too will be blessed. I have a mind that seeks truth, a heart that seeks love, and a spirit that seeks goodness and God. If you were to categorize this book, you would have to say that it is your own, because it's primarily transformational in addition to being inspirational, autobiographical, motivational, instructional, philosophical, spiritual and explorational. It is the truth that life is not measured in moments of time, but in timeless moments. And we know that truth exists, otherwise we would never be able to ask any question. It is the loudest sound on the other side of silence. Love, not violence, is at the heart of the universe, and we should not let violence determine our future, but only let love. It explores goodness in that it is unreasonable to think that a person who can be good would be put into a crazy, empty world in which there is no such thing as good.

### [A Commentary, by Writers of the First Five Centuries, on the Place of St. Peter in the New Testament](#)

The concept of the atonement is one of the defining doctrine of Christianity. Over the course of many centuries, theologians, church forefathers, philosophers and theologians have given a huge expanse of interpretations of Christ's sacrifice for humanity, each different to the next. In this ambitious study, Eleonore Stump uses the context of this history to reconsider the doctrine afresh with philosophical care. Whatever exactly the atonement is, it is supposed to include a solution to the problems of the human condition: sin and shame. Stump canvasses the major interpretations of the doctrine, highlighting their shortcomings as an explanation for this solution. In their place, she argues for a solution that is both novel whilst still using traditional theology, including Anselm's well-known account of the doctrine. Atonement is a rich exploration of the doctrine and its implications: union, guilt, shame, forgiveness, retribution, punishment, shared attention, mind-reading, empathy, and various other issues in moral psychology and ethics.

### [Peter](#)

Believers in the early church scattered across the Roman Empire were facing the threat of increased persecution. Peter, the most outspoken of the disciples and the first pope, wrote two practical and encouraging letters to strengthen the hearts of these followers of Christ. Through words of hope and wisdom, he taught them how to live through life-threatening trials. In the first letter, Peter reminds believers of the many blessings available to them because of their persecution. In the second letter, he warns them to defeat the false teachers who were invading their churches and teaching them dangerous and deceptive doctrines. Peter's letters of encouragement and warning are as relevant to believers today to hear and understand as they were during the first century. The MacArthur Bible Studies provide intriguing examinations of the whole of Scripture. This study incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Word of God with guidance from John MacArthur.

### [St. Peter, His Name and His Office](#)

### [Life of Christ for Young People in Questions & Answers](#)

Jesus and the Gospels is one of the most popular religion courses at colleges, and it is required at many seminaries and divinity schools. This textbook, written by a leading religion educator, is designed for a semester-long course in both these settings. Moreover, it could be used as a supplementary text in courses on christology, the history of the church, church literature, and the Bible. Murphy will provide an introduction to the gospels that does justice to the full range of modern critical methods and insights. He will discuss these methods for how we understand the nature of the gospels and how we can read them today. The chapters will sketch the portrait of Jesus that emerges from the gospels.

### [The 1,300 Years' War](#)

Understanding the Bible: Head and Heart provides readers a forum for more fully comprehending the Bible. Each book of the Bible tells a story that relates to the larger story of the Bible. To understand each book's story, it is important to understand the larger story, and vice versa. To do so, however, entails a careful reading of the entire Bible, grasping the story and the spirit of the story. Understanding the Bible: Head and Heart provides interpretative prose summaries for helping the reader understand and remember the story and penetrating poetic summaries for helping the reader experience the story and thereby readily ingest its spirit. Since Understanding the Bible: Head and Heart is under one cover, it is divided into three parts: Part One: The Old Testament; Part Two: Matthew through Acts; and Part Three: Romans through Revelation.

### [The Book That John Wrote](#)

"Don't lose hope. In the darkest night, the stars come out." Have you ever found yourself in a state of despair, wondering how you could possibly get through with it? Even though our lives might seem hopeless, God's plan is to take us through the night and restore our hope in Him. However, sometimes we do not know how to do it. So, all, ask Him for the impossible. Whatever your situation is, you have a choice: Will you cower in your hopelessness, or will you reach out to the One who is more than enough? Based on denial of what we see, but rather on God's spoken Word, despite what we see, just as Abraham clung to God's promise and looked at the stars, believing in the natural circumstances in order to make that promise a reality. Childlessness having taken him into the battle of his life, Ville Männistö knows what it is like to experience a miracle. Using solid biblical teaching and real-life stories, Ville takes us on a journey of renewed hope and assurance that God still works miracles.

### [The Caroline Adderson Library](#)

Kreeft uses Scripture to provide God's answers to the most common and important questions young people ask about the deeper meaning of life, their own identity, temptation, the mystery of God's love, and much more. But these are questions asked not just by teens - they are the same questions adults often ask, and God's Word in the Bible, respond to the deepest needs of people of all ages.

### [Peter Gzowski](#)

If St. Peter had moved in business or political circles, he would have been forgotten millennia ago. In most areas of life, those who make major mistakes are cast out because of their failure. But Peter, who made more than one major mistake while following Jesus, has been highly revered within the Church since the days when Jesus walked the earth. In fact, in holding Peter up so high, we can easily miss the essential lesson his life teaches us: that when flawed people experience forgiveness through Jesus, they are called to be faithful followers of Christ. In Saint Peter: Flawed, Forgiven, and Faithful, biblical scholar Stephen Binz takes readers on a pilgrimage from Galilee to Rome—from the place where Peter first dropped his nets to follow Jesus to the place where he gave his life out of love for his Lord. Through sound scholarship, first-hand experiences at places of spiritual reflection, Binz helps us embrace the reality that God works through broken human beings to accomplish truly beautiful things. Ultimately, Saint Peter: Flawed, Forgiven, and Faithful reminds us that the papacy—from Peter to the present day—has always been filled by imperfect people and, mysteriously and wonderfully, that's exactly the way in whom God advances the Church!

### [Mighty Through God](#)

### [When God Disappears](#)

A recent statistic suggests that 15% of the churches in America are growing but only 2.2% are growing evangelistically. Much of the church in America has lost its fire; it has forgotten how to re-ignite it; this book is an attempt to light the fuse of the powder keg so that the church, long-distracted by so many things, might return to its original mission in the world. We do not take Christ to anyone; He is already there. We go to make explicit what we see Him doing implicitly. It is not a question of whether God is at work; the hope is to see more of God's people at work with Him! Learn about why we share our faith, Christ's role in our evangelism, the deep longings in all our hearts, and how to live a sacramentally evangelistic lifestyle. We are offering a way of looking at life and the world that is open to God's presence everywhere. This approach is called sacramental evangelism. Is it better to experience God's presence than in His workplace? This is the Sacrament of Evangelism.

### [Randall House Bible Commentary](#)

General editor Lloyd J. Ogilvie brings together a team of skilled and exceptional communicators to blend sound scholarship with life-related illustrations. The design of the Commentary gives the reader an overall outline of each book of the Bible. Following the introduction, which reveals the author's approach and salient background, each chapter of the commentary provides the Scripture to be expounded. The New King James Bible has been chosen for the Preacher's Commentary because it combines the beauty of language, underlying Hebrew and Greek textual basis, and thought-flow of the 1611 King James Version, while replacing obsolete verb forms and other archaic words with everyday contemporary counterparts for greater readability. Reverence for God is preserved in the capitalization of all pronouns referring to the Father, Son, or Holy Spirit. Those who are more comfortable with another translation can readily find the parallel passage by means of the chapter and verse reference at the end of each passage being expounded. The paragraphs of exposition combine fresh insights to the Scripture, application, rich illustrative material, and innovative ways of utilizing the vibrant truth for his or her own challenge of communicating it with vigor and vitality.

### [Your Questions, God's Answers](#)

This book is based on the 1734 translation of the Koran by George Sale. This translation is in King James English, making comparisons between it and the King James Bible. It is a topical guide that will take a word or short phrase and find it in every verse of the Koran where it appears. These verses are placed together so that the reader can see the context and, therefore, the meaning of the word or phrase. In some instances such as the word "jihad," which does not appear in the Sale translation, it is translated as "struggle" in Michigan's online translation of the Koran. There it appears thirteen times, but in only two does it mean an internal struggle. In the other eleven, it means warfare. In studying the words and phrases in the Koran, it is important to know when they were received and written. It is also important to know that the Koran includes material that seems to have been added later. This has been outlined in volume 2 of the 1,300 Years' War. As noted in volume 1 of the 1,300 Years' War, Muhammad (PBUH) has been thought by many to have suffered from temporal lobe epilepsy associated with visual and auditory hallucinations. These seizures last less than three minutes. It is, therefore, important to know that the Koran might have come from a single episode. A table shows this in volume 1 (table 8). Many scholars divide the Koran into four major periods: early Mecca (AD 610–615), late Mecca (AD 616–619), Medina (AD 620–629), and Mecca (AD 629–632). The analysis of the verses in these periods found that militancy against non-Muslims progresses: 7.7 percent of the verses from early Mecca are militant. This rises to 10.6 percent in the mid-Mecca period, and 18.3 percent in the late Mecca period. It tops out at 29.3 percent in the Medina period. The version of the topical guide shows these periods in black, blue, green, and red. In the black and white edition, it shows these four periods of the Koran in plain italic, regular plain type, and boldface regular type. The reason this division is important is the doctrine of abrogation (2:106) given early in the Medina period. This states that later verses may nullify verses given earlier. Thus, many peaceful verses given in the early parts of the Koran may be nullified by the "verse of the sword" (9:5) given later in the prophet's life: "Slay the idolaters wherever you find them." So far as I have been able to determine, there has been no stylistic analysis of the Koran. A person studying the history of Islam will find this work most valuable.
