Problem.

Raster Layers — Python GDAL/OGR Cookbook 1.0 documentation Effective Python: 59 Ways to Write Better Python: This relatively short book is a collection of 59 articles that, similarly to Fluent Python, focus on teaching you how to write truly Pythonic code. Python Cookbook: As a cookbook, this will be a good reference on how to use Python to complete tasks you have done in another language.

The Best Python Books – Real Python Python GDAL/OGR Cookbook 1.0 documentation It is not necessary at the end of the script, as the Python garbage collector will do the same thing automatically when the script exits. Further discussion of this topic can be found in this GIS StackExchange question. `import gdal # open dataset ds = gdal.Open('test.tif') # close dataset ds = None.`

FrontPage - Python Wiki The Python Wiki. Welcome to the Python Wiki, a user-editable compendium of knowledge based around the Python programming language. Some pages are protected against casual editing - see WikiEditingGuidelines for more information about editing content..
