Violent crime has been rising sharply in many American cities after two decades of decline. Homicides jumped nearly 17 percent in 2015 in the largest 50 cities, the biggest one-year increase since 1993. The reason is what Heather Mac Donald first identified nationally as the "Ferguson effect": Since the 2014 police shooting death of Michael Brown in Ferguson, Missouri, officers have been backing off of proactive policing, and criminals are becoming emboldened. This book expands on Mac Donald's groundbreaking and controversial reporting on the Ferguson effect and the criminal-justice system. It deconstructs the central narrative of the Black Lives Matter movement: that racist cops are the greatest threat to young black males. On the contrary, it is criminals and gangbangers who are responsible for the high black homicide death rate. The War on Cops exposes the truth about officer use of force and explodes the conceit of "mass incarceration." A rigorous analysis of data shows that crime, not race, drives police actions and prison rates. The growth of proactive policing in the 1990s, along with lengthened sentences for violent crime, saved thousands of minority lives. In fact, Mac Donald argues, no government agency is more dedicated to the proposition that "black lives matter" than today's data-driven, accountable police department. Mac Donald gives voice to the many residents of high-crime neighborhoods who want proactive policing. She warns that race-based attacks on the criminal-justice system, from the White House on down, are eroding the authority of law and putting lives at risk. This book is a call for a more honest and informed debate about policing, crime, and race.A comprehensive collection on police and policing, written by experts in political theory, sociology, criminology, economics, law, public health, and critical theory.Written by a street cop, this unique publication compares the various pieces of law enforcement equipment to the spiritual armor that the Bible describes in Ephesians chapter 6. The importance of each piece of equipment is driven home through engaging, real-life police stories (responding to the infamous L.A. Riots, the devastating 1994 Northridge earthquake, working in jails, making arrests, and more). Although much has been written about this well-known passage of Scripture, little has been written from the perspective of a Christian who wears and uses the physical armor of the police officer every day, fighting both the physical battle against crime in our society and the spiritual battle against evil that all individuals are called to fight. You don't have to be a cop or a Christian to be encouraged and challenged by this book. In addition to building your faith, this book will serve as a helpful introduction to the men and women who protect you and your community."INCLUDES AN EXTRACT FROM ORIGIN,THE NEW THRILLER BY DAN BROWN: OUT NOW" ----- Harvard professor Robert Langdon receives an urgent late-night phone call while on business in Paris: the elderly curator of the Louvre has been brutally murdered inside the museum. Alongside the body, police have found a series of baffling codes. As Langdon and a gifted French cryptologist, Sophie Neveu, begin to sort through the bizarre riddles, they are stunned to find a trail that leads to the works of Leonardo Da Vinci - and suggests the answer to a mystery that stretches deep into the vault of history. Unless Langdon and Neveu can decipher the labyrinthine code and quickly assemble the pieces of the puzzle, a stunning historical truth will be lost foreverPolice officers are invested with awesome powers and may use physical force to take a citizen into custody. These powers help the police enforce laws and control suspects, but they also have the potential to be abused. The police must be responsive and accountable about crime and safety, but they must also be responsive and accountable to the law and the rights of citizens. Police abuse of power has a long and unfortunate history in the United States, often because of the failure to develop meaningful procedures to ensure police accountability. This book introduces the reader to a unit of the police department that has been secretive and lacking transparency, despite being an integral part of policing for a number of years. Noble and Alpert clearly explain the structure and function of internal affairs or professional compliance units and provide guidance for establishing an effective unit that will benefit both the police and the community. One recent trend is to make internal affairs more proactive than reactive. The authors provide comprehensive coverage of this trends objectives: implement procedures to identify and modify improper actions by police officers; change policies and procedures that negatively affect citizens quality of life; take appropriate action so that the misconduct of a few officers does not detract from the overall mission and reputation of the agency; and conduct fair, thorough, and accurate investigations to protect police employees against false accusations of misconduct.Set on the Caribbean coast of South America, this love story brings together Fermina Daza, her distinguished husband, and a man who has secretly loved her for more than fifty years.Take time to refresh before you report. Respected by some and feared by others, law enforcement officers face daily pressures and dangers uncommon to other professions. Behind the Badge provides daily, spiritual nourishment that will encourage you professionally and personally. Filled with personal stories, relevant Scriptures, and practical prayers, the short devotions focus on themes such as peace, integrity, strength, family, protection, divine direction, preparedness, service, and more. Also included are powerful blessings and declarations that will inspire and strengthen. God has ordained the path you walk today. Let Behind the Badge help equip your steps and be a constant reminder of the permanent backup you have in God as you uphold the law.Our morally deteriorating culture has forgotten God's goodness to its own peril. Will the next generation even know God? The very survival of the Christian faith depends on creating a culture of God-memories that must start now! Today's culture is quickly forgetting the goodness and power of God. The Bible describes the potential destruction through all generations to people who forget God. The dangers are paramount. If we don't remember what God has already done, we won't believe what he is capable of doing in the future. Memory builds faith. Forsaken God explores biblical examples of forgetting God as God repeatedly pleads for his people to remember his mighty acts and deeds. As you read this captivating book, you will have an opportunity to recall your own memories of God and learn new ways to remember God's goodness and the power of sharing those memories with the next generation. The author and other contributors share open and honest stories of forgetting God's goodness and offer ways that help them to remember. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1978.Racial profiling within law enforcement agencies : hearing before the Subcommittee on the Constitution, Federalism, and Property Rights of the Committee on the Judiciary, United States Senate, One Hundred Sixth Congress, second session, March 30, 2000.How often do you think, Im just not that good of a speaker? Do you ever blame your bad listening on being overworked or stressed out? Perhaps you wish you could think and respond faster, or that you should be more yourself, and you just dont know how? Improv(e) provides you with ideas and activities that will immediately bring out your best speaking, listening, and social skills, all while helping you become your best, authentic, and unapologetic self.Introduces young readers to Catholic beliefs as expressed in the Catechism of the Catholic Church.Daily Meditations and Prayers from Around the World Create a tapestry of comfort and inspiration. Maggie Oman creates a healing space for readers in her deeply spiritual book Prayers for Healing: 365 Blessings, Poems, & Meditations from Around the World. During moments that are filled with despair, illness, depression, or spiritual longing, Prayers for Healing draws on the power of wise and healing devotionals for reflection and deep meditation. Embrace physical, emotional, and spiritual transformation. Prayers for Healing demonstrates the transformative nature woven through the power of prayer and wisdom, drawing from a select collection of influential spiritual leaders, philosophers and thinkers of our time that include: • The Tao Te Ching • The Koran • The Torah • Native American texts • The Bible • Thich Nhat Hanh • Wendell Berry • Jack Kornfield • Rumi • Rainer Maria Rilke • Marian Wright Edelman • Martin Luther King, Jr. • Marianne Williamson Discover the power to heal through many meditation and prayer voices. This interfaith book provides insight from various religious and cultural texts that touches on our pain and inspires the healer within all of us to be reminded of hope and faith so that we may live a deeper, more meaningful, and fully self-expressed life. If you have found that works such as Prayers That Bring Healing, Earth Prayers, Prayers of Hope for Caregivers, Prayers for Hard Times, or Prayers for Hope and Healing have brought inspiration into your life, then this book is an invitation to cementing your inner healer.First published in 1956, Allen Ginsberg's Howl is a prophetic masterpiece—an epic raging against dehumanizing society that overcame censorship trials and obscenity charges to become one of the most widely read poems of the century. This annotated version of Ginsberg's classic is the poet's own re-creation of the revolutionary work's composition process—as well as a treasure trove of anecdotes, an intimate look at the poet's writing techniques, and a veritable social history of the 1950s.New and classical results in computational complexity, including interactive proofs, PCP, derandomization, and quantum computation. Ideal for graduate students.Feminist experimental poetry in the tradition of Audre Lorde and Theresa Hak Kyung Cha from a prominent Filipina American poet.Realize the value and blessings of participating in mentoring relationships during all stages, ages, and seasons of life. Women often don't think they know enough to be a mentor, or fear rejection if they ask someone to mentor them. Others don't think they need mentoring. However, throughout the Bible, God calls spiritually younger and older women to learn from and teach one another. Mentoring for All Seasons helps answer questions like these: • What is mentoring? • How do I find a mentor? • Why does God want us to mentor one another? • What are the blessings of mentoring? Through true stories from mentors and mentees in life seasons from tween through death—along with the author's personal experiences, helpful tips, Scriptures to study together, and biblical mentoring relationship examples—Mentoring for All Seasons encourages women to be intentional about sharing their life experiences and God's faithfulness with other women.Acclaimed, award-winning essayist and novelist Brian Doyle (1956-2017)—whose writing, in the words of Mary Oliver, is "a gift to us all"—presents one hundred original prayers that evoke his deep Catholic belief in the mystery and miracle of the ordinary (and the whimsical) in human life. In, A Book of Uncommon Prayer: 100 Celebrations of the Miracle & Middle of the Ordinary, which was named "A Best Spiritual Book of the Year" by Spirituality & Practice, you will find a series of prayers unlike any of the beautiful, formal, orthodox prayers of the Catholic tradition or the warm, extemporized prayers heard from pulpits and dinner tables. Doyle's often-dazzling, always-poignant prayers include eye-opening hymns to shoes and faith and family. In Doyle's words, "the world is crammed with miracles, so crammed and tumultuous that if we stop, see, savor, we are agog," and the pages of his newest book give voice and body to this credo. By focusing on experiences that may seem the most unprayerful (one prayer is titled "Prayer on Seeing Yet Another Egregious Parade of Muddy Paw Prints on the Floor"), he gives permission to discover the joys and treasures in what he often calls the middle of everyday life.Degradation, dehumanization, instrumentalization, humiliation, and nonrecognition – these concepts point to ways in which we understand human beings to be violated in their dignity. Violations of human dignity are brought about by concrete practices and conditions; some commonly acknowledged, such as torture and rape, and others more contested, such as poverty and exclusion. This volume collates reflections on such concepts and a range of practices, deepening our understanding of human dignity and its violation, bringing to the surface interrelationships and commonalities, and pointing to the values that are thereby shown to be in danger. In presenting a streamlined discussion from a negative perspective, complemented by conclusions for a positive account of human dignity, the book is at once a contribution to the body of literature on what dignity is and how it should be protected as well as constituting an alternative, fresh and focused perspective relevant to this significant recurring debate. As the concept of human dignity itself crosses disciplinary boundaries, this is mirrored in the unique range of perspectives brought by the book's European and American contributors – in philosophy and ethics, law, human rights, literature, cultural studies and interdisciplinary research. This volume will be of interest to social and moral philosophers, legal and human rights theorists, practitioners and students. This enduring work of Russian spirituality has charmed countless people with its tale of a nineteenth-century peasant's quest for the secret of prayer. Readers follow this anonymous pilgrim as he treks over the Steppes in search of the answer to the one compelling question: How does one pray constantly? Through his journeys, and under the tutelage of a spiritual father, he becomes gradually more open to the promptings of God, and sees joy and plenty wherever he goes. Ultimately, he discovers the different meanings and methods of prayer as he travels to his ultimate destination, Jerusalem. The Way of a Pilgrim is a humble story ripe for renewed appreciation today. The recent changes in Russia have revealed the great religious traditions of that land, and this work, freshly translated for modern times, is among the finest examples of those centuries-old traditions.Verses on Various Occasions is a collection of poems written by John Henry Newman between 1818 and 1865. This period of Newman's ecclesiastical career saw his ordination as an Anglican priest in 1825, his involvement in the High Church "Oxford Movement" in the 1830s, his conversion to Roman Catholicism in 1845, and his founding of the Birmingham Oratory, a Catholic religious community, in 1849. The poems in this collection span a range of Christian subjects, including piety, biblical prophets, Church Fathers, and Newman's evolving views on the Catholic Church. Some noteworthy inclusions are "The Pillar of the Cloud," which has been set to music as the hymn "Lead, Kindly Light," and "The Dream of Gerontius," which relates a man's journey into the afterlife, inspired by Dante's Divine Comedy. This book is part of the Standard Ebooks project, which produces free public domain ebooks.Be Your Own Kind of Brave! Bravery isn't reserved for only women serving on international mission teams, or for women who serve in the military or on a police force. Every woman is brave, much braver than she might think. But feelings of doubt and inadequacy try to stop us from living up to our God-given potential to be courageous women of faith. In Everyday Brave, Janet explores the extraordinary actions of fifty

ordinary women in the Bible, women who display bravery in usual and unusual circumstances. Thirty present-day women also give their testimony of realizing their strength and courage through God's love. As Janet shares the stories of these women, she reminds us that the heart and substance of bravery, even in the face of fear, comes from unconditionally placing our hope in the only One who can give us the courage to stay the course. Updated and expanded, this 2nd edition provides the theory, techniques, and strategy guidance needed to use witnesses effectively in trial. A Wife's 40-Day Fasting and Prayer Journal is designed to bring wives to the feet of Jesus where they may be nourished and built up in His love. Through daily devotions and spiritual disciplines such as prayer, Scripture writing, personal journaling and fasting, women are equipped to journey ever closer to the Father. With an introduction by Metropolitan Anthony of Sourozh, *The Way of a Pilgrim* presents one of Russia's greatest spiritual classics of Christian truth in an unpretentious literary prose of genuine beauty. An unknown pilgrim of the mid-nineteenth century tells his story of wandering through Russia and Siberia, from one holy place to another, in search of the way of prayer. R. M. French's superb translation conveys the charm of the original as well as brilliantly conveying the spiritual truths of the gospel, which are never bound to or owned by a particular culture. In the much-loved sequel, *The Pilgrim Continues His Way*, the narrator shares more of his story. He describes his journeyings among the holy places of Russia and his challenging encounters with holy people, the desire still burning within him to discover deeper experiences of prayer and draw closer to the heart of God. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. This insightful volume examines key research questions concerning police decision to arrest as well as police-led diversion. The authors critically evaluate the tentative answers that empirical evidence provides to those questions, and suggest areas for future inquiry. Nearly seven decades of empirical study have provided extensive knowledge regarding police use of arrest. However, this research highlights important gaps in our understanding of factors that shape police decision-making and what is required to alter current police practice. Reviewing this research base, this brief takes stock of what is known empirically about all aspects related to the use of arrests, providing important insights on the knowledge needed to make evidence-based policy decisions moving forward. With the potential to better impact policy and programs for alternatives to arrest, this brief will appeal to researchers and practitioners in evidence-based policing and police decision-making, as well as those interested in alternatives to arrest and related fields such as public policy. The development of crime policy in the United States for many generations has been hampered by a drastic shortage of knowledge and data, an excess of partisanship and instinctual responses, and a one-way tendency to expand the criminal justice system. Even if a three-decade pattern of prison growth came to a full stop in the early 2000s, the current decade will be by far the most punitive in U.S. history, hitting some minority communities particularly hard. The book examines the history, scope, and effects of the revolution in America's response to crime since 1970. Henry Ruth and Kevin Reitz offer a comprehensive, long-term, pragmatic approach to increase public understanding of and find improvements in the nation's response to crime. Concentrating on meaningful areas for change in policing, sentencing, guns, drugs, and juvenile crime, they discuss such topics as new priorities for the use of incarceration; aggressive policing; the war on drugs; the need to switch the gun control debate to a focus on crime gun regulation; a new focus on offenders' transition from confinement to freedom; and the role of private enterprise. A book that rejects traditional liberal and conservative outlooks, *The Challenge of Crime* takes a major step in offering new approaches for the nation's responses to crime. Offering hope, help, and encouragement to hurting parents of prodigal daughters, author Janet Thompson shares out of her own experience as a prodigal daughter and as the mother of a prodigal daughter. And the key to the help she offers is prayer. While you, as a hurting mom or dad, may know that you need to pray for your daughter, this walk-along-beside-you book will take you gently by the hand and show you how. In it you will find candid stories of other parents of prodigals -- and even the stories of prodigals themselves. Don't wait until you have a prodigal situation. Any parent will benefit from this book's incredible insights, prayers, and stories. *Praying for Your Prodigal Daughter* is about hope, help, and support from others who have walked a similar road. Chapter Topics Include • Setting Boundaries • Surviving in Marriage • Resolving Conflict • Making it All About Her • What Did We Do to Cause This? This book seeks to ease readers pain and accompany them on their infertility. "[Think on Your Feet] is a helpful maven's guide ideal for anyone who views a podium with fear and trembling."—Publishers Weekly Get out of your own way! Our professional lives are full of situations outside of our control. A job interviewer asks a question out of left field. A coworker puts you on the spot in front of the boss. Your PowerPoint presentation crashes at a critical moment. Most people react to the unexpected with anxiety and unease. We get rattled, stumble over our words, and overthink the situation. Others, though, handle it with self-assurance and aplomb. They gain a sense of empowerment and energy when the pressure is on. Like great improv actors, they're able to think on their feet. The great thing is, improv isn't about winging it or flying by the seat of your pants; improv at its core is about listening and responding. It's based on rules and techniques, and it taps directly into your soft communication skills. By incorporating it into your prep work for professional situations, you'll learn how to retrain your brain for the unexpected and get out of your own way in those unexpected—and expected—professional situations. Practicing improv isn't about being funny. Instead, it's about developing the mental agility to spin any surprise in your favor and to communicate with confidence. Filled with engaging improv activities, this interactive guide will ensure you never come away from a tough moment pondering the woulda, coulda, shoulda! again. You'll learn how to nurture your personal style for communicating in every professional situation. From effective listening in the office, giving presentations, and leading meetings to negotiating a raise, acing an interview, and more, you'll start communicating with confidence and stop letting the unexpected hold you back. Take your workplace communication—and your career—to the next level by mastering the art of *Thinking on Your Feet*. "She is clothed with strength and dignity, and laughs without fear of the future." Be honest: does that sound like you? If not, you aren't alone. Being married to a police officer is not easy, especially in today's world. Everything about your future can feel extremely uncertain, and not just when it comes to your officer's safety. Stress caused by facing unexpected day-to-day issues while tackling solo parenting, unpredictable shifts, and general loneliness tends to wear on you after a while. This makes emulating the traits of the Proverbs 31 wife even more important for police wives. Striving to be more like the woman described in these verses will help you increase your faith, find more peace, reduce overwhelm, and generally live a happier and more fulfilling life, no matter what troubles come your way. This devotional will help you develop those traits by teaching you how to team up with God in every aspect of your police wife life.
