But the money is slow in coming, and his tormentor only gets stronger—especially when Samson falls in love with a neighbor, Rosa. As Samson ages, he hardens. His revenge on those who betrayed him takes shocking form. Redemption comes—but it may be too late. Written in a style both spare and intense, The Gun Jar is a searing portrait of an innocent young man twisted by cruelty, and an indictment of those who turn their faces away.Although Gerd Heinrich, a devoted naturalist, specialized in wasps, Bernd Heinrich tried to distance himself from his "old-fashioned" father, becoming a hybrid: a modern, experimental biologist with a naturalist's sensibilities. In this extraordinary memoir, the award-winning author shares the ways in which his relationship with his father, combined with his unique childhood, molded him into the scientist, and man, he is today. From Gerd's days as a soldier in Europe and the family's daring escape from the Red Army in 1945 to the rustic Maine farm they came to call home, Heinrich relates it all in his trademark style, making science accessible and awe-inspiring.This book is essential for audio power amplifier designers and engineers for one simple reasonit enables you as a professional to develop reliable, high-performance circuits. As night turns to day, it becomes frighteningly clear to Mary that he is gone. Through the years, disappointment and worry have brought Mary's life to a standstill, and she has let her universe shrink to the well-worn path from the bedroom to the refrigerator. But her husband's disappearance startles her out of her inertia, and she begins a desperate search. For the first time in her life, she boards a plane and flies across the country to find her lost husband. So used to hiding from the world, Mary finds that in the bright sun and broad vistas of California, she is forced to look up from the pavement. And what she finds fills her with inner strength she's never felt before. Through it all, Mary not only finds kindred spirits, but reunites with a more intimate stranger no longer sequestered by fear and habit: herself.Explains how the introduction of rural private property rights in Ukraine and Russia generated poverty.Ducati's American story of decline and recovery comes to life! Updated to include details of models for 2000, this third edition covers every Ducati racing and production motorcycle, from the 125cc GP bike through to the 900cc Super Sport, plus the parallel twins, pushrod singles and two strokes. Includes fascinating insight into Ducati heroes Mike Hailwood, Tony Rutter and Carl Fogarty.Ducati stunned the world in 1988 when the struggling, small Italian firm unleashed its Desmoquattro -- 8-valve, desmodromic -- Superbike. The bike found success on the world's racetracks right from the start. Road-going versions soon carried that success to the general public, proving this design wasn't just another noisy prototype. The Superbikes -- 748, 851, 888, 916, and 996 -- are now Ducati's best-selling machines in the United States; and the Desmoquattro engine found its way into the company's more pedestrian series such as the Monster roadster and ST4 sport-tour. This is the comprehensive volume on Ducati's ultimate performance motorcycles and replaces the out-of-print Ducati Super Bikes: 851, 888, 916.An alternate universe? A different dimension? The "id" of America? Meet Anslenet and his tormentor/confidant, a giant tarantula, as they wander through a blasted, desecrated landscape of broken ideals and shattered hopes. In this place, nothing is right. The Militant Lambs fight with the Opposition and no one knows whose side who is on. Add to that Martians Venusians Elvis. To top it off, Anslenet is hounded by his dysfunctional family and upbringingand legendary surrealist Franz Kafka makes Anslenet his honorary uncle. Nightmarish, strange, bizarre--the way things are to be? Or the way things--really are?Also included in this collection is the novella The Humphrey Bogart Blues, a sympathetic look at Marilyn Monroe, who had she just been able to hook up with the Martiansand twenty-eight additional stories, previously published as well as some unpublished, testify to the breadth and scope of writing of, as one editor has stated, one of the top writers of Magic Realism.Praise for KAFKA'S UNCLE"It's important to realize that Bruce's stories are not strange; the world is, and he's separated himself from it in order to show us new realities, with remarkable clarity and insight. I am one of his admirers, and I am not alone.-Brian Herbert, New York Times best-selling author, and co-author with Kevin J. Anderson of the Dune series"Bruce Taylor's writing is always unexpected, even extraordinary. He certainly earns his title of 'Mr. Magic Realism.'"--Kevin J. Anderson, author of Scattered Suns, Dune novels, and other New York Times best-sellersBruce Taylor has earned the title of "Mr. Magic Realism" by dint of producing works that are fascinating, insightful, and downright fun to read. His fiction will make you thinkand smile.-Ben BovaThreatened by financial ruin, widowed bakery owner Catherine Mercy leads a solitary life with more interest in reading about werewolf lore than in finding a man. Her one true love disappeared after high school and her now deceased husband kept her trapped in the house claiming that a werewolf might hunt her down one day, just as her grandmother repeatedly warned her. When Hollywood interrupts the town's monotony by shooting a werewolf movie on location, Catherine's best friend Anne pushes her to audition. Already in her thirties, Catherine feels ridiculous trying to become an actress, but lands the leading role. Catherine's daily routine turns into a hair-raising adventure as fame begins
