Sexual Secrets: Twentieth Anniversary Edition

An ancient title of respect for women, the word "cunt" long ago veered off this noble path. Inga Muscio traces the road from honor to expletive, giving women the motivation and tools to claim "cunt" as a positive and powerful force in their lives. With humor and candor, she shares her own history as she explores the cultural forces that influence women's relationships with their bodies. Sending out a call for every woman to be the Cuntlovin' Ruler of Her Sexual Universe, Muscio stands convention on its head by embracing all things cunt-related. This updated edition features a new foreword by Betty Dodson, an introduction by Derrick Jensen, a new afterword by the author and an updated and expanded resource section. Carrying on the living tradition of mystic minstrels, the Bauls roam the countryside of eastern India enacting the spiritual love dalliance of Radha and Krishna through songs and dances. The Path of the Mystic Lover explores the Bauls' lifestyle and philosophy, describing their sexual and ritual practices as well as their sacred teachings. The #1 guide to sex and mysticism, redesigned in full color for the new millennium. More than 600 illustrations of the erotic sentiment, 200 in full color. More than 1 million copies sold with translations in 19 languages. Combines the wisdom of the great Eastern sages with images from the West to present a celebration of creative sexuality. Sexual Secrets is the definitive guide to sex and mysticism, revealing the wisdom of the sages of India, Nepal, Tibet, China, and Japan whose teachings on sexuality unveil how physical love can be the pathway to spiritual liberation. Containing more than 600 illustrations--the most comprehensive collection of images expressing the erotic sentiment--and with more than one million copies sold in more than 19 languages, Sexual Secrets unlocks for everyone the experience of ecstasy once sealed in the ancient texts and art of the East. In celebration of its 20th year in print, Sexual Secrets has been completely revised and redesigned and includes 200 color illustrations to complement Penny Slinger's unsurpassed black-and-white illustrations, which evoke all the major cultures of the East. Working from contemporary models and from ancient pieces originally commissioned by kings and emperors, Slinger blends images of the West with the sentiments of the East to further enhance the experience of the text and to help in the transmission of the secrets--a celebration of creative sexuality the challenge every man faces the fight every man can win From the television to the Internet, print media to videos, men are constantly faced with the assault of sensual images. It is impossible to avoid such temptations but, thankfully, not impossible to rise above them. Shattering the perception that men are unable to control their thought lives and roving eyes, Every Man's Battle shares the stories of dozens who have escaped the trap of sexual immorality and presents a practical, detailed plan for any man who desires sexual purity--perfect for men who have fallen in the past, those who want to remain strong today, and all who want to overcome temptation in the future. Includes a special section for women, designed to help them understand and support the men they love. Shares tantric secrets for deepening relationships, intimacy, and passion, and discusses harmony, communication, and healing. When a wife discovers her husband is entangled in sexual sin, she's devastated. This book offers proactive steps to help her heal. A full-color collection of Eastern erotic art that presents lovemaking as a highly spiritual expression. Brings together some of the finest examples of erotic art from India and Nepal, including pieces from the private collection of Nepalese royalty. Includes commentaries and translations of verse from authentic Tantric treatises. Companion book to The Erotic Sentiment in the Paintings of China and Japan. Hindu culture has always viewed lovemaking as one of the highest forms of spiritual and artistic expression. In the past it was customary to present newlyweds with beautifully painted erotic manuals on their wedding night. These "pillow books," often illustrated by great artists, helped to break down barriers and initiate the young couples into the aesthetics and techniques of physical love. A variety of pillow books are represented in The Erotic Sentiment, bringing together some of the finest examples from India and Nepal, including pieces from the private collection of a Nepalese king. Accompanying these exquisite reproductions are commentaries and translations of verse from authentic Tantric treatises. Together with the paintings, they elevate physical love to the spiritual realm of joyous ecstasy. Released for the first time in paperback, this landmark social and political volume on feminism is credited with being responsible for raising awareness, liberating both sexes, and triggering major advances in the feminist movement. Reprint. "Sexual Secrets" is the definitive and all-encompassing guide to sex and mysticism. No book of this magnitude has ever appeared on the subject. The distillation of more than two thousand years of practical techniques for enhancing sexual awareness and achieving the transcendental experience of unity, "Sexual Secrets" explores the path of love and mysticism, making accessible for the first time the sexual mysteries of the East. An ethologist shows man to be a gene machine whose world is one of savage competition and deceit. Twentieth Anniversary Edition with a new preface and afterword. From the removal of Confederate monuments in New Orleans in the spring of 2017 to the violent aftermath of the white nationalist march on the Robert E. Lee monument in Charlottesville later that summer, debates and conflicts over the memorialization of Confederate "heroes" have stormed to the forefront of popular American political and cultural discourse. In Written in Stone Sanford Levinson considers the tangled responses to controversial monuments and commemorations while examining how those with political power configure public spaces in ways that shape public memory and politics. Paying particular attention to the American South, though drawing examples as well from elsewhere in the United States and throughout the world, Levinson shows how the social and legal arguments regarding the display, construction, modification, and destruction of public monuments mark the seemingly endless confrontation over the symbolism attached to public space. This twentieth anniversary edition of Written in Stone includes a new preface and an extensive afterword that takes account of recent events in cities, schools and universities, and public spaces throughout the United States and elsewhere. Twenty years on, Levinson's work is more timely and relevant than ever. Cleis Press' most lauded editor, Sacchi Green assumes the helm of one of the most-heralded and best-selling series, Best Lesbian Erotica. This match made in book publishing heaven is also a fan fave whose readers range from 18 to 80 and who can't get enough of the Lambda Award-winning Sacchi Green's scorching hot stories of lesbian sex. From lust-at-first sight quickies to long-time companions, this voracious volume is the stuff of every woman's fantasy. With secret desires, coming-out, and coming-of-age stories and deeper explorations of what Green describes as "the fiercer shores of sex," Best Lesbian Erotica of the Year, Volume 1 aims to please and leave you satisfied. The #1 guide to sex and mysticism, redesigned in full color for the new millennium. More than 600 illustrations of the erotic sentiment, 199 in full color. More than 1 million copies sold with translations in 19 languages. Combines the wisdom of the great Eastern sages with images from the West to present a celebration of creative sexuality. Sexual Secrets is the definitive guide to sex and mysticism, revealing the wisdom of the sages of India, Nepal, Tibet, China, and Japan whose teachings on sexuality unveil how physical love can be the pathway to spiritual liberation. Containing more than 600 illustrations--the most comprehensive collection of images expressing the erotic sentiment--and with more than one million copies sold in more than 19 languages, Sexual Secrets unlocks for everyone the experience of ecstasy once sealed in the ancient texts and art of the East. In celebration of its 20th year in print, Sexual Secrets has been completely revised and redesigned and includes 199 color illustrations to complement Penny Slinger's unsurpassed black-and-white illustrations, which evoke all the major cultures of the East. Working from contemporary models and from ancient pieces originally commissioned by kings and emperors, Slinger blends images of the West with the sentiments of the East to further enhance the experience of the text and to help in the transmission of the secrets--a celebration of creative sexuality. This book is a manifesto for shy males who are uncomfortable in the sexually aggressive role. That role specifies that men must make the advances, while women get to remain passive. For shy males, "gender equality" has been a cruel joke since not only do these roles still exist, the male role has been made even more annoying by the actions of feminists who have no idea what agonies shy men experience. This book promotes the elimination of these roles, which, despite what feminists believe, more men than women are in favor of. But this book is more than a manifesto, for it also presents a theory of gender that is neither traditionalist nor feminist. Social differences between men and women do not go back either to genes, or to dominance in men and submissiveness in women, but to sexual aggressiveness in men and passivity in women. A major implication of this theory is that male sexuality, which is seen as a big problem in sexual misconduct, is not the real culprit at all. It is aggressive sexuality that is the culprit. Ultimately, this book shows what gender equality from the "other side," from the male perspective, looks like. In this empowering, accessible guide, Jaclyn Friedman--co-editor of Yes Means Yes--gives young women the tools to decipher the modern world's confusing, hypersexualized, sometimes dangerous landscape so they can define their own sexual identity. Friedman decries the hypocrisy and mixed messages of our culture (we're failures if we don't act sexy, but we're sluts if we actually pursue sex; we need to be protected from rapists lurking in bushes, but deserve "whatever we get" if we have a drink at a party and wear a skirt), and encourages readers to separate fear from fact, decode the damaging messages all around them, and discover a healthy personal sexuality. Educational and interactive, What You Really Really Want includes revealing quizzes, creative exercises, and reality-based advice about sex and sexuality today. With Friedman's informed advice to guide them, readers will build new skills for safely expressing their sexuality with lovers and explore effective ways to talk about tricky issues with family and friends--and learn how to make the world a little safer for everyone else's sexuality along the way. A fresh, astute means for debating the issues connecting the AIDS pandemic to government policy and crime in the Americas. To us humans the sex lives of many animals seem weird. In fact, by comparison with all the other animals, we are the ones with the weird sex lives. How did that come to be? Just count our bizarre ways. We are the only social species to insist on carrying out sex privately. Stranger yet, we have sex at any time, even when the female can't be fertilized (for example, because she is already pregnant, post-menopausal, or between fertile cycles). A human female doesn't know her precise time of fertility and certainly doesn't advertise it to human males by the striking color changes, smells, and sounds used by other female mammals. Why do we differ so radically in these and other important aspects of our sexuality from our closest ancestor, the apes? Why does the human female, virtually alone among mammals go through menopause? Why does the human male stand out as one of the few mammals to stay (often or usually) with the female he impregnates, to help raise the children that he sired? Why is the human penis so unnecessarily large? There is no one better qualified than Jared Diamond--renowned expert in the fields of physiology and evolutionary biology and award-winning author--to explain the evolutionary forces that operated on our ancestors to make us sexually different. With wit and a wealth of fascinating examples, he explains how our sexuality has been as crucial as our large brains and upright posture in our rise to human status. Guidance from sixteen of the world's best sex teachers on how to be a great lover. Coverage includes basic skills (oral/anal), advanced skills (female ejaculation, non-ejaculatory male orgasm, expanded female orgasm), the "inner game" of sex (fantasy and role play, sex and shame, finding the lover within), more. Contributors include Nina Hartley (power play), Charles Muir (Tantra), Reid Mihalko (energy sex) and Sheri Winston (male and female genital anatomy). Consistently insightful, entertaining and accessible. Originally published in 1988, GETTING THE LOVE YOU WANT has helped thousands of couples attain more loving, supportive and deeply satisfying relationships. In this groundbreaking book, Dr Harville Hendrix shares with you what he has learned about the psychology of love during more than thirty years of working as a therapist and helps you transform your relationship into a lasting source of love and companionship. For this edition of his classic book, Dr Hendrix and his wife, Helen LaKelly Hunt, have added a new introduction describing the powerful influence this book has had on so many people over the years. With its step-by-step programme, GETTING THE LOVE YOU WANT will help you create a loving, supportive and revitalized partnership. An essential exploration of why and how women's sexuality works--based on groundbreaking research and brain science--that will radically transform your sex life into one filled with confidence and joy. Researchers have spent the last decade trying to develop a "pink pill" for women to function like Viagra does for men. So where is it? Well, for reasons this book makes crystal clear, that pill will never be the answer--but as a result of the research that's gone into it, scientists in the last few years have learned more about how women's sexuality works than we ever thought possible, and Come as You Are explains it all. The first lesson in this essential, transformative book by Dr. Emily Nagoski is that every woman has her own unique sexuality, like a fingerprint, and that women vary more than men in our anatomy, our sexual response mechanisms, and the way our bodies respond to the sexual world. So we never need to judge ourselves based on others' experiences. Because women vary, and that's normal. Second lesson: sex happens in a context. And all the complications of everyday life influence the context surrounding a woman's arousal, desire, and orgasm. Cutting-edge research across multiple disciplines tells us that the most important factor for women in creating and sustaining a fulfilling sex life, is not what you do in bed or how you do it, but how you feel about it. Which means that stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it. Once you understand these factors, and how to influence them, you can create for yourself better sex and more profound pleasure than you ever thought possible. And Emily Nagoski can prove it. Thirty-seven stories and poems on Hawaii's Kaihi Valley. The subjects range from the clash of cultures between whites and natives, to the plight of a 10-year-old girl who becomes pregnant. What is your true purpose in life? What do women really want? What makes a good lover? If you're a man reading this, you've undoubtedly asked yourself these questions but you may not have had much luck answering them. Until now. In The Way of the Superior Man David Deida explores the most important issues in men's lives from career and family to women and intimacy to love and spirituality to offer a practical guidebook for living a masculine life of integrity, authenticity, and freedom. Join this bestselling author and internationally renowned expert on sexual spirituality for straightforward

advice, empowering skills, body practices, and more to help you realize a life of fulfillment, immediately and without compromise. Explores the avant-garde history of twentieth-century Europe through the lifestyle and music of the Sex Pistols. For married couples and those engaged to be married, Sheet Music is a practical guide to sex according to God's plan. In his characteristic style, Kevin Leman addresses a wide spectrum of people, from those with no sexual experiences to those with past sexual problems or even abuse. Using frank descriptions and black-and-white line drawings, this book has a warm and friendly tone that will help couples overcome awkwardness in discussing an issue important to all married couples. From the author of *Outlander* a magnificent epic that once again sweeps us back in time to the drama and passion of 18th-century Scotland. For twenty years Claire Randall has kept her secrets. But now she is returning with her grown daughter to Scotland's majestic mist-shrouded hills. Here Claire plans to reveal a truth as stunning as the events that gave it birth: about the mystery of an ancient circle of standing stones about a love that transcends the boundaries of time and about James Fraser, a Scottish warrior whose gallantry once drew a young Claire from the security of her century to the dangers of his. Now a legacy of blood and desire will test her beautiful copper-haired daughter, Brianna, as Claire's spellbinding journey of self-discovery continues in the intrigue-ridden Paris court of Charles Stuart in a race to thwart a doomed Highlands uprising and in a desperate fight to save both the child and the man she loves. "Generous and entertaining." -Publishers Weekly (starred review) Finalist for the PEN/Diamonstein-Spielvogel Award for the Art of the Essay From the #1 New York Times bestselling author and columnist comes a "fiercely funny, powerfully smart, and remarkably brave" (Cheryl Strayed) collection of heartwarming personal essays "as wonderful as her fiction" (Mindy Kaling) that "will enthusiastically reach out to readers and swiftly draw them close" (Publishers Weekly, starred review). Jennifer Weiner is many things: a bestselling author, a Twitter phenomenon, and an "unlikely feminist enforcer" (The New Yorker). She's also a mom, a daughter, and a sister, a clumsy yogini, and a reality-TV devotee. In this "unflinching look at her own experiences" (Entertainment Weekly), Jennifer weaves tales of modern-day womanhood as uproariously funny and moving as the best of Nora Ephron and Tina Fey. No subject is off-limits in these intimate and honest essays: sex, weight, envy, money, her mother's coming out of the closet, her estranged father's death. From lonely adolescence to hearing her six-year-old daughter say the F word for the first time, Jen dives into the heart of female experience, with the wit and candor that have endeared her to fans all over the world. "Saints, Scholars, and Schizophrenics, in its original form--now integrally reproduced in the new edition--is a most important seminal study of an Irish community." -Conor Cruise O'Brien Meditate on the Spiritual Significance of Marriage In the 20th Anniversary Edition of this Gold Medallion Award winner, Mike Mason goes on a poetic search to understand the wondrous dynamics of committed love. In highly readable, first-person style, Mason's writing stimulates readers' thoughts and prayers and propels couples to deeper intimacy. "A marriage is not a joining of two worlds," says the author, "but an abandoning of two worlds in order that one new one might be formed." Rich chapters on "Otherness," "Vows," "Intimacy," "Sex," "Submission," and an all-new chapter on "Oneness" lift readers to view the eternal, spiritual nature of this faith-filled, "impossible," wild-yet wonderful-frontier. "The two shall become one flesh. This is a great mystery." Ephesians 5:31-32 Beautifully written and filled with life-transforming insights, the 20th anniversary edition of Mike Mason's unparalleled Gold Medallion winner explores the mystical and holy nature of marriage with a depth that will forever alter how a couple relates to each other and to God. The Mystery of Marriage stands out from how-to manuals on marriage as a refreshing how-come book-a brilliant celebration of the God-ordained union between man and wife. "An outstanding achievement. Rarely has a book aroused in me so much enthusiasm as has the combination of wisdom, depth, dignity, and glow that I find in these chapters." -J.I. Packer "Absolutely exquisite. It reaches down deep into our innermost being, revealing, revitalizing, rewarding. A real classic." -Gigi Graham Tchividjian "A drop of everything book. Mason deals with the stunning paradoxes of the mystery, the problems, and the glories of marriage. I don't need to read any other book on the subject." -Elisabeth Elliot Story Behind the Book Over the twenty years since its publication, many couples have told me that they've read my book aloud to each other. This always amazes me and gives me great joy. I'm also amazed that many single people have read it. Either way, my goal is for hearts to be warmed by the mystery of divine love. I want couples to enter into deeper intimacy by thinking together about the mystery of marriage -about how their love, besides being a gift of God, reflects the very love He has for Himself in the Trinity. For God is not a bachelor, and throughout the Bible marriage is a supreme picture of the nature of God's love and of His kingdom. I want people who read my book to feel so soaked in these wonderful, divine mysteries that it deepens their reverence for marriage and inspires them to greater love. An illustrated guide to shed construction takes amateur carpenter's on a tour of potting sheds, garden storage sheds, storage barns, lean-to tool lockers, and saltboxes, among other styles, offering step-by-step instructions for building each. Original. Entered here make the process of linking sexual energy and transcendent states of consciousness accessible to the reader. The first book to reveal the history of Western sexual mysticism • Reveals the secret sexual practices that have been used since ancient Greece to achieve mystical union with God • Details the sects and individuals who transmitted the radical sexual practices that orthodox Christianity never completely silenced • Distinguishes between sexual magic and sexual mysticism Beginning with the ancient Greek Mystery traditions, Gnosticism, and the practices in early Christianity, Arthur Versluis uncovers the secret line of Western sexual mysticism that, like the Tantra of the East, seeks transcendence or union with God through sexual practices. Throughout antiquity, and right into the present day, sexuality has played an important, if largely hidden, role in religious traditions and practices. This includes not only Christian but also kabbalistic and hermetic alchemical currents of sexual mysticism, many discussed together here for the first time. In the Mystery tradition of hieros gamos (sacred marriage) and the Gnostic tradition of spiritual marriage, we see the possibility of divine union in which sexual union is the principal sign or symbol. Key to these practices is the inner or archetypal union of above and below, the intermingling of the revelatory divine world with the mundane earthly one. Versluis shows that these secret currents of sexual mysticism helped fuel the rise of the troubadours and their erotic doctrine, the esoteric teachings of Jacob Boehme in the late 16th century, the 19th-century utopian communities of John Humphrey Noyes and Thomas Lake Harris, the free love movement of the 20th century, and the modern writings of Denis de Rougemont and Alan Watts. Charts LA's gay history, from the first missionary encounters with Native American cross-gendered 'two spirits' to cross-dressing frontier women in search of their fortunes, and from the 1960s gay liberation movement to the creation of gay marketing in the 1990s. Introduces human sexuality, describes the changes brought about by puberty, and discusses sexual abuse, sexually transmitted diseases, AIDS, and pregnancy. An intense desire for physical sexual contact, just like any other intense and passionate desire, is potent creative energy seeking expression or outlet. That self-same creative potency projecting as tumultuous sex drive or sexual energy can become intellectual energy, money energy, political energy, professional energy, sports energy, spiritual energy, or whatever type of energy you need at any point in time. Indeed, the creative powers of sex transcend procreation. Unfortunately, many men being unaware unknowingly dissipate, and thus fail to avail themselves of the innate superlative powers of their abundant sex drive; and this is one primary cause of mediocrity. Sex, the carnal root of Man's generation, can be the source of his degeneration, yet holds the key to his regeneration. When properly harnessed, the primordial powers of sex and its creative essences that initiate all earthly existence can be used to achieve anything you want. This book tells you how. Shade reveals the truths hidden behind social programming and explains the female mind with perfect clarity. A good guy, equipped with these truths, is far more powerful than any bad boy could ever comprehend. SEXUAL DEVIANTS, NAZI SPIES, DANGEROUS LONERS, COMMUNISTS, DRUG ADDICTS, TRAITORS, AND MOBSTERS. THIS IS HOLLYWOOD. DECLASSIFIED. It's tough being rich and famous -- stalked, photographed, hounded, and dissected. But obsessive celebrity watching has a lurid history that began long before tabloid shutterbugs took their first shot. Here for the first time are the recently declassified celebrity files of the FBI, the CIA, and the military, giving the private dirt on the most "suspect, dangerous and immoral" public figures in the world -- from George Burns to Andy Warhol. EXPOSED! The party parties and massive porn stash of comedian Lou Costello. EXPOSED! Ernest Hemingway enlisted as a spy on behalf of the American Embassy. EXPOSED! The sexual drives of our youth aroused beyond normalcy by Elvis Presley. EXPOSED! Hollywood honey Marilyn Monroe had shocking ties to Soviet Russia. EXPOSED! Mysterious death of Princess Di a threat to national security. What were the motivating factors behind the spying, the suspicions, and the accusations? What did those motivations actually reveal about the military, the CIA, the FBI, and the mood of the country? The answers make for a startling, insightful, astonishing, outrageous, sometimes shocking, and always controversial peek into the most secret of lives. The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless--an outcast--because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common Core connections. For their system of divination, the authors drew upon extensive study of the 64 Dakinis of the Ranipur Jharial Temple in Orisa, India, which honor intuitive wisdom. This is a secret history of modern times, told by way of what conventional history tries to exclude. Lipstick Traces tells a story as disruptive and compelling as the century itself.
