Something whispers in the shadows From E.E. Holmes, author of the award-winning Gateway Trilogy, comes the first in the highly anticipated companion series The Gateway Trackers. It's been several years since Jess and Hannah Ballard foiled a cataclysmic prophecy that could have destroyed their fellow Durupinen, an ancient clan of women who allow spirits to cross between the worlds of the living and the dead. The girls swore, after the devastation and chaos they endured, they would never get caught up in the inner workings of the Durupinen again. They were wrong. After breaking their code of secrecy and facing the judgement of the High Council, Jess and Hannah have no choice but to become Trackers, working to take down those who would exploit the spirit world for profit and power. Their first assignment takes them into the deep South, where Jeremiah Campbell, a self-proclaimed spiritual guru, lures wealthy and desperate devotees with promises of a deeper connection with the dead. As the girls go undercover, it soon becomes clear that Campbell is not merely a con artist they suspected him to be, and that they, and the spirit world they are sworn to protect, are again in unimaginable danger. Whispers of the Walker is the first spine-tingling installment in the "Gateway Trackers" series by E.E. Holmes.
