More than a weight loss plan, the 10-Day Green Smoothie Cleanse, designed by nutritionist and certified weight-loss expert JJ Smith, became a way of life. Readers reported that they not only shed pounds but they also slept better, thought more clearly, and were in better over-all health, with some adherents, in consultation with their doctor, even moving off medication. With over thirty recipes for everything from hot dinners to desserts and snacks, sixty thoughtfully composed green smoothie recipes, a thirty-day meal plan and the corresponding shopping lists, the book provides you with a step-by-step prescriptive daily regimen that shows you how to eat mindfully and healthily. In addition to green smoothies and color photographs of select recipes, the book includes more than twenty effective methods to detox (which helps fuel weight loss), information on Smith's DHEMM (Detox, Hormonal Balance, Eat, Move and Mental Mastery) weight loss system, and testimonials from dieters who've change their approach to not just food but also life since while following her advice. As a result people are always looking for new recipes to make new smoothies so that whether they're on a smoothie diet or using smoothies for weight loss, they have some variety in their life. It's not fun to be smoothie detox plan and be drinking the same smoothies over and over again. You need variety. Variety is the spice of life. "50 Green Smoothie Recipes For Weight Loss, Detox Or The 10 Day Smoothie Cleanse Plan" allows you to have varieties of smoothies to choose from that will give you all the nutrients and vitamins and you need in your diet and at the same time have something you look forward to drinking. Practical Smoothie Recipes Also, this smoothie book focuses on the practical. I have not included ingredients that are either exotic or that you have to buy online. All the ingredients are vegetables and fruits that you can buy at your local grocery store. There's nothing worse than getting a smoothie book that the recipes call for bok choy or camu powder or spirulina, or other ingredients that generally are not found in every supermarket or grocery store. Or that are not natural. Smoothies for Kids Another great thing about smoothies is that you can make smoothies for kids. If your kids have a hard time eating their veggies or their fruits, smoothies are a great way to get them to eat their nutrients naturally without actually having to look at vegetables. Many a mom out there is getting their kids to "eat" their vegetables by giving them smoothies. No matter what you're using your smoothie diet for, whether it's for losing weight, to improve the beauty of your skin or just better health, having smoothies in your life is better than not having any smoothies at all. Some of the benefits of smoothies are -Lose Weight in a healthy fashion -Detox the Body with natural ingredients -Increase Energy for the whole day -Fight Heart Disease by eating right -Healthy Skin and Hair with the right nutrients Smoothies are the easiest way to eat less calories and at the same time get more nutrients into your body.
