Matthew 17:21 tells us that there are some spirits in a person, region, or nation that cannot be overcome without fasting. Many believers struggle with certain limitations that they cannot seem to break through. A revelation of the power of fasting will result in victories that would not be ordinarily obtained. A life of consistent fasting will cause many victories to manifest. God's will is for every believer to live a life of victory with nothing being impossible. There is freedom from the torment of the enemy! Best-selling author and trusted teacher on deliverance, John Eckhardt reveals strongholds that can be broken including poverty, sickness, witchcraft, sexual impurity, pride, fear, confusion, and marital problems. Fasting will help readers to overcome these manifestations of oppression and break free from their limitations. Towns reveals the power of prayer in this fascinating look at the Lord's Prayer. Each chapter examines a line from the prayer, revealing power points for every believer desiring a more dynamic prayer life. Towns says: "What would you say if you were ushered into the throne room of God with only one minute to request everything you needed, but didn't know how to put it into words? The Lord's Prayer includes everything you need to ask when you talk to God . . . it is a model prayer that teaches us how to pray." Spiritual Assassins are fetish powers that have been assigned to cause havoc on someone's life. They are like evil contractors hired to destroy a person. They use terrible weapons in their operation; they summon people spirits, use evil padlocks and issue destructive curses. They are eaters of flesh and drinkers of blood. This book is a warfare manual that exposes these evil powers and gives us the weapons to dislodge them. As you pray the prayers you shall sing your victory song. The battle of this generation is intense, and Satan has vowed to unleash terror on God's children. Among other spirits, which Satan has deployed to cripple believers, is the spirit of infirmity. The spirit of infirmity was of major concern to the Lord Jesus Christ even when he was physically on earth. This is the reason why deliverance and healing were prominent in his earthly ministry. To open a door, the right key is required. This book in your hand is a kingdom key that will open the door to deep revelations about deliverance from spirits of infirmities. Among other spiritual insights revealed in this book, you stand to learn the following: - The reason why every believer needs the "bread" of deliverance. - The gateways deployed by the spirits of infirmities to attacking believers. - What gives the spirits of infirmities the power to resist medications and therapy. - Spiritual havoc which the spirits of infirmities cause immediately after entering the body of their victims and how to combat them. - How to deal with the spirits of infirmities headlong. - How to keep off the spirits of infirmities after receiving deliverance. This book also contains diverse testimonies of people put together to establish the faith of God's children. A guide to biblical fasting discusses how to choose a fast, the connection between fasting and prayer, the essential components of a successful fast, and what to expect mentally, physically, and spiritually. Never give up. Your breakthrough can literally be waiting for you around the next corner. Be patient. And have confidence in your creator, who loves you and - after he has already sacrificed his own son for you so that you do not have to go to hell - certainly does not want to withhold anything that is good and beautiful for you. Do you just have to wait? No. We all had to wait and always wait. This does not mean that sometimes the prayer is answered immediately and immediately. But the fact that a prayer is not answered immediately does not mean that God has not heard it or that he does not want to fulfill it for you. Why did the prophet Daniel have to wait? Think of the prophet Daniel. He prayed and prayed for an explanation from God because he did not understand the revelations that God had given him. It could easily have been tempted to assume that God simply does not answer. But what was it really like? The angel who finally reached Daniel to explain the revelation to him as he wished: "From the very first day when you tried to understand and therefore bowed to your God, your words were heard and I came for your words." (Daniel chapter 10, verse 12) So God is not concerned with anything else, but our omnipresent and omnipotent Creator always hears and always hears when we turn to him. God has provided a way to turn certain defeat into awesome victory and demonic strongholds into highways of His love and power. every individual, though we are culturally vaccinated to resist experiencing this higher consciousness. Our search for objective truth has led us not to wholeness, but instead to the belief that we have no bond to each other, to God, or to an inanimate, physical world. Our technology reduces our ability to experience revelation and leads us instead toward the chatter of confused thinking. The challenge faced by modern humanity, which is the challenge Muktananda gave to his students, is to passionately gather up the scattered fragments of our lives and channel them into the creative realm, where with insight or revelation we will be able to become more than ourselves. From the BookMeet three who discovered the power of "breakthrough prayer." "My husband and I had a dream of helping desperate young women. But no banker in his right mind would finance such a venture. So we prayed and God broke through every single obstacle we faced. That was just the beginning of the wonderful roller-coaster ride we call 'faith.'" —Grace (chapter 7) "Voices inside my head were constantly screaming at me. I became like an animal in the street, muttering or yelling out a stream of profanity as people passed by. One day I screamed out, Jesus, help me! O God, you're my only hope! That was the breakthrough prayer that saved my life." —Danny (chapter 2) "Talk about breakthrough prayer! I was buried under 110 stories of steel and concrete after the collapse of the World Trade Center Towers when God heard my cry for help." —Genelle (chapter 3) LEADERS are being prepared for this next season of the spirit. These mature and loyal prophets will stand before leaders and announce with great power and strength that position changes are coming. It is time for true Apostles to come forth in power. As I began to type this sermon I heard a voice of ultimate authority echo from Heaven, "True Apostolic IS Coming." I received a prophetic word months ago saying, Apostle come forth. Little did I know what was going to be required of me? "We had better get a good understanding of apostolic ministry under us for it will be on top of us before we know it. Samuel is a type of this apostolic leadership. The Lord did let none of his words fall to the ground nor did he beg his bread from the people." "Stand and Deliver" is a practical manual for deliverance ministry. It is designed to present usable instruction for the conduct of deliverance ministry. The devil has used the dragnet of witchcraft to hold on to the world. The revival of satanism on the face of the earth is a sign of desperation. Right now the children of darkness have opened their doors to train men in wickedness. There is an enemy that hates mankind and his progress with perfect hatred. This enemy is known as witchcraft. To confront this spirit, we must be ruthless towards it. Operation Jehu is catch and destroy, throw and destroy, cage and destroy. Prayer is a force that is beyond us and fulfills the purpose of God, and the purposes of God are depending on prayer. The word of God says, "Let the priests, the ministers of the Lord, weep between the porch and the altar, and let them say, spare thy people, O Lord, and give not thine heritage to reproach, that the heathen should rule over them: wherefore should they say among the people, where is their God." (Joel 2:17 KJV). Therefore, we need to repent and ask God to give us a burden for the lost. We need to grieve with the things that grieve the Holy Spirit; like apathy, prayerlessness, no convictions, no fear of God and being lukewarm. Battle Cry Compendium is a compilation of spiritual warfare bulletins of messages by Dr. D. K. Olukoya, the General Overseer of Mountain of Fire and Miracles Ministries Worldwide, for prayer warriors and intercessors. Excerpt from Spiritual Breakthroughs: What exactly is a spiritual breakthrough? For the purposes of this book, a spiritual breakthrough is "an obvious and observable change in controlling thoughts, feelings, or behaviors, resulting in dramatic spiritual growth." The bottom line is, when you make a spiritual breakthrough, it will be obvious. You will know it, and others will see it, too. Making and sustaining spiritual breakthroughs will transform you into a drastically different person. That is what the power of God can do if we allow it. Yes, you read that correctly; we must allow the most powerful force in the universe to work in our lives. We can stop the power of God simply by deciding not to change. I made the decision to hinder His power many times in the past, and perhaps you are making it right now. My prayer is that by picking up this book, you made the first step towards opening your heart and mind to the power of God and are ready to delve into His Scriptures. More and more people are "waking up" spiritually. And for most of them, the question becomes: now what? "Information about life after awakening is usually not made public," explains Adyashanti. "It's most often shared only between teachers and their students." The End of Your World is his response to a growing need for direction on the spiritual path. Consider the book you hold in your hands Adyashanti's personal welcome to "a new world, a state of oneness." For Christian parents eager to see their children come closer to the Lord, Cheri Fuller's When Children Pray is a godsend. There's no better testament to the power and effectiveness of children's prayers than these stories of how God answers the prayers of our children and youth. Most important, this book prepares parents to teach their children how to pray -- not merely the mechanics, but understanding and claiming the power of their heavenly Father through prayer. Busy parents and those with questions about their own prayer commitments will find When Children Pray, now in an updated, contemporary cover, especially helpful in passing on a legacy of faith to the next generation. The personal study guide leads individuals through the nine fasts described in Dr. Towns's bestselling book Fasting for Spiritual Breakthrough. By the use of questions, the reader is guided through the different purposes and elements of each type of fast. It is for every Christian who is seeking a deeper relationship with God, a strengthened faith, an understanding of the relationship with God, and an understanding of the discipline of fasting. This study can be used by individuals for personal study or as a test for small Bible study groups. Television host, widely traveled speaker, and communicator Marilyn Hickey reveals the surprising power and rich benefits of fasting in her 21-day program. Anti-breakthrough powers are powers contending for a person's victory. They are powers that are designated to stagnate a person. They limit and stagnate progress. This is your opportunity to deal with them. Imagine what our world might look like if Christians became known for remarkable love, as well as life-giving truth. The stakes are high and the need is great for Christians to represent Jesus to a watching world. And today, we have more influence than ever before—for better and for worse. We are among the first generations to have access to a global megaphone through social media. But it's not enough to speak truth louder to a noisy culture. To counter the reputation Christians have earned, our love must be just as loud. Ask evangelist Matt Brown, and he will tell you Christians today are facing a crisis of influence. In our rush to speak truth to today's tensions, cultural issues, and trending controversies, it becomes all too easy to focus on proving our points rather than extending God's grace. Conversely, when we seek only to love yet never proclaim a better way, we short-circuit God's plan. Truth Plus Love invites you to rediscover the biblical framework for engaging culture as ambassadors of Christ. Through biblical insight, cultural analysis, and practical principles, Matt Brown outlines how to champion truth without compromise, how to love unconditionally, and ultimately, how to step into this great adventure of representing God to the world. It's hard, it's messy, and it's the unfinished project of a lifetime, yet here we find our great adventure: representing God to a watching world. Do ancient religious practices help in healing today? Is prayer of benefit? If so, what kind of prayers? What about "laying on of hands" or "casting out demons?" Over
