What do men and boys long for, agonise over, aspire to? Why are men often silent in dark and difficult situations? Why do so many find it hard to express how much they care? What do they look for in women? What do they want from committed relationships, from friendships? How do they feel about kids? What motivates them? What do they worry about? How do they see their bodies? What is life like for them as they age? Why do so many resort to suicide? Every day we read articles about men- men at home, men at work, men in bed – but still the confusion and frustration between the sexes remain. Can we put the differences between men and women down to the influence of Venus and Mars, or are there more intricate dynamics at play? Is it true that men's lives are much easier than women's lives – that they have 'got it made'? Surprising, illuminating and at times shocking, *What Men Don't Talk About* takes the reader far beyond the many stereotypes of men, and reveals how real men and boys view their world.

[Love, Laughter, and Parenting](#)

Examines how men can find the joy and energy of being in a male body with a man's mind and spirit. The text tackles the key areas of a man's life: being an engaged father; love and relationships; masculinity; finding the heart at work; helping boys with school; making friends; and personal development. It aims to open new pathways to healing the past and forming true partnerships with women, and show how men can respect their inner needs as individuals.

'Most men are not fully alive' is the dramatic opening to Steve Biddulph's bestseller, *Manhood*, which has now been fully revised and updated in this 2015 edition. Exploring two critical social issues: how to establish a healthy masculinity and how men can release themselves from suffocating and outdated social moulds, Biddulph addresses the problems and possibilities confronting men in their daily lives. Women have found the book to be a profoundly moving and revealing read, while men acquire recognition and a sense of hope that life can be different. Topics include: - Your relationship with your father - Getting sex right - Being a true dad - Real male friends - Finding a job with heart This edition has been revised and updated to meet the needs of younger men, who are struggling with these issues in the twenty-first century.

[Raising Boys to Be Good Men](#)

Psychologist and family counselor Steve Biddulph has been hailed as a "childhood guru" (*The Guardian*) and a "publishing phenomenon" (*the Times*, London), and this is his landmark book, the foundation for his major international reputation. With unparalleled clarity, common sense, and warmth, *The Secret of Happy Children* instructs all parents about parent-child communication from babyhood to teens. It gives parents confidence to be more themselves as parents -- stronger, more loving, more definite, more relaxed. Biddulph reveals what is really happening inside kids' minds and what to do about it. He covers a wide variety of issues important to a child's -- and a parent's -- happiness, including stopping tantrums before they begin, curing shyness, the link between food and behavior, and much more. Parents will find themselves letting go of old, negative approaches and freeing up more energy to enjoy their kids and their own lives.

The most popular book ever about raising boys is back, significantly updated to help raise sons in a world that offers gender equality, respect and a whole new kind of man, but is still haunted by toxic masculinity. You'll find cutting-edge science about the 'physical fours', the 'emotional eights' and how puberty can be turned into a positive time, along with hundreds of other practical tips for raising a son. No two boys are alike, and you have to get to know our own unique boy. The idea that 'if we understand them, we can help them' is what has made this book so well loved and trusted in over a million homes. As one of Australia's best-known psychologists for almost 30 years, Steve has introduced a generation of fathers into hands-on engagement with kids, and helped thousands of mothers gain confidence in their ability to raise sons well. He has worked with schools in 17 countries, and 130,000 parents have heard his unforgettable live talks. 'Biddulph is electrifying' -Telegraph

[The New Manhood](#)

A controversial novel of power, prestige and pack mentality exposes the dark underbelly of college life at a prominent university. St Anton's university college is a cradle for privileged young men and women. With its Elysian lush green lawns and buildings of golden sandstone, it seems like a place where nothing bad could ever happen. One weekend, members of the college cricket team go to the mountains for a wild weekend away. Things spiral rapidly out of control, and a young Malaysian student they dragged along with them as part of a cruel prank goes missing. When the boy is found by some bushwalkers on a rock ledge, barely clinging to life, most people think it's because of a fall, but the St Anton's men know better. The stress of keeping their collective secret however becomes harder and harder to bear, and even the heavy wrought-iron fences of the college can't keep out reality. Dark, dangerous, bloody and visceral, this is a story of power, prestige and the pack mentality that forms the underbelly of campus life at a prestigious university. With overtones of *The Secret History* meets Brett Easton Ellis,

THE INTERNATIONAL BESTSELLING GUIDE TO THE 5 MUST-KNOW PARENTING STRATEGIES

Tired of nagging, pleading, negotiating, or yelling just to get your kids to do the simple things you ask? You don't need to be a Tiger Mom or a Helicopter Parent. There is a better way. Calmer, Easier, Happier Parenting brings the joy back into family life and helps parents to raise confident, responsible adults. Based on her forty-plus years of experience, behavioral specialist Noëlle Janis-Norton outlines a clear, step-by-step plan that will help any parent raise a child to be cooperative and considerate, confident and self-reliant. Transform your family life with these five strategies: Descriptive Praise, Preparing for Success, Reflective Listening, Never Ask Twice, and Rewards and Consequences. You'll begin to see results almost immediately:

- Kids start cooperating the first time you ask
- Mornings, bedtimes, mealtimes and homework all become easier
- Even very resistant kids start saying "yes" instead of "no"

'Compelling. What does it mean to be a man? Finally, we're talking about it. This book is the conversation we need to have-with each other, our sons and fathers.' Peter FitzSimons, bestselling author of *Kokoda* 'A terrific read-gutsy, plain-speaking and personal, addressing almost every aspect of Australian men's lives today . . . This book will greatly help the growing avalanche of masculine change.' Steve Biddulph, psychologist and bestselling author of *Manhood* The performance of being a man, from the moment we open our eyes, until we gasp our last breath, is damaging us, and those around us. Phil Barker has written thousands of words about being a man in these strange and terrible times. As a journalist, he has spent years investigating the modern epidemics of suicide, domestic violence, pornography and misogyny, but also the essential bonds of male friendship, fatherhood and men's relationships with women. During this time, Phil found himself seeing what it is to 'be a man' in a completely new light. Men are forced into a performance of masculinity that is suffocating, limiting and damaging. *The Revolution of Man* shows us how to rethink what it means to be a man and urges men to reconnect with their emotions so they, and the people they love, can start leading happier, healthier and more meaningful lives. 'Phil Barker skewers toxic masculinity and provides a manifesto for modern manhood. This well-researched, engaging and thought-provoking book explains why positive masculinity is good for men, women and children. We need more male allies like Phil to create a safer future for the post #MeToo generation.' Tracey Spicer, journalist and bestselling author of *The Good Girl Stripped Bare*

Audrey "Sunshine" Monke, mother of five and camp owner-director, shares nine powerful parenting techniques-inspired by the research-based practices of summer camp-to help kids thrive and families become closer. Research has proven that kids are happier and gain essential social and emotional skills at camp. A recognized parenting expert, Audrey Monke distills what she's learned from thousands of interactions with campers, camp counselors, and parents, and from her research in positive psychology, to offer intentional strategies parents can use to foster the benefits of camp at home. Our screen-obsessed, competitive society makes it harder than ever to raise happy, thriving kids. But there are tried-and-true methods that can help. Instead of rearing a generation of children who are overwhelmed, anxious, depressed, and who struggle to become independent, responsible adults, parents can create a culture that promotes the growth of important character traits and the social skills kids need for meaningful, successful lives. Thousands of parents attest to the "magical" benefits of summer camp for their kids, noting their children return more joyful, positive, confident, and resilient after just a few weeks. But you can learn exactly what it takes to promote these benefits at home. Complete with specific ideas to implement the most effective summer camp secrets, HAPPY CAMPERS is a one of a kind resource for raising happy, socially intelligent, successful kids.

[What Men Don't Talk About](#)

At a time when many boys are in crisis, a much-needed roadmap for helping boys grow into strong and compassionate men. Over the past two decades there has been an explosion of new studies that have expanded our knowledge of how boys think and feel. In *How to Raise a Boy*, psychologist Michael Reichert draws on his decades of research to challenge age-old conventions about how boys become men. Reichert explains how the paradigms about boys needing to be stoic and "man like" can actually cause them to shut down, leading to anger, isolation, and disrespectful or even destructive behaviors. The key to changing the culture lies in how parents, educators, and mentors help boys develop socially and emotionally. Reichert offers readers step-by-step guidance in doing just this by: - Listening and observing, without judgment, so that boys know they're being heard. - Helping them develop strong connections with teachers, coaches, and other role models - Encouraging them to talk about their feelings about the opposite sex and stressing the importance of respecting women - Letting them know that they don't have to "be a man" or "suck it up," when they are experiencing physical or emotional pain. Featuring the latest insights from psychology and neuroscience, *How to Raise a Boy* will help those who care for young boys and teenagers build a boyhood that will enable them to grow into confident, accomplished and kind men.

"If you are the parent of a boy . . . this is the book you need . . . insightful, enlightened, practical." —Peggy Orenstein, New York Times bestselling author of *Boys & Sex* From the dad who created the viral tweet supporting his son wearing nail polish, this essential parenting guide shares 36 parenting tips for battling gender norms, bringing down "man up" culture, and helping sons realize their potential. Our boys are in a crisis. Toxic masculinity and tough guy-ism are on display daily from our leaders, and we see anger, dysfunction, violence, and depression in young men who are suffocated by harmful social codes. Our young sons are told to stop throwing like a girl. They hear phrases like "man up" when they cry. They are told "boys will be boys" when they behave badly. The "Girl Power" movement has encouraged women to be whoever and do whatever they want, but that sentiment is not often extended to boys. Just watch the bullying when boys try ballet, paint their fingernails, or play with a doll. But we can treat this problem—and the power lies in the hands of parents. It's not only possible to raise boys who aren't emotionally stifled and shoved into stereotypical gender boxes; it's vital if we want a generation of men who can express their emotions, respect women, and help nurse society back to a halfway healthy place. We can reframe manhood. From Aaron Gouveia, who gained viral fame after tweeting his support for his son's painted fingernails (and who knows toxic masculinity very well), learn practical and actionable tips such as: Don't accept different standards for moms and dads Teach boys that "girl" is not an insult and retire phrases like "boys will be boys" Show boys that expressing their emotions and being physical is a good thing Let boys pursue nontraditional interests and hobbies Talk to boys about consent and privilege Model healthy and respectful relationships for boys to emulate Penned with equal parts humor, biting snark, and lived

With *Tomorrow, When the War Began*, John Marsden wrote the most powerful novel for teenagers ever published in this country. Now he has written the most powerful non-fiction work ever made available to young men. Where Steve Biddulph's bestselling *Raising Boys* talks to parents and teachers, *Secret Men's Business* talks to young men themselves, in the way that only John Marsden can. It sets out, in direct, honest language, the things every young man needs to know And the things young men aren't being told. Young men who read this book will learn how to be strong, how to be honest, how to confront their fears. They'll understand how to deal with men and women, parents and teachers, male friends and female friends. They'll get a sense of the integrity that every true man needs. They'll find ways to resolve problems without being destructive or self-destructive. They'll have their questions about sex answered In clear, straightforward language. As John Marsden says: "In one way all you have to do to become a man is to stay alive. Physically you'll grow into a man. But to become a man who is mature, independent, responsible and wise, you'll need to do more than just have birthdays."
