[Notes Left Behind](#)

The story of the untimely death of Terri Schiavo, why it should not have happened, and its meaning for life in the legal and political arenas.

[Why We're Polarized](#)

Six-time New York Times bestselling author, FOX News star, and radio host Mark R. Levin “trounces the news media” (The Washington Times) in this timely and groundbreaking book demonstrating how the great tradition of American free press has degenerated into a standardless profession that has squandered the faith and trust of the public. Unfreedom of the Press is not just another book about the press. In “Levin’s finest work” (Breitbart), he shows how those entrusted with news reporting today are destroying freedom of the press from within—not through actions of government officials, but with its own abandonment of reportorial integrity and objective journalism. With the depth of historical background for which his books are renowned, Levin takes you on a journey through the early American patriot press, which proudly promoted the principles set forth in the Declaration of Independence and the Constitution. This is followed by the early decades of the Republic during which newspapers around the young country were open and transparent about their fierce allegiance to one political party or another. It was only at

Read Book Streaming Radio Guide Hannity

the start of the Progressive Era and the 20th century that the supposed “objectivity of the press” first surfaced, leaving us where we are today: with a partisan party-press overwhelmingly aligned with a political ideology but hypocritically engaged in a massive untruth as to its real nature.

Rice and Beans

The march to the Trump presidency began in 1988, when Rush Limbaugh went national. Brian Rosenwald charts the transformation of AM radio entertainers into political kingmakers. By giving voice to the conservative base, they reshaped the Republican Party and fostered demand for a president who sounded as combative and hyperbolic as a talk show host.

Any Man

Now a New York Times bestseller! America is at war. The fight against global jihad has cost 7,000 American lives and almost \$2 trillion, and yet, most Americans do not understand what is at stake. The public lacks knowledge and safety because two presidents and their administrations neglected the most basic strategic question: who is the enemy? Presidents Bush and Obama both named the global jihadi movement—a movement with an intent to destroy the West—“violent extremism.” Their tidy term was an attempt to maintain peace with the Muslim community. But when they failed to appropriately name the enemy, they failed to fully understand Islamic extremism. This failure is why the U.S. has been in Afghanistan for sixteen years with no end in sight. But this war is eminently winnable if we remove our ideological blinders, accurately name our enemy, and draw up a strategy to defeat the ideas that inspire terrorism. So says Dr. Sebastian Gorka, one of the most experienced and sought-after authorities on counterterrorism. Dr. Gorka has been one of the intelligence community’s go-to experts on counterterrorism since 9/11. He’s been called to brief Congress and the Marine Corps and was asked to analyze the Patriot’s Day Boston Marathon Bombing for the US government. Dr. Gorka’s report for the trial of Dzhokhar “Jahar” Tsarnaev was widely circulated in counterterrorism circles and the media because it accurately painted a picture, not of a teenager on the cover of Rolling Stone, but of a terrorist. Dr. Gorka is respected by peers because he understands our enemy is not “terror” or “violent extremism.” Our enemy is the global jihadi movement, a modern totalitarian ideology rooted in the doctrines and martial history of Islam whose goals are to build an empire, suppress “false Muslims,” and engage in guerilla warfare against infidels. Taking his cue from the formerly top-secret analyses that shaped the U.S.

Read Book Streaming Radio Guide Hannity

response to the communist threat, Dr. Gorka has produced a compelling profile of the jihadi movement—its mind and motivation—and a plan to defeat it.

Every Christian parent faces a daily dilemma: How can I bring up my children to be people of character in a culture that undermines my values? Media and cultural expert Rebecca Hagelin knows how overwhelming it is to raise kids in today's morally toxic environment. In this practical guidebook, she helps you: Learn how to battle the culture, not your child Know the difference between your principles and your preferences Understand how marketers target your children and how to keep them safe online Develop and follow your "mother's intuition" and "father-knows-best" instincts Teach your children to be good stewards of money, time, and work You must fight to protect your children's innocence, their childhood, their character—and their future. It's a battle worth fighting. And it's a battle you can win.

[Ground Zero Disclosure](#)

Rush Limbaugh, America's #1 radio talk show host and #1 New York Times bestselling author presents a collection of the political and social observations conservatives have come to love and liberals love to hate. Limbaugh, a consummate entertainer and provocative political commentator, who delighted in being called "The Most Dangerous Man in America," led the charge to embrace and defend the fundamental values that have shaped the American character—the same values that cause liberals to have conniptions. The Democrats may be in the White House—but even they can't ruin this country in only four years, proclaims

Read Book Streaming Radio Guide Hannity

Rush. Conservatism's most outspoken champion and ever the optimist, Rush viewed the "pernicious liberal movement" as a philosophy whose inevitable demise will lead us back to the values that made America great. A must for the politically incorrect, See, I Told You So captures Rush at his best—showing once again why his syndicated radio show reached millions of devoted listeners each week.

The Politically Incorrect Guide to Climate Change

In the past few years, trust in traditional media has reached new lows. Many Americans disbelieve what they hear from the "mainstream media," and have turned to getting information from media echo chambers which are reflective of a single party or ideology. In this book, Paul Matzko reveals that this is not the first such moment in modern American history. The Radio Right tells the story of the 1960s far Right, who were frustrated by what they perceived to be liberal bias in the national media, particularly the media's sycophantic relationship with the John F. Kennedy administration. These people turned for news and commentary to a resurgent form of ultra-conservative mass media: radio. As networks shifted their resources to television, radio increasingly became the preserve of cash-strapped, independent station owners who were willing to air the hundreds of new right-wing programs that sprang up in the late 1950s and 1960s. By the early 1960s, millions of Americans listened each week to conservative broadcasters, the most prominent of which were clergy or lay broadcasters from across the religious spectrum, including Carl McIntire, Billy James Hargis, and Clarence Manion. Though divided by theology, these speakers were united by their distrust of political and theological liberalism and their antipathy towards JFK. The political influence of the new Radio Right quickly became apparent as the broadcasters attacked the Kennedy administration's policies and encouraged grassroots conservative activism on a massive scale. Matzko relates how, by 1963, Kennedy was so alarmed by the rise of the Radio Right that he ordered the Internal Revenue Service and Federal Communications Commission to target conservative broadcasters with tax audits and enhanced regulatory scrutiny via the Fairness Doctrine. Right-wing broadcasters lost hundreds of stations and millions of listeners. Not until the deregulation of the airwaves under the Carter and Reagan administrations would right-wing radio regain its former prominence. The Radio Right

provides the essential pre-history for the last four decades of conservative activism, as well as the historical context for current issues of political bias and censorship in the media.

Censorship

BUNDLE SUMMARY of David Horowitz's BLITZ - Trump Will Smash the Left and Win & Sean Hannity's LIVE FREE OR DIE - America (and the World) on the Brink The author, David Horowitz, is a conservative writer who used this opportunity to narrate and expose the machinations in the United States of America's political arena, specifically on the Presidency of Donald Trump and the strong opposition from the Democrats. This book provides an opportunity for readers to have a robust understanding of the United States of America's political situations, while the 2020 presidential election is lurking in the corner. This book summary also reveals the author's perception and viewpoints of President Trump's administration and that of the Democrats. He assessed how power tussle and determination of the Democrats to take power and depose Donald Trump began and gradually developed over the course of President Trump's first tenure, and how President Trump was able to outmaneuver the Leftists. A power tussle that led to series of name-calling, accusations, and counter-accusations from all the parties involved. He categorized his book into fourteen and they include: 1) The Trump threat 2) Divide, sabotage and resist 3) Identity politics 4) Make America safe again 5) Impeachment by hearsay 6) What the President actually did, etc***** Sean Hannity, the author of Live Free or Die America (And the World) On the Brink, is a self-proclaimed conservative writer, media personality, who is currently the host of Hannity on Fox News and the nationally syndicated radio program, The Sean Hannity Show, a Christian, who used his book to uncover and reveal the current events in the political scene towards the United States of America's forthcoming Presidential election. He is also widely known as the author of three New York Times bestsellers - Conservative Victory, Deliver Us from Evil and Let Freedom Ring. The author analyzed how power skirmish and eagerness of the Democrats to take over the presidency and oust Donald Trump started and deliberately grew all of a sudden over the period of President Trump's 4 years remarkable tenure, and how Donald Trump, in return, through his formidable polices and zeal to make America Great Again, completely outsmarted the Democrats and the media. A political battle that had led to a cycle of defamation, indictments, and counter-accusations from both sides of the political divide. He categorized his book into Ten Chapters and they include: 1) A Republic-If You Can Keep It 2) Welcome to Fantasyland: The Democrats' 2020 Agenda 3) Deep State I: Russian Collusion-The Hoax of the Century 4) Enemy of the People: The Hate-Trump Media Mob 5) Trump's Response to the Coronavirus and America's Great Comeback In this extensive and well-detailed discussion and summary of the work of David Horowitz and Sean Hannity,

Read Book Streaming Radio Guide Hannity

readers will gain a profound understanding of what the authors meant by *Blitz: Trump Will Smash the Left and Win & Live Free or Die: America (and the World) on the Brink*. Also, by outlining key points and summary of each chapter, this resource will precisely offer readers a satisfactory perception of Donald Trump Administration. PLEASE TAKE NOTE: It should be well understood that this summary and analysis is not the original book nor in any way affiliated to the original work of the authors. Also, it does not in any way ridicule or criticize the work of David Horowitz and Sean Hannity, rather it makes the book a successful guide to help readers understand the need for a better leadership and administration. He started Ground Zero in 1995 in Salt Lake City. Lewis has produced Ground Zero programs online, on radio and on television.

[The Radio Right](#)

Barack Obama and his radical team of self-professed socialists, fringe activists, and others are trying to remake the American way of life. They have used their new Democratic majority to launch an alarming assault on our capitalist system—while abandoning the war on terror, undermining our national security, and weakening our position in the eyes of our enemies. The "candidate of change" is threatening to change our country irreparably, and for the worse—if we don't act to stop him now. Sean Hannity has been sounding the alarms about Obama and his agenda from the start. Now—in his first new book in six years—he issues a stirring call to action. Hannity surveys all the major Obama players—from the president's affiliation with radical theology to his advisers' history of Marxist activism, repression of the media, support for leftist dictators, and worse. He exposes their resulting campaign to dismantle the American

Read Book Streaming Radio Guide Hannity

free-market system and forfeit our national sovereignty. But he draws on the examples of Ronald Reagan and the GOP's Contract with America to show how conservatives can unite behind this country's most cherished principles and act now to get America back on the right track—while we still can.

Hoax

As Americans, we face two fundamental questions: First, are we truly prepared to fight this new war to wipe out terrorism and terrorist regimes, and win it decisively -- no matter what sacrifices it requires or how long it takes? Second, are we once again prepared to teach our children the fundamental principles and values that make this country great -- the values that make this country worth fighting for, living for, and dying for? Sean Hannity is the hottest new phenomenon in TV and talk radio today. His gutsy, take-no-prisoners interviews and commentary on the Fox News Channel's Hannity & Colmes have made him one of cable television's most popular personalities. And his ascendance to the top of the talk radio world with ABC Radio's The Sean Hannity Show has won him a huge and devoted following that includes not only conservatives but anyone else who values straight talk over pandering and excuses. Now, in Let Freedom Ring, Sean Hannity offers a survey of the world -- political, social, and cultural -- as he sees it. Devoting special attention to 9/11, the war on terror, and the continuing threat we face at home and abroad, he makes clear that the greatest challenge we have to overcome may not be an attack from overseas, but the slow compromising of our national character. And he asks why, particularly in this time of war, should we entrust our future to the voices of the Left -- the very people who have spent decades ravaging so many of our core values and traditions? Our nation, as Hannity reminds us, was founded on the idea of freedom. And in order to protect our freedoms, he argues, we must stand vigilant against liberal attempts to compromise our strengths. From our military and intelligence forces, to our borders and airports, to our unified commitment to root out terrorists at home and abroad, he reveals how our strongest lines of defense have come under attack -- by left-wing voices within our government, media, schools, and elsewhere. And he shows how even domestic issues like taxation, education, patriotism, and the family have been exploited by liberals with their own agendas -- with potentially disastrous results. Filled with the commonsense commentary and passionate argument that have made Sean Hannity the most compelling conservative voice since Rush Limbaugh, Let Freedom Ring is an urgent call to arms. For, as Hannity warns, "We are engaged in a war of ideas. And civilization is at stake."

Why We Fight

Read Book Streaming Radio Guide Hannity

This New York Times and Wall Street Journal bestseller shows us that America's political system isn't broken. The truth is scarier: it's working exactly as designed. In this "superbly researched" (The Washington Post) and timely book, journalist Ezra Klein reveals how that system is polarizing us—and how we are polarizing it—with disastrous results. "The American political system—which includes everyone from voters to journalists to the president—is full of rational actors making rational decisions given the incentives they face," writes political analyst Ezra Klein. "We are a collection of functional parts whose efforts combine into a dysfunctional whole." "A thoughtful, clear and persuasive analysis" (The New York Times Book Review), *Why We're Polarized* reveals the structural and psychological forces behind America's descent into division and dysfunction. Neither a polemic nor a lament, this book offers a clear framework for understanding everything from Trump's rise to the Democratic Party's leftward shift to the politicization of everyday culture. America is polarized, first and foremost, by identity. Everyone engaged in American politics is engaged, at some level, in identity politics. Over the past fifty years in America, our partisan identities have merged with our racial, religious, geographic, ideological, and cultural identities. These merged identities have attained a weight that is breaking much in our politics and tearing at the bonds that hold this country together. Klein shows how and why American politics polarized around identity in the 20th century, and what that polarization did to the way we see the world and one another. And he traces the feedback loops between polarized political identities and polarized political institutions that are driving our system toward crisis. "Well worth reading" (New York magazine), this is an "eye-opening" (O, The Oprah Magazine) book that will change how you look at politics—and perhaps at yourself.

Join the political and cultural fight for America's freedom—and learn how to protect our nation from the leftist agenda—with this essential guide from Fox & Friends Weekend co-host Pete Hegseth. In *American Crusade*, Pete Hegseth explores whether the election of President Donald J. Trump was sign of a national rebirth, or instead the final act of a nation that has surrendered to Leftists who demand socialism, globalism, secularism, and politically-correct elitism. Can real America still win? And how? Hegseth is an old-school patriot who is on a mission to do his part to save our Republic. This book celebrates all that America stands for, while motivating and mustering fellow patriots to stand ready to defend—and save—our great country. As he travels around the country talking to American citizens from all walks of life, Hegseth reveals the common wisdom of average Americans—and how ready they are to join the cultural battlefield. Now is that time, and Hegseth has written the playbook. *American Crusade* is written with the same insight, politically incorrect candor, and humor that has made his television show one of the most highly-rated in America.

[Conservative Victory](#)

“An explosive, shapeshifting piece of literary real estate, Amber Tamblyn's arresting debut offers a scathing portrait of American celebrity culture and the way in which it transmutes human tragedy into a vicious circus; victims are forgotten as likes and shares swirl, and ‘news’ becomes a squalid orgy, a lurid feast. Tamblyn takes every risk in this astonishing and innovative work, and succeeds, gloriously.” — Janet Fitch, bestselling author of *The Revolution of Marina M.* and *Paint It Black* *Vanity Fair's* Summer Ultimate Fiction List Entertainment Weekly Summer Preview List In this electric and provocative debut novel, Tamblyn blends genres of poetry, prose, and elements of suspense to give shape to the shocking narratives of victims of sexual violence, mapping the destructive ways in which our society perpetuates

Read Book Streaming Radio Guide Hannity

rape culture. A violent serial rapist is on the loose, who goes by the name Maude. She hunts for men at bars, online, at home—the place doesn't matter, neither does the man. Her victims then must live the aftermath of their assault in the form of doubt from the police, feelings of shame alienation from their friends and family and the haunting of a horrible woman who becomes the phantom on which society projects its greatest fears, fascinations and even misogyny. All the while the police are without leads and the media hound the victims, publicly dissecting the details of their attack. What is extraordinary is how as years pass these men learn to heal, by banding together and finding a space to raise their voices. Told in alternating viewpoints signature to each voice and experience of the victim, these pages crackle with emotion, ranging from horror to breathtaking empathy. As bold as it is timely, Any Man paints a searing portrait of survival and is a tribute to those who have lived through the nightmare of sexual assault.

[Summary Book of Sean Hannity Live Free Or Die](#)

"Talk radio is the American voter." -- Rush Limbaugh Freedom of speech. It is our most cherished privilege as Americans, guaranteed by the First Amendment to the U.S. Constitution since 1791. But at the dawn of a new presidential administration, an epic battle is looming -- a battle for our airwaves that could sharply curtail or silence altogether the freedom of expression that distinguishes America from the average dictatorship. The target of this battle is conservative talk radio. If key Democrats have their way, the principles of the Federal Communications Commission's Fairness Doctrine will once again be enforced and allow government to control the content heard on free radio, a mandate that will have far-reaching implications for all media. During the Reagan administration the FCC voted to stop enforcing the Fairness Doctrine, which required all licensed broadcasters to present "balanced" viewpoints on controversial issues. Conservative talk radio burgeoned, giving rise to the father of conservative talk, Rush Limbaugh, and such hosts as Sean Hannity, Mark Levin, Michael Medved, Neal Boortz, Laura Ingraham, and others. The format was a smash hit -- resonating with listeners from coast to coast and giving a powerful voice to the conservative movement. Soon such programming, attracting an estimated 50 million listeners weekly, dominated the airwaves where liberal talk radio failed. Popular, profitable, outspoken, powerful, influential -- it's what the American people wanted, and its success was the Democrats' worst nightmare. Now, the principles of the Fairness Doctrine threaten to be reinstated -- if not directly, then through back-door tactics involving ownership of stations. Under cover of being "fair," they will prove to be anything but: They will be used as a means of censorship by those with contempt for conservative talk radio. With our current Congress firmly under Democratic control, the future of talk radio -- indeed, freedom of speech for all Americans -- is under direct attack.

Rice and Beans is a book about the paradox of local and global. On the one hand, this is a globe-spanning dish, a simple source of complete nutrition for billions of people in hundreds of countries. On the other hand, in every place people insist that rice and beans is a local invention, deeply rooted in a particular history and culture. How can something so universal also be so particular? The authors of this book explore the specific history of the versions of rice and beans beloved and indigenous in cultures from Brazil to West Africa. But they also plumb the shared African, Native American and European trans-Atlantic encounters and exchanges, and the contemporary forces of globalization and nation-building, which combine to make rice and beans a powerful substance and symbol of the relationship between food and culture.

#1 New York Times Bestseller America's top-rated cable news host offers his first book in ten years: a look at America's fight against those who would reverse our tradition of freedom—a fight we can't afford to lose in 2020. America is great for a reason. Built on principles of freedom, rugged individualism, and self-sufficiency, no country has ever accumulated more power and wealth, abused it less, or used that power more to advance the human condition. And yet, as America blossomed, leftwing radicalism and resentment festered beneath the surface, threatening to undermine democracy first in the sixties and

Read Book Streaming Radio Guide Hannity

now-more insidiously than ever--in the form of social justice warriors, the deep state, and compromised institutions like academia and the mainstream media. Our fate if we succumb to a Democratic victory in 2020? A big step toward full-blown socialism along with the economic dysfunction and social strife that are its hallmarks. With radical Democrats demanding the Green New Deal, socialized medicine, abortion on demand, open borders, abolishing the Electoral College, packing the Supreme Court, and an end to free speech, our great nation will be fundamentally transformed beyond recognition. Ronald Reagan once said, "Freedom is but one generation away from extinction," and his words have never rung truer. In Live Free or Die, Sean demonstrates why now is an All Hands on Deck moment to save the Republic. His solution is simple: if all you can do is vote, then vote. But if you can inform people of the truth, that's even better. And the truth is that the future of American freedom rests on Donald Trump's reelection.

#1 New York Times bestseller! A respected, long-time Republican strategist, ad-maker, and contributor for The Daily Beast skewers the disease that is destroying the conservative movement and burning down the GOP: Trumpism. Includes an all-new chapter analyzing Trump's impact on the 2018 elections. In the #1 New York Times bestselling Everything Trump Touches Dies, political campaign strategist and commentator Rick Wilson delivers "a searingly honest, biting funny, comprehensive answer to the question we find ourselves asking most mornings: 'What the hell is going on?' (Chicago Tribune). The Guardian hails Everything Trump Touches Dies, saying it gives, "more unvarnished truths about Donald Trump than anyone else in the American political establishment has offered. Wilson never holds back." Rick mercilessly exposes the damage Trump has done to the country, to the Republican Party, and to the conservative movement that has abandoned its principles for the worst President in American history. Wilson unblinkingly dismantles Trump's deceptions and the illusions to which his supporters cling, shedding

Read Book Streaming Radio Guide Hannity

light on the guilty parties who empower and enable Trump in Washington and in the media. He calls out the race-war dead-enders who hitched a ride with Trump, the alt-right basement dwellers who worship him, and the social conservatives who looked the other way. Publishers Weekly calls it, "a scathing, profane, unflinching, and laugh-out-loud funny rebuke of Donald Trump and his presidency." No left-winger, Wilson is a lifelong conservative who delivers his withering critique of Trump from the right. A leader of the Never Trump movement, he warned from the start that Trump would destroy the lives and reputations of everyone in his orbit, and *Everything Trump Touches Dies* is a deft chronicle the tragicomic political story of our time. From the early campaign days through the shock of election night, to the inconceivable train-wreck of Trump's first year. Rick Wilson provides not only an insightful analysis of the Trump administration, but also an optimistic path forward for the GOP, the conservative movement, and the country. "Hilarious, smartly written, and usually spot-on" (Kirkus Reviews), *Everything Trump Touches Dies* is perfect for those on either side of the aisle who need a dose of unvarnished reality, a good laugh, a strong cocktail, and a return to sanity in American politics.

writer, media personality, who is currently the host of Hannity on Fox News and the nationally syndicated radio program, The Sean Hannity Show, a Christian, who used his book to uncover and reveal the current events in the political scene towards the United States of America's forthcoming Presidential election. He is also widely known as the author of three New York Times bestsellers - Conservative Victory, Deliver Us from Evil and Let Freedom Ring. The author used the book to let Americans and readers to get the actual happenings and have a vigorous insight into the United States of America's political elements. His primary focus is on the heavy opposition and endless attacks on the administration and personality of President Donald Trump, majorly from the Democrats, Leftists, and Progressives. Again, the original work sought to display the conspiracies, collision, and politics in which the political and pull of power events is based, mainly between President Donald Trump, Democrats, and the Media. The author analyzed how power skirmish and eagerness of the Democrats to take over the presidency and oust Donald Trump started and deliberately grew all of a sudden over the period of President Trump's 4 years remarkable tenure, and how Donald Trump, in return, through his formidable policies and zeal to make America Great Again, completely outsmarted the Democrats and the media. A political battle that had led to a cycle of defamation, indictments, and counter-accusations from both sides of the political divide. He categorized his book into Ten Chapters and they include: 1) A Republic-If You Can Keep It 2) Welcome to Fantasyland: The Democrats' 2020 Agenda 3) Deep State I: Russian Collusion-The Hoax of the Century 4) Enemy of the People: The Hate-Trump Media Mob 5) Trump's Response to the Coronavirus and America's Great Comeback This book thoroughly delivers a comprehensive and well-explained dialogue and an overview of Sean Hannity's original work. This summary will help readers gain substantial knowledge of what the author meant by Live Free or Die: America (and the World) on the Brink. Therefore, based on each chapter's key themes and overview, this book will strictly provide the readers with an adequate understanding of Donald Trump's Administration. PLEASE TAKE NOTE: It should be well understood that this summary and analysis is not the original book nor in any way affiliated to the original work of the author. Also, it does not in any way ridicule or criticize the work of Sean Hannity, rather it makes the book a successful guide to help readers understand the need for a better leadership and administration. made the unvarnished truth his specialty. And there's one eternal truth that Americans are in danger of forgetting: the most important weapon in any geopolitical conflict is the will to win. And we must win. In this powerful manifesto, Dr. Gorka explains the basic principles that have guided strategists since Sun Tzu penned *The Art of War* in the sixth century B.C. To defeat your enemy, you must know him. But that's the last thing liberal elites are interested in. Willful ignorance about our adversary—whether it's Russia, China, or the global jihadi movement—has been crippling. Tearing off America's politically correct blindfold, Dr. Gorka clarifies who our foes are and what makes them tick. An eight-year vacation from geopolitical reality under Obama left our country dangerously weakened. Dr. Gorka addresses the pressing questions we face as we rebuild under President Trump's leadership: - What are the most serious threats to American security? - How are they different from the threats of the past? - What can we do to counter these threats? - How can we achieve the "perfect victory" of vanquishing our enemies without mortal combat? All the money and weapons in the world cannot substitute for the will to fight for our precious country and what she represents. To remind us of what the will to win looks like, Dr. Gorka intersperses the stories of four American heroes—Stephen Decatur, Chesty Puller, "Red" McDaniel, and a warrior who never took up arms, Whittaker Chambers—men who believed in their country and put everything on the line for her.

[Rise](#)

Messengers of the Right tells the story of the media activists who built the American conservative movement and transformed it into one of the most significant and successful movements of the twentieth century—and in the process remade the Republican Party and the American media landscape.

War and the Presidency: Restoring the Republic from Congressional Failure discusses the limited role for

Read Book Streaming Radio Guide Hannity

the presidency that our nation's founders envisioned and its evolution into an out-of-control imperial position of power. Dr. Eland concludes that the presidency has gained more power through congressional timidity and abdication rather than through presidential overreach. The written Constitution enshrined Congress as the dominant branch of government. Thus, the dangerous imperial presidency is contingent and can be rolled back only with a congressional reawakening. To get Congress to do this, the author suggests ways in which internal congressional incentives can be changed to provide motivation for a legislative pushback. The author also outlines important actions Congress could take in order to reign in executive power as well as structural reforms that might limit the role of the imperial presidency.

"A thorough and damning exploration of the incestuous relationship between Trump and his favorite channel." -The New York Times "A Rosetta Stone for stuff about this presidency that doesn't otherwise make sense to normal humans." -Rachel Maddow, MSNBC "Stelter's critique goes beyond salacious tidbits about extramarital affairs (though there are plenty of those) to expose a collusion that threatens the pillars of our democracy." -The Washington Post The urgent and untold story of the collusion between Fox News and Donald Trump from the New York Times bestselling author of Top of the Morning. While other leaders were marshaling resources to combat the greatest pandemic in modern history, President Donald Trump was watching TV. Trump watches over six hours of Fox News a day, a habit his staff refers to as "executive time." In January 2020, when Fox News began to downplay COVID-19, the President was quick to agree. In March, as the deadly virus spiraled out of control, Sean Hannity mocked "coronavirus hysteria" as a "new hoax" from the left. Millions of Americans took Hannity and Trump's words as truth-until some of them started to get sick. In Hoax, CNN anchor and chief media correspondent Brian Stelter tells the twisted story of the relationship between Donald Trump and Fox News. From the moment Trump glided down the golden escalator to announce his candidacy in the 2016 presidential election to his acquittal on two articles of impeachment in early 2020, Fox hosts spread his lies and smeared his enemies. Over the course of two years, Stelter spoke with over 250 current and former Fox insiders in an effort to understand the inner workings of Rupert Murdoch's multibillion-dollar media empire. Some of the confessions are alarming. "We don't really believe all this stuff," a producer says. "We just tell other people to believe it." At the center of the story lies Sean Hannity, a college dropout who, following the death of Fox News mastermind Roger Ailes, reigns supreme at the network that pays him \$30 million a year. Stelter describes the raging tensions inside Fox between the Trump loyalists and the few remaining journalists. He reveals why former chief news anchor Shep Smith resigned in disgust in 2019; why a former anchor said

“if I stay here I’ll get cancer;” and how Trump has exploited the leadership vacuum at the top to effectively seize control of the network. Including never before reported details, Hoax exposes the media personalities who, though morally bankrupt, profit outrageously by promoting the President’s propaganda and radicalizing the American right. It is a book for anyone who reads the news and wonders: How did this happen?

[Deliver Us from Evil](#)

Respected conservative talk show host, blogger and TV commentator Dana Loesch gives her views on the history and intent of the Second Amendment and discusses what she believes gun confiscation would mean to Americans' basic rights as citizens. How many people in America today are truly well-versed in the history of the Second Amendment, and why it was included in the Bill of Rights? In *HANDS OFF MY GUN*, Dana Loesch explains why the Founding Fathers included the right to bear arms in the Bill of Rights, and argues that "gun control" regulations throughout history have been used to keep minority populations under control. She also contends that current arguments in favor of gun control are primarily based on emotions and fear. This narrative is a must-read for every Second Amendment supporter. Dana Loesch is a determined and fierce advocate for those rights and shouts out: hands off my gun!

In his acclaimed #1 New York Times bestseller, Mark R. Levin explores the psychology, motivations, and history of the utopian movement, its architects—the Founding Fathers, and its modern-day disciples—and how the individual and American society are being devoured by it. Levin asks, what is this utopian force that both allures a free people and destroys them? Levin digs deep into the past and draws astoundingly relevant parallels to contemporary America from Plato’s Republic, Thomas More’s Utopia, Thomas Hobbes’s Leviathan, and Karl Marx’s Communist Manifesto, as well as from the critical works of John Locke, Charles

Montesquieu, Alexis de Tocqueville, and other philosophical pioneers who brilliantly diagnosed the nature of man and government. As Levin meticulously pursues his subject, the reader joins him in an enlightening and compelling journey. And in the end, Levin's message is clear: the American republic is in great peril. The people must now choose between utopianism or liberty. President Ronald Reagan warned, "freedom is never more than one generation away from extinction." Levin agrees, and with Ameritopia, delivers another modern political classic, an indispensable guide for America in our time and in the future.

[Fighting for Dear Life](#)

Nearly three years have passed since that tragic day in September. Since then, our wounds have healed, but our senses and memories have dulled. At first, the nation rallied behind its leader. But by the time the confrontation with Iraq presented itself, our courage and moral certainty seemed to fade in the face of partisan bickering and posturing. Now the political left and the Democratic Party are trying to use the demanding aftermath of the war to exploit our national cause for their own political advantage. How could we allow ourselves to forget so soon? --from *Deliver Us from Evil* Sean Hannity's first blockbuster book, the New York Times bestseller *Let Freedom Ring*, cemented his place as the freshest and most compelling conservative voice in the country. As the host of the phenomenally successful Hannity & Colmes on the Fox News Channel and The Sean Hannity Show on ABC Radio, Hannity has won a wildly devoted fan base. Now he brings his plainspoken, take-no-prisoners style to the continuing War on Terror abroad -- and liberalism at home -- in *Deliver Us from Evil*. "Evil exists," Hannity asserts. "It is real, and it means to harm us." And in these pages he revisits the harsh lessons America has learned in confronting evil in the past and the present, to illuminate the course we must take in the future. Tracing a direct line from Adolf Hitler and Joseph Stalin through Saddam Hussein and Osama bin Laden, he reminds us of the courage and moral clarity of our great leaders. And he reveals how the disgraceful history of appeasement has reached forward from the days of Neville Chamberlain and Jimmy Carter to corrupt the unrepentant leftists of the modern Democratic Party -- from Howard Dean and John Kerry to Bill and Hillary Clinton. As Americans face the ongoing war against terrorists and their state sponsors around the world, Sean Hannity reminds us that we must also cope with the continuing scourge of accommodation and cowardice at home. With his trademark blend of passion and hard-hitting commentary, he urges Americans to recognize the dangers of putting our faith in toothless "multilateralism" when the times call for decisive action. For only through strong defense of our freedoms, at home and around the world, can we preserve America's security and liberty in the dangerous twenty-first century.
