## ***Hospitality Human Resources and Supervision***

***This text focuses on HUMAN RESOURCES MANAGEMENT & SUPERVISION topics. It includes essential content plus learning activities, case studies, professional profiles, research topics and more that support course objectives. The exam can be taken in either a paper-and-pencil or online format. The exam format is selected at the time of purchase. The text and exam are part of the ManageFirst Program® from the National Restaurant Association (NRA). This edition is created to teach restaurant and hospitality students the core competencies of the Ten Pillars of Restaurant Management. The Ten Pillars of Restaurant Management is a job task analysis created with the input and validation of the industry that clearly indicates what a restaurant management professional must know in order to effectively and efficiently run a safe and profitable operation. The ManageFirst Program training program is based on a set of competencies defined by the restaurant, hospitality and foodservice industry as those needed for success. This competency-based program features 10 topics each with a textbook, online exam prep for students, instructor resources, a certification exam, certificate, and credential.\* The online exam prep for students is available with each textbook and includes helpful learning modules on test-taking strategies, practice tests for every chapter, a comprehensive cumulative practice test,***

## ***Supervisory Management Report***

***For many years, scholars aligned with mainstream research paradigms that make up organizational behavior (OB) have been leaning toward the more positive depiction of organizational reality. To better understand people's behavior in the workplace, they must also explore misbehavior.***

***Organizational Misbehavior (OMB) is a term that was coined by Yaov Vardi about 10 years ago when he found out there were no models for how to predict "misconduct" at work. Thus, the purpose of this book is to delineate a new agenda for organizational behavior theory and research. Devoted to the study and management of misbehavior in work organizations, this volume is divided into three parts. Part I discusses the prevalence of these phenomena. It searches for typologies and definitions for misbehavior in the management literature using a historical perspective and proposes a general framework of OMB. Part II explores some important manifestations and antecedents of OMB at different levels of analysis--the person, the job, and the organization. Finally, Part III presents practical and methodological implications for managers and researchers. The authors offer a comprehensive and systematically developed framework for the development and management of misbehavior in organizations. The book is intended for students, scholars, and practitioners who manage OB.***

### ***Supervisory Management***

***Supervisors have a pivotal position in the child welfare workforce: they recruit and retain the best employees, move agencies to best practice frameworks, and create a sustaining positive organizational climate. Child***

***welfare supervisors must lead a stressed workforce operating in a bureaucratic environment, and always with the knowledge that children's lives are at stake. They need and deserve a book oriented to the reality of their work. Child Welfare Supervision connects theory and practice to provide an overview of the most relevant and sound approaches to supervision. In thirteen illuminating chapters, Child Welfare Supervision translates generic principles of supervision and management and organizational theory to the specifics and reality of the child welfare practice environment. The result is a comprehensive, integrated resource for child welfare supervisors that gives them the tools and information to succeed in the fast-paced and intense world of child welfare. - Covers a wide range of must-have skills for supervisors including leadership, developing worker performance, managing the Child Welfare unit, working beyond the agency, managing performance, providing clinical supervision, and respecting diversity - Features case studies and scenarios that illustrate key points and competencies - Brings together the latest research and literature review with a pragmatic approach to child welfare supervision and case studies illustrate key concepts. -Each chapter concludes with reflection questions that can be assigned for a class or used in an agency to generate thoughtful discussion.***

***MANAGEMENT AND SUPERVISION IN LAW ENFORCEMENT is a practical and straightforward book that focuses on law enforcement managers and***

***supervisors, their jobs, and the complicated interrelationships between members of the law enforcement team and the communities they serve. The seventh edition has an increased emphasis on leadership and has been reorganized to begin with a general overview of the policing profession, thereby providing context for later discussions of the role of managers within the field. The text focuses on post-9/11 policing and includes research on the effects of 9/11 as well as discussion of data-driven policing (including CompStat policing), intelligence-led policing, evidence-based policing, and predictive policing. A new Ethical Dilemma boxed feature challenges students to think critically about the gray moral issues faced by supervisors every day. MANAGEMENT AND SUPERVISION IN LAW ENFORCEMENT, 7th Edition, presents a comprehensive overview of the responsibilities of law enforcement leaders, covering relevant topics ranging from the newest principles in policing to the exciting technological aids changing the face of law enforcement today--preparing readers to become tomorrow's leaders.
