[Jailbait #2: Spanish Edition](#)

Included in this book are 42 portraits of homeless men and women in South Carolina, Georgia, and Mississippi. For these images, Jan Banning came up with an original approach: to photograph these people who are homeless as he would photograph any other member of society. That implied not scouting out the most picturesque people he could find, and not capturing them in dramatizing black and white. Instead, he worked in a studio setting, focusing on their individuality rather than on stereotypes.

[The Holy Bible](#)

A devastating crisis has the Jehovah's Witness religion facing extinction. Chances are that you have never met a real "Jehovah's Witness." While those at your door may claim to be one of Jehovah's Witnesses, their own publications plainly teach otherwise. So, who are the real Jehovah's Witnesses? The Watchtower Society teaches that they are members of the 144,000 who will be the only ones going to heaven. Membership in this group began with the early apostles. Over the centuries others have been added but the Watchtower declared that the number was completed in 1935. Anyone who claims to be one of Jehovah's Witnesses has to be one of the 144,000 and must be very old now. However, the Watchtower Society teaches that these are the only ones who hear from God and are responsible for Watchtower teaching and leadership. Because these people are dying, the Watchtower is facing a credibility crisis. So, the Watchtower is quietly manipulating these death figures to keep the Watchtower organization alive! And now, just last year, Watchtower literature quietly began to try to wiggle out of the 1935 closing date for the 144,000. But this only adds further opportunity for you to show the "JW" who comes to your door that he cannot trust the Watchtower with his precious eternal life. The Watchtower representative at your door believes he will remain on "Paradise Earth" after the coming Armageddon, since only the original 144,000 have any hope of going to heaven. In fact, they are the only ones allowed to take communion. He does not believe he can understand Bible truths without the Watchtower. He is dependent on a publication that, one day soon, will be left without writers to reveal God's truths. Who are those writers? Those who remain of the original 144,000 and they are dying! Oddly enough, their founder, Charles Taze Russell, never taught the doctrine of the 144,000. In this book, you will learn the true history of this false Watchtower doctrine. You will be surprised to discover that this doctrine is not just a Bible issue. It is also a historical issue and a numbers game that the Watchtower Society has had to manipulate throughout the years to keep that organization alive! With the information and witnessing strategies in this book, you will be able to plant seeds of doubt and undermine the authority of the Watchtower. The Watchtower knows it is essential that this cornerstone doctrine remain alive if it is going to continue to exist as the spiritual leader for its followers. Time is the enemy of this teaching and they know it.

[The Witness](#)

Pablo Escobar was one of the most terrifying criminal minds of the last century. In the decade before his death in 1993, he reigned as the head of a multinational cocaine industry and brought the Colombian state to its knees, killing thousands of politicians, media personalities, police, and unarmed citizens. In the 1980s, Virginia Vallejo was Colombia's most famous television celebrity: a top-rated anchorwoman and a twice-divorced socialite who had been courted by the country's four wealthiest men. In 1982, she interviewed Pablo Escobar on her news program, and soon after, they began a discreet--albeit stormy--romantic relationship. During their five-year affair, Escobar would show Vallejo the vulnerability of presidents, senators, and military leaders seeking to profit from the drug trade. From Vallejo's privileged perspective and her ability to navigate the global corridors of wealth and high society, Escobar gained the insight to master his manipulation of Colombia's powerful elite and media. *Loving Pablo, Hating Escobar* chronicles the birth of Colombia's drug cartels: the kidnapers, the guerilla groups, and the paramilitary organizations. It is, above everything, a great love story--a deep and painful journey through a forbidden relationship--that gives us an intimate vision of the legendary drug baron who left his mark on Colombia, Latin America, the United States, and the world forever.

“ My father ' s life represented many layers of the human experience—freedman and Native American, farmer and rancher, rural educator and urban professional. ” —John Hope Franklin
Franklin Buck Colbert Franklin (1879 – 1960) led an extraordinary life; from his youth in what was then the Indian Territory to his practice of law in twentieth-century Tulsa, he was an observant witness to the changes in politics, law, daily existence, and race relations that transformed the wide-open Southwest. Fascinating in its depiction of an intelligent young man's coming of age in the days of the Land Rush and the closing of the frontier, *My Life and an Era* is equally important for its reporting of the triracial culture of early Oklahoma. Recalling his boyhood spent in the Chickasaw Nation, Franklin suggests that blacks fared better in Oklahoma in the days of the Indians than they did later with the white population. In addition to his insights about the social milieu, he offers youthful reminiscences of mustangs and mountain lions, of farming and ranch life, that might appear in a Western novel. After returning from college in Nashville and Atlanta, Franklin married a college classmate, studied law by mail, passed the bar, and struggled to build a practice in Springer and Ardmore in the first years of Oklahoma statehood. Eventually a successful attorney in Tulsa, he was an eyewitness to a number of important events in the Southwest, including the Tulsa race riot of 1921, which left more than 100 dead. His account clearly shows the growing racial tensions as more and more people moved into the state in the period leading up to World War II. Rounded out by an older man ' s reflections on race, religion, culture, and law, *My Life and an Era* presents a true, firsthand account of a unique yet defining place and time in the nation's history, as told by an

Recipient of the Nobel Prize for Literature and the International Peace Prize "The call for a more accessible collection of Neruda's important poems is answered with *City Lights' The Essential Neruda*, a 200-page edition that offers 50 of Neruda's key poems."-- The Bloomsbury Review This bilingual collection of Neruda's most essential poems is indispensable. Selected by a team of poets and prominent Neruda scholars in both Chile and the U.S., this is a definitive selection that draws from the entire breadth and width of Neruda's various styles and themes. An impressive group of translators that includes Alistair Reid, Stephen Mitchell, Robert Hass, Stephen Kessler and Jack Hirschman, have come together to revisit or completely retranslate the poems; and a handful of previously untranslated works are included as well. This selection sets the standard for a general, high-quality introduction to Neruda's complete oeuvre. "The Essential Neruda will prove to be, for most readers, the best introduction to Neruda available in English. In fact, I can think of few other books that have given me so much delight so easily. At only 234 pages (bilingual), it somehow manages to convey the fullness of Neruda's poetic arc: Reading it is like reading the autobiography of a poetic sensibility (granted, the abridged version)."--The Austin Chronicle "This book is a must-have for any reader interested in a definitive sampling of the most essential poems by one whom many consider one of the best poets of the 20th century."--Mike Nobles, Tulsa World "What better way to celebrate the hundred years of Neruda's glorious residence on our earth than this selection of crucial works-- in both languages -- by one of the greatest poets of all time. A splendid way to begin a love affair with our Pablo or, having already succumbed to his infinite charms, revisit him passionately again and again and yet again."--Ariel Dorfman, author of *Konfidenz* and *The Nanny and the Iceberg* "If the notion had struck Pablo Neruda, I am quite sure that like Fernando Pessoa and Antonio Machado he would have given birth to what the former called heteronyms. Like Pessoa especially, Neruda can be several poets according to where he is and when and what his mood might be. It is quite fitting therefore that his work in this anthology be shared by various translators, for, ideally, a translator is but another heteronym speaking in a different tongue and at a different time. Neruda is well served here by these other voices of his."--Gregory Rabassa "The editors and translators know how to extract gold from a lifetime of prolific writing. If you want a handy Neruda companion and don't know where to begin, this is it."--The Bloomsbury Review

Writing with the telegraphic swiftness and microscopic sensitivity that have made her one of our most distinguished journalists, Joan Didion creates a shimmering novel of innocence and evil. *A Book of Common Prayer* is the story of two American women in the derelict Central American nation of Boca Grande. Grace Strasser-Mendana controls much of the country's wealth and knows virtually all of its secrets; Charlotte Douglas knows far too little. "Immaculate of history, innocent of politics," she has come to Boca Grande vaguely and vainly hoping to be reunited with her fugitive daughter. As imagined by Didion, her fate is at once utterly particular and fearfully emblematic of an age of conscienceless authority and unfathomable violence.

[The Watchtower's Coming Crisis](#)

A brilliant, kaleidoscopic exploration of soccer—and the passion, hopes, rivalries, superstitions, and global solidarity it inspires—from award-winning author and Mexico’s leading sports journalist, Juan Villoro. On a planet where FIFA has more members than the United Nations and the World Cup is watched by more than three billion people, football is more than just a game. As revered author Juan Villoro argues in this passionate and compulsively readable tribute to the world’s favorite sport, football may be the most effective catalyst for panglobal unity at the time when we need it most. (Following global consensus, Villoro uses “football” rather than “soccer” in the book.) What was the greatest goal of all time? Why do the Hungarians have a more philosophical sense of defeat than the Mexicans? Do the dead play football? In essays ranging from incisive and irreverent portraits of Maradona, Messi, Ronaldo, Pelé, Zidane, and many more giants of the game to entertaining explorations of left-footedness and the number 10, Juan Villoro dissects the pleasure and pain of football fandom. *God Is Round* is a book for both fanatics and neophytes who long to feel the delirium of the faithful. Praise for *God Is Round* “If you want to talk about soccer, go talk to Juan Villoro.” —Carlos Fuentes “In trying times like these, when the anguish and uncertainty can be almost too much to bear, Mexico turns to him, its philosopher-fanatic, to make sense of the seemingly nonsensical. With the nation’s hopes for the World Cup spiraling into doubt and chaos, Juan Villoro, one of Mexico’s most decorated and esteemed writers—who also happens to be a leading soccer analyst—comes charging down the metaphorical field to scold, explain and extract the lessons within.” —The New York Times “The literature of Juan Villoro...is opening up the path of the new Spanish novel of the millennium.” —Roberto Bolaño “[Villoro] has assumed the Octavio Paz mantle of Mexican public wise man of letters (though with none of Paz’s solemnity, for Villoro is as boyishly effusive, brimming with laughter and cleverness, as Paz was paternalistically dour—and, of course, Villoro, the author of the book *God Is Round*, may be the most fútbol-obsessed man alive)” —Francisco Goldman, *The New Yorker* Juan Villoro is Mexico’s most prolific, prize-winning author, playwright, journalist, and screenwriter. His books have been translated into multiple languages; he has received the Herralde Award in Spain for his novel *El testigo*, the Antonin Artaud award in France for *Los culpables*. His novel, *Arrecife*, was recently short-listed for the Rezzori Prize in Italy. Villoro lives in Mexico City and is a visiting lecturer at Yale and Princeton universities. Thomas Bunstead’s translations from the Spanish include work by Eduardo Halfon and Yuri Herrera, Aixa de la Cruz’s story “True Milk” in *Best of European Fiction*, and the forthcoming *A Brief History of Portable Literature* by Enrique Vila-Matas (a co-translation with Anne McLean). A guest editor of a *Words Without Borders* feature on Mexico (March 2015), Thomas has also published his own writing in the *Times Literary Supplement*, *The Independent*, the *Paris Review* blog, *3ammagazine*, *Days of Roses*, *readysteadybook*, and >kill author.

You can't keep the faith unless you give it away. That's a fact. To be a Christian is to be an evangelizer. When the Catholic Church calls us to a "New Evangelization," that's simply a reminder to us of what has always been true. The good news is: you can do it - you can evangelize - and Scott Hahn shows you how. In this this very practical "mission manual" Dr. Hahn equips you with: A guide to understanding what the New Evangelization is, and who it's really for A roadmap that leads you to where it all happens (hint: it's closer than you think) A simple, beautiful message to share - in words and actions You don't need esoteric knowledge. You don't need to master a new set of skills. Evangelization, for Catholics, is simply friendship raised up to the highest level. Enter a deeper friendship with Christ, and you'll want to share his companionship more and more with a wider circle of friends.

[What Does the Bible Really Teach?.](#)

An innovative reassessment of Holocaust testimony, revealing the dramatic ways in which the languages and places of postwar life inform survivor memory This groundbreaking work rethinks conventional wisdom about Holocaust testimony, focusing on the power of language and place to shape personal narrative. Oral histories of Lithuanian Jews serve as the textual base for this exploration. Comparing the remembrances of Holocaust victims who remained in Lithuania with those who resettled in Israel and North America after World War II, Pollin-Galay reveals meaningful differences based on where survivors chose to live out their postwar lives and whether their language of testimony was Yiddish, English, or Hebrew. The differences between their testimonies relate to notions of love, justice, community--and how the Holocaust did violence to these aspects of the self. More than an original presentation of yet-unheard stories, this book challenges the assumption of a universal vocabulary for describing and healing human pain.

An inspiring, timely, and conversation-starting memoir from the barrier-breaking and Emmy Award – winning journalist Ilia Calderón—the first Afro-Latina to anchor a high-profile newscast for a major Hispanic broadcast network in the United States—about following your dreams, overcoming prejudice, and embracing your identity. As a child, Ilia Calderón felt like a typical girl from Colombia. In Chocó, the Afro-Latino province where she grew up, your skin could be any shade and you'd still be considered blood. Race was a non-issue, and Ilia didn't think much about it—until she left her community to attend high school and college in Medellín. For the first time, she became familiar with horrifying racial slurs thrown at her both inside and outside of the classroom. From that point on, she resolved to become “deaf” to racism, determined to overcome it in every way she could, even when she was told time and time again that prominent castings weren't “for people like you.” When a twist of fate presented her the opportunity of a lifetime at Telemundo in Miami, she was excited to start a new life, and identity, in the United States, where racial boundaries, she believed, had long since dissolved and equality was the rule. Instead, in her new life as an American, she faced a new type of racial discrimination, as an immigrant woman of color speaking to the increasingly marginalized Latinx community in Spanish. Now, Ilia draws back the curtain on the ups and downs of her remarkable life and career. From personal inner struggles to professional issues—such as being directly threatened by a Ku Klux Klan member after an interview—she discusses how she built a new identity in the United States in the midst of racially charged violence and political polarization. Along the way, she'll show how she's overcome fear and confronted hate head on, and the inspirational philosophy that has always propelled her forward.

Hello my friendly readers! I am excitedly sharing my first professional review. Enjoy!**INDIE READER REVIEW: 4.7/5.0!!!!** (<https://indiereader.com/2019/01/tale-of-two-brothers/>)**Verdict:** There's a lot for readers to like in author Daniel Fernández Masís' fusion of suspense and insight into the human condition in the **TALE OF TWO BROTHERS**, attempting to stop a deranged despot in the aftermath of a natural cataclysm that decimates natural resources across earth. In the aftermath of a natural cataclysm that decimated natural resources across earth, two brothers set up camp in an abandoned area of what was once the United States. Due to the paucity of resources, the brothers face unimaginable perils each day from marauders and herds of gangs pillaging anything in their path. Paranoia and adrenaline are constant realities for the two brothers; peace is a mirage. One day, one of the brothers, Jay, is kidnapped by a renegade gang, which is capturing and enslaving as many people as they can in an effort to gain control of the region. Nathan, the other brother, plots to save Jay and meets Silver, a sort of femme fatale, who is about as good at combat as the guys are. Eventually, all three plot a rebellion against the marauding gang, led by a thug named Cold, who is seeking a national tyranny of sorts and burning villages that oppose him. The last part of the book—which on occasion descends into rambling action scenes—feels almost like a flashback to Vietnam, but in an Americanized milieu. Author

Read PDF Testigo Spanish Edition

Daniel Fernández Mas í s imbues his prose throughout TALE OF TWO BROTHERS with indelible internal soliloquies by the characters, ones that are both stirring battle cries for human freedom, but also valuable insights into humanity coerced into extreme conditions. This is a dystopia, no doubt, but it is not one without hope, and this sense of fatalistic optimism carries the book beyond its depressing and often brutal surroundings. "When death seems to hover over you every day, people will heartbreakingly let go of the possibility of change," Mas í s writes . "But hope never vanishes completely. Thoughts and feelings deep within our minds and souls hang on, in solitude, to the notion of life without restraints and violence." There's a lot for readers to like in author Daniel Fernández Mas í s' fusion of suspense and insight into the human condition in the TALE OF TWO BROTHERS, attempting to stop a deranged despot in the aftermath of a natural cataclysm that decimates natural resources across earth. What role did indigenous peoples play in the Spanish conquest of Mexico? Ross Hassig explores this question in Mexico and the Spanish Conquest by incorporating primary accounts from the Indians of Mexico and revisiting the events of the conquest against the backdrop of the Aztec empire, the culture and politics of Mesoamerica, and the military dynamics of both sides. He analyzes the weapons, tactics, and strategies employed by both the Indians and the Spaniards, and concludes that the conquest was less a Spanish victory than it was a victory of Indians over other Indians, which the Spaniards were able to exploit to their own advantage. In this second edition of his classic work, Hassig incorporates new research in the same concise manner that made the original edition so popular and provides further explanations of the actions and motivations of Cort é s, Moteuczoma, and other key figures. He also explores their impact on larger events and examines in greater detail Spanish military tactics and strategies.

Sensational headlines have publicized the drug trafficking, brutal violence, and other organized crime elements associated with Central America's mara gangs, but there have been few clear-eyed analyses of the history, hierarchies, and future of the mara phenomenon. The first book to look specifically at the Central American gang problem by drawing on the perspectives of researchers from different disciplinary backgrounds, *Maras: Gang Violence and Security in Central America* provides much-needed insight. These essays trace the development of the gangs, from Mara Salvatrucha to the 18th Street Gang, in Los Angeles and their spread to El Salvador, Honduras, Guatemala, and Nicaragua as the result of members' deportation to Central America; there, they account for high homicide rates and threaten the democratic stability of the region. With expertise in areas ranging from political science to law enforcement and human rights, the contributors also explore the spread of mara violence in the United States. Their findings comprise a complete documentation that spans sexualized violence, case studies of individual gangs, economic factors, varied responses to gang violence, the use of intelligence gathering, the limits of state power, and the role of policy makers. Raising crucial questions for a wide readership, these essays are sure to spark productive international dialogues.

[A Book of Common Prayer](#)

“ So he replied to the messengers, ‘ Go back and report to John what you have seen and heard: The blind receive sight, the lame walk, those who have leprosy are cleansed, the deaf hear, the dead are raised, and the good news is proclaimed to the poor. ’ ” —Luke 7:22 These are Jesus ’ words when He was asked, “ Are you the one who is to come, or should we expect someone else? ” (Luke 7:20). He responded with evidence. Those were His credentials back then, and they are still His credentials today. If Jesus healed hurting people in His day, then why shouldn ’ t we expect to see healing today? In his new book Eyewitness to Miracles, author Randy Clark contends it is still God ’ s desire to heal His people. Never before has a minister of the gospel gone to such great lengths to meticulously record so many miraculous events. Your faith will soar as you read testimony after testimony of astonishing healings all over the world. Eyewitness to Miracles is a compendium for the entire church: Anglicans, Baptists, Catholics, and Methodists have endorsed the book. Randy has also been careful to consult with medical doctors and psychiatrists along the way. The foreword was written by two skeptical university professors, won over by Randy ’ s forthright, open approach to ministry. Eyewitness to Miracles is a remarkable read that will encourage you to believe once again.
