Dictionary.com <https://www.dictionary.com/browse/bellwether>

Bellwether definition, a wether or other male sheep that leads the flock, usually bearing a bell. See more.

Sea of Galilee (BiblePlaces.com) -

BiblePlaces.com <https://www.bibleplaces.com/seagalilee>

The exosphere (Ancient Greek: ἔξω éxō "outside, external, beyond", Ancient Greek: σφαῖρα sphaîra "sphere") is a thin, atmosphere-like volume surrounding a planet or natural satellite where molecules are gravitationally bound to that body, but where the density is so low that the molecules are ...

Colonization of the outer Solar System - Wikipedia https://en.m.wikipedia.org/wiki/Colonization_of_the_ou
ter_Solar_System

The Galilean Fishing Economy and the Jesus Tradition (K. C. Hanson) "Examines fishing as a sub-system within the political-economy and domestic-economy of first-century Galilee." Although references to "the Jesus Tradition" imply a non-historical view of the biblical accounts, the article provides ...

China outlines space plans to 2025 - SpaceNews <https://spacenews.com/china-outlines-space-plans-to-2025>

Many parts of the outer Solar System have been considered for possible future colonization. Most of the larger moons of the outer planets contain water ice, liquid water, and organic compounds that might be useful for sustaining human life.. There have also been proposals to place robotic aerostats in ...
